CHAMPUS reform initiative underway in the States of California

and Medical Program of the Uniformed Services or any other
health care demonstration program being conducted by the
Secretary;

(2) the contractor selected to underwrite the delivery of
health care under the CHAMPUS reform initiative will accom-

SEC. 831. [10 U.S.C. 2302 note] MENTOR-PROTEGE PILOT PROGRAM

(a) ESTABLISHMENT OF PILOT PROGRAM.—The Secretary of De-
fense shall establish a pilot program to be known as the “Mentor-
Protege Program”.

(b) PURPOSE.—The purpose of the program is to provide incentives for major Department of Defense contractors to furnish disadvantaged small business concerns with assistance designed to—

(1) enhance the capabilities of disadvantaged small business concerns to perform as subcontractors and suppliers under Department of Defense contracts and other contracts and subcontracts; and

(2) increase the participation of such business concerns as subcontractors and suppliers under Department of Defense contracts, other Federal Government contracts, and commercial contracts.

(c) PROGRAM PARTICIPANTS.—(1) A business concern meeting the eligibility requirements set out in subsection (d) may enter into agreements under subsection (e) and furnish assistance to disadvantaged small business concerns upon making application to the Secretary of Defense and being approved for participation in the pilot program by the Secretary. A business concern participating in the pilot program pursuant to such an approval shall be known, for the purposes of the program, as a “mentor firm”.

(2) A disadvantaged small business concern eligible for the award of Federal contracts may obtain assistance from a mentor firm upon entering into an agreement with the mentor firm as provided in subsection (e). A disadvantaged small business concern may not be a party to more than one agreement concurrently, and the authority to enter into agreements under subsection (e) shall only be available to such concern during the 5-year period beginning on the date such concern enters into the first such agreement. A disadvantaged small business concern receiving such assistance shall be known, for the purposes of the program, as a “protege firm”.

(3) In entering into an agreement pursuant to subsection (e), a mentor firm may rely in good faith on a written representation of a business concern that such business concern is a disadvantaged small business concern. The Small Business Administration shall determine the status of such business concern as a disadvantaged small business concern in the event of a protest regarding the status of such business concern. If at any time the business concern is determined by the Small Business Administration not to be a disadvantaged small business concern, assistance furnished such business concern by the mentor firm after the date of the determination may not be considered assistance furnished under the program.

(d) MENTOR FIRM ELIGIBILITY.—

(1) Subject to subsection (c)(1), a mentor firm may enter into an agreement with one or more protege firms under subsection (e) and provide assistance under the program pursuant to that agreement if the mentor firm—

(A) is eligible for award of Federal contracts; and

(B) demonstrates that it—

(i) is qualified to provide assistance that will contribute to the purpose of the program;

(ii) is of good financial health and character and does not appear on a Federal list of debarred or suspended contractors; and

(iii) can impart value to a protege firm because of experience gained as a Department of Defense contractor or through knowledge of general business operations and government contracting, as demonstrated by evidence that—

(I) during the fiscal year preceding the fiscal year in which the mentor firm enters into the agreement, the total amount of the Department of Defense contracts awarded such mentor firm and the subcontracts awarded such mentor firm under Department of Defense contracts was equal to or greater than \$100,000,000; or

(II) the mentor firm demonstrates the capability to assist in the development of protege firms, and is approved by the Secretary of Defense pursuant to criteria specified in the regulations prescribed pursuant to subsection (k).

(2) A mentor firm may not enter into an agreement with a protege firm if the Administrator of the Small Business Administration has made a determination finding affiliation between the mentor firm and the protege firm.

(3) If the Administrator of the Small Business Administration has not made such a determination and if the Secretary has reason to believe (based on the regulations promulgated by the Administrator regarding affiliation) that the mentor firm is affiliated with the protege firm, the Secretary shall request a determination regarding affiliation from the Administrator of the Small Business Administration.

