It is the purpose of this Act—

(1) to implement the Agreement to Promote Compliance with International Conservation and Management Measures by Fishing Vessels on the High Seas, adopted by the Conference of the Food and Agriculture Organization of the United Nations on November 24, 1993; and

(2) to establish a system of permitting, reporting, and regulation for vessels of the United States fishing on the high seas.

SEC. 103. [16 U.S.C. 5502] DEFINITIONS.

As used in this Act—

(1) The term “Agreement” means the Agreement to Promote Compliance with International Conservation and Management Measures by Fishing Vessels on the High Seas, adopted by the Conference of the Food and Agriculture Organization of the United Nations on November 24, 1993.

(2) The term “FAO” means the Food and Agriculture Organization of the United Nations.

(3) The term “high seas” means the waters beyond the territorial sea or exclusive economic zone (or the equivalent) of any nation, to the extent that such territorial sea or exclusive economic zone (or the equivalent) is recognized by the United States.

(4) The term “high seas fishing vessel” means any vessel of the United States or subject to the jurisdiction of the United States used or intended for use—

(A) on the high seas;

(B) for the purpose of the commercial exploitation of living marine resources; and

(C) as a harvesting vessel, as a mother ship, or as any other support vessel directly engaged in a fishing operation.

(5) The term “international conservation and management measures” means measures to conserve or manage one or more species of living marine resources that are adopted and applied in accordance with the relevant rules of international law, as reflected in the 1982 United Nations Convention on the Law of the Sea, and that are recognized by the United States. Such measures may be adopted by global, regional, or sub-regional fisheries organizations, subject to the rights and obligations of their members, or by treaties or other international agreements.

(6) The term “length” means—

(A) for any high seas fishing vessel built after July 18, 1982, 96 percent of the total length on a waterline at 85 percent of the least molded depth measured from the top of the keel, or the length from the foreside of the stem to the axis of the rudder stock on that waterline, if that is greater, except that in ships designed with a rake of keel the waterline on which this length is measured shall be parallel to the designed waterline; and

(B) for any high seas fishing vessel built before July 18, 1982, registered length as entered on the vessel’s documentation.

(7) The term “person” means any individual (whether or not a citizen or national of the United States), any corporation, partnership, association, or other entity (whether or not organized or existing under the laws of any State), and any Federal, State, local, or foreign government or any entity of any such government.

(ii) a State or political subdivision thereof;

(iii) a citizen or national of the United States; or
(iv) a corporation created under the laws of the United States or any State, the District of Columbia, or any territory, commonwealth, or possession of the United States; unless the vessel has been granted the nationality of a foreign nation in accordance with article 92 of the 1982 United Nations Convention on the Law of the Sea and a claim of nationality or registry for the vessel is made by the master or individual in charge at the time of the enforcement action by an officer or employee of the United States authorized to enforce applicable provisions of the United States law; and

(C) a vessel that was once documented under the laws of the United States and, in violation of the laws of the United States, was either sold to a person not a citizen of the United States or placed under foreign registry or a foreign flag, whether or not the vessel has been granted the nationality of a foreign nation.

(10) The terms “vessel subject to the jurisdiction of the United States” and “vessel without nationality” have the same meaning as in section 3(c) of the Maritime Drug Law Enforcement Act (46 U.S.C. 1903(c)).

SEC. 104. [16 U.S.C. 5503] PERMITTING.

(a) **IN GENERAL.**—No high seas fishing vessel shall engage in harvesting operations on the high seas unless the vessel has on board a valid permit issued under this section.

(b) **ELIGIBILITY.**—

(1) Any vessel of the United States is eligible to receive a permit under this section, unless the vessel was previously authorized to be used for fishing on the high seas by a foreign nation, and

(A) the foreign nation suspended such authorization because the vessel undermined the effectiveness of international conservation and management measures, and the suspension has not expired; or

(B) the foreign nation, within the last three years preceding application for a permit under this section, withdrew such authorization because the vessel undermined the effectiveness of international conservation and management measures.

(2) The restriction in paragraph (1) does not apply if ownership of the vessel has changed since the vessel undermined the effectiveness of international conservation and management measures, and the new owner has provided sufficient evidence to the Secretary demonstrating that the previous owner or operator has no further legal, beneficial or financial interest in, or control of, the vessel.

