**PART 6—MULTIFAMILY MORTGAGE FORECLOSURE**

**SHORT TITLE**

Sec. 361. [12 U.S.C. 3701 note] This part may be cited as the “Multifamily Mortgage Foreclosure Act of 1981”.

**FINDINGS AND PURPOSE**

Sec. 362. [12 U.S.C. 3701] (a) The Congress finds that—

(1) disparate State laws under which the Secretary of Housing and Urban Development forecloses multifamily mortgages burden the programs administered by the Secretary pursuant to these authorities, and cause detriment to the residents of the affected projects and the community generally;
(2) long periods to complete the foreclosure of these mort-
gages under certain State laws lead to deterioration in the con-
dition of the properties involved; necessitate substantial Fed-
eral management and holding expenditures; increase the risk
of vandalism, fire loss, depreciation, damage, and waste with
respect to the properties; and adversely affect the residents of
the projects and the neighborhoods in which the properties are
located;
(3) these conditions seriously impair the Secretary’s ability
to protect the Federal financial interest in the affected prop-
erties and frustrate attainment of the objectives of the under-
lying Federal program authorities, as well as the national
housing goal of “a decent home and a suitable living environ-
ment for every American family”;
(4) application of State redemption periods to these mort-
gages following their foreclosure would impair the saleability of
the properties involved and discourage their rehabilitation and
improvement, thereby compounding the problems referred to in
clause (3);
(5) the availability of a uniform and more expeditious pro-
cedure for the foreclosure of these mortgages by the Secretary
and continuation of the practice of not applying postsale re-
demption periods to such mortgages will tend to ameliorate
these conditions; and
(6) providing the Secretary with a nonjudicial foreclosure
procedure will reduce unnecessary litigation by removing many
foreclosures from the courts where they contribute to over-
crowded calendars.
(b) The purpose of this part is to create a uniform Federal fore-
closure remedy for multifamily mortgages.

APPLICABILITY

SEC. 364. Multifamily mortgages held by the Secretary encumbering real estate located in any State may be foreclosed by the Secretary in accordance with this part, or pursuant to other foreclosure procedures available, at the option of the Secretary. If the Secretary forecloses on any such mortgage pursuant to such other foreclosure procedures available, the provisions of section 367(b) may be applied at the discretion of the Secretary.

DESIGNATION OF FORECLOSURE COMMISSIONER

SEC. 365. A foreclosure commissioner or commissioners designated pursuant to this part shall have a non-judicial power of sale as provided in this part. Where the Secretary is the holder of a multi-family mortgage, the Secretary may designate a foreclosure commissioner and, with or without cause, may designate a substitute foreclosure commissioner to replace a previously designated foreclosure commissioner, by executing a duly acknowledged, written designation stating the name and business
or residential address of the commissioner or substitute commissioner. The designation shall be effective upon execution. Except as provided in section 368(b), a copy of the designation shall be mailed with each copy of the notice of default and foreclosure sale served by mail in accordance with section 369(1). The foreclosure commissioner, if a natural person, shall be a resident of the State in which the security property is located and, if not a natural person, the foreclosure commissioner must be duly authorized to transact business under the laws of the State in which the security property is located. The foreclosure commissioner shall be a person who is responsible, financially sound and competent to conduct the foreclosure. More than one foreclosure commissioner may be designated. If a natural person is designated as foreclosure commissioner or substitute foreclosure commissioner, such person shall be designated by name, except that where such person is designated in his or her capacity as an official or employee of the government of the State or subdivision thereof in which the security property is located, such person may be designated by his or her unique title or position instead of by name. The Secretary shall be a guarantor of payment of any judgment against the foreclosure commissioner for damages based upon the commissioner’s failure properly to perform the commissioner’s duties. As between the Secretary and the mortgagor, the Secretary shall bear the risk of any financial default by the foreclosure commissioner. In the event that the Secretary makes any payment pursuant to the preceding two sentences, the Secretary shall be fully subrogated to the rights satisfied by such payment.

PREREQUISITES TO FORECLOSURE

SEC. 366. [12 U.S.C. 3705] Foreclosure by the Secretary under this part of a multi-family mortgage may be commenced, as provided in section 368, upon the breach of a covenant or condition in the mortgage agreement for which foreclosure is authorized under the mortgage, except that no such foreclosure may be commenced unless any previously pending proceeding, judicial or nonjudicial, separately instituted by the Secretary to foreclose the mortgage other than under this part has been withdrawn, dismissed, or otherwise terminated. No such separately instituted foreclosure proceeding on the mortgage shall be instituted by the Secretary during the pendency of foreclosure pursuant to this part. Nothing in this part shall preclude the Secretary from enforcing any right, other than foreclosure, under applicable State law, including any right to obtain a monetary judgment. Nothing in this part shall preclude the Secretary from foreclosing under this part where the Secretary has obtained or is seeking any other remedy available pursuant to Federal or State law or under the mortgage agreement, including, but not limited to, the appointment of a receiver, mortgagee-in-possession status, relief under an assignment of rents, or transfer to a nonprofit entity pursuant to section 202 of the Housing Act of 1959 (as amended by section 801 of the Cranston-Gonzalez National Affordable Housing Act) or section 811 of the Cranston-Gonzalez National Affordable Housing Act.
NOTICE OF DEFAULT AND FORECLOSURE SALE

SEC. 367. [12 U.S.C. 3706] (a) The notice of default and foreclosure sale to be served in accordance with this part shall be subscribed with the name and address of the foreclosure commissioner and the date on which subscribed, and shall set forth the following information:

(1) the names of the Secretary, the original mortgagee and the original mortgagor;
(2) the street address or a description of the location of the security property, and a description of the security property, or so much thereof as is to be offered for sale, sufficient to identify the property to be sold;
(3) the date of the mortgage, the office in which the mortgage is recorded, and the liber and folio or other description of the location of recordation of the mortgage;
(4) the failure to make payment, including the due date of the earliest installment payment remaining wholly unpaid as of the date the notice is subscribed, or the description of other default or defaults upon which foreclosure is based, and the acceleration of the secured indebtedness;
(5) the date, time, and place of the foreclosure sale;
(6) a statement that the foreclosure is being conducted pursuant to this part;
(7) the types of costs, if any, to be paid by the purchaser upon transfer of title; and
(8) the amount and method of deposit to be required at the foreclosure sale (except that no deposit shall be required of the Secretary), the time and method of payment of the balance of the foreclosure purchase price and other appropriate terms of sale.

(b)(1) Except as provided in paragraph (2)(A), the Secretary may require, as a condition and term of sale, that the purchaser at a foreclosure sale under this part agree to continue to operate the security property in accordance with the terms of the program under which the mortgage insurance or assistance was provided, or any applicable regulatory or other agreement in effect with respect to such property immediately prior to the time of foreclosure sale.

(2)(A) In any case where the majority of the residential units in a property subject to such a sale are occupied by residential tenants at the time of the sale, the Secretary shall require, as a condition and term of sale, any purchaser (other than the Secretary) to operate the property in accordance with such terms, as appropriate, of the programs referred to in paragraph (1).

(B) In any case where the Secretary is the purchaser of a multifamily project, the Secretary shall manage and dispose of such project in accordance with the provisions of section 203 of the Housing and Community Development Amendments of 1978.

