(2) Funds transferred or received pursuant to paragraph (1) shall be used only in accordance with the statutes authorizing the appropriation of such funds, and shall be made available by contract or grant only to recipients eligible to receive such funds under such statutes.

(3) If the Secretary enters into an agreement under this subsection for the administration of a project, the agency administering the project shall use such agency's procedures to award contracts or grants and to administer such awards, unless the parties to the agreement specify the use of procedures of another agency that is a party to the agreement.

(4) If the Secretary has entered into an agreement authorized under this subsection and the Secretary and the heads of the other agencies participating in the agreement determine that joint funding is necessary to address a special need consistent with the purposes and authorized activities of each program that provides funding under the joint project, the Secretary and the heads of the other participating agencies may develop a single set of criteria for the jointly funded project and require each applicant for such project to submit a single application for review by the participating agencies.

(1) withhold approval, in whole or in part, of the application of a local agency for funds under the program until the State is satisfied that such requirements will be met; except that the State shall not finally disapprove such an application unless the State provides the local agency an opportunity for a hearing before an impartial hearing officer and such officer determines that there has been a substantial failure by the local agency to comply with any of such requirements;

(2) suspend payments to any local agency, in whole or in part, under the program if the State has reason to believe that the local agency has failed substantially to comply with any of such requirements, except that (A) the State shall not suspend such payments until fifteen days after the State provides the local agency an opportunity to show cause why such action should not be taken and (B) no such suspension shall continue in effect longer than sixty days unless the State within such period provides the notice for a hearing required under paragraph (3) of this subsection;

(3) withhold payments, in whole or in part, under any such program if the State finds, after reasonable notice and opportunity for a hearing before an impartial hearing officer, that the local agency has failed substantially to comply with any of such requirements.

The Secretary shall not require the resubmission or amendment of that application unless required by changes in Federal or State law or by other significant changes in the circumstances affecting an assurance in that application.

SINGLE LOCAL EDUCATIONAL AGENCY APPLICATION

(8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and

(c) A general application submitted under this section shall remain in effect for the duration of the programs it covers. The State

agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

SUBPART 4—RECORDS; PRIVACY; LIMITATION ON WITHHOLDING
FEDERAL FUNDS

RECORDS

SEC. 443. [20 U.S.C. 1232f] (a) Each recipient of Federal funds under any applicable program through any grant, subgrant, cooperative agreement, loan, or other arrangement shall keep records which fully disclose the amount and disposition by the recipient of those funds, the total cost of the activity for which the funds are used, the share of that cost provided from other sources, and such other records as will facilitate an effective financial or programmatic audit. The recipient shall maintain such records for three years after the completion of the activity for which the funds are used.

(b) The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access, for the purpose of audit examination, to any records maintained by a recipient that may be related, or pertinent to, grants, subgrants, cooperative agreements, loans, or other arrangements to which reference is made in subsection (a), or which may relate to the compliance of the recipient with any requirement of an applicable program.

PROTECTION OF THE RIGHTS AND PRIVACY OF PARENTS AND
STUDENTS ²

SEC. 444. [20 U.S.C. 1232g] (a)(1)(A) No funds shall be made available under any applicable program to any educational agency or institution which has a policy of denying, or which effectively prevents, the parents of students who are or have been in attendance at a school of such agency or at such institution, as the case may be, the right to inspect and review the education records of their children. If any material or document in the education record of a student includes information on more than one student, the parents of one of such students shall have the right to inspect and review only such part of such material or document as relates to such student or to be informed of the specific information contained in such part of such material. Each educational agency or institution shall establish appropriate procedures for the granting of a request by parents for access to the education records of their children within a reasonable period of time, but in no case more than forty-five days after the request has been made.

²Section 513(a) of Public Law 93-380 (88 Stat. 571) provides for an amendment to add a new section 438 to part C of this Act, which was subsequently redesignated as section 444 by section 212(b)(1) of Public Law 103-382 (108 Stat. 3913). Section 513(b)(2)(i) of Public Law 98-380 (20 U.S.C. 1221 note) provides: "[t]his section may be cited as the 'Family Educational Rights and Privacy Act of 1974'". This short title technically pertains to section 513 of Public Law 93-380, however, it probably should have been included as part of section 438 (as added by such Public Law) to this Act.

(B) No funds under any applicable program shall be made available to any State educational agency (whether or not that agency is an educational agency or institution under this section) that has a policy of denying, or effectively prevents, the parents of students the right to inspect and review the education records maintained by the State educational agency on their children who are or have been in attendance at any school of an educational agency or institution that is subject to the provisions of this section.

(C) The first sentence of subparagraph (A) shall not operate to make available to students in institutions of postsecondary education the following materials:

(i) financial records of the parents of the student or any information contained therein;

(ii) confidential letters and statements of recommendation, which were placed in the education records prior to January 1, 1975, if such letters or statements are not used for purposes other than those for which they were specifically intended;

(iii) if the student has signed a waiver of the student's right of access under this subsection in accordance with subparagraph (D), confidential recommendations—

(I) respecting admission to any educational agency or institution,

(II) respecting an application for employment, and

(III) respecting the receipt of an honor or honorary recognition.