(3) The restriction in paragraph (1) does not apply if the Secretary makes a determination that issuing a permit would not subvert the purposes of the Agreement.

(4) The Secretary may not issue a permit to a vessel unless the Secretary is satisfied that the United States will be able

to exercise effectively its responsibilities under the Agreement with respect to that vessel.

(c) APPLICATION.—

(1) The owner or operator of a high seas fishing vessel may apply for a permit under this section by completing an application form prescribed by the Secretary.

(2) The application form shall contain—

(A) the vessel's name, previous names (if known), official numbers, and port of record;

(B) the vessel's previous flags (if any);

(C) the vessel's International Radio Call Sign (if any);

(D) the names and addresses of the vessel's owners and operators;

(E) where and when the vessel was built;

(F) the type of vessel;

(G) the vessel's length; and

(H) any other information the Secretary requires for the purposes of implementing the Agreement.

(d) CONDITIONS.—The Secretary shall establish such conditions and restrictions on each permit issued under this section as are necessary and appropriate to carry out the obligations of the United States under the Agreement, including but not limited to the following:

(1) The vessel shall be marked in accordance with the FAO Standard Specifications for the Marking and Identification of Fishing Vessels, or with regulations issued under section 305 of the Magnuson Fishery Conservation and Management Act¹ (16 U.S.C. 1855); and

(2) The permit holder shall report such information as the Secretary by regulation requires, including area of fishing operations and catch statistics. The Secretary shall promulgate regulations concerning conditions under which information submitted under this paragraph may be released.

(e) FEES.—

(1) The Secretary shall by regulation establish the level of fees to be charged for permits issued under this section. The amount of any fee charged for a permit issued under this section shall not exceed the administrative costs incurred in issuing such permits. The permitting fee may be in addition to any fee required under any regional permitting regime applicable to high seas fishing vessels.

(2) The fees authorized by paragraph (1) shall be collected and credited to the Operations, Research and Facilities account of the National Oceanic and Atmospheric Administration. Fees

¹So in law. Section 211 of the Department of Commerce and Related Agencies Appropriations Act, 1997 (as contained in section 101(a), title I of Division A of Public Law 104-208; 110 Stat. 3009-41) provides:

SEC. 211. (a) Effective 15 days after the enactment of the Sustainable Fisheries Act, section 1 of the Magnuson Fishery Conservation and Management Act (16 U.S.C. 1801) shall be amended to read as follows: "That this Act may be cited as the 'Magnuson-Stevens Fishery Conservation and Management Act.'"

(b) Effective 15 days after the enactment of the Sustainable Fisheries Act, all references to the Magnuson Fishery Conservation and Management Act shall be redesignated as references to the Magnuson-Stevens Fishery Conservation and Management Act.

Since such section did not actually amend each occurrence of the short title in law, the former short title appears here.

collected under this subsection shall be available for the necessary expenses of the National Oceanic and Atmospheric Administration in implementing this Act, and shall remain available until expended.

(f) **VALIDITY.**—A permit issued under this section for a vessel is void if—

(1) any other permit or authorization required for the vessel to fish is expired, revoked, or suspended; or

(2) the vessel is no longer documented under the laws of the United States or eligible for such documentation.

SEC. 105. [16 U.S.C. 5504] RESPONSIBILITIES OF THE SECRETARY.

(a) **RECORD.**—The Secretary shall maintain an automated file or record of high seas fishing vessels issued permits under section 104, including all information submitted under section 104(c)(2).

(b) **INFORMATION TO FAO.**—The Secretary, in cooperation with the Secretary of State and the Secretary of the department in which the Coast Guard is operating, shall—

(1) make available to FAO information contained in the record maintained under subsection (a);

(2) promptly notify FAO of changes in such information;

(3) promptly notify FAO of additions to or deletions from the record, and the reason for any deletion;

(4) convey to FAO information relating to any permit granted under section 104(b)(3), including the vessel's identity, owner or operator, and factors relevant to the Secretary's determination to issue the permit;

(5) report promptly to FAO all relevant information regarding any activities of high seas fishing vessels that undermine the effectiveness of international conservation and management measures, including the identity of the vessels and any sanctions imposed; and

(6) provide the FAO a summary of evidence regarding any activities of foreign vessels that undermine the effectiveness of international conservation and management measures.

