TITLE III—INSTITUTIONAL AID

SEC. 301. [20 U.S.C. 1051] FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress finds that—

(1) there are a significant number of institutions of higher education serving high percentages of minority students and students from low-income backgrounds, that face problems that threaten their ability to survive;

(2) the problems relate to the management and fiscal operations of certain institutions of higher education, as well as to an inability to engage in long-range planning and development activities, including endowment building;

(3) in order to be competitive and provide a high-quality education for all, institutions of higher education should improve their technological capacity and make effective use of technology;

(4) the title III program prior to 1985 did not always meet the specific development needs of historically Black colleges and universities and other institutions with large concentrations of minority, low-income students;

(5) the solution of the problems of these institutions would enable them to become viable, fiscally stable and independent, thriving institutions of higher education;

(6) providing assistance to eligible institutions will enhance the role of such institutions in providing access and quality education to low-income and minority students;

(7) these institutions play an important role in the American system of higher education, and there is a strong national interest in assisting them in solving their problems and in stabilizing their management and fiscal operations, and in becoming financially independent; and

(8) there is a particular national interest in aiding those institutions of higher education that have historically served students who have been denied access to postsecondary education because of race or national origin and whose participation in the American system of higher education is in the Nation’s interest so that equality of access and quality of postsecondary education opportunities may be enhanced for all students.

(b) PURPOSE.—It is the purpose of this title to assist such institutions in equalizing educational opportunity through a program of Federal assistance.

(3)(A) An institution may withdraw and expend the endowment fund income to defray any expenses necessary to the operation of such college, including expenses of operations and maintenance, administration, academic and support personnel, construction and renovation, community and student services programs, and technical assistance.

   (C) fails to properly account to the Secretary concerning the investment and expenditures of the endowment funds.

(2) If the Secretary terminates a grant under paragraph (1), the grantee shall return to the Secretary an amount equal to the sum of each original grant under this section plus income earned thereon. The Secretary may use such repaid funds to make additional endowment grants, or to increase existing challenge grants, to other eligible institutions under this part.

(3) the academic and residential facilities on the campuses of all historically Black colleges and universities have suffered from neglect, deferred maintenance and are in need of capital improvements in order to provide appropriate settings for learning and social development through higher education;
(4) due to their small enrollments, limited endowments and other financial factors normally considered by lenders in construction financing, historically Black colleges and univer-
universities often lack access to the sources of funding necessary to undertake the necessary capital improvements through borrowing and bond financing;

(5) despite their track record of long-standing and remarkable institutional longevity and viability, historically Black colleges and universities often lack the financial resources necessary to gain access to traditional sources of capital financing such as bank loans and bond financing; and

(6) Federal assistance to facilitate low-cost capital basis for historically Black colleges and universities will enable such colleges and universities to continue and expand their educational mission and enhance their significant role in American higher education.

PART E—MINORITY SCIENCE AND ENGINEERING IMPROVEMENT PROGRAM

Subpart 1—Minority Science and Engineering Improvement Program

Congress makes the following findings:

(1) It is incumbent on the Federal Government to support the technological and economic competitiveness of the United States by improving and expanding the scientific and technological capacity of the United States. More and better prepared scientists, engineers, and technical experts are needed to improve and expand such capacity.

(2) As the Nation’s population becomes more diverse, it is important that the educational and training needs of all Americans are met. Underrepresentation of minorities in science and technological fields diminishes our Nation’s competitiveness by impairing the quantity of well prepared scientists, engineers, and technical experts in these fields.

(3) Despite significant limitations in resources, minority institutions provide an important educational opportunity for minority students, particularly in science and engineering fields. Aid to minority institutions is a good way to address the underrepresentation of minorities in science and technological fields.

(4) There is a strong Federal interest in improving science and engineering programs at minority institutions as such pro-
grams lag behind in program offerings and in student enrollment compared to such programs at other institutions of higher education.