(D) A student or a person applying for admission may waive his right of access to confidential statements described in clause (iii) of subparagraph (C), except that such waiver shall apply to recommendations only if (i) the student is, upon request, notified of the names of all persons making confidential recommendations and (ii) such recommendations are used solely for the purpose for which they were specifically intended. Such waivers may not be required as a condition for admission to, receipt of financial aid from, or receipt of any other services or benefits from such agency or institution.

(2) No funds shall be made available under any applicable program to any educational agency or institution unless the parents of students who are or have been in attendance at a school of such agency or at such institution are provided an opportunity for a hearing by such agency or institution, in accordance with regulations of the Secretary, to challenge the content of such student's education records, in order to insure that the records are not inaccurate, misleading, or otherwise in violation of the privacy rights of students, and to provide an opportunity for the correction or deletion of any such inaccurate, misleading, or otherwise inappropriate data contained therein and to insert into such records a written explanation of the parents respecting the content of such records.

(3) For the purposes of this section the term "educational agency or institution" means any public or private agency or institution which is the recipient of funds under any applicable program.

(4)(A) For the purposes of this section, the term "education records" means, except as may be provided otherwise in subpara-

graph (B), those records, files, documents, and other materials which—

(iii) in the case of persons who are employed by an educational agency or institution but who are not in attendance at such agency or institution, records made and maintained in the normal course of business which relate exclusively to such person in that person’s capacity as an employee and are not available for use for any other purpose; or

(iv) records on a student who is eighteen years of age or older, or is attending an institution of postsecondary education, which are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his professional or paraprofessional capacity, or assisting in that capacity, and which are made, maintained, or used only in connection with the provision of treatment to the student, and are not available to anyone other than persons providing such treatment, except that such records can be personally reviewed by a physician or other appropriate professional of the student’s choice.

(5)(A) For the purposes of this section the term “directory information” relating to a student includes the following: the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

(B) Any educational agency or institution making public directory information shall give public notice of the categories of information which it has designated as such information with respect to each student attending the institution or agency and shall allow a reasonable period of time after such notice has been given for a parent to inform the institution or agency that any or all of the information designated should not be released without the parent’s prior consent.

(6) For the purposes of this section, the term “student” includes any person with respect to whom an educational agency or institution maintains education records or personally identifiable information, but does not include a person who has not been in attendance at such agency or institution.

(b)(1) No funds shall be made available under any applicable program to any educational agency or institution which has a policy or practice of permitting the release of education records (or

(C)(i) authorized representatives of (I) the Comptroller General of the United States, (II) the Secretary, or (III) State educational authorities, under the conditions set forth in paragraph (3), or (ii) authorized representatives of the Attorney General for law enforcement purposes under the same conditions as apply to the Secretary under paragraph (3);

(D) in connection with a student's application for, or receipt of, financial aid;

(E) State and local officials or authorities to whom such information is specifically allowed to be reported or disclosed pursuant to State statute adopted—

(i) before November 19, 1974, if the allowed reporting or disclosure concerns the juvenile justice system and such system's ability to effectively serve the student whose records are released, or

(ii) after November 19, 1974, if—

(I) the allowed reporting or disclosure concerns the juvenile justice system and such system's ability to effectively serve, prior to adjudication, the student whose records are released; and

(II) the officials and authorities to whom such information is disclosed certify in writing to the educational agency or institution that the information will not be disclosed to any other party except as provided under State law without the prior written consent of the parent of the student.

(F) organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students and their parents by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose for which it is conducted;

(G) accrediting organizations in order to carry out their accrediting functions;

(H) parents of a dependent student of such parents, as defined in section 152 of the Internal Revenue Code of 1986;

(I) subject to regulations of the Secretary, in connection with an emergency, appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons;

(J)(i) the entity or persons designated in a Federal grand jury subpoena, in which case the court shall order, for good cause shown, the educational agency or institution (and any officer, director, employee, agent, or attorney for such agency or institution) on which the subpoena is served, to not disclose to any person the existence or contents of the subpoena or any information furnished to the grand jury in response to the subpoena; and

(ii) the entity or persons designated in any other subpoena issued for a law enforcement purpose, in which case the court or other issuing agency may order, for good cause shown, the educational agency or institution (and any officer, director, employee, agent, or attorney for such agency or institution) on which the subpoena is served, to not disclose to any person the existence or contents of the subpoena or any information furnished in response to the subpoena;

(i) any data collected under this subparagraph shall be protected in a manner that will not permit the personal identification of students and their parents by other than the authorized representatives of the Secretary; and

(ii) any personally identifiable data shall be destroyed when the data are no longer needed for program monitoring, evaluations, and performance measurements; and

(L) an agency caseworker or other representative of a State or local child welfare agency, or tribal organization (as defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b)), who has the right to access a student's case plan, as defined and determined by the State or tribal organization, when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student, provided that the education records, or the personally identifiable information contained in such records, of the student will not be disclosed by such agency or organization, except to an individual or entity engaged in addressing the student's education needs and authorized by such agency or organization to receive such disclo-

Nothing in subparagraph (E) of this paragraph shall prevent a State from further limiting the number or type of State or local officials who will continue to have access thereunder.