(c) **INFORMATION TO FLAG NATIONS.**—If the Secretary, in cooperation with the Secretary of State and the Secretary of the department in which the Coast Guard is operating, has reasonable grounds to believe that a foreign vessel has engaged in activities undermining the effectiveness of international conservation and management measures, the Secretary shall—

(1) provide to the flag nation information, including appropriate evidentiary material, relating to those activities; and

(2) when such foreign vessel is voluntarily in a United States port, promptly notify the flag nation and, if requested by the flag nation, make arrangements to undertake such lawful investigatory measures as may be considered necessary to establish whether the vessel has been used contrary to the provisions of the Agreement.

(d) **REGULATIONS.**—The Secretary, after consultation with the Secretary of State and the Secretary of the department in which the Coast Guard is operating, may promulgate such regulations, in accordance with section 553 of title 5, United States Code, as may be necessary to carry out the purposes of the Agreement and this

title. The Secretary shall coordinate such regulations with any other entities regulating high seas fishing vessels, in order to minimize duplication of permit application and reporting requirements. To the extent practicable, such regulations shall also be consistent with regulations implementing fishery management plans under the Magnuson Fishery Conservation and Management Act² (16 U.S.C. 1801 et seq.).

(e) NOTICE OF INTERNATIONAL CONSERVATION AND MANAGEMENT MEASURES.—The Secretary, in consultation with the Secretary of State, shall publish in the Federal Register, from time to time, a notice listing international conservation and management measures recognized by the United States.

SEC. 106. [16 U.S.C. 5505] UNLAWFUL ACTIVITIES.

It is unlawful for any person subject to the jurisdiction of the United States—

(1) to use a high seas fishing vessel on the high seas in contravention of international conservation and management measures described in section 105(e);

(2) to use a high seas fishing vessel on the high seas, unless the vessel has on board a valid permit issued under section 104;

(3) to use a high seas fishing vessel in violation of the conditions or restrictions of a permit issued under section 104;

(4) to falsify any information required to be reported, communicated, or recorded pursuant to this title or any regulation issued under this title, or to fail to submit in a timely fashion any required information, or to fail to report to the Secretary immediately any change in circumstances that has the effect of rendering any such information false, incomplete, or misleading;

(5) to refuse to permit an authorized officer to board a high seas fishing vessel subject to such person's control for purposes of conducting any search or inspection in connection with the enforcement of this title or any regulation issued under this title;

(6) to forcibly assault, resist, oppose, impede, intimidate, or interfere with an authorized officer in the conduct of any search or inspection described in paragraph (5);

(7) to resist a lawful arrest or detention for any act prohibited by this section;

(8) to interfere with, delay, or prevent, by any means, the apprehension, arrest, or detection of another person, knowing that such person has committed any act prohibited by this section;

(9) to ship, transport, offer for sale, sell, purchase, import, export, or have custody, control, or possession of, any living marine resource taken or retained in violation of this title or any regulation or permit issued under this title; or

(10) to violate any provision of this title or any regulation or permit issued under this title.

²See footnote to section 104(d)(1).

SEC. 107. [16 U.S.C. 5506] ENFORCEMENT PROVISIONS.

(a) **DUTIES OF SECRETARIES.**—This title shall be enforced by the Secretary of Commerce and the Secretary of the department in which the Coast Guard is operating. Such Secretaries may by agreement utilize, on a reimbursable basis or otherwise, the personnel, services, equipment (including aircraft and vessels), and facilities of any other Federal agency, or of any State agency, in the performance of such duties. Such Secretaries shall, and the head of any Federal or State agency that has entered into an agreement with either such Secretary under this section may (if the agreement so provides), authorize officers to enforce the provisions of this title or any regulation or permit issued under this title.