(a) It is the purpose of this subpart to continue the authority of the Department to operate the Minority Institutions Science Improvement Program created under section 3(a)(1) of the National Science Foundation Act of 1950 and transferred to the Department by section 303(a)(1) of the Department of Education Organization Act.
(b) The Secretary shall, in accordance with the provisions of this subpart, carry out a program of making grants to institutions of higher education that are designed to effect long-range improvement in science and engineering education at predominantly minority institutions and to increase the participation of underrepresented ethnic minorities, particularly minority women, in scientific and technological careers.

(a) Establishment of Criteria.—Grants under this subpart shall be awarded on the basis of criteria established by the Secretary by regulations.
(b) Priorities To Be Given in Criteria.—In establishing criteria under subsection (a), the Secretary shall give priority to applicants which have not previously received funding from the Minority Institutions Science Improvement Program and to previous grantees with a proven record of success, as well as to applications that contribute to achieving balance among projects with respect to geographic region, academic discipline, and project type.
(c) Required Criteria.—In establishing criteria under subsection (a), the Secretary may consider the following selection criteria in making grants:
1. plan of operation;
2. quality of key personnel;
3. budget and cost effectiveness;
4. evaluation plan;
5. adequacy of resources;
6. identification of need for the project;
7. potential institutional impact of the project;
8. institutional commitment to the project;
9. expected outcomes; and
10. scientific and educational value of the proposed project.

(a) Types of Grants.—Funds appropriated to carry out this subpart may be made available as—
1. institutional grants (as defined in section 365(6));
2. cooperative grants (as defined in section 365(7));
3. design projects (as defined in section 365(8)); or
4. special projects (as defined in section 365(9)).
(b) Authorized Uses for Each Type of Grant.—(1) The authorized uses of funds made available as institutional grants include (but are not limited to)—
A. faculty development programs; or
(B) development of curriculum materials.

(2) The authorized uses of funds made available as cooperative grants include (but are not limited to)—
   (A) assisting institutions in sharing facilities and personnel;
   (B) disseminating information about established programs in science and engineering;
   (C) supporting cooperative efforts to strengthen the institutions’ science and engineering programs; or
   (D) carrying out a combination of any of the activities in subparagraphs (A) through (C).

(3) The authorized uses of funds made available as design projects include (but are not limited to)—
   (A) developing planning, management, and evaluation systems; or
   (B) developing plans for initiating scientific research and for improving institutions’ capabilities for such activities.

Funds used for design project grants may not be used to pay more than 50 percent of the salaries during any academic year of faculty members involved in the project.

(4) The authorized uses of funds made available as special projects include (but are not limited to)—
   (A) advanced science seminars;
   (B) science faculty workshops and conferences;
   (C) faculty training to develop specific science research or education skills;
   (D) research in science education;
   (E) programs for visiting scientists;
   (F) preparation of films or audio-visual materials in science;
   (G) development of learning experiences in science beyond those normally available to minority undergraduate students;
   (H) development of pre-college enrichment activities in science; or
   (I) any other activities designed to address specific barriers to the entry of minorities into science.

Subpart 2—Programs in STEM Fields

(a) GRANT PROGRAM AUTHORIZED.—Subject to the availability of appropriations to carry out this subpart, the Secretary shall make grants to eligible partnerships (as described in subsection (f)) to support the engagement of underrepresented minority youth and youth who are low-income individuals (as such term is defined in section 312) in science, technology, engineering, and mathematics through outreach and hands-on, experiential-based learning projects that encourage students in kindergarten through grade 12 who are underrepresented minority youth or low-income individuals to pursue careers in science, technology, engineering, and mathematics.