(2) No funds shall be made available under any applicable program to any educational agency or institution which has a policy or practice of releasing, or providing access to, any personally identifiable information in education records other than directory information, or as is permitted under paragraph (1) of this subsection, unless—

(A) there is written consent from the student's parents specifying records to be released, the reasons for such release, and to whom, and with a copy of the records to be released to the student's parents and the student if desired by the parents, or

(B) except as provided in paragraph (1)(J), such information is furnished in compliance with judicial order, or pursuant to any lawfully issued subpoena, upon condition that parents and the students are notified of all such orders or subpoenas in advance of the compliance therewith by the educational institution or agency, except when a parent is a party to a court proceeding involving child abuse and neglect (as defined in section 3 of the Child Abuse Prevention and Treatment Act (42 U.S.C. 5101 note)) or dependency matters, and the order is issued in the context of that proceeding, additional notice to the parent by the educational agency or institution is not required.

(3) Nothing contained in this section shall preclude authorized representatives of (A) the Comptroller General of the United States, (B) the Secretary, or (C) State educational authorities from having access to student or other records which may be necessary in connection with the audit and evaluation of Federally-supported education programs, or in connection with the enforcement of the Federal legal requirements which relate to such programs: *Provided*, That except when collection of personally identifiable information is specifically authorized by Federal law, any data collected by such officials shall be protected in a manner which will not permit the personal identification of students and their parents by other than those officials, and such personally identifiable data shall be destroyed when no longer needed for such audit, evaluation, and enforcement of Federal legal requirements.

(4)(A) Each educational agency or institution shall maintain a record, kept with the education records of each student, which will indicate all individuals (other than those specified in paragraph (1) (A) of this subsection), agencies, or organizations which have requested or obtained access to a student's education records maintained by such educational agency or institution, and which will indicate specifically the legitimate interest that each such person, agency, or organization has in obtaining this information. Such record of access shall be available only to parents, to the school official and his assistants who are responsible for the custody of such records, and to persons or organizations authorized in, and under

the conditions of, clauses (A) and (C) of paragraph (1) as a means of auditing the operation of the system.

(B) With respect to this subsection, personal information shall only be transferred to a third party on the condition that such party will not permit any other party to have access to such information without the written consent of the parents of the student. If a third party outside the educational agency or institution permits access to information in violation of paragraph (2)(A), or fails to destroy information in violation of paragraph (1)(F), the educational agency or institution shall be prohibited from permitting access to information from education records to that third party for a period of not less than five years.

(5) Nothing in this section shall be construed to prohibit State and local educational officials from having access to student or other records which may be necessary in connection with the audit and evaluation of any federally or State supported education program or in connection with the enforcement of the Federal legal requirements which relate to any such program, subject to the conditions specified in the proviso in paragraph (3).

(6)(A) Nothing in this section shall be construed to prohibit an institution of postsecondary education from disclosing, to an alleged victim of any crime of violence (as that term is defined in section 16 of title 18, United States Code), or a nonforcible sex offense, the final results of any disciplinary proceeding conducted by such institution against the alleged perpetrator of such crime or offense with respect to such crime or offense.

(B) Nothing in this section shall be construed to prohibit an institution of postsecondary education from disclosing the final results of any disciplinary proceeding conducted by such institution against a student who is an alleged perpetrator of any crime of violence (as that term is defined in section 16 of title 18, United States Code), or a nonforcible sex offense, if the institution determines as a result of that disciplinary proceeding that the student committed a violation of the institution's rules or policies with respect to such crime or offense.

(C) For the purpose of this paragraph, the final results of any disciplinary proceeding—

(i) shall include only the name of the student, the violation committed, and any sanction imposed by the institution on that student; and

(ii) may include the name of any other student, such as a victim or witness, only with the written consent of that other student.

(7)(A) Nothing in this section may be construed to prohibit an educational institution from disclosing information provided to the institution under section 170101 of the Violent Crime Control and Law Enforcement Act of 1994 (42 U.S.C. 14071) concerning registered sex offenders who are required to register under such section.

(B) The Secretary shall take appropriate steps to notify educational institutions that disclosure of information described in subparagraph (A) is permitted.

(c) Not later than 240 days after the date of enactment of the Improving America's Schools Act of 1994, the Secretary shall adopt

appropriate regulations or procedures, or identify existing regulations or procedures, which protect the rights of privacy of students and their families in connection with any surveys or data-gathering activities conducted, assisted, or authorized by the Secretary or an administrative head of an education agency. Regulations established under this subsection shall include provisions controlling the use, dissemination, and protection of such data. No survey or data-gathering activities shall be conducted by the Secretary, or an administrative head of an education agency under an applicable program, unless such activities are authorized by law.

(d) For the purposes of this section, whenever a student has attained eighteen years of age, or is attending an institution of postsecondary education, the permission or consent required of and the rights accorded to the parents of the student shall thereafter only be required of and accorded to the student.