(b) **DISTRICT COURT JURISDICTION.**—The district courts of the United States shall have exclusive jurisdiction over any case or controversy arising under the provisions of this title. In the case of Guam, and any Commonwealth, territory, or possession of the United States in the Pacific Ocean, the appropriate court is the United States District Court for the District of Guam, except that in the case of American Samoa, the appropriate court is the United States District Court for the District of Hawaii.

(c) **POWERS OF ENFORCEMENT OFFICERS.**—

(1) Any officer who is authorized under subsection (a) to enforce the provisions of this title may—

(ii) board, and search or inspect, any high seas fishing vessel;

(iii) seize any high seas fishing vessel (together with its fishing gear, furniture, appurtenances, stores, and cargo) used or employed in, or with respect to which it reasonably appears that such vessel was used or employed in, the violation of any provision of this title or any regulation or permit issued under this title;

(iv) seize any living marine resource (wherever found) taken or retained, in any manner, in connection with or as a result of the commission of any act prohibited by section 106;³

committed in his presence, or for a felony cognizable under the laws of the United States, if he has reasonable grounds to believe that the person to be arrested has committed or is committing a felony.

(d) ISSUANCE OF CITATIONS.—If any authorized officer finds that a high seas fishing vessel is operating or has been operated in violation of any provision of this title, such officer may issue a citation to the owner or operator of such vessel in lieu of proceeding under subsection (c). If a permit has been issued pursuant to this title for such vessel, such officer shall note the issuance of any citation under this subsection, including the date thereof and the reason therefor, on the permit. The Secretary shall maintain a record of all citations issued pursuant to this subsection.

(e) LIABILITY FOR COSTS.—Any person assessed a civil penalty for, or convicted of, any violation of this Act shall be liable for the cost incurred in storage, care, and maintenance of any living marine resource or other property seized in connection with the violation.

SEC. 108. [16 U.S.C. 5507] CIVIL PENALTIES AND PERMIT SANCTIONS.

(a) CIVIL PENALTIES.—

(1) Any person who is found by the Secretary, after notice and opportunity for a hearing in accordance with section 554 of title 5, United States Code, to have committed an act prohibited by section 106 shall be liable to the United States for a civil penalty. The amount of the civil penalty shall not exceed \$100,000 for each violation. Each day of a continuing violation shall constitute a separate offense. The amount of such civil penalty shall be assessed by the Secretary by written notice. In determining the amount of such penalty, the Secretary shall take into account the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violation, the degree of culpability, any history of prior offenses, and such other matters as justice may require.

(2) The Secretary may compromise, modify, or remit, with or without conditions, any civil penalty that is subject to imposition or that has been imposed under this section.

(b) PERMIT SANCTIONS.—

(1) In any case in which—

(A) a vessel of the United States has been used in the commission of an act prohibited under section 106;

(B) the owner or operator of a vessel or any other person who has been issued or has applied for a permit under section 104 has acted in violation of section 106; or

(C) any amount in settlement of a civil forfeiture imposed on a high seas fishing vessel or other property, or any civil penalty or criminal fine imposed on a high seas fishing vessel or on an owner or operator of such a vessel or on any other person who has been issued or has applied for a permit under any fishery resource statute enforced by the Secretary, has not been paid and is overdue,⁴ the Secretary may—

(i) revoke any permit issued to or applied for by such vessel or person under this title, with or without prejudice to the issuance of subsequent permits;

(ii) suspend such permit for a period of time considered by the Secretary to be appropriate;

(iii) deny such permit; or

(iv) impose additional conditions and restrictions on such permit.

(2) In imposing a sanction under this subsection, the Secretary shall take into account—

(A) the nature, circumstances, extent, and gravity of the prohibited acts for which the sanction is imposed; and

(B) with respect to the violator, the degree of culpability, any history of prior offenses, and such other matters as justice may require.

(3) Transfer of ownership of a high seas fishing vessel, by sale or otherwise, shall not extinguish any permit sanction that is in effect or is pending at the time of transfer of ownership. Before executing the transfer of ownership of a vessel, by sale or otherwise, the owner shall disclose in writing to the prospective transferee the existence of any permit sanction that will be in effect or pending with respect to the vessel at the time of the transfer. The Secretary may waive or compromise a sanction in the case of a transfer pursuant to court order.