(e) MENTOR-PROTEGE AGREEMENT.—Before providing assistance to a protege firm under the program, a mentor firm shall enter into a mentor-protege agreement with the protege firm regarding the assistance to be provided by the mentor firm. The agreement shall include the following:

(1) A developmental program for the protege firm, in such detail as may be reasonable, including—

(A) factors to assess the protege firm's developmental progress under the program;

(B) a description of the quantitative and qualitative benefits to the Department of Defense from the agreement, if applicable;

(C) goals for additional awards that protege firm can compete for outside the Mentor-Protege Program; and

(D) the assistance the mentor firm will provide to the protege firm in understanding contract regulations of the Federal Government and the Department of Defense (including the Federal Acquisition Regulation and the Defense Federal Acquisition Regulation Supplement) after award of a subcontract under this section, if applicable.

(2) A program participation term for any period of not more than three years, except that the term may be a period of up to five years if the Secretary of Defense determines in writing that unusual circumstances justify a program participation term in excess of three years.

(3) Procedures for the protege firm to terminate the agreement voluntarily and for the mentor firm to terminate the agreement for cause.

(f) FORMS OF ASSISTANCE.—A mentor firm may provide a protege firm the following:

(1) Assistance, by using mentor firm personnel, in—

(A) general business management, including organizational management, financial management, and personnel management, marketing, and overall business planning;

(B) engineering and technical matters such as production, inventory control, and quality assurance; and

(C) any other assistance designed to develop the capabilities of the protege firm under the developmental program referred to in subsection (e).

(2) Award of subcontracts on a noncompetitive basis to the protege firm under the Department of Defense or other contracts.

(3) Payment of progress payments for performance of the protege firm under such a subcontract in amounts as provided for in the subcontract, but in no event may any such progress payment exceed 100 percent of the costs incurred by the protege firm for the performance.

(4) Advance payments under such subcontracts.

(5) Loans.

(6) Assistance obtained by the mentor firm for the protege firm from one or more of the following—

(A) small business development centers established pursuant to section 21 of the Small Business Act (15 U.S.C. 648);

(B) entities providing procurement technical assistance pursuant to chapter 142 of title 10, United States Code;

(C) a historically Black college or university or a minority institution of higher education; or

(D) women's business centers described in section 29 of the Small Business Act (15 U.S.C. 656).

(g) INCENTIVES FOR MENTOR FIRMS.—(1) The Secretary of Defense may provide to a mentor firm reimbursement for the total amount of any progress payment or advance payment made under the program by the mentor firm to a protege firm in connection with a Department of Defense contract awarded the mentor firm.

(2)(A) The Secretary of Defense may provide to a mentor firm reimbursement for the costs of the assistance furnished to a protege firm pursuant to paragraphs (1) and (6) of subsection (f) (except as provided in subparagraph (D)) as provided for in a line item in a Department of Defense contract under which the mentor firm is furnishing products or services to the Department, subject to a maximum amount of reimbursement specified in such contract, except that this sentence does not apply in a case in which the Secretary of Defense determines in writing that unusual circumstances justify reimbursement using a separate contract.

(B) The determinations made in annual performance reviews of a mentor firm's mentor-protege agreement shall be a major factor in the determinations of amounts of reimbursement, if any, that

the mentor firm is eligible to receive in the remaining years of the program participation term under the agreement.

(C) The total amount reimbursed under this paragraph to a mentor firm for costs of assistance furnished in a fiscal year to a protege firm may not exceed \$1,000,000, except in a case in which the Secretary of Defense determines in writing that unusual circumstances justify a reimbursement of a higher amount.

(D) The Secretary may not reimburse any fee assessed by the mentor firm for services provided to the protege firm pursuant to subsection (f)(6) or for business development expenses incurred by the mentor firm under a contract awarded to the mentor firm while participating in a joint venture with the protege firm.

(3)(A) Costs incurred by a mentor firm in providing assistance to a protege firm that are not reimbursed pursuant to paragraph (2) shall be recognized as credit in lieu of subcontract awards for purposes of determining whether the mentor firm attains a subcontracting participation goal applicable to such mentor firm under a Department of Defense contract, under a contract with another executive agency, or under a divisional or company-wide subcontracting plan negotiated with the Department of Defense or another executive agency.