(b) DESIGN OF CAMPAIGN.—The campaign under this section shall be designed to enhance the image of education and professions in the STEM fields and promote participation in the STEM fields, and may include—

(1) monitoring trends in youths’ attitudes toward pursuing education and professions in the STEM fields and their propensity toward entering the STEM fields;

(2) determining what factors contribute to encouraging and discouraging Americans from pursuing study in STEM fields and entering the STEM fields professionally;

(f) Teaching.—The campaign under this section shall include a narrowly focused effort to attract current professionals in the STEM fields, through advertising in mediums likely to reach that specific group, into teaching in a STEM field in elementary schools and secondary schools.

The Secretary shall develop an evaluation and accountability plan for projects funded under this subpart. Such plan shall include, if the Secretary determines that it is practical, an objective measure of the impact of such projects, such as a measure of whether underrepresented minority student enrollment in courses related to science, technology, engineering, and mathematics increases at the secondary and postsecondary levels.

(C) an evaluation by the applicant of the priority given any proposed project for which funds are sought in relation to any other projects for which funds are sought by the applicant under this title, and a similar evaluation regarding priorities among the components of any single proposed project (as described by the applicant pursuant to subparagraph (A));

(2) The Secretary shall submit to the Congress every other year a report concerning the institutions which, although not satisfying the criterion contained in section 312(b)(1)(B), have been determined to be eligible institutions under part A which enroll significant numbers of Black American, Hispanic, Native American, Asian American, or Native Hawaiian students under part A, as the case may be. (3) The Secretary may waive the requirement set forth in section 312(b)(1)(E) in the case of an institution located on or near an Indian reservation or a substantial population of Indians, if the Secretary determines that the waiver will substantially increase higher education opportunities appropriate to the needs of American Indians.

SEC. 400. [20 U.S.C. 1070] STATEMENT OF PURPOSE; PROGRAM AUTHORIZATION.

(a) Purpose.—It is the purpose of this part, to assist in making available the benefits of postsecondary education to eligible students (defined in accordance with section 484) in institutions of higher education by—

(1) providing Federal Pell Grants to all eligible students;

(2) providing supplemental educational opportunity grants to those students who demonstrate financial need;

(3) providing for payments to the States to assist them in making financial aid available to such students;

(4) providing for special programs and projects designed (A) to identify and encourage qualified youths with financial or cultural need with a potential for postsecondary education, (B) to prepare students from low-income families for postsecondary education, and (C) to provide remedial (including remedial language study) and other services to students; and

(5) providing assistance to institutions of higher education.

(b) Secretary required to carry out purposes.—The Secretary shall, in accordance with subparts 1 through 9, carry out programs to achieve the purposes of this part.
Subpart 1—Federal Pell Grants

(a) PROGRAM AUTHORITY AND METHOD OF DISTRIBUTION.—(1) For each fiscal year through fiscal year 2017, the Secretary shall pay to each eligible institution such sums as may be necessary to pay to each eligible student (defined in accordance with section 484) for each academic year during which that student is in attendance at an institution of higher education, as an undergraduate, a Federal Pell Grant in the amount for which that student is eligible, as determined pursuant to subsection (b). Not less than 85 percent of such sums shall be advanced to eligible institutions prior to the start of each payment period and shall be based upon an amount requested by the institution as needed to pay eligible students until such time as the Secretary determines and publishes in the Federal Register with an opportunity for comment, an alternative payment system that provides payments to institutions in an accurate and timely manner, except that this sentence shall not be construed to limit the authority of the Secretary to place an institution on a reimbursement system of payment.

(2) Nothing in this section shall be interpreted to prohibit the Secretary from paying directly to students, in advance of the beginning of the academic term, an amount for which they are eligible, in cases where the eligible institution elects not to participate in the disbursement system required by paragraph (1).

(3) Grants made under this subpart shall be known as “Federal Pell Grants”.

(b) PURPOSE AND AMOUNT OF GRANTS.—(1) The purpose of this subpart is to provide a Federal Pell Grant that in combination with reasonable family and student contribution and supplemented by the programs authorized under subparts 3 and 4 of this part, will meet at least 75 percent of a student’s cost of attendance (as defined in section 472), unless the institution determines that a greater amount of assistance would better serve the purposes of this section.