(e) No funds shall be made available under any applicable program to any educational agency or institution unless such agency or institution effectively informs the parents of students, or the students, if they are eighteen years of age or older, or are attending an institution of postsecondary education, of the rights accorded them by this section.

(f) The Secretary shall take appropriate actions to enforce this section and to deal with violations of this section, in accordance with this Act, except that action to terminate assistance may be taken only if the Secretary finds there has been a failure to comply with this section, and he has determined that compliance cannot be secured by voluntary means.

(g) The Secretary shall establish or designate an office and review board within the Department for the purpose of investigating, processing, reviewing, and adjudicating violations of this section and complaints which may be filed concerning alleged violations of this section. Except for the conduct of hearings, none of the functions of the Secretary under this section shall be carried out in any of the regional offices of such Department.

(h) Nothing in this section shall prohibit an educational agency or institution from—

(1) including appropriate information in the education record of any student concerning disciplinary action taken against such student for conduct that posed a significant risk to the safety or well-being of that student, other students, or other members of the school community; or

(2) disclosing such information to teachers and school officials, including teachers and school officials in other schools, who have legitimate educational interests in the behavior of the student.

(1) IN GENERAL.—Nothing in this Act or the Higher Education Act of 1965 shall be construed to prohibit an institution of higher education from disclosing, to a parent or legal guardian of a student, information regarding any violation of any Federal, State, or local law, or of any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance, regardless of whether that information is contained in the student's education records, if—

(A) the student is under the age of 21; and

(B) the institution determines that the student has committed a disciplinary violation with respect to such use or possession.

(2) STATE LAW REGARDING DISCLOSURE.—Nothing in paragraph (1) shall be construed to supersede any provision of State law that prohibits an institution of higher education from making the disclosure described in subsection (a).

(j) INVESTIGATION AND PROSECUTION OF TERRORISM.—

(1) IN GENERAL.—Notwithstanding subsections (a) through (i) or any provision of State law, the Attorney General (or any Federal officer or employee, in a position not lower than an Assistant Attorney General, designated by the Attorney General) may submit a written application to a court of competent jurisdiction for an ex parte order requiring an educational agency or institution to permit the Attorney General (or his designee) to—

(A) collect education records in the possession of the educational agency or institution that are relevant to an authorized investigation or prosecution of an offense listed in section 2332b(g)(5)(B) of title 18 United States Code, or an act of domestic or international terrorism as defined in section 2331 of that title; and

(B) for official purposes related to the investigation or prosecution of an offense described in paragraph (1)(A), retain, disseminate, and use (including as evidence at trial or in other administrative or judicial proceedings) such records, consistent with such guidelines as the Attorney General, after consultation with the Secretary, shall issue to protect confidentiality.

(2) APPLICATION AND APPROVAL.—

LIMITATION ON WITHHOLDING OF FEDERAL FUNDS

SEC. 446. [20 U.S.C. 1232i] (a) Except as provided in section 444(b)(1)(D) of this Act, the refusal of a State or local educational agency or institution of higher education, community college, school, agency offering a preschool program, or other educational institution to provide personally identifiable data on students or their families, as a part of any applicable program, to any Federal office, agency, department, or other third party, on the grounds that it constitutes a violation of the right to privacy and confidentiality of students or their parents, shall not constitute sufficient grounds for the suspension or termination of Federal assistance. Such a refusal shall also not constitute sufficient grounds for a denial of, a refusal to consider, or a delay in the consideration of, funding for such a recipient in succeeding fiscal years. In the case of any dispute arising under this section, reasonable notice and opportunity for a hearing shall be afforded the applicant.

(b) The extension of Federal financial assistance to a local educational agency may not be limited, deferred, or terminated by the Secretary on the ground of noncompliance with title VI of the Civil Rights Act of 1964 or any other nondiscrimination provision of Federal law unless such agency is accorded the right of due process of law, which shall include—

- (1) at least 30 days prior written notice of deferral to the agency, setting forth the particular program or programs which the Secretary finds to be operated in noncompliance with a specific provision of Federal law;

(2) the opportunity for a hearing on the record before a duly appointed administrative law judge within a 60-day period (unless such period is extended by mutual consent of the Secretary and such agency) from the commencement of any deferral;

(3) the conclusion of such hearing and the rendering of a decision on the merits by the administrative law judge within a period not to exceed 90 days from the commencement of such hearing, unless the judge finds by a decision that such hearing cannot be concluded or such decision cannot be rendered within such period, in which case such judge may extend such period for not to exceed 60 additional days;

(4) the limitation of any deferral of Federal financial assistance which may be imposed by the Secretary to a period not to exceed 15 days after the rendering of such decision unless there has been an express finding on such record that such agency has failed to comply with any such nondiscrimination provision of Federal law; and

(5) procedures, which shall be established by the Secretary, to ensure the availability of sufficient funds, without regard to any fiscal year limitations, to comply with the decision of such judge.