(B) The amount of the credit given a mentor firm for any such unreimbursed costs shall be equal to—

(i) four times the total amount of such costs attributable to assistance provided by entities described in subsection (f)(6);

(ii) three times the total amount of such costs attributable to assistance furnished by the mentor firm's employees; and

(iii) two times the total amount of any other such costs.

(C) Under regulations prescribed pursuant to subsection (k), the Secretary of Defense shall adjust the amount of credit given a mentor firm pursuant to subparagraphs (A) and (B) if the Secretary determines that the firm's performance regarding the award of subcontracts to disadvantaged small business concerns has declined without justifiable cause.

(4) A mentor firm shall receive credit toward the attainment of a subcontracting participation goal applicable to such mentor firm for each subcontract for a product or service awarded under such contract by a mentor firm to a business concern that, except for its size, would be a small business concern owned and controlled by socially and economically disadvantaged individuals, but only if—

(A) the size of such business concern is not more than two times the maximum size specified by the Administrator of the Small Business Administration for purposes of determining whether a business concern furnishing such product or service is a small business concern; and

(B) the business concern formerly had a mentor-protege agreement with such mentor firm that was not terminated for cause.

(h) RELATIONSHIP TO SMALL BUSINESS ACT.—(1) For purposes of the Small Business Act (15 U.S.C. 631 et seq.), no determination of affiliation or control (either direct or indirect) may be found between a protege firm and its mentor firm on the basis that the mentor firm has agreed to furnish (or has furnished) to its protege

firm pursuant to a mentor-protege agreement any form of developmental assistance described in subsection (f).

(2) Notwithstanding section 8 of the Small Business Act (15 U.S.C. 637), the Small Business Administration may not determine a disadvantaged small business concern to be ineligible to receive any assistance authorized under the Small Business Act on the basis that such business concern has participated in the Mentor-Protege Program or has received assistance pursuant to any developmental assistance agreement authorized under such program.

(3) The Small Business Administration may not require a firm that is entering into, or has entered into, an agreement under subsection (e) as a protege firm to submit the agreement, or any other document required by the Secretary of Defense in the administration of the Mentor-Protege Program, to the Small Business Administration for review, approval, or any other purpose.

(i) PARTICIPATION IN MENTOR-PROTEGE PROGRAM NOT TO BE A CONDITION FOR AWARD OF A CONTRACT OR SUBCONTRACT.—A mentor firm may not require a business concern to enter into an agreement with the mentor firm pursuant to subsection (e) as a condition for being awarded a contract by the mentor firm, including a subcontract under a contract awarded to the mentor firm.

(j) EXPIRATION OF AUTHORITY.—(1) No mentor-protege agreement may be entered into under subsection (e) after September 30, 2018.

(2) No reimbursement may be paid, and no credit toward the attainment of a subcontracting goal may be granted, under subsection (g) for any cost incurred after September 30, 2021.

(k) REGULATIONS.—The Secretary of Defense shall prescribe regulations to carry out the pilot Mentor-Protege Program. Such regulations shall include the requirements set forth in section 8(d) of the Small Business Act (15 U.S.C. 637(d)) and shall prescribe procedures by which mentor firms may terminate participation in the program. The Secretary shall publish the proposed regulations not later than the date 180 days after the date of the enactment of this Act. The Secretary shall promulgate the final regulations not later than the date 270 days after the date of the enactment of this Act. The Department of Defense policy regarding the pilot Mentor-Protege Program shall be published and maintained as an appendix to the Department of Defense Supplement to the Federal Acquisition Regulation.