(2) The amount of the Federal Pell Grant for a student eligible under this part shall be—

(i) the maximum Federal Pell Grant, as specified in the last enacted appropriation Act applicable to that award year, plus

(ii) the amount of the increase calculated under paragraph (7)(B) for that year, less

(iii) an amount equal to the amount determined to be the expected family contribution with respect to that student for that year.

(B) In any case where a student attends an institution of higher education on less than a full-time basis (including a student who attends an institution of higher education on less than a half-time basis) during any academic year, the amount of the Federal Pell

Grant to which that student is entitled shall be reduced in proportion to the degree to which that student is not so attending on a full-time basis, in accordance with a schedule of reductions established by the Secretary for the purposes of this division, computed in accordance with this subpart. Such schedule of reductions shall be established by regulation and published in the Federal Register in accordance with section 482 of this Act.

(3) No Federal Pell Grant under this subpart shall exceed the difference between the expected family contribution for a student and the cost of attendance (as defined in section 472) at the institution at which that student is in attendance. If, with respect to any student, it is determined that the amount of a Federal Pell Grant plus the amount of the expected family contribution for that student exceeds the cost of attendance for that year, the amount of the Federal Pell Grant shall be reduced until the combination of expected family contribution and the amount of the Federal Pell Grant does not exceed the cost of attendance at such institution.

(4) No Federal Pell Grant shall be awarded to a student under this subpart if the amount of that grant for that student as determined under this subsection for any academic year is less than ten percent of the maximum amount of a Federal Pell Grant award determined under paragraph (2)(A) for such academic year.

(5) Notwithstanding any other provision of this subpart, the Secretary shall allow the amount of the Federal Pell Grant to be exceeded for students participating in a program of study abroad approved for credit by the institution at which the student is enrolled when the reasonable costs of such program are greater than the cost of attendance at the student’s home institution, except that the amount of such Federal Pell Grant in any fiscal year shall not exceed the maximum amount of a Federal Pell Grant award determined under paragraph (2)(A), for which a student is eligible during such award year. If the preceding sentence applies, the financial aid administrator at the home institution may use the cost of the study abroad program, rather than the home institution’s cost, to determine the cost of attendance of the student.

(6) No Federal Pell Grant shall be awarded under this subpart to any individual who is incarcerated in any Federal or State penal institution or who is subject to an involuntary civil commitment upon completion of a period of incarceration for a forcible or non-forcible sexual offense (as determined in accordance with the Federal Bureau of Investigation’s Uniform Crime Reporting Program).

(II) the term “total maximum Federal Pell Grant” as applied to a preceding award year, is equal to the sum of—

(aa) the maximum Federal Pell Grant for which a student is eligible during an award year, as specified in the last enacted appropriation Act applicable to that preceding award year; and

(bb) the amount of the increase in the maximum Federal Pell Grant required by this paragraph for that preceding award year.

(D) Program Requirements and Operations Otherwise Unaffected.—Except as provided in subparagraphs (B) and (C), nothing in this paragraph shall be construed to alter the requirements and operations of the Federal Pell Grant Program as authorized under this section, or authorize the imposition of additional requirements or operations for the determination and allocation of Federal Pell Grants under this section.

(E) Ratable Increases and Decreases.—The amounts specified in subparagraph (B) shall be ratably increased or decreased to the extent that funds available under subparagraph (A) exceed or are less than (respectively) the amount required to provide the amounts specified in subparagraph (B).

(F) Availability of Funds.—The amounts made available by subparagraph (A) for any fiscal year shall be available beginning on October 1 of that fiscal year, and shall remain available through September 30 of the succeeding fiscal year.
(8)(A) Effective in the 2017–2018 award year and thereafter, the Secretary shall award an eligible student not more than one and one-half Federal Pell Grants during a single award year to permit such student to work toward completion of an eligible program if, during that single award year, the student—

(i) has received a Federal Pell Grant for an award year and is enrolled in an eligible program for one or more additional payment periods during the same award year that are not otherwise fully covered by the student's Federal Pell Grant; and

(ii) is enrolled on at least a half-time basis while receiving any funds under this section.