(c) It shall be unlawful for the Secretary to defer or limit any Federal financial assistance on the basis of any failure to comply with the imposition of quotas (or any other numerical requirements which have the effect of imposing quotas) on the student admission practices of an institution of higher education or community college receiving Federal financial assistance.

SEC. 447. [20 U.S.C. 1232j] PROHIBITION ON FEDERALLY SPONSORED TESTING.

(a) **GENERAL PROHIBITION.**—Notwithstanding any other provision of Federal law and except as provided in subsection (b), no funds provided to the Department of Education or to an applicable program, may be used to pilot test, field test, implement, administer or distribute in any way any federally sponsored national test in reading, mathematics, or any other subject that is not specifically and explicitly provided for in authorizing legislation enacted into law.

(b) **EXCEPTIONS.**—Subsection (a) shall not apply to the Third International Mathematics and Science Study or other international comparative assessments developed under the authority of section 153(a)(6) of the Education Sciences Reform Act of 2002 and administered to only a representative sample of pupils in the United States and in foreign nations.

PART D—ENFORCEMENT⁴

SEC. 451. [20 U.S.C. 1234] OFFICE OF ADMINISTRATIVE LAW JUDGES.

(a) The Secretary shall establish in the Department of Education an Office of Administrative Law Judges (hereinafter in this part referred to as the “Office”) which shall conduct—

⁴P.L. 100-297 amended Part E to read as follows. Section 212(b)(2) of P.L. 103-382 redesignated part E as part D.

(1) recovery of funds hearings pursuant to section 452 of this Act,

(2) withholding hearings pursuant to section 455 of this Act,

(3) cease and desist hearings pursuant to section 456 of this Act, and

(4) other proceedings designated by the Secretary.

(b) The administrative law judges (hereinafter “judges”) of the Office shall be appointed by the Secretary in accordance with section 3105 of title 5, United States Code.

(c) The judges shall be officers or employees of the Department. The judges shall meet the requirements imposed for administrative law judges pursuant to section 3105 of title 5, United States Code. In choosing among equally qualified candidates for such positions the Secretary shall give favorable consideration to the candidates’ experience in State or local educational agencies and their knowledge of the workings of Federal education programs in such agencies. The Secretary shall designate one of the judges of the Office to be the chief judge.

(d) For the purposes of conducting hearings described in subsection (a), the chief judge shall assign a judge to each case or class of cases. A judge shall be disqualified in any case in which the judge has a substantial interest, has been of counsel, is or has been a material witness, or is so related to or connected with any party or the party’s attorney as to make it improper for the judge to be assigned to the case.

(e) The judge shall review and may require that evidence be taken on the sufficiency of the preliminary departmental determination as set forth in section 452.

(f)(1) The proceedings of the Office shall be conducted according to such rules as the Secretary shall prescribe by regulation in conformance with the rules relating to hearings in title 5, United States Code, sections 554, 556, and 557.

(2) The provisions of title 5, United States Code, section 504, relating to costs and fees of parties, shall apply to the proceedings before the Department.

(g)(1) In order to secure a fair, expeditious, and economical resolution of cases and where the judge determines that the discovered information is likely to elicit relevant information with respect to an issue in the case, is not sought primarily for the purposes of delay or harassment, and would serve the ends of justice, the judge may order a party to—

(A) produce relevant documents;

(B) answer written interrogatories that inquire into relevant matters; and

(C) have depositions taken.

The judge shall set a time limit of 90 days on the discovery period. The judge may extend this period for good cause shown. At the request of any party, the judge may establish a specific schedule for the conduct of discovery.

(2) In order to carry out the provisions of subsections (f)(1) and (g)(1), the judge is authorized to issue subpoenas and apply to the appropriate court of the United States for enforcement of a sub-

poena. The court may enforce the subpoena as if it pertained to a proceeding before that court.

(h) The Secretary shall establish a process for the voluntary mediation of disputes pending before the Office. The mediator shall be agreed to by all parties involved in mediation and shall be independent of the parties to the dispute. In the mediation of disputes the Secretary shall consider mitigating circumstances and proportion of harm pursuant to section 453. In accordance with rule 408 of the Federal Rules of Evidence, evidence of conduct or statements made in compromise negotiations shall not be admissible in proceedings before the Office. Mediation shall be limited to 120 days, except that the mediator may grant extensions of such period.

(i) The Secretary shall employ, assign, or transfer sufficient professional personnel, including judges of the Office, to ensure that all matters brought before the Office may be dealt with in a timely manner.

SEC. 452. [20 U.S.C. 1234a] RECOVERY OF FUNDS.

(a)(1) Whenever the Secretary determines that a recipient of a grant or cooperative agreement under an applicable program must return funds because the recipient has made an expenditure of funds that is not allowable under that grant or cooperative agreement, or has otherwise failed to discharge its obligation to account properly for funds under the grant or cooperative agreement, the Secretary shall give the recipient written notice of a preliminary departmental decision and notify the recipient of its right to have that decision reviewed by the Office and of its right to request mediation.