(l) REPORT BY MENTOR FIRMS.—To comply with section 8(d)(7) of the Small Business Act (15 U.S.C. 637(d)(7)), each mentor firm shall submit a report to the Secretary not less than once each fiscal year that includes, for the preceding fiscal year—

(1) all technical or management assistance provided by mentor firm personnel for the purposes described in subsection (f)(1);

(2) any new awards of subcontracts on a competitive or noncompetitive basis to the protege firm under Department of Defense contracts or other contracts, including the value of such subcontracts;

(3) any extensions, increases in the scope of work, or additional payments not previously reported for prior awards of subcontracts on a competitive or noncompetitive basis to the

protege firm under Department of Defense contracts or other contracts, including the value of such subcontracts;

(4) the amount of any payment of progress payments or advance payments made to the protege firm for performance under any subcontract made under the Mentor-Protege Program;

(5) any loans made by mentor firm to the protege firm;

(6) all Federal contracts awarded to the mentor firm and the protege firm as a joint venture, designating whether the award was a restricted competition or a full and open competition;

(8) whether there have been any changes to the terms of the mentor-protege agreement; and

(9) a narrative describing the success assistance provided under subsection (f) has had in addressing the developmental needs of the protege firm, the impact on Department of Defense contracts, and addressing any problems encountered.

(m) REVIEW OF REPORT BY THE OFFICE OF SMALL BUSINESS PROGRAMS.—The Office of Small Business Programs of the Department of Defense shall review the report required by subsection (l) and, if the Office finds that the mentor-protege agreement is not furthering the purpose of the Mentor-Protege Program, decide not to approve any continuation of the agreement.

SEC. 1424. [10 U.S.C. 7291 note] FAST SEALIFT PROGRAM

(a) ESTABLISHMENT OF PROGRAM.—The Secretary of the Navy shall establish a program for the construction and operation, or conversion and operation, of cargo vessels that incorporate features essential for military use of the vessels.

(b) PROGRAM REQUIREMENTS.—The program under this section shall be carried out as follows:

(1) The Secretary of the Navy shall establish the design requirements for vessels to be constructed or converted under the program.

(2) In establishing the design requirements for vessels to be constructed or converted under the program, the Secretary shall use commercial design standards and shall consult with the Administrator of the Maritime Administration.

(3) Construction or conversion of the vessels shall be accomplished in private United States shipyards.

(4) The vessels constructed or converted under the program shall incorporate propulsion systems whose main components (that is, the engines, reduction gears, and propellers) are manufactured in the United States.

(5) The vessels constructed or converted under the program shall incorporate bridge and machinery control systems and interior communications equipment which—

(A) are manufactured in the United States; and

(B) have more than half of their value, in terms of cost, added in the United States.

(6) The Secretary of Defense may waive the requirement of paragraph (5) with respect to a system or equipment described in that paragraph if—

(A) the system or equipment is not available; or

(B) the costs of compliance would be unreasonable compared to the costs of purchase from a foreign manufacturer.

(c) CHARTER OF VESSELS CONSTRUCTED.—(1) Except when the Secretary determines that having a vessel immediately available with a full or partial crew is in the national interest, the Secretary, in consultation with the Administrator of the Maritime Administration, shall charter each vessel constructed before October 1, 1995, under the program for commercial operation. Any such charter—

(A) shall not permit the operation of the vessel other than in the foreign commerce of the United States;

(B) may be made only with an individual or entity that is a citizen of the United States (which, in the case of a corporation, partnership, or association, shall be determined in the manner specified in section 2 of the Shipping Act, 1916 (46 U.S.C. App. 802)); and

(C) shall require that the vessel be documented (and remain documented) under the laws of the United States.

(2) The Secretary may enter into a charter under paragraph (1) only through the use of competitive bidding procedures that ensure that the highest charter rates are obtained by the United States consistent with good business practice, except that the Secretary may operate the vessel (or contract to have the vessel operated) in direct support of United States military forces during a time of war or national emergency and at other times when the Administrator of the Maritime Administration determines that that operation would not unfairly compete with another United States-flag vessel.

(3) If the Secretary determines that a vessel previously chartered under the program no longer has commercial utility, the Secretary may transfer the vessel to the National Defense Reserve Fleet.

(4) A contract for the charter of a vessel under paragraph (1) shall include a provision that the charter may be terminated for national security reasons without cost to the United States.