COMMENCEMENT OF FORECLOSURE

SEC. 368. [12 U.S.C. 3707] (a) If the Secretary as holder of a multifamily mortgage determines that the prerequisites to foreclosure set forth in section 366 are satisfied, the Secretary may request the foreclosure commissioner to commence foreclosure of the
mortgage. Upon such request, the foreclosure commissioner shall commence foreclosure of the mortgage, by commencing service of a notice of default and foreclosure sale in accordance with section 369.

(b) Subsequent to commencement of a foreclosure under this part, the Secretary may designate a substitute foreclosure commissioner at any time up to forty-eight hours prior to the time of foreclosure sale, and the foreclosure shall continue without prejudice, unless the substitute commissioner, in his or her sole discretion, finds that continuation of the foreclosure sale will unfairly affect the interests of the mortgagor. In the event that the substitute commissioner makes such a finding, the substitute commissioner shall cancel the foreclosure sale, or adjourn such sale in the manner provided in section 369B(c). Upon designation of a substitute foreclosure commissioner, a copy of the written notice of such designation referred to in section 365 shall be served upon the persons set forth in section 369(1) of this part (1) by mail as provided in such section 369 (except that the minimum time periods between mailing and the date of foreclosure sale prescribed in such section shall not apply to notice by mail pursuant to this subsection), or (2) in any other manner, which in the substitute commissioner’s sole discretion, is conducive to achieving timely notice of such substitution. In the event a substitute foreclosure commissioner is designated less than forty-eight hours prior to the time of the foreclosure sale, the pending foreclosure shall be terminated and a new foreclosure shall be commenced by commencing service of a new notice of default and foreclosure sale.

**SERVICE OF NOTICE OF DEFAULT AND FORECLOSURE SALE**

SEC. 369. [12 U.S.C. 3708] The foreclosure commissioner shall serve the notice of default and foreclosure sale provided for in section 367 upon the following persons and in the following manner, and no additional notice shall be required to be served notwithstanding any notice requirements of any State or local law—

1. NOTICE BY MAIL.—The notice of default and foreclosure sale, together with the designation required by section 365, shall be sent by certified or registered mail, postage prepaid and return receipt requested, to the following persons:
   (A) the current security property owner of record, as the record exists forty-five days prior to the date originally set for foreclosure sale, whether or not the notice describes a sale adjourned as provided in this part;
   (B) the original mortgagor and all subsequent mortgagors of record or other persons who appear of record or in the mortgage agreement to be liable for part or all of the mortgage debt, as the record exists forty-five days prior to the date originally set for foreclosure sale, whether or not the notice describes a sale adjourned as provided in this part, except any such mortgagors or persons who have been released; and
   (C) all persons holding liens of record upon the security property, as the record exists forty-five days prior to the date originally set for foreclosure sale, whether or not
the notice describes a sale adjourned as provided in this
part.

Notice under clauses (A) and (B) of this paragraph shall be
mailed at least twenty-one days prior to the date of foreclosure
sale, and shall be mailed to the owner or mortgagor at the ad-
dress stated in the mortgage agreement, or, if none, to the ad-
dress of the security property, or, at the discretion of the fore-
closure commissioner, to any other address believed to be that
of such owner or mortgagor. Notice under clause (C) of this
paragraph shall be mailed at least ten days prior to the date
of foreclosure sale, and shall be mailed to each such
lienholder's address as stated of record or, at the discretion of
the foreclosure commissioner, to any other address believed to
be that of such lienholder. Notice by mail pursuant to this sub-
section or section 368(b) of this part shall be deemed duly
given upon mailing, whether or not received by the addressee
and whether or not a return receipt is received or the letter is
returned.

(2) PUBLICATION.—A copy of the notice of default and fore-
closure sale shall be published, as provided herein, once a week
during three successive calendar weeks, and the date of last
publication shall be not less than four nor more than twelve
days prior to the sale date. The information included in the no-
tice of default and foreclosure sale pursuant to section
367(a)(4) may be omitted, in the foreclosure commissioner's dis-
cretion, from the published notice. Such publication shall be in
a newspaper or newspapers having general circulation in the
county or counties in which the security property being sold is
located. To the extent practicable, the newspaper or news-
papers chosen shall be a newspaper or newspapers, if any is
available, having circulation conducive to achieving notice of
foreclosure by publication. Should there be no newspaper pub-
lished at least weekly which has a general circulation in one
of the counties in which the security property being sold is lo-
cated, copies of the notice of default and foreclosure sale shall
be posted in at least three public places in each such county
at least twenty-one days prior to the date of sale.

(3) POSTING.—A copy of the notice of default and fore-
closure sale shall be posted in a prominent place at or on the
real property to be sold at least seven days prior to the fore-
closure sale, and entry upon the premises for this purpose

the notice of default and foreclosure sale shall be posted in a
prominent place on each such parcel. If the security property
consists of two or more separate buildings, a copy of the notice
of default and foreclosure sale shall be posted in a prominent
place on each such building. Posting at or on the premises
shall not be required where the foreclosure commissioner, in
the commissioner's sole discretion, finds that the act of posting
will likely cause a breach of the peace or that posting may re-
sult in an increased risk of vandalism or damage to the prop-
erty.

SEC. 369A. [12 U.S.C. 3709] (a) Except as provided in sections 368(b) and 369B(c) the foreclosure commissioner shall withdraw the security property from foreclosure and cancel the foreclosure sale only if—

(1) the Secretary so directs the commissioner prior to or at the time of sale;

(2) the commissioner finds, upon application of the mortgagor at least three days prior to the date of sale, that the default or defaults upon which the foreclosure is based did not exist at the time of service of the notice of default and foreclosure sale; or

(3)(A) in the case of a foreclosure involving a monetary default, there is tendered to the foreclosure commissioner before public auction is completed the entire amount of principal and interest which would be due if payments under the mortgage had not been accelerated; (B) in the case of a foreclosure involving a nonmonetary default, the foreclosure commissioner, upon application of the mortgagor before the date of foreclosure sale, finds that such default is cured; and (C) there is tendered to the foreclosure commissioner before public auction is completed all amounts due under the mortgage agreement (excluding additional amounts which would have been due if mortgage payments had been accelerated), all amounts of expenditures secured by the mortgagee and all costs of foreclosure incurred for which payment from the proceeds of foreclosure is provided in section 369C, except that the Secretary shall have discretion to refuse to cancel a foreclosure pursuant to this paragraph (3) if the current mortgagor or owner of record has on one or more previous occasions caused a foreclosure of the mortgage, commenced pursuant to this part or otherwise, to be canceled by curing a default.

(b) Prior to withdrawing the security property from foreclosure in the circumstances described in subsection (a)(2) or (a)(3), the foreclosure commissioner shall afford the Secretary a reasonable opportunity to demonstrate why the security property should not be so withdrawn.

(c) In any case in which a foreclosure commenced under this part is canceled, the mortgage shall continue in effect as though acceleration had not occurred.

(d) If the foreclosure commissioner cancels a foreclosure sale under this part a new foreclosure may be subsequently commenced as provided in this part.

CONDUCT OF SALE; ADJOURNMENT

SEC. 369B. [12 U.S.C. 3710] (a) The date of foreclosure sale set forth in the notice of default and foreclosure sale shall not be prior to thirty days after the due date of the earliest installment wholly unpaid or the earliest occurrence of any uncured nonmonetary default upon which foreclosure is based. Foreclosure sale pursuant to this part shall be at public auction, and shall be scheduled to begin between the hours of 9 o’clock ante meridian and 4 o’clock post meridian local time on a day other than Sunday or a public holiday.