(2) In a preliminary departmental decision, the Secretary shall have the burden of establishing a prima facie case for the recovery of funds, including an analysis reflecting the value of the program services actually obtained in a determination of harm to the Federal interest. The facts to serve as the basis of the preliminary departmental decision may come from an audit report, an investigative report, a monitoring report, or other evidence. The amount of funds to be recovered shall be determined on the basis of section 453.

(3) For the purpose of paragraph (2), failure by a recipient to maintain records required by law, or to allow the Secretary access to such records, shall constitute a prima facie case.

(b)(1) A recipient that has received written notice of a preliminary departmental decision and that desires to have such decision reviewed by the Office shall submit to the Office an application for review not later than 60 days after receipt of notice of the preliminary departmental decision. The application shall be in the form and contain the information specified by the Office. As expeditiously as possible, the Office shall return to the Secretary for such action as the Secretary considers appropriate any preliminary departmental decision which the Office determines does not meet the requirements of subsection (a)(2).

(2) In cases where the preliminary departmental decision requests a recovery of funds from a State recipient, that State recipient may not recover funds from an affected local educational agency unless that State recipient has—

(A) transmitted a copy of the preliminary departmental decision to any affected subrecipient within 10 days of the date that the State recipient in a State administered program received such written notice; and

(B) consulted with each affected subrecipient to determine whether the State recipient should submit an application for review under paragraph (1).

(3) In any proceeding before the Office under this section, the burden shall be upon the recipient to demonstrate that it should not be required to return the amount of funds for which recovery is sought in the preliminary departmental decision under subsection (a).

(c) A hearing shall be set 90 days after receipt of a request for review of a preliminary departmental decision by the Office, except that such 90-day requirement may be waived at the discretion of the judge for good cause.

(d)(1) Upon review of a decision of the Office by the Secretary, the findings of fact by the Office, if supported by substantial evidence, shall be conclusive. However, the Secretary, for good cause shown, may remand the case to the Office to take further evidence, and the Office may thereupon make new or modified findings of fact and may modify its previous action. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(2) During the conduct of such review, there shall not be any ex parte contact between the Secretary and individuals representing the Department or the recipient.

(e) Parties to the proceeding shall have 30 days to file a petition for review of a decision of the administrative law judges with the Office of the Secretary.

(f)(1) If a recipient submits a timely application for review of a preliminary departmental decision, the Secretary shall take no collection action until the decision of the Office upholding the preliminary Department decision in whole or in part becomes final agency action under subsection (g).

(2) If a recipient files a timely petition for judicial review under section 458, the Secretary shall take no collection action until judicial review is completed.

(3) The filing of an application for review under paragraph (1) or a petition for judicial review under paragraph (2) shall not affect the authority of the Secretary to take any other adverse action under this part against the recipient.

(g) A decision of the Office regarding the review of a preliminary departmental decision shall become final agency action 60 days after the recipient receives written notice of the decision unless the Secretary either—

(1) modifies or sets aside the decision, in whole or in part, in which case the decision of the Secretary shall become final agency action when the recipient receives written notice of the Secretary's action, or

(2) remands the decision to the Office.

(h) The Secretary shall publish decisions that have become final agency action under subsection (g) in the Federal Register or in another appropriate publication within 60 days.

(i) The amount of a preliminary departmental decision under subsection (a) for which review has not been requested in accordance with subsection (b), and the amount sustained by a decision of the Office or the Secretary which becomes final agency action under subsection (g), may be collected by the Secretary in accordance with chapter 37 of title 31, United States Code.

(j)(1) Notwithstanding any other provision of law, the Secretary may, subject to the notice requirements of paragraph (2), compromise any preliminary departmental decision under this section which does not exceed the amount agreed to be returned by more than \$200,000, if the Secretary determines that (A) the collection of any or all or the amount thereof would not be practical or in the public interest, and (B) the practice which resulted in the preliminary departmental decision has been corrected and will not recur.

(2) Not less than 45 days prior to the exercise of the authority to compromise a preliminary departmental decision pursuant to paragraph (1), the Secretary shall publish in the Federal Register a notice of intention to do so. The notice shall provide interested persons an opportunity to comment on any proposed action under this subsection through the submission of written data, views, or arguments.

(k) No recipient under an applicable program shall be liable to return funds which were expended in a manner not authorized by law more than 5 years before the recipient received written notice of a preliminary departmental decision.

(l) No interest shall be charged arising from a claim during the administrative review of the preliminary departmental decision.

SEC. 453. [20 U.S.C. 1234b] MEASURE OF RECOVERY.

(a)(1) A recipient determined to have made an unallowable expenditure, or to have otherwise failed to discharge its responsibility to account properly for funds, shall be required to return funds in an amount that is proportionate to the extent of the harm its violation caused to an identifiable Federal interest associated with the program under which the recipient received the award. Such amount shall be reduced in whole or in part by an amount that is proportionate to the extent the mitigating circumstances caused the violation.

(2) For the purpose of paragraph (1), an identifiable Federal interest includes, but is not limited to, serving only eligible beneficiaries; providing only authorized services or benefits; complying with expenditure requirements and conditions (such as set-aside, excess cost, maintenance of effort, comparability, supplement-not-supplant, and matching requirements); preserving the integrity of planning, application, recordkeeping, and reporting requirements; and maintaining accountability for the use of funds.