(B) In the case of a student receiving more than one Federal Pell Grant in a single award year under subparagraph (A), the total amount of Federal Pell Grants awarded to such student for the award year may exceed the maximum basic grant level specified in the appropriate appropriations Act for such award year.

(C) Any period of study covered by a Federal Pell Grant awarded under subparagraph (A) shall be included in determining a student’s duration limit under subsection (c)(5).

(D) In any case where an eligible student is receiving a Federal Pell Grant for a payment period that spans two award years, the Secretary shall allow the eligible institution in which the student is enrolled to determine the award year to which the additional period shall be assigned, as it determines is most beneficial to students.

(c) PERIOD OF ELIGIBILITY FOR GRANTS.—(1) The period during which a student may receive Federal Pell Grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student at the institution at which the student is in attendance except that any period during which the student is enrolled in a noncredit or remedial course of study as defined in paragraph (2) shall not be counted for the purpose of this paragraph.

(2) Nothing in this section shall exclude from eligibility courses of study which are noncredit or remedial in nature (including courses in English language instruction) which are determined by the institution to be necessary to help the student be prepared for the pursuit of a first undergraduate baccalaureate degree or certificate or, in the case of courses in English language instruction, to be necessary to enable the student to utilize already existing knowledge, training, or skills. Nothing in this section shall exclude from eligibility programs of study abroad that are approved for credit by the home institution at which the student is enrolled.

(3) No student is entitled to receive Pell Grant payments concurrently from more than one institution or from the Secretary and an institution.

(4) Notwithstanding paragraph (1), the Secretary may allow, on a case-by-case basis, a student to receive a basic grant if the student—

(B) is enrolled or accepted for enrollment in a
postbaccalaureate program that does not lead to a graduate de-

(5) The period during which a student may receive Federal Pell
Grants shall not exceed 12 semesters, or the equivalent of 12 se-

shall count towards such duration limits.

time to time set dates by which students shall file applications for
Federal Pell Grants under this subpart.

(2) Each student desiring a Federal Pell Grant for any year

each institution of higher education which a student awarded a
Federal Pell Grant under this subpart is attending), as a part of
its regular output document, the expected family contribution for
each such student. Each such student financial aid administrator shall—

(A) examine and assess the data used to calculate the ex-
pected family contribution of the student furnished pursuant to
this subsection;
(B) recalculate the expected family contribution of the stu-
dent if there has been a change in circumstances of the student
or in the data submitted;
(C) make the award to the student in the correct amount; and
(D) after making such award report the corrected data to
such contractor and to a central processor (if any) designated
by the Secretary for a confirmation of the correct computation
of amount of the expected family contribution for each such
student.

(2) Whenever a student receives an award under this subpart
that, due to recalculation errors by the institution of higher edu-
cation, is in excess of the amount which the student is entitled to
receive under this subpart, such institution of higher education
shall pay to the Secretary the amount of such excess unless such
excess can be resolved in a subsequent disbursement to the institu-
tion.

(3) Each contractor processing applications for awards under
this subpart shall for each academic year after academic year
1986–1987 prepare and submit a report to the Secretary on the cor-
correctness of the computations of amount of the expected family con-
tribution, and on the accuracy of the questions on the application
form under this subpart for the previous academic year for which
the contractor is responsible. The Secretary shall transmit the re-
port, together with the comments and recommendations of the Sec-
retary, to the Committee on Appropriations of the Senate, the Com-
mittee on Appropriations of the House of Representatives, and the
authorizing committees.