As Amended Through P.L. 115-334, Enacted December 20, 2018
holiday as defined by section 6103(a) of title 5, United States Code, or State law. The foreclosure sale shall be held at a location specified in the notice of default and foreclosure sale, which shall be a location where foreclosure real estate auctions are customarily held in the county or one of the counties in which the property to be sold is located, or at a courthouse therein, or at or on the property to be sold. Sale of security property situated in two or more counties may be held in any one of the counties in which any part of the security property is situated.

(b) The foreclosure commissioner shall conduct the foreclosure sale in accordance with the provisions of this part and in a manner fair to both the mortgagor and the Secretary. The foreclosure commissioner shall attend the foreclosure sale in person, or, if there are two or more commissioners, at least one shall attend the foreclosure sale. In the event that no foreclosure commissioner is a natural person, the foreclosure commissioner shall cause its duly authorized employee to attend the foreclosure sale to act on its behalf. Written one-price sealed bids shall be accepted by the foreclosure commissioner from the Secretary and other persons for entry by announcement by the commissioner at the sale. The Secretary and any other person may bid at the foreclosure sale, including the Secretary or any other person who has submitted a written one-price bid, except that the foreclosure commissioner or any relative, related business entity or employee of such commissioner or entity shall not be permitted to bid in any manner on the security property subject to foreclosure sale. The foreclosure commissioner may serve as auctioneer, or, in accordance with regulations of the Secretary, may employ an auctioneer to be paid from the commission provided for in section 369C(5).

(c) The foreclosure commissioner shall have discretion, prior to or at the time of sale, to adjourn or cancel the foreclosure sale if the commissioner determines, in the commissioner’s sole discretion, that circumstances are not conducive to a sale which is fair to the mortgagor and the Secretary or that additional time is necessary to determine whether the security property should be withdrawn from foreclosure as provided in section 369A. The foreclosure commissioner may adjourn a sale to a later hour the same day without the giving of further notice, or may adjourn the foreclosure sale for not less than nine nor more than twenty-four days, in which case the commissioner shall serve a notice of default and foreclosure sale revised to recite that the foreclosure sale has been adjourned to a specified date and to include any corrections the foreclosure commissioner deems appropriate. Such notice shall be served by publication, mailing and posting in accordance with section 369, except that publication may be made on any of three separate days prior to the revised date of foreclosure sale, and mailing may be made at any time at least seven days prior to the date to which the foreclosure sale has been adjourned.

**FORECLOSURE COSTS**

**SEC. 369C.** [12 U.S.C. 3711] The following foreclosure costs shall be paid from the sale proceeds prior to satisfaction of any other claim to such sale proceeds:
(1) necessary advertising costs and postage incurred in giving notice pursuant to sections 369 and 369B;

(2) mileage for posting notices and for the foreclosure commissioner's attendance at the sale at the rate provided in section 1921 of title 28, United States Code, for mileage by the most reasonable road distance;

(3) reasonable and necessary costs actually incurred in connection with any necessary search of title and lien records;

(4) necessary out-of-pocket costs incurred by the foreclosure commissioner to record documents; and

(5) a commission for the foreclosure commissioner for the conduct of the foreclosure to the extent authorized by regulations issued by the Secretary.

DISPOSITION OF SALE PROCEEDS

(1) first to cover the costs of foreclosure provided for in section 369C;

(2) then to pay valid tax liens or assessments prior to the mortgage;

(3) then to pay any liens recorded prior to the recording of the mortgage which are required to be paid in conformity with the terms of sale in the notice of default and foreclosure sale;

(4) then to service charges and advancements for taxes, assessments, and property insurance premiums;

(5) then to the interest;

(6) then to the principal balance secured by the mortgage (including expenditures for the necessary protection, preservation, and repair of the security property as authorized under the mortgage agreement and interest thereon if provided for in the mortgage agreement); and

(7) then to late charges.

Any surplus after payment of the foregoing shall be paid to holders of liens recorded after the mortgage and then to the appropriate mortgagor. If the person to whom such surplus is to be paid cannot be located, or if the surplus available is insufficient to pay all claimants and the claimants cannot agree on the allocation of the surplus, or if any person claiming an interest in the mortgage proceeds does not agree that some or all of the sale proceeds should be paid to a claimant as provided in this section, that part of the sale proceeds in question may be deposited by the foreclosure commissioner with an appropriate official or court authorized under law to receive disputed funds in such circumstances. If such a procedure for the deposit of disputed funds is not available, and the foreclosure commissioner files a bill of interpleader or is sued as a stakeholder to determine entitlement to such funds, the foreclosure commissioner’s necessary costs in taking or defending such action shall be deductible from the disputed funds.

TRANSFER OF TITLE AND POSSESSION

SEC. 369E. [12 U.S.C. 3713] (a) The foreclosure commissioner shall deliver a deed or deeds to the purchaser or purchasers and
obtain the balance of the purchase price in accordance with the
terms of sale provided in the notice of default and foreclosure sale.

(b) Subject to subsection (c), the foreclosure deed or deeds shall
convey all of the right, title, and interest in the security property
covered by the deed which the Secretary as holder, the foreclosure
commissioner, the mortgagor, and any other persons claiming by,
through, or under them, had on the date of execution of the mort-
gage, together with all of the right, title, and interest thereafter ac-
quired by any of them in such property up to the hour of sale, and
no judicial proceeding shall be required ancillary or supplementary
to the procedures provided in this part to assure the validity of the
conveyance or confirmation of such conveyance.

(c) A purchaser at a foreclosure sale held pursuant to this part
shall be entitled to possession upon passage of title to the mort-
gaged property, subject to an interest or interests senior to that of
the mortgage and subject to the terms of any lease of a residential
tenant for the remaining term of the lease or for one year, which-
ever period is shorter. Any other person remaining in possession
after the sale and any residential tenant remaining in possession
after the applicable period shall be deemed a tenant at sufferance.

(d) There shall be no right of redemption, or right of possession
based upon right of redemption, in the mortgagor or others subse-
quent to a foreclosure pursuant to this part.

(e) When conveyance is made to the Secretary, no tax shall be
imposed or collected with respect to the foreclosure commissioner’s
deed, whether as a tax upon the instrument or upon the privilege
of conveying or transferring title to the property. Failure to collect
or pay a tax of the type and under the circumstances stated in the
preceding sentence shall not be grounds for refusing to record such
a deed, for failing to recognize such recordation as imparting notice
or for denying the enforcement of such a deed and its provisions
in any State or Federal court.

RECORD OF FORECLOSURE AND SALE

Sec. 369F. [12 U.S.C. 3714] (a) To establish a sufficient record
of foreclosure and sale, the foreclosure commissioner shall include
in the recitals of the deed to the purchaser or prepare an affidavit
or addendum to the deed stating—

(1) that the mortgage was held by the Secretary;

of notice of default and foreclosure sale in accordance with sec-
tions 369 and 369B;

the provisions of this part and with the terms of the notice of
default and foreclosure sale;
(4) a correct statement of the costs of foreclosure, cal-
culated in accordance with section 369C; and
(5) the name of the successful bidder and the amount of
the successful bid.