(d) REPORTS TO CONGRESS.—(1) Not later than six months after the date of the enactment of this Act [Nov. 5, 1990], the Secretary of the Navy shall submit to Congress a report describing the Secretary's plan for implementing the fast sealift program authorized by this section.

(1) A will or other instrument of a testamentary nature involving property rights executed by a resident shall be promptly delivered, upon the death of the resident, to the proper court of record.

(2) If a resident dies intestate and the heirs or legal representative of the deceased cannot be immediately ascertained, the Administrator shall retain all property left by the decedent for a three-year period beginning on the date of the death. If entitlement to such property is established to the satisfaction of the Administrator at any time during the three-year period, the Administrator shall distribute the decedent's property, in equal pro-rata shares when multiple beneficiaries have been identified, to the highest following categories of identified survivors (listed in the order of precedence indicated):

- (A) The surviving spouse or legal representative.
- (B) The children of the deceased.
- (C) The parents of the deceased.
- (D) The siblings of the deceased.

(E) If a military installation to be closed, realigned, or placed in an inactive status under this part includes a road used for public access through, into, or around the installation, the Secretary of

Defense shall consult with the Governor of the State and the heads of the local governments concerned for the purpose of considering the continued availability of the road for public use after the installation is closed, realigned, or placed in an inactive status.

(3)(A) Not later than 6 months after the date of approval of the closure or realignment of a military installation under this part, the Secretary, in consultation with the redevelopment authority with respect to the installation, shall—

(i) inventory the personal property located at the installation; and

(ii) identify the items (or categories of items) of such personal property that the Secretary determines to be related to real property and anticipates will support the implementation of the redevelopment plan with respect to the installation.

(B) If no redevelopment authority referred to in subparagraph (A) exists with respect to an installation, the Secretary shall consult with—

(i) the local government in whose jurisdiction the installation is wholly located; or

(ii) a local government agency or State government agency designated for the purpose of such consultation by the chief executive officer of the State in which the installation is located.

(C)(i) Except as provided in subparagraphs (E) and (F), the Secretary may not carry out any of the activities referred to in clause (ii) with respect to an installation referred to in that clause until the earlier of—

(I) one week after the date on which the redevelopment plan for the installation is submitted to the Secretary;

(II) the date on which the redevelopment authority notifies the Secretary that it will not submit such a plan;

(III) twenty-four months after the date of approval of the closure or realignment of the installation; or

(IV) ninety days before the date of the closure or realignment of the installation.

(ii) The activities referred to in clause (i) are activities relating to the closure or realignment of an installation to be closed or realigned under this part as follows:

(I) The transfer from the installation of items of personal property at the installation identified in accordance with subparagraph (A).

(II) The reduction in maintenance and repair of facilities or equipment located at the installation below the minimum levels required to support the use of such facilities or equipment for nonmilitary purposes.

(D) Except as provided in paragraph (4), the Secretary may not transfer items of personal property located at an installation to be closed or realigned under this part to another installation, or dispose of such items, if such items are identified in the redevelopment plan for the installation as items essential to the reuse or redevelopment of the installation. In connection with the development of the redevelopment plan for the installation, the Secretary shall consult with the entity responsible for developing the redevelopment plan to identify the items of personal property located at

the installation, if any, that the entity desires to be retained at the installation for reuse or redevelopment of the installation.

(E) This paragraph shall not apply to any personal property located at an installation to be closed or realigned under this part if the property—

(4)(A) The Secretary may transfer real property and personal property located at a military installation to be closed or realigned under this part to the redevelopment authority with respect to the installation for purposes of job generation on the installation.