(g) INSUFFICIENT APPROPRIATIONS.—If, for any fiscal year, the
funds appropriated for payments under this subpart are insuffi-
cient to satisfy fully all entitlements, as calculated under sub-
section (b) (but at the maximum grant level specified in such ap-
propriation), the Secretary shall promptly transmit a notice of such
insufficiency to each House of the Congress, and identify in such
notice the additional amount that would be required to be appro-
priated to satisfy fully all entitlements (as so calculated at such
maximum grant level).

(h) USE OF EXCESS FUNDS.—(1) If, at the end of a fiscal year,
the funds available for making payments under this subpart exceed
the amount necessary to make the payments required under this
subpart to eligible students by 15 percent or less, then all of the
excess funds shall remain available for making payments under
this subpart during the next succeeding fiscal year.

(2) If, at the end of a fiscal year, the funds available for mak-
ing payments under this subpart exceed the amount necessary to
make the payments required under this subpart to eligible stu-
dents by more than 15 percent, then all of such funds shall remain
available for making such payments but payments may be made
under this paragraph only with respect to entitlements for that fis-
cal year.

(i) TREATMENT OF INSTITUTIONS AND STUDENTS UNDER OTHER
LAWS.—Any institution of higher education which enters into an
agreement with the Secretary to disburse to students attending
that institution the amounts those students are eligible to receive
under this subpart shall not be deemed, by virtue of such agree-
ment, a contractor maintaining a system of records to accomplish
a function of the Secretary. Recipients of Pell Grants shall not be
considered to be individual grantees for purposes of subtitle D of
title V of Public Law 100–690.
(j) Institutional Ineligibility Based on Default Rates.—

(1) In general.—No institution of higher education shall be an eligible institution for purposes of this subpart if such institution of higher education is ineligible to participate in a loan program under part B or D as a result of a final default rate determination made by the Secretary under part B or D after the final publication of cohort default rates for fiscal year 1996 or a succeeding fiscal year.

(2) Sanctions subject to appeal opportunity.—No institution may be subject to the terms of this subsection unless the institution has had the opportunity to appeal the institution's default rate determination under regulations issued by the Secretary for the loan program authorized under part B or D, as applicable. This subsection shall not apply to an institution that was not participating in the loan program authorized under part B or D on the date of enactment of the Higher Education Amendments of 1998, unless the institution subsequently participates in the loan programs.

(b) RECIPIENTS, DURATION, AND SIZE.—

(1) RECIPIENTS.—For the purposes described in subsection (a), the Secretary is authorized, without regard to section 3709 of the Revised Statutes (41 U.S.C. 5), to make grants to, and contracts with, institutions of higher education, public and private agencies and organizations, including community-based organizations with experience in serving disadvantaged youth, combinations of such institutions, agencies and organizations, and, as appropriate to the purposes of the program, secondary schools, for planning, developing, or carrying out one or more of the services assisted under this chapter.

(2) DURATION.—Grants or contracts made under this chapter shall be awarded for a period of 5 years, except that—

(A) in order to synchronize the awarding of grants for programs under this chapter, the Secretary may, under such terms as are consistent with the purposes of this chapter, provide a one-time, limited extension of the length of such an award;
(B) grants made under section 402G shall be awarded for a period of 2 years; and

(C) grants under section 402H shall be awarded for a period determined by the Secretary.

(3) MINIMUM GRANTS.—Unless the institution or agency requests a smaller amount, an individual grant authorized under this chapter shall be awarded in an amount that is not less than $200,000, except that an individual grant authorized under section 402G shall be awarded in an amount that is not less than $170,000.

(c) PROCEDURES FOR AWARDING GRANTS AND CONTRACTS.—

(1) APPLICATION REQUIREMENTS.—An eligible entity that desires to receive a grant or contract under this chapter shall submit an application to the Secretary in such manner and form, and containing such information and assurances, as the Secretary may reasonably require.