(b) The deed executed by the foreclosure commissioner, the
foreclosure commissioner’s affidavit and any other instruments
submitted for recordation in relation to the foreclosure of the secu-

(b) Financial assistance extended under this subchapter for a Head Start program shall not exceed 80 percent of the approved costs of the assisted program or activities, except that the Secretary may approve assistance in excess of such percentage if the Secretary determines that such action is required in furtherance of the purposes of this subchapter. For the purpose of making such determination, the Secretary shall take into consideration with respect to the Head Start program involved—
   (1) the lack of resources available in the community that may prevent the Head Start agency from providing all or a portion of the non-Federal contribution that may be required under this subsection;
(2) the impact of the cost the Head Start agency may incur in initial years it carries out such program;
(3) the impact of an unanticipated increase in the cost the Head Start agency may incur to carry out such program;
(4) whether the Head Start agency is located in a community adversely affected by a major disaster; and
(5) the impact on the community that would result if the Head Start agency ceased to carry out such program.

Non-Federal contributions may be in cash or in kind, fairly evaluated, including plant, equipment, or services. The Secretary shall not require non-Federal contributions in excess of 20 percent of the approved costs of programs or activities assisted under this subchapter.

(c) No programs shall be approved for assistance under this subchapter unless the Secretary is satisfied that the services to be provided under such program will be in addition to, and not in substitution for, comparable services previously provided without Federal assistance. The requirement imposed by the preceding sentence shall be subject to such regulations as the Secretary may prescribe.

(d)(1) The Secretary shall establish policies and procedures to assure that, for fiscal year 2009 and thereafter, not less than 10 percent of the total number of children actually enrolled by each Head Start agency and each delegate agency will be children with disabilities who are determined to be eligible for special education and related services, or early intervention services, as appropriate, as determined under the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), by the State or local agency providing services under section 619 or part C of the Individuals with Disabilities Education Act (20 U.S.C. 1419, 1431 et seq.).

(2) Such policies and procedures shall ensure the provision of early intervening services, such as educational and behavioral services and supports, to meet the needs of children with disabilities, prior to an eligibility determination under the Individuals with Disabilities Education Act.

(3) Such policies and procedures shall require Head Start agencies to provide timely referral to and collaborate with the State or local agency providing services under section 619 or part C of the Individuals with Disabilities Education Act to ensure the provision of special education and related services and early intervention services, and the coordination of programmatic efforts, to meet the special needs of such children.

(4) The Secretary shall establish policies and procedures to provide Head Start agencies with waivers of the requirements of paragraph (1) for not more than 3 years. Such policies and procedures shall require Head Start agencies, in order to receive such waivers, to provide evidence demonstrating that the Head Start agencies are making reasonable efforts on an annual basis to comply with the requirements of that paragraph.

(5) Nothing in this subsection shall be construed to limit or create a right to a free appropriate public education under the Individuals with Disabilities Education Act.
(e) The Secretary shall adopt approximate administrative measures to assure that the benefits of this subchapter will be distributed equitably between residents of rural and urban areas.

(f)(1) Not later than 1 year after the date of enactment of the Improving Head Start for School Readiness Act of 2007, the Secretary shall establish procedures to enable Head Start agencies to develop locally designed or specialized service delivery models to address local community needs, including models that leverage the capacity and capabilities of the delivery system of early childhood education and development services or programs.

(2) In establishing the procedures the Secretary shall establish procedures to provide for—

(A) the conversion of part-day programs to full-working-day programs or part-day slots to full-working-day slots; and

(B) serving additional infants and toddlers pursuant to section 645(a)(5).

(g)(1) For the purpose of expanding Head Start programs the Secretary shall take into consideration—

(A) the quality of the applicant’s programs (including Head Start and other child care or child development programs) in existence on the date of the allocation, including, in the case of Head Start programs in existence on the date of the allocation, the extent to which such programs meet or exceed standards described in section 641A(a)(1) and other requirements under this subchapter, and the performance history of the applicant in providing services under other Federal programs (other than the program carried out under this subchapter);

(B) the applicant’s capacity to expand services (including, in the case of Head Start programs in existence on the date of the allocation, whether the applicant accomplished any prior expansions in an effective and timely manner);

(C) the extent to which the applicant has undertaken a communitywide strategic planning and needs assessment involving other entities, including community organizations, and Federal, State, and local public agencies (including the local educational agency liaison designated under section 722(g)(1)(J)(ii) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11432(g)(1)(J)(ii))), that provide services to children and families, such as—

(i) family support services;

(ii) child abuse prevention services;

(iii) protective services;

(iv) foster care;

(v) services for families in whose homes English is not the language customarily spoken;

(vi) services for children with disabilities; and

(vii) services for homeless children;

(D) the extent to which the family needs assessment and communitywide strategic planning and needs assessment of the applicant reflect a need to provide full-working-day or full calendar year services and the extent to which, and manner in which, the applicant demonstrates the ability to collaborate and participate with the State and local community providers.
of child care or preschool services to provide full-working-day full calendar year services;

(E) the number of eligible children, as described in clause (i) or (ii) of section 645(a)(1)(B), in each community who are not participating in a Head Start program or any other publicly funded early childhood education and development program;

(F) the concentration of low-income families in each community;

(G) the extent to which the applicant proposes to foster partnerships with other service providers in a manner that will leverage the existing delivery systems of such services and enhance the resource capacity of the applicant; and

(H) the extent to which the applicant, in providing services, successfully coordinated activities with the local educational agency serving the community involved (including the local educational agency liaison designated under section 722(g)(1)(J)(ii) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11432(g)(1)(J)(ii)), and with schools in which children participating in such applicant’s program will enroll following such program, with respect to such services and the education services provided by such local educational agency.

(2) Notwithstanding paragraph (1), in using funds made available for expansion under subsection (a)(4)(D), the Secretary shall first allocate the funds to qualified applicants proposing to use such funds to serve children from families with incomes below the poverty line. Agencies that receive such funds are subject to the eligibility and enrollment requirements under section 645(a)(1).

(3)(A) In the event that the amount appropriated to carry out the program under this subchapter for a fiscal year does not exceed the amount appropriated for the prior fiscal year, or is not sufficient to maintain services comparable to the services provided under this subchapter during the prior fiscal year, a Head Start agency may negotiate with the Secretary a reduced funded enrollment level without a reduction in the amount of the grant received by the agency under this subchapter, if such agency can reasonably demonstrate that such reduced funded enrollment level is necessary to maintain the quality of services.

(B) In accordance with this paragraph, the Secretary shall set up a process for Head Start agencies to negotiate the reduced funded enrollment levels referred to in subparagraph (A) for the fiscal year involved.

(C) In the event described in subparagraph (A), the Secretary shall be required to notify Head Start agencies of their ability to negotiate the reduced funded enrollment levels if such an agency can reasonably demonstrate that such reduced funded enrollment level is necessary to maintain the quality of services.

(h) Financial assistance provided under this subchapter may be used by each Head Start program to provide full-working-day Head Start services to any eligible child throughout the full calendar year.

\*Margin for subparagraph (E) of paragraph (2) so in law.
(i) The Secretary shall issue regulations establishing requirements for the safety features, and the safe operation, of vehicles used by Head Start agencies to transport children participating in Head Start programs. The regulations shall also establish requirements to ensure the appropriate supervision of, and appropriate background checks for, individuals with whom the agencies contract to transport those children.

(j) Any agency that receives financial assistance under this subchapter to improve the compensation of staff who provide services under this Act shall use the financial assistance to improve the compensation of such staff, regardless of whether the agency has the ability to improve the compensation of staff employed by the agency who do not provide Head Start services.