(B) The transfer of property located at a military installation under subparagraph (A) may be for consideration at or below the estimated fair market value or without consideration. The determination of such consideration may account for the economic conditions of the local affected community and the estimated costs to redevelop the property. The Secretary may accept, as consideration, a share of the revenues that the redevelopment authority receives from third-party buyers or lessees from sales and long-term leases of the conveyed property, consideration in kind (including goods and services), real property and improvements, or such other consideration as the Secretary considers appropriate. The transfer of property located at a military installation under subparagraph (A) may be made for consideration below the estimated fair market value or without consideration only if the redevelopment authority with respect to the installation—

(i) agrees that the proceeds from any sale or lease of the property (or any portion thereof) received by the redevelopment authority during at least the first seven years after the date of the initial transfer of property under subparagraph (A) shall be used to support the economic redevelopment of, or related to, the installation; and

(ii) executes the agreement for transfer of the property and accepts control of the property within a reasonable time after the date of the property disposal record of decision or finding

of no significant impact under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(C) For purposes of subparagraph (B)(i), the use of proceeds from a sale or lease described in such subparagraph to pay for, or offset the costs of, public investment on or related to the installation for any of the following purposes shall be considered a use to support the economic redevelopment of, or related to, the installation:

- (x) Disposal of hazardous materials generated by demolition.
- (xi) Landscaping, grading, and other site or public improvements.
- (xii) Planning for or the marketing of the development and reuse of the installation.

(D) The Secretary may recoup from a redevelopment authority such portion of the proceeds from a sale or lease described in subparagraph (B) as the Secretary determines appropriate if the redevelopment authority does not use the proceeds to support economic redevelopment of, or related to, the installation for the period specified in subparagraph (B).

(E)¹(i) The Secretary may transfer real property at an installation approved for closure or realignment under this part (including property at an installation approved for realignment which will be retained by the Department of Defense or another Federal agency after realignment) to the redevelopment authority for the installation if the redevelopment authority agrees to lease, directly upon transfer, one or more portions of the property transferred under this subparagraph to the Secretary or to the head of another department or agency of the Federal Government. Subparagraph (B) shall apply to a transfer under this subparagraph.

(ii) A lease under clause (i) shall be for a term of not to exceed 50 years, but may provide for options for renewal or extension of the term by the department or agency concerned.

(iii) A lease under clause (i) may not require rental payments by the United States.

(iv) A lease under clause (i) shall include a provision specifying that if the department or agency concerned ceases requiring the use of the leased property before the expiration of the term of the lease, the remainder of the lease term may be satisfied by the same

or another department or agency of the Federal Government using the property for a use similar to the use under the lease. Exercise of the authority provided by this clause shall be made in consultation with the redevelopment authority concerned.

(v) Notwithstanding clause (iii), if a lease under clause (i) involves a substantial portion of the installation, the department or agency concerned may obtain facility services for the leased property and common area maintenance from the redevelopment authority or the redevelopment authority's assignee as a provision of the lease. The facility services and common area maintenance shall be provided at a rate no higher than the rate charged to non-Federal tenants of the transferred property. Facility services and common area maintenance covered by the lease shall not include—

(I) municipal services that a State or local government is required by law to provide to all landowners in its jurisdiction without direct charge; or

(II) firefighting or security-guard functions.

(F) The transfer of personal property under subparagraph (A) shall not be subject to the provisions of subchapters II and III of chapter 5 of title 40, United States Code, if the Secretary determines that the transfer of such property is necessary for the effective implementation of a redevelopment plan with respect to the installation at which such property is located.

(G) The provisions of section 120(h) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9620(h)) shall apply to any transfer of real property under this paragraph.

(H)(i) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into before April 21, 1999, the Secretary may modify the agreement, and in so doing compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States, if—

(I) the Secretary determines that as a result of changed economic circumstances, a modification of the agreement is necessary;

(II) the terms of the modification do not require the return of any payments that have been made to the Secretary;

(III) the terms of the modification do not compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States with respect to in-kind consideration; and

(IV) the cash consideration to which the United States is entitled under the modified agreement, when combined with the cash consideration to be received by the United States for the disposal of other real property assets on the installation, are as sufficient as they were under the original agreement to fund the reserve account established under section 204(b)(7)(C) of the Defense Authorization Amendments and Base Closure and Realignment Act, with the depreciated value of the investment made with commissary store funds or nonappropriated funds in property disposed of pursuant to the agreement being modified, in accordance with section 2906(d).