(2) CONSIDERATIONS.—

(A) PRIOR EXPERIENCE.—In making grants under this chapter, the Secretary shall consider each applicant's prior experience of high quality service delivery, as determined under subsection (f), under the particular program for which funds are sought. The level of consideration given the factor of prior experience shall not vary from the level of consideration given such factor during fiscal years 1994 through 1997, except that grants made under section 402H shall not be given prior experience consideration.

(B) PARTICIPANT NEED.—In making grants under this chapter, the Secretary shall consider the number, percentages, and needs of eligible participants in the area, institution of higher education, or secondary school to be served to aid such participants in preparing for, enrolling in, or succeeding in postsecondary education, as appropriate to the particular program for which the eligible entity is applying.

(3) ORDER OF AWARDS; PROGRAM FRAUD.—(A) Except with respect to grants made under sections 402G and 402H and as provided in subparagraph (B), the Secretary shall award grants and contracts under this chapter in the order of the scores received by the application for such grant or contract in the peer review process required under paragraph (4) and adjusted for prior experience in accordance with paragraph (2) of this subsection.

(B) The Secretary shall not provide assistance to a program otherwise eligible for assistance under this chapter, if the Secretary has determined that such program has involved the fraudulent use of funds under this chapter.

(4) PEER REVIEW PROCESS.—(A) The Secretary shall ensure that, to the extent practicable, members of groups underrepresented in higher education, including African Americans, Hispanics, Native Americans, Alaska Natives, Asian Americans, and Native American Pacific Islanders (including Native Hawaiians), are represented as readers of applications submitted under this chapter. The Secretary shall also ensure that...
persons from urban and rural backgrounds are represented as readers.

(B) The Secretary shall ensure that each application submitted under this chapter is read by at least three readers who are not employees of the Federal Government (other than as readers of applications).

(5) **NUMBER OF APPLICATIONS FOR GRANTS AND CONTRACTS.**—The Secretary shall not limit the number of applications submitted by an entity under any program authorized under this chapter if the additional applications describe programs serving different populations or different campuses.

(6) **COORDINATION WITH OTHER PROGRAMS FOR DISADVANTAGED STUDENTS.**—The Secretary shall encourage coordination of programs assisted under this chapter with other programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding source of such programs. The Secretary shall not limit an entity's eligibility to receive funds under this chapter because such entity sponsors a program similar to the program to be assisted under this chapter, regardless of the funding source of such program. The Secretary shall permit the Director of a program receiving funds under this chapter to administer one or more additional programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding sources of such programs. The Secretary shall, as appropriate, require each applicant for funds under the programs authorized by this chapter to identify and make available services under such program, including mentoring, tutoring, and other services provided by such program, to foster care youth (including youth in foster care and youth who have left foster care after reaching age 13) or to homeless children and youths as defined in section 725 of the McKinney-Vento Homeless Assistance Act.

(7) **APPLICATION STATUS.**—The Secretary shall inform each entity operating programs under this chapter regarding the status of their application for continued funding at least 8 months prior to the expiration of the grant or contract. The Secretary, in the case of an entity that is continuing to operate a successful program under this chapter, shall ensure that the start-up date for a new grant or contract for such program immediately follows the termination of the preceding grant or contract so that no interruption of funding occurs for such successful reapplicants. The Secretary shall inform each entity requesting assistance under this chapter for a new program regarding the status of their application at least 8 months prior to the proposed startup date of such program.

(8) **REVIEW AND NOTIFICATION BY THE SECRETARY.**—

(A) **GUIDANCE.**—Not later than 180 days after the date of enactment of the Higher Education Opportunity Act, the Secretary shall issue nonregulatory guidance regarding the rights and responsibilities of applicants with respect to the application and evaluation process for programs and projects assisted under this chapter, including applicant access to peer review comments. The guidance shall describe the procedures for the submission, processing, and

(i) the responsibility of applicants to submit materials in a timely manner and in accordance with the processes established by the Secretary under the authority of the General Education Provisions Act;

(ii) steps the Secretary will take to ensure that the materials submitted by applicants are processed in a proper and timely manner;

(iii) steps the Secretary will take to ensure that prior experience points for high quality service delivery are awarded in an accurate and transparent manner;

(iv) steps the Secretary will take to ensure the quality and integrity of the peer review process, including assurances that peer reviewers will consider applications for grants under this chapter in a thorough and complete manner consistent with applicable Federal law; and

(v) steps the Secretary will take to ensure that the final score of an application, including prior experience points for high quality service delivery and points awarded through the peer review process, is determined in an accurate and transparent manner.