(k)(1) The Secretary shall allow center-based Head Start programs the flexibility to satisfy the total number of hours of service required by the regulations in effect on the date of enactment of the Human Services Amendments of 1994, to be provided to children in Head Start programs so long as such agencies do not—

(A) provide less than 3 hours of service per day;
(B) reduce the number of days of service per week; or
(C) reduce the number of days of service per year.

(2) The provisions of this subsection shall not be construed to restrict the authority of the Secretary to fund alternative program variations authorized under section 1306.35 of title 45 of the Code of Federal Regulations in effect on the date of enactment of the Human Services Amendments of 1994.

(l)(1) With funds made available under this subchapter to expand migrant and seasonal Head Start programs, the Secretary shall give priority to migrant and seasonal Head Start programs that serve eligible children of migrant or seasonal farmworker families whose work requires them to relocate most frequently.

(2) In determining the need and demand for migrant and seasonal Head Start programs (and services provided through such programs), the Secretary shall consult with appropriate entities, including providers of services for migrant and seasonal Head Start programs. The Secretary shall, after taking into consideration the need and demand for migrant and seasonal Head Start programs (and such services), ensure that there is an adequate level of such services for eligible children of migrant farmworker families before approving an increase in the allocation of funds provided under this subchapter for unserved eligible children of seasonal farmworker families. In serving the eligible children of seasonal farmworker families, the Secretary shall ensure that services provided by migrant and seasonal Head Start programs do not duplicate or overlap with other Head Start services available to eligible children of such farmworker families.

(3) In carrying out this subchapter, the Secretary shall continue the administrative arrangement at the national level for meeting the needs of Indian children and children of migrant and seasonal farmworker families and shall ensure—

(A) the provision of training and technical assistance by staff with knowledge of and experience in working with such populations; and
(B) the appointment of a national Indian Head Start collaboration director and a national migrant and seasonal Head Start collaboration director.

(4)(A) For the purposes of paragraph (3), the Secretary shall conduct an annual consultation in each affected Head Start region, with tribal governments operating Head Start (including Early Head Start) programs.

(B) The consultations shall be for the purpose of better meeting the needs of Indian, including Alaska Native, children and their families, in accordance with this subchapter, taking into consideration funding allocations, distribution formulas, and other issues affecting the delivery of Head Start services in their geographic locations.

(C) The Secretary shall publish a notification of the consultations in the Federal Register before conducting the consultations.

(D) The Secretary shall ensure that a detailed report of each consultation shall be prepared and made available, within 90 days after the consultation, to all tribal governments receiving funds under this subchapter.

(m) The Secretary shall issue rules to establish policies and procedures to remove barriers to the enrollment and participation of homeless children in Head Start programs. Such rules shall require Head Start agencies—

(1) to implement policies and procedures to ensure that homeless children are identified and prioritized for enrollment;

(2) to allow families of homeless children to apply to, enroll in, and attend Head Start programs while required documents, such as proof of residency, immunization and other medical records, birth certificates, and other documents, are obtained within a reasonable time frame; and

(3) to coordinate individual Head Start programs with efforts to implement subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.).

(n) Nothing in this subchapter shall be construed to require a State to establish a publicly funded program of early childhood education and development, or to require any child to participate in such a publicly funded program, including a State-funded preschool program, or to participate in any initial screening before participating in a publicly funded program of early childhood education and development, except as provided under sections 612(a)(3) and 635(a)(5) of the Individuals with Disabilities Education Act (20 U.S.C. 1412(a)(3), 1435(a)(5)).

(o) All curricula funded under this subchapter shall be based on scientifically valid research, and be age and developmentally appropriate. The curricula shall reflect all areas of child development and learning and be aligned with the Head Start Child Outcomes Framework. Parents shall have the opportunity to examine any such curricula or instructional materials funded under this subchapter.

Each such agency shall establish or adopt rules to carry out this section, which shall include rules to assure full staff accountability in matters governed by law, regulations, or agency policy. Each agency shall also provide for reasonable public access to information, including public hearings at the request of appropriate community groups and reasonable public access to books and records of the agency or other agencies engaged in program activities or operations involving the use of authority or funds for which it is responsible.

(2) Each Head Start agency shall make available to the public a report published at least once in each fiscal year that discloses the following information from the most recently concluded fiscal year, except that reporting such information shall not reveal personally identifiable information about an individual child or parent:

(A) The total amount of public and private funds received and the amount from each source.

(B) An explanation of budgetary expenditures and proposed budget for the fiscal year.

(C) The total number of children and families served, the average monthly enrollment (as a percentage of funded enrollment), and the percentage of eligible children served.

(D) The results of the most recent review by the Secretary and the financial audit.

(C) guard against personal or financial conflicts of interest; and

(D) define employee duties in an appropriate manner that will in any case preclude employees from participating, in connection with the performance of their duties, in any form of picketing, protest, or other direct action that is in violation of law.

(b) Except as provided in subsection (f), no financial assistance shall be extended under this subchapter in any case in which the Secretary determines that the costs of developing and administering a program assisted under this subchapter exceed 15 percent of the total costs, including the required non-Federal contributions to such costs, of such program. The Secretary shall establish by regulation, criteria for determining (1) the costs of developing and administering such program; and (2) the total costs of such program. In any case in which the Secretary determines that the cost of administering such program does not exceed 15 percent of such total costs but is, in the judgment of the Secretary, excessive, the Secretary shall forthwith require the recipient of such financial assistance to take such steps prescribed by the Secretary as will eliminate such excessive administrative cost, including the sharing by one or more Head Start agencies of a common director and other administrative personnel. The Secretary may waive the limitation prescribed by this subsection for specific periods of time not to exceed 12 months whenever the Secretary determines that such a waiver is necessary in order to carry out the purposes of this subchapter.

(c) The Secretary shall prescribe rules or regulations to supplement subsections (a) and (f), which shall be binding on all agencies carrying on Head Start program activities with financial assistance under this subchapter. The Secretary may, where appropriate, establish special or simplified requirements for smaller agencies or agencies operating in rural areas. Policies and procedures shall be established to ensure that indirect costs attributable to the common or joint use of facilities and services by programs assisted under this subchapter and other programs shall be fairly allocated among the various programs which utilize such facilities and services.

(d) At least 30 days prior to their effective date, all rules, regulations, and application forms shall be published in the Federal Register and shall be sent to each grantee with the notification that each such grantee has the right to submit comments pertaining thereto to the Secretary prior to the final adoption thereof.

(e) Funds appropriated to carry out this subchapter shall not be used to assist, promote, or deter union organizing.
(f)(1) The Secretary shall establish uniform procedures for Head Start agencies to request approval to purchase facilities, or to request approval of the purchase (after December 31, 1986) of facilities, to be used to carry out Head Start programs. The Secretary shall suspend any proceedings pending against any Head Start agency to claim costs incurred in purchasing such facilities until the agency has been afforded an opportunity to apply for approval of the purchase and the Secretary has determined whether the purchase will be approved. The Secretary shall not be required to repay claims previously satisfied by Head Start agencies for costs incurred in the purchase of such facilities.

(2) Financial assistance provided under this subchapter may not be used by a Head Start agency to purchase a facility (including paying the cost of amortizing the principal, and paying interest on, loans) to be used to carry out a Head Start program unless the Secretary approves a request that is submitted by such agency and contains—

(E) in the case of a request regarding a previously purchased facility, information demonstrating that the facility will be used principally as a Head Start center, or a direct support facility for a Head Start program; and
(F) such other information and assurances as the Secretary may require.