(4) In the case of any permit that is suspended under this subsection for nonpayment of a civil penalty or criminal fine, the Secretary shall reinstate the permit upon payment of the penalty or fine and interest thereon at the prevailing rate.

(5) No sanctions shall be imposed under this subsection unless there has been prior opportunity for a hearing on the facts underlying the violation for which the sanction is imposed, either in conjunction with a civil penalty proceeding under this section or otherwise.

(c) HEARING.—For the purposes of conducting any hearing under this section, the Secretary may issue subpoenas for the attendance and testimony of witnesses and the production of relevant papers, books, and documents, and may administer oaths. Witnesses summoned shall be paid the same fees and mileage that are paid to witnesses in the courts of the United States. In case of contempt or refusal to obey a subpoena served upon any person pursuant to this subsection, the district court of the United States for any district in which such person is found, resides, or transacts business, upon application by the United States and after notice to such person, shall have jurisdiction to issue an order requiring such person to appear and give testimony before the Secretary or to appear and produce documents before the Secretary, or both, and any failure to obey such order of the court may be punished by such court as a contempt thereof.

(d) JUDICIAL REVIEW.—Any person against whom a civil penalty is assessed under subsection (a) or against whose vessel a permit sanction is imposed under subsection (b) (other than a permit suspension for nonpayment of penalty or fine) may obtain review thereof in the United States district court for the appropriate dis-

trict by filing a complaint against the Secretary in such court within 30 days from the date of such penalty or sanction. The Secretary shall promptly file in such court a certified copy of the record upon which such penalty or sanction was imposed, as provided in section 2112 of title 28, United States Code. The findings and order of the Secretary shall be set aside by such court if they are not found to be supported by substantial evidence, as provided in section 706(2) of title 5, United States Code.

(e) COLLECTION.—

(1) If any person fails to pay an assessment of a civil penalty after it has become a final and unappealable order, or after the appropriate court has entered final judgment in favor of the Secretary, the matter shall be referred to the Attorney General, who shall recover the amount assessed in any appropriate district court of the United States. In such action the validity and appropriateness of the final order imposing the civil penalty shall not be subject to review.

(2) A high seas fishing vessel (including its fishing gear, furniture, appurtenances, stores, and cargo) used in the commission of an act prohibited by section 106 shall be liable in rem for any civil penalty assessed for such violation under subsection (a) and may be proceeded against in any district court of the United States having jurisdiction thereof. Such penalty shall constitute a maritime lien on such vessel that may be recovered in an action in rem in the district court of the United States having jurisdiction over the vessel.

SEC. 109. [16 U.S.C. 5508] CRIMINAL OFFENSES.

(a) OFFENSES.—A person is guilty of an offense if the person commits any act prohibited by paragraph (6), (7), (8), or (9) of section 106.

(b) PUNISHMENT.—Any offense described in subsection (a) is a class A misdemeanor punishable by a fine under title 18, United States Code, or imprisonment for not more than one year, or both; except that if in the commission of any offense the person uses a dangerous weapon, engages in conduct that causes bodily injury to any authorized officer, or places any such officer in fear of imminent bodily injury, the offense is a felony punishable by a fine under title 18, United States Code, or imprisonment for not more than 10 years, or both.

SEC. 110. [16 U.S.C. 5509] FORFEITURES.

(a) IN GENERAL.—Any high seas fishing vessel (including its fishing gear, furniture, appurtenances, stores, and cargo) used, and any living marine resources (or the fair market value thereof) taken or retained, in any manner, in connection with or as a result of the commission of any act prohibited by section 106 (other than an act for which the issuance of a citation under section 107 is a sufficient sanction) shall be subject to forfeiture to the United States. All or part of such vessel may, and all such living marine resources (or the fair market value thereof) shall, be forfeited to the United States pursuant to a civil proceeding under this section.

(b) JURISDICTION OF DISTRICT COURTS.—Any district court of the United States shall have jurisdiction, upon application of the Attorney General on behalf of the United States, to order any for-

feiture authorized under subsection (a) and any action provided for under subsection (d).