(b)(1) When a State or local educational agency is determined to have made an unallowable expenditure, or to have otherwise failed to discharge its responsibility to account properly for funds, and mitigating circumstances exist, as described in paragraph (2), the judge shall reduce such amount by an amount that is proportionate to the extent the mitigating circumstances caused the violation. Furthermore, the judge is authorized to determine that no recovery is justified when mitigating circumstances warrant. The

burden of demonstrating the existence of mitigating circumstances shall be upon the State or local educational agency.

(2) For the purpose of paragraph (1), mitigating circumstances exist only when it would be unjust to compel the recovery of funds because the State or local educational agency—

(A) actually and reasonably relied upon erroneous written guidance provided by the Department;

(B) made an expenditure or engaged in a practice after—

(i) the State or local educational agency submitted to the Secretary, in good faith, a written request for guidance with respect to the expenditure or practice at issue, and

(ii) a Department official did not respond within 90 days of receipt by the Department of such request; or

(C) actually and reasonably relied upon a judicial decree issued to the recipient.

(3) A written request for guidance as described in paragraph (2) sent by certified mail (return receipt requested) shall be conclusive proof of receipt by the Department.

(4) If the Secretary responds to a written request for guidance described in paragraph (2)(B) more than 90 days after its receipt, the State or local educational agency that submitted the request shall comply with the guidance received at the earliest practicable time.

(5) In order to demonstrate the existence of the mitigating circumstances described in paragraph (2)(B), the State or local educational agency shall demonstrate that—

(A) the written request for guidance accurately described the proposed expenditure or practice and included the facts necessary for a determination of its legality; and

(B) the written request for guidance contained a certification by the chief legal officer of the State educational agency that such officer had examined the proposed expenditure or practice and believed the proposed expenditure or practice was permissible under then applicable State and Federal law; and

(C) the State or local educational agency reasonably believed that the proposed expenditure or practice was permissible under then applicable State and Federal law.

(6) The Secretary shall disseminate to State educational agencies responses to written requests for guidance, described in paragraph (5), that reflect significant interpretations of applicable law or policy.

(c) The Secretary shall periodically review the written requests for guidance submitted under this section to determine the need for new or supplementary regulatory or other guidance under applicable programs.

SEC. 454. [20 U.S.C. 1234c] REMEDIES FOR EXISTING VIOLATIONS.

(a) Whenever the Secretary has reason to believe that any recipient of funds under any applicable program is failing to comply substantially with any requirement of law applicable to such funds, the Secretary may—

(1) withhold further payments under that program, as authorized by section 455;

(2) issue a complaint to compel compliance through a cease and desist order of the Office, as authorized by section 456;

(3) enter into a compliance agreement with a recipient to bring it into compliance, as authorized by section 457; or

(4) take any other action authorized by law with respect to the recipient.

(b) Any action, or failure to take action, by the Secretary under this section shall not preclude the Secretary from seeking a recovery of funds under section 452.

SEC. 455. [20 U.S.C. 1234d] WITHHOLDING.

(a) In accordance with section 454, the Secretary may withhold from a recipient, in whole or in part, further payments (including payments for administrative costs) under an applicable program.

(b) Before withholding payments, the Secretary shall notify the recipient, in writing, of—

(1) the intent to withhold payments;

(2) the factual and legal basis for the Secretary's belief that the recipient has failed to comply substantially with a requirement of law; and

(3) an opportunity for a hearing to be held on a date at least 30 days after the notification has been sent to the recipient.

(c) The hearing shall be held before the Office and shall be conducted in accordance with the rules prescribed pursuant to subsections (f) and (g) of section 451 of this Act.

(d) Pending the outcome of any hearing under this section, the Secretary may suspend payments to a recipient, suspend the authority of the recipient to obligate Federal funds, or both, after such recipient has been given reasonable notice and an opportunity to show cause why future payments or authority to obligate Federal funds should not be suspended.

(e) Upon review of a decision of the Office by the Secretary, the findings of fact by the Office, if supported by substantial evidence, shall be conclusive. However, the Secretary, for good cause shown, may remand the case to the Office to take further evidence, and the Office may thereupon make new or modified findings of fact and may modify its previous action. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(f) The decision of the Office in any hearing under this section shall become final agency action 60 days after the recipient receives written notice of the decision unless the Secretary either—

(1) modifies or sets aside the decision, in whole or in part, in which case the decision of the Secretary shall become final agency action when the recipient receives written notice of the Secretary's action; or

(2) remands the decision of the Office.

SEC. 456. [20 U.S.C. 1234e] CEASE AND DESIST ORDERS.

(a) In accordance with section 454, the Secretary may issue to a recipient under an applicable program a complaint which—

(1) describes the factual and legal basis for the Secretary's belief that the recipient is failing to comply substantially with a requirement of law; and

(2) contains a notice of a hearing to be held before the Office on a date at least 30 days after the service of the complaint.

(b) The recipient upon which a complaint has been served shall have the right to appear before the Office on the date specified and to show cause why an order should not be entered by the Office requiring the recipient to cease and desist from the violation of law charged in the complaint.