(3) Upon a determination by the Secretary that suitable facilities are not otherwise available to Indian tribes to carry out Head Start programs, and that the lack of suitable facilities will inhibit the operation of such programs, the Secretary, in the discretion of the Secretary, may authorize the use of financial assistance to make payments for the purchase of facilities owned by such tribes. The amount of such a payment for such a facility shall not exceed the fair market value of the facility.

(g)(1) Upon a determination by the Secretary that suitable facilities (including public school facilities) are not otherwise available to Indian tribes, rural communities, and other low-income communities to carry out Head Start programs, that the lack of suitable facilities will inhibit the operation of such programs, and that construction of such facilities is more cost effective than purchase of available facilities or renovation, the Secretary, in the discretion of the Secretary, may authorize the use of financial assistance under this subchapter to make payments for capital expendi-

(B) Except as provided in paragraph (2), such regulation shall provide—

(i) that children from low-income families shall be eligible for participation in programs assisted under this subchapter if their families’ incomes are below the poverty line, or if their families are eligible or, in the absence of child care, would potentially be eligible for public assistance;

(ii) that homeless children shall be deemed to be eligible for such participation;

(iii) that programs assisted under this subchapter may include—

(I) to a reasonable extent (but not to exceed 10 percent of participants), participation of children in the area served who would benefit from such programs but who are not eligible under clause (i) or (ii); and
(II) from the area served, an additional 35 percent of participants who are not eligible under clause (i) or (ii) and whose families have incomes below 130 percent of the poverty line, if—

(aa) the Head Start agency involved establishes and implements outreach and enrollment policies and procedures that ensure such agency is meeting the needs of children eligible under clause (i) or (ii) (or subclause (I) if the child involved has a disability) prior to meeting the needs of children eligible under this subclause; and

(bb) in prioritizing the selection of children to be served, the Head Start agency establishes criteria that provide that the agency will serve children eligible under clause (i) or (ii) prior to serving the children eligible under this subclause;

(iv) that any Head Start agency serving children eligible under clause (iii)(II) shall report annually to the Secretary information on—

(I) how such agency is meeting the needs of children eligible under clause (i) or (ii), in the area served, including local demographic data on families of children eligible under clause (i) or (ii);

(II) the outreach and enrollment policies and procedures established by the agency that ensure the agency is meeting the needs of children eligible under clause (i) or (ii) (or clause (iii)(I) if the child involved has a disability) prior to meeting the needs of children eligible under clause (iii)(II);

(III) the efforts, including outreach efforts (that are appropriate to the community involved), of such agency to be fully enrolled with children eligible under clause (i) or (ii);

(V) the agency's enrollment level, and enrollment level over the fiscal year prior to the fiscal year in which the report is submitted;

(VII) the eligibility criteria category of the children on the agency's waiting list;

(v) that a child who has been determined to meet the eligibility criteria described in this subparagraph and who is participating in a Head Start program in a program year shall be considered to continue to meet the eligibility criteria through the end of the succeeding program year.

(C) In determining, for purposes of this paragraph, whether a child who has applied for enrollment in a Head Start program meets the eligibility criteria, an entity may consider evidence of family income during the 12 months preceding the month in which the application is submitted, or during the calendar year preceding
the calendar year in which the application is submitted, whichever more accurately reflects the needs of the family at the time of application.

(2) Whenever a Head Start program is operated in a community with a population of 1,000 or less individuals and—

(A) there is no other preschool program in the community;

(B) the community is located in a medically underserved area, as designated by the Secretary pursuant to section 330(b)(3) of the Public Health Service Act and is located in a health professional shortage area, as designated by the Secretary pursuant to section 332(a)(1) of such Act;

(C) the community is in a location which, by reason of remoteness, does not permit reasonable access to the types of services described in clauses (A) and (B); and

(D) not less than 50 percent of the families to be served in the community are eligible under the eligibility criteria established by the Secretary under paragraph (1);

the Head Start program in each such locality shall establish the criteria for eligibility, except that no child residing in such community whose family is eligible under such eligibility criteria shall, by virtue of such project’s eligibility criteria, be denied an opportunity to participate in such program. During the period beginning on the date of the enactment of the Human Services Reauthorization Act and ending on October 1, 1994, and unless specifically authorized in any statute of the United States enacted after such date of enactment, the Secretary may not make any change in the method, as in effect on April 25, 1984, of calculating income used to prescribe eligibility for the participation of persons in the Head Start programs assisted under this subchapter if such change would result in any reduction in, or exclusion from, participation of persons in any of such programs.

(3)(A) In this paragraph:

(i) The term “dependent” has the meaning given the term in paragraphs (2)(A) and (4)(A)(i) of section 401(a) of title 37, United States Code.

(ii) The terms “member” and “uniformed services” have the meanings given the terms in paragraphs (23) and (3), respectively, of section 101 of title 37, United States Code.

(B) The following amounts of pay and allowance of a member of the uniformed services shall not be considered to be income for purposes of determining the eligibility of a dependent of such member for programs funded under this subchapter:

(i) The amount of any special pay payable under section 310 of title 37, United States Code, relating to duty subject to hostile fire or imminent danger.

(ii) The amount of basic allowance payable under section 403 of such title, including any such amount that is provided on behalf of the member for housing that is acquired or constructed under the alternative authority for the acquisition and improvement of military housing under subchapter IV of chap-
ter 169 of title 10, United States Code, or any other related provision of law.

(4) After demonstrating a need through a communitywide strategic planning and needs assessment, a Head Start agency may apply to the Secretary to convert part-day sessions, particularly consecutive part-day sessions, into full-working-day sessions.

(5)(A) Upon written request and pursuant to the requirements of this paragraph, a Head Start agency may use funds that were awarded under this subchapter to serve children age 3 to compulsory school age, in order to serve infants and toddlers if the agency submits an application to the Secretary containing, as specified in rules issued by the Secretary, all of the following information:

(ii) A communitywide strategic planning and needs assessment demonstrating how the use of such funds would best meet the needs of the community.

(iii) A description of how the needs of pregnant women, and of infants and toddlers, will be addressed in accordance with section 645A(b), and with regulations prescribed by the Secretary pursuant to section 641A in areas including the agency’s approach to child development and provision of health services, approach to family and community partnerships, and approach to program design and management.

(iv) A description of how the needs of eligible children will be met in the community.

(v) Assurances that the agency will participate in technical assistance activities (including planning, start-up site visits, and national training activities) in the same manner as recipients of grants under section 645A.

(vi) Evidence that the agency meets the same eligibility criteria as recipients of grants under section 645A.

(B) An application that satisfies the requirements specified in subparagraph (A) shall be approved by the Secretary unless the Secretary finds that—

(i) the agency lacks adequate capacity and capability to carry out an effective Early Head Start program; or

(ii) the information provided under subparagraph (A) is inadequate.

(C) In approving such applications, the Secretary shall take into account the costs of serving persons under section 645A.

(D) Any Head Start agency with an application approved under subparagraph (B) shall be considered to be an Early Head Start agency and shall be subject to the same rules, regulations, and conditions as apply to recipients of grants under section 645A, with respect to activities carried out under this paragraph.