(ii) When exercising the authority granted by clause (i), the Secretary may waive some or all future payments if, and to the extent that, the Secretary determines such waiver is necessary.

(iii) With the exception of the requirement that the transfer be without consideration, the requirements of subparagraphs (B), (C), and (D) shall be applicable to any agreement modified pursuant to clause (i).

(I) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into during the period beginning on April 21, 1999, and ending on the date of enactment of the National Defense Authorization Act for Fiscal Year 2000, at the request of the redevelopment authority concerned, the Secretary shall modify the agreement to conform to all the requirements of subparagraphs (B), (C), and (D). Such a modification may include the compromise, waiver, adjustment, release, or reduction of any right, title, claim, lien, or demand of the United States under the agreement.

(J) The Secretary may require any additional terms and conditions in connection with a transfer under this paragraph as such Secretary considers appropriate to protect the interests of the United States.

(5)(A) Except as provided in subparagraphs (B) and (C), the Secretary shall take such actions as the Secretary determines necessary to ensure that final determinations under paragraph (1) regarding whether another department or agency of the Federal Government has identified a use for any portion of a military installation to be closed or realigned under this part, or will accept transfer of any portion of such installation, are made not later than 6 months after the date of approval of closure or realignment of that installation.

(B) The Secretary may, in consultation with the redevelopment authority with respect to an installation, postpone making the final determinations referred to in subparagraph (A) with respect to the installation for such period as the Secretary determines appropriate if the Secretary determines that such postponement is in the best interests of the communities affected by the closure or realignment of the installation.

(C)(i) Before acquiring non-Federal real property as the location for a new or replacement Federal facility of any type, the head of the Federal agency acquiring the property shall consult with the Secretary regarding the feasibility and cost advantages of using Federal property or facilities at a military installation closed or realigned or to be closed or realigned under this part as the location for the new or replacement facility. In considering the availability and suitability of a specific military installation, the Secretary and the head of the Federal agency involved shall obtain the concurrence of the redevelopment authority with respect to the installation and comply with the redevelopment plan for the installation.

(ii) Not later than 30 days after acquiring non-Federal real property as the location for a new or replacement Federal facility, the head of the Federal agency acquiring the property shall submit to Congress a report containing the results of the consultation under clause (i) and the reasons why military installations referred to in such clause that are located within the area to be served by

the new or replacement Federal facility or within a 200-mile radius of the new or replacement facility, whichever area is greater, were considered to be unsuitable or unavailable for the site of the new or replacement facility.

(iii) This subparagraph shall apply during the period beginning on the date of the enactment of the National Defense Authorization Act for Fiscal Year 1998 and ending on July 31, 2001.

(6)(A) Except as provided in this paragraph, nothing in this section shall limit or otherwise affect the application of the provisions of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.) to military installations closed under this part. For procedures relating to the use to assist the homeless of buildings and property at installations closed under this part after the date of the enactment of this sentence, see paragraph (7).

(II) submit to the Secretary of Housing and Urban Development information on any building or property that is so determined.

(ii) The buildings and property referred to in clause (i) are any buildings or property located at an installation referred to in that clause for which no use is identified, or of which no Federal department or agency will accept transfer, pursuant to the determination of transferability referred to in that clause.

(C) Not later than 60 days after the date on which the Secretary of Defense submits information to the Secretary of Housing and Urban Development under subparagraph (B)(ii), the Secretary of Housing and Urban Development shall—

(E) The Secretary of Defense shall make available in accordance with section 501(f) of such Act any buildings or property referred to in subparagraph (D) for which—

(i) a written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act;

(ii) an application for use of such buildings or property for such purpose is submitted to the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act; and

(iii) the Secretary of Health and Human Services—

(I) completes all actions on the application in accordance with section 501(e)(3) of such Act; and

(II) approves the application under section 501(e) of such Act.