(c) JUDGMENT.—If a judgment is entered for the United States in a civil forfeiture proceeding under this section, the Attorney General may seize any property or other interest declared forfeited to the United States, which has not previously been seized pursuant to this title or for which security has not previously been obtained. The provisions of the customs laws relating to—

(1) the seizure, forfeiture, and condemnation of property for violation of the customs law;

(2) the disposition of such property or the proceeds from the sale thereof; and

(3) the remission or mitigation of any such forfeiture; shall apply to seizures and forfeitures incurred, or alleged to have been incurred, under the provisions of this title, unless such provisions are inconsistent with the purposes, policy, and provisions of this title.

(d) PROCEDURE.—

(1) Any officer authorized to serve any process in rem that is issued by a court under section 107(b) shall—

(A) stay the execution of such process; or

(B) discharge any living marine resources seized pursuant to such process;

upon receipt of a satisfactory bond or other security from any person claiming such property. Such bond or other security shall be conditioned upon such person delivering such property to the appropriate court upon order thereof, without any impairment of its value, or paying the monetary value of such property pursuant to an order of such court. Judgment shall be recoverable on such bond or other security against both the principal and any sureties in the event that any condition thereof is breached, as determined by such court.

(2) Any living marine resources seized pursuant to this title may be sold, subject to the approval of the appropriate court, for not less than the fair market value thereof. The proceeds of any such sale shall be deposited with such court pending the disposition of the matter involved.

(e) REBUTTABLE PRESUMPTION.—For purposes of this section, all living marine resources found on board a high seas fishing vessel and which are seized in connection with an act prohibited by section 106 are presumed to have been taken or retained in violation of this title, but the presumption can be rebutted by an appropriate showing of evidence to the contrary.

TITLE VI—DRIFTNET MORATORIUM

SEC. 601. [16 U.S.C. 1801 note] SHORT TITLE.

This title may be cited as the “High Seas Driftnet Fishing Moratorium Protection Act”.

SEC. 602. [16 U.S.C. 1826d note] FINDINGS.

The Congress finds that—

(1) Congress has enacted and the President has signed into law numerous Acts to control or prohibit large-scale driftnet fishing both within the jurisdiction of the United States and beyond the exclusive economic zone of any nation, including the Driftnet Impact Monitoring, Assessment, and Control Act of 1987 (title IV, Public Law 100-220), the Driftnet Act Amendments of 1990 (Public Law 101-627), and the High Seas Driftnet Fisheries Enforcement Act (title I, Public Law 102-582);

(2) the United States is a party to the Convention for the Prohibition of Fishing with Long Driftnets in the South Pacific, also known as the Wellington Convention;

(3) the General Assembly of the United Nations has adopted three resolutions and three decisions which established and reaffirm a global moratorium on large-scale driftnet fishing on the high seas, beginning with Resolution 44/225 in 1989 and most recently in Decision 48/445 in 1993;

(4) the General Assembly of the United Nations adopted these resolutions and decisions at the request of the United States and other concerned nations;

(5) the best scientific information demonstrates the wastefulness and potentially destructive impacts of large-scale driftnet fishing on living marine resources and seabirds; and

(6) Resolution 46/215 of the United Nations General Assembly calls on all nations, both individually and collectively, to prevent large-scale driftnet fishing on the high seas.

SEC. 603. [16 U.S.C. 1826d] PROHIBITION.

The United States, or any agency or official acting on behalf of the United States, may not enter into any international agreement with respect to the conservation and management of living marine resources or the use of the high seas by fishing vessels that would prevent full implementation of the global moratorium on large-scale driftnet fishing on the high seas, as such moratorium is expressed in Resolution 46/215 of the United Nations General Assembly.

SEC. 604. [16 U.S.C. 1826e] NEGOTIATIONS.

The Secretary of State, on behalf of the United States, shall seek to enhance the implementation and effectiveness of the United Nations General Assembly resolutions and decisions regarding the moratorium on large-scale driftnet fishing on the high seas through appropriate international agreements and organizations.

SEC. 605. [16 U.S.C. 1826f] CERTIFICATION.

The Secretary of State shall determine in writing prior to the signing or provisional application by the United States of any international agreement with respect to the conservation and management of living marine resources or the use of the high seas by fishing vessels that the prohibition contained in section 603 will not be violated if such agreement is signed or provisionally applied.