(b) The Secretary shall not prescribe any fee schedule or otherwise provide for the charging of any fees for participation in Head Start programs, unless such fees are authorized by legislation hereafter enacted. Nothing in this subsection shall be construed to prevent the families of children who participate in Head Start programs and who are willing and able to pay the full cost of such participation from doing so. A Head Start agency that provides a Head Start program with full-working-day services in collaboration with
other agencies or entities may collect a family copayment to support extended day services if a copayment is required in conjunction with the collaborative. The copayment charged to families receiving services through the Head Start program shall not exceed the copayment charged to families with similar incomes and circumstances who are receiving the services through participation in a program carried out by another agency or entity.

(c) Each Head Start program operated in a community shall be permitted to provide more than 1 year of Head Start services to eligible children in the State. Each Head Start program operated in a community shall be permitted to recruit and accept applications for enrollment of children throughout the year.

(d)(1) An Indian tribe that—
   (A) operates a Head Start program;
   (B) enrolls as participants in the program all children in
       the community served by the tribe (including a community
       that is an off-reservation area, designated by an appropriate
       tribal government, in consultation with the Secretary) from
       families that meet the low-income criteria prescribed under
       subsection (a)(1)(A); and
   (C) has the resources to enroll additional children in the
       community who do not meet the low-income criteria;
   may enroll such additional children in a Head Start program, in
   accordance with this subsection, if the program predominantly serves
   children who meet the low-income criteria.

(2) The Indian tribe shall enroll the children in the Head Start
    program in accordance with such requirements as the Secretary
    may specify by regulation promulgated after consultation with In-
    dian tribes.

(3) Notwithstanding any other provision of this Act, an Indian
    tribe or tribes that operates both an Early Head Start program
    under section 645A and a Head Start program may, at its discre-
    tion, at any time during the grant period involved, reallocate funds
    between the Early Head Start program and the Head Start pro-
    gram in order to address fluctuations in client populations, includ-
    ing pregnant women and children from birth to compulsory school
    age. The reallocation of such funds between programs by an Indian
    tribe or tribes during a year shall not serve as the basis for the
    Secretary to reduce a base grant (as defined in section 640(a)(7))
    for either program in succeeding years.

PART 1—GENERAL PROVISIONS

FINDINGS

Sec. 1132. The Congress finds and declares that—

(1) the processes set in motion by the Regional Rail Reorganization Act of 1973 have failed to create a self-sustaining railroad system in the Northeast region of the United States and have cost United States taxpayers many billions of dollars over original estimates;

(2) current arrangements for the provision of rail freight and commuter service in the Northeast and Midwest regions of the United States are inadequate to meet the transportation needs of the public and the needs of national security;

(3) although the Federal Government has provided billions of dollars in assistance for Conrail and its employees, the Federal interest in ensuring the flow of interstate commerce through rail service in the private sector has not been achieved, and the protection of interstate commerce requires Federal intervention to preserve essential rail service in the private sector;

(4) the provisions for protection of employees of bankrupt railroads contained in the Regional Rail Reorganization Act of 1973 have resulted in the payment of benefits far in excess of levels anticipated at the time of enactment, have imposed an excessive fiscal burden on the Federal taxpayer, and are now an obstacle to the establishment of improved rail service and continued rail employment in the Northeast region of the United States; and

(5) since holding Conrail liable for employee protection payments would destroy its prospects of becoming a profitable carrier and further injure its employees, an alternative employee protection system must be developed and funded.

[45 U.S.C. 1101]
PURPOSE

SEC. 1133. It is therefore declared to be the purpose of the Congress in this subtitle to provide for—

(1) the removal by a date certain of the Federal Government's obligation to subsidize the freight operations of Conrail;

(2) transfer of Conrail commuter service responsibilities to one or more entities whose principal purpose is the provision of commuter service; and

(3) an orderly return of Conrail freight service to the private sector.

[45 U.S.C. 1102]

GOALS

SEC. 1134. It is the goal of this subtitle to provide Conrail the opportunity to become profitable through the achievement of the following objectives:

(1) NONAGREEMENT PERSONNEL.—(A) Employees who are not subject to collective bargaining agreements (hereafter in this section referred to as "nonagreement personnel") should forego wage increases and benefits in an amount proportionately equivalent to the amount foregone by agreement employees pursuant to paragraph (4) of this section, adjusted annually to reflect inflation.

(B) After May 1, 1981, the number of nonagreement personnel should be reduced proportionately to any reduction in agreement employees (excluding reductions pursuant to the termination program under section 702 of the Regional Rail Reorganization Act of 1973).

(2) SUPPLIERS.—To facilitate the orderly movement of goods in interstate commerce, materials and services should continue to be available to Conrail, under normal business practices, including the provision of credit and normal financing arrangements.

(3) SHIPPERS.—Conrail should utilize the revenue opportunities available to it under the Staggers Rail Act of 1980 and subtitle IV of title 49, United States Code.

(4) AGREEMENT EMPLOYEES.—(A) Conrail should enter into collective bargaining agreements with its employees which would reduce Conrail's costs in an amount equal to $200,000,000 a year, beginning April 1, 1981, adjusted annually to reflect inflation.

(B) Agreements under this subparagraph may provide for reductions in wage increases and for changes in fringe benefits common to agreement employees, including vacations and holidays.

(C) The cost reductions required under this subparagraph in the first year of the agreement may be deferred, but the aggregate cost reductions should be no less than an average of $200,000,000 per year for each of the first three one-year periods beginning April 1, 1981.

(D) The amount of cost reductions provided under this paragraph shall be calculated by subtracting the cost of an agreement entered into under this paragraph from (i) the cost
that would otherwise result from the application of the national agreement reached by railroad industry and its employees, or (ii) until such national agreement is reached, the cost which the United States Railway Association estimates would result from the application of such a national agreement.

(i) to submit applications for energy crisis benefits without leaving their residences; or

(ii) to travel to the sites at which such applications are accepted by such entity.

The preceding sentence shall not apply to a program in a geographical area affected by a natural disaster in the United States designated by the Secretary, or by a major disaster or emergency designated by the President under the Disaster Relief Act of 1974, for so long as such designation remains in effect, if the Secretary determines that such disaster or such emergency makes compliance with such sentence impracticable.

(d)(1) If, with respect to any State, the Secretary—

(A) receives a request from the governing organization of an Indian tribe within the State that assistance under this title be made directly to such organization; and

(B) determines that the members of such tribe would be better served by means of grants made directly to provide benefits under this title;
the Secretary shall reserve from amounts which would otherwise be payable to such State from amounts allotted to it under this title for the fiscal year involved the amount determined under paragraph (2).

(2) The amount determined under this paragraph for a fiscal year is the amount which bears the same ratio to the amount which would (but for this subsection) be allotted to such State under this title for such fiscal year (other than by reason of section 2607(b)(2)) as the number of Indian households described in subparagraphs (A) and (B) of section 2605(b)(2) and residing within the State on the reservation of the tribes or on trust lands adjacent to such reservation bears to the number of all households described in subparagraphs (A) and (B) of section 2605(b)(2) in such State, or such greater amount as the Indian tribe and the State may agree upon. In cases where a tribe has no reservation, the Secretary, in consultation with the tribe and the State, shall define the number of Indian households for the determination under this paragraph.

(3) The sums reserved by the Secretary on the basis of a determination under this subsection shall be granted to—

(A) the tribal organization serving the individuals for whom such a determination has been made; or

(B) in any case where there is no tribal organization serving an individual for whom such a determination has been made, such other entity as the Secretary determines has the capacity to provide assistance pursuant to this title.