(F)(i) Subject to clause (ii), a redevelopment authority may express in writing an interest in using buildings and property referred to in subparagraph (D), and buildings and property referred to in subparagraph (B)(ii) which have not been identified as suitable for use to assist the homeless under subparagraph (C), or use such buildings and property, in accordance with the redevelopment plan with respect to the installation at which such buildings and property are located as follows:

(I) If no written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act during the 60-day period beginning on the date of the publication of the buildings and property under subparagraph (C)(iii).

(II) In the case of buildings and property for which such notice is so received, if no completed application for use of the buildings or property for such purpose is received by the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act during the 90-day period beginning on the date of the receipt of such notice.

(III) In the case of buildings and property for which such application is so received, if the Secretary of Health and Human Services rejects the application under section 501(e) of such Act.

(iii) A redevelopment authority shall express an interest in the use of buildings and property under this subparagraph by notifying the Secretary of Defense, in writing, of such an interest.

(G)(i) Buildings and property available for a redevelopment authority under subparagraph (F) shall not be available for use to assist the homeless under section 501 of such Act while so available for a redevelopment authority.

(ii) If a redevelopment authority does not express an interest in the use of buildings or property, or commence the use of buildings or property, under subparagraph (F) within the applicable time periods specified in clause (ii) of such subparagraph, such buildings or property shall be treated as property available for use to assist the homeless under section 501(a) of such Act.

(II) undertake outreach efforts to provide information on the buildings and property to representatives of the homeless, and to other persons or entities interested in assisting the homeless, in such communities.

(C) The Secretary may require any additional terms and conditions in connection with an agreement authorized by subparagraph (A) as the Secretary considers appropriate to protect the interests of the United States.

(B) if such costs are lower than the fair market value of the property or facilities, the recipient of the property or facilities agrees to pay the difference between the fair market value and such costs.

(3) In the case of property or facilities covered by a certification under paragraph (2)(A), the Secretary may pay the recipient of such property or facilities an amount equal to the lesser of—

(B) the amount by which the costs (as determined by the Secretary) that would otherwise have been incurred by the Secretary for such restoration, management, and activities with respect to such property or facilities exceed the fair market value of such property or facilities as so specified.

(4) As part of an agreement under paragraph (1), the Secretary shall disclose to the person to whom the property or facilities will be transferred any information of the Secretary regarding the environmental restoration, waste management, and environmental compliance activities described in paragraph (1) that relate to the property or facilities. The Secretary shall provide such information before entering into the agreement.

SEC. 3161. [42 U.S.C. 7381 note] SHORT TITLE

This part may be cited as the “Department of Energy Science Education Enhancement Act”.

SEC. 3162. [42 U.S.C. 7381] FINDINGS AND PURPOSES

(a) **FINDINGS.**—The Congress finds the following:

(1) Scientific, technical, and engineering competence is essential to the Nation’s future well-being.

(2) The scientific, technical, and engineering capability at the Federal laboratories is unmatched throughout the world.

(3) Superb research, development, testing, and evaluation occur in Department of Energy research and development facilities.

(4) Department of Energy research and development facilities will play an increasing role in assuring that the United States remains competitive in world markets.

(5) Improvements in mathematics, science, and engineering education are needed desperately to provide the trained and educated citizenry essential to the future competitiveness of the United States.

(6) The future health and vitality of the economy of the United States is predicated on the availability of an adequate supply of scientists, mathematicians, and engineers to provide for growing needs and to replenish the workforce.

(7) United States college and university enrollment in science, mathematics, and engineering programs is sharply declining at undergraduate, graduate, and post-graduate levels.

(8) The Federal Government is the largest United States employer of research scientists, mathematicians, and engineers, and the Department of Energy has a growing need for scientists, mathematicians, and engineers at a time when these enrollments are declining.

(9) Women and minorities are grossly underrepresented in science and mathematics fields, and this group represents more than 80 percent of the projected increase in the national workforce through the year 2000.

(b) **PURPOSES.**—The purposes of this part are—

(1) to encourage the development and implementation of science, mathematics, and engineering education programs at the Department of Energy and at its research and development facilities as part of a national effort to improve science, mathematics, and engineering education; and

(2) to provide more efficient coordination among science, mathematics, and engineering education programs.