(c) The testimony in any hearing held under this section shall be reduced to writing and filed with the Office. If upon that hearing the Office is of the opinion that the recipient is in violation of any requirement of law as charged in the complaint, the Office shall—

(1) make a report in writing stating its findings of fact; and

(2) issue to the recipient an order requiring the recipient to cease and desist from the practice, policy, or procedure which resulted in the violation.

(d) The report and order of the Office under this section shall become the final agency action when the recipient receives the report and order.

(e) The Secretary may enforce a final order of the Office under this section which becomes final agency action by—

(1) withholding from the recipient any portion of the amount payable to it, including the amount payable for administrative costs, under the applicable program; or

(2) certifying the facts to the Attorney General who shall cause an appropriate proceeding to be brought for the enforcement of the order.

SEC. 457. [20 U.S.C. 1234f] COMPLIANCE AGREEMENTS.

(a) In accordance with section 454, the Secretary may enter into a compliance agreement with a recipient under an applicable program. The purpose of any compliance agreement under this section shall be to bring the recipient into full compliance with the applicable requirements of law as soon as feasible and not to excuse or remedy past violations of such requirements.

(b)(1) Before entering into a compliance agreement with a recipient, the Secretary shall hold a hearing at which the recipient, affected students and parents or their representatives, and other interested parties are invited to participate. The recipient shall have the burden of persuading the Secretary that full compliance with the applicable requirements of law is not feasible until a future date.

(2) If the Secretary determines, on the basis of all the evidence presented, that full compliance is genuinely not feasible until a future date, the Secretary shall make written findings to that effect and shall publish those findings, along with the substance of any compliance agreement, in the Federal Register.

(c) A compliance agreement under this section shall contain—

(1) an expiration date not later than 3 years from the date of the written findings under subsection (b)(2), by which the recipient shall be in full compliance with the applicable requirements of law, and

(2) those terms and conditions with which the recipient must comply until it is in full compliance.

SEC. 458. [20 U.S.C. 1234g] JUDICIAL REVIEW.

(a) Any recipient of funds under an applicable program that would be adversely affected by a final agency action under section 452, 455, or 456 of this Act, and any State entitled to receive funds under a program described in section 441(a) of this title whose application has been disapproved by the Secretary, shall be entitled to judicial review of such action in accordance with the provisions of this section. The Secretary may not take any action on the basis of a final agency action until judicial review is completed.

(b) A recipient that desires judicial review of an action described in subsection (a) shall, within 60 days of that action, file with the United States Court of Appeals for the circuit in which that recipient is located, a petition for review of such action. A copy of the petition shall be transmitted by the clerk of the court to the Secretary. The Secretary shall file in the court the record of the proceedings on which the action was based, as provided in section 2112 of title 28, United States Code.

(c) The findings of fact by the Office, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Office to take further evidence, and the Office may make new or modified findings of fact and may modify its previous action, and shall certify to the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(d) The court shall have jurisdiction to affirm the action of the Office or the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

SEC. 459. [20 U.S.C. 1234h] USE OF RECOVERED FUNDS.

(a) Whenever the Secretary recovers funds paid to a recipient under a grant or cooperative agreement made under an applicable program because the recipient made an expenditure of funds that was not allowable, or otherwise failed to discharge its responsibility to account properly for funds, the Secretary may consider those funds to be additional funds available for that program and may arrange to repay to the recipient affected by that action an amount not to exceed 75 percent of the recovered funds if the Secretary determines that—

(1) the practices or procedures of the recipient that resulted in the violation of law have been corrected, and that the recipient is in all other respects in compliance with the requirements of that program, provided that the recipient was notified of any noncompliance with such requirements and given a reasonable period of time to remedy such noncompliance;

(2) the recipient has submitted to the Secretary a plan for the use of those funds pursuant to the requirements of that program and, to the extent possible, for the benefit of the population that was affected by the failure to comply or by the misuse of funds that resulted in the recovery; and

(3) the use of those funds in accordance with that plan would serve to achieve the purposes of the program under which the funds were originally paid.

(b) Any payments by the Secretary under this section shall be subject to such other terms and conditions as the Secretary considers necessary to accomplish the purposes of the affected programs, including—

(1) the submission of periodic reports on the use of funds provided under this section; and

(2) consultation by the recipient with students, parents, or representatives of the population that will benefit from the payments.

(c) Notwithstanding any other provisions of law, the funds made available under this section shall remain available for expenditure for a period of time deemed reasonable by the Secretary, but in no case to exceed more than three fiscal years following the later of—

(1) the fiscal year in which final agency action under section 452(e) is taken; or

(2) if such recipient files a petition for judicial review, the fiscal year in which final judicial action under section 458 is taken.

(d) At least 30 days prior to entering into an arrangement under this section, the Secretary shall publish in the Federal Register a notice of intent to enter into such an arrangement and the terms and conditions under which payments will be made. Interested persons shall have an opportunity for at least 30 days to submit comments to the Secretary regarding the proposed arrangement.