(4) In order for a tribal organization or other entity to be eligible for an amount under this subsection for a fiscal year, it shall submit to the Secretary a plan (in lieu of being under the State’s plan) for such fiscal year which meets such criteria as the Secretary may by regulations prescribe.

(e) Notwithstanding subsections (a) through (d), the Secretary may allot amounts appropriated pursuant to section 2602(e) to one or more than one State. In determining whether to make such an allotment to a State, the Secretary shall take into account the extent to which the State was affected by the natural disaster or other emergency involved, the availability to the State of other resources under the program carried out under this title or any other program, and such other factors as the Secretary may find to be relevant. Not later than 30 days after making the determination, but prior to releasing an allotted amount to a State, the Secretary shall notify Congress of the allotments made pursuant to this subsection.

(A) the State shall, before giving such special consideration, determine that the agency involved meets program and fiscal requirements established by the State; and

(B) if there is no such agency because of any change in the assistance furnished to programs for economically disadvantaged persons, then the State shall give special consideration in the designation of local administrative agencies to any successor agency which is operated in substantially the same manner as the predecessor agency which did receive funds for the fiscal year preceding the fiscal year for which the determination is made;

(ii) the funds available to such State under this title for such fiscal year;
for residential weatherization or other energy-related home repair for low-income households, particularly those low-income households with the lowest incomes that pay a high proportion of household income for home energy.

(B) For purposes of subparagraph (A), the Secretary may grant a waiver to a State for a fiscal year if the State submits a written request to the Secretary after March 31 of such fiscal year and if the Secretary determines, after reviewing such request and any public comments, that—

(i)(I) the number of households in the State that will receive benefits, other than weatherization and energy-related home repair, under this title in such fiscal year will not be fewer than the number of households in the State that received benefits, other than weatherization and energy-related home repair, under this title in the preceding fiscal year;

(ii) in accordance with rules issued by the Secretary, the State demonstrates good cause for failing to satisfy the requirements specified in clause (i).

(1) Any State may use amounts provided under this title for the purpose of providing credits against State tax to energy suppliers who supply home energy at reduced rates to low-income households.

Sec. 2606. (a) No person shall on the ground of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with funds made available under this title. (b) Whenever the Secretary determines that a State that has received a payment under this title has failed to comply with subsection (a) or an applicable regulation, he shall notify the chief executive officer of the State and shall request him to secure compliance. Sec. 2607. (a)(1) From its allotment under section 2604, the Secretary shall make payments to each State in accordance with section 203 of the Intergovernmental Cooperation Act of 1968, for use under this title.

(2) Each State shall notify the Secretary, not later than 2 months prior to the close of a fiscal year, of the amount (if any) of its allotment for such year that will not be obligated in such year, and, if such State elects to submit a request described in subsection (b)(2), such State shall submit such request at the same time. The Secretary shall make no payment under paragraph (1) to a State for a fiscal year unless the State has complied with this paragraph with respect to the prior fiscal year.

(b)(1) If—

(A) the Secretary determines that, as of September 1 of any fiscal year, an amount allotted to a State under section 2604 for any fiscal year will not be used by such State during such fiscal year;

(B) the Secretary—

(i) notifies the chief executive officer of such State; and

(ii) publishes a timely notice in the Federal Register;

...
that, after the 30-day period beginning on the date of the notice to such chief executive officer, such amount may be reallocated; and

(C) the State does not request, under paragraph (2), that such amount be held available for such State for the following fiscal year;

then such amount shall be treated by the Secretary for purposes of this title as an amount appropriated for the following fiscal year to be allotted under section 2604 for such following fiscal year.

(2)(A) Any State may request that an amount allotted to such State for a fiscal year be held available for such State for the following fiscal year. Such request shall include a statement of the reasons that the amount allotted to such State for a fiscal year will not be used by such State during such fiscal year and a description of the types of assistance to be provided with the amount held available for the following fiscal year. Any amount so held available for the following fiscal year shall not be taken into account in computing the allotment of or the amount payable to such State for such fiscal year under this title.

(B) No amount may be held available under this paragraph for a State from a prior fiscal year to the extent such amount exceeds 10 percent of the amount payable to such State for such prior fiscal year. For purposes of the preceding sentence, the amount payable to a State for a fiscal year shall be determined without regard to any amount held available under this paragraph for such State for such fiscal year from the prior fiscal year.

(C) The Secretary shall reallocate amounts made available under this paragraph for the fiscal year following the fiscal year of the original allotment in accordance with paragraph (1) of this subsection.

(3) During the 30-day period described in paragraph (1)(B), comments may be submitted to the Secretary. After considering such comments, the Secretary shall notify the chief executive officer of the State of any decision to reallocate funds, and shall publish such decision in the Federal Register.

INCENTIVE PROGRAM FOR LEVERAGING NON-FEDERAL RESOURCES

Sec. 2607A. (a) Beginning in fiscal year 1992, the Secretary may allocate amounts appropriated under section 2602(d) to provide supplementary funds to States that have acquired non-Federal leveraged resources for the program established under this title.

(b) For purposes of this section, the term “leveraged resources” means the benefits made available to the low-income home energy assistance program of the State, or to federally qualified low-income households, that—

(1) represent a net addition to the total energy resources available to State and federally qualified households in excess of the amount of such resources that could be acquired by such households through the purchase of energy at commonly available household rates; and

(2)(A) result from the acquisition or development by the State program of quantifiable benefits that are obtained from
energy vendors through negotiation, regulation or competitive bid; or
(B) are appropriated or mandated by the State for distribution—
   (i) through the State program; or
   (ii) under the plan referred to in section 2605(c)(1)(A)
   to federally qualified low-income households and such ben-
   efits are determined by the Secretary to be integrated with
   the State program.
(c)(1) Distribution of amounts made available under this sec-
   tion shall be based on a formula developed by the Secretary that
   is designed to take into account the success in leveraging existing
   appropriations in the preceding fiscal year as measured under sub-
   section (d). Such formula shall take into account the size of the al-
   location of the State under this title and the ratio of leveraged re-
  sources to such allocation.
   (2) A State may expend funds allocated under this title as are
   necessary, not to exceed 0.08 percent of such allocation or $35,000
   each fiscal year, whichever is greater, to identify, develop, and
   demonstrate leveraging programs. Funds allocated under this sec-
   tion shall only be used for increasing or maintaining benefits to
   households.
   (d) Each State shall quantify the dollar value of leveraged re-
   sources received or acquired by such State under this section by
   using the best available data to calculate such leveraged resources
   less the sum of any costs incurred by the State to leverage such
   resources and any cost imposed on the federally eligible low-income
   households in such State.
   (e) Not later than 2 months after the close of the fiscal year
   during which the State provided leveraged resources to eligible
   households, as described in subsection (b), each State shall prepare
   and submit, to the Secretary, a report that quantifies the leveraged
   resources of such State in order to qualify for assistance under this
   section for the following fiscal year.
   (f) The Secretary shall determine the share of each State of the
   amounts made available under this section based on the formula
   described in subsection (c) and the State reports. The Secretary
   shall promulgate regulations for the calculation of the leveraged re-
   sources of the State and for the submission of supporting docu-
   mentation. The Secretary may request any documentation that the
   Secretary determines necessary for the verification of the applica-
   tion of the State for assistance under this section.