(B) UPDATED GUIDANCE.—Not later than 45 days before the date of the commencement of each competition for a grant under this chapter that is held after the expiration of the 180-day period described in subparagraph (A), the Secretary shall update and publish the guidance described in such subparagraph.

(C) REVIEW.—

(i) IN GENERAL.—With respect to any competition for a grant under this chapter, an applicant may request a review by the Secretary if the applicant—

(iii) SCORING ERROR.—In the case of evidence of a scoring error listed in clause (i)(I), when the error relates to either prior experience points for high quality...
service delivery or to the final score of an application, the Secretary shall—

(I) review such evidence and provide a timely response to the applicant; and

(II) if the Secretary determines that a scoring error was made by the Department or a peer reviewer, adjust the prior experience points or final score of the application appropriately and quickly, so as not to interfere with the timely awarding of grants for the applicable grant competition.

(iv) ERROR IN PEER REVIEW PROCESS.—

(I) REFERRAL TO SECONDARY REVIEW.—In the case of a peer review process error listed in clause (i)(I), if the Secretary determines that points were withheld for criteria not required in Federal statute, regulation, or guidance governing a program assisted under this chapter or the application for a grant for such program, or determines that information pertaining to selection criteria was wrongly determined to be missing from an application by a peer reviewer, then the Secretary shall refer the application to a secondary review panel.

(IV) FINAL SCORE.—The final peer review score of an application subject to a secondary review under this clause shall be adjusted appropriately and quickly using the score awarded by the secondary review panel, so as not to interfere with the timely awarding of grants for the applicable grant competition.

(V) QUALIFICATION FOR SECONDARY REVIEW.—To qualify for a secondary review under this clause, an applicant shall have evidence of a scoring error and demonstrate that—

(aa) points were withheld for criteria not required in statute, regulation, or guidance...
governing the Federal TRIO programs or the application for a grant for such programs; or

Such training shall be furnished at conferences, seminars, and workshops to be conducted at not less than 10 sites throughout the United States to ensure that all areas of the United States with large concentrations of eligible participants are served.

(4) SPECIAL RULE.—The Secretary may contract with eligible entities to conduct the outreach activities described in this subsection.

(B) verification from another governmental source;
(C) a signed financial aid application; or

(ii) 90 percent of the amount received and used under this subpart for the first year it participated in the program.

(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this subpart after fiscal year 1999 and is a first or second time participant, an amount equal to the greatest of—

(i) $5,000;

(ii) an amount equal to (I) 90 percent of the amount received and used under this subpart in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

(iii) 90 percent of the institution’s allocation under this part for the preceding fiscal year.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which

an amount equal to 90 percent of the amount it received under this subsection in its second year of participation.

(3) (A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

(4) (A) Notwithstanding any other provision of this section, the Secretary may allocate an amount equal to not more than 10 percent of the amount by which the amount appropriated in any fiscal year to carry out this part exceeds $700,000,000 among eligible institutions described in subparagraph (B).

(B) In order to receive an allocation pursuant to subparagraph (A) an institution shall be an eligible institution from which 50 percent or more of the Pell Grant recipients attending such eligible institution graduate from or transfer to a 4-year institution of higher education.

(b) ALLOCATION OF EXCESS BASED ON FAIR SHARE.—(1) From the remainder of the amount appropriated pursuant to section
413A(b) for each year (after making the allocations required by subsection (a)), the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—
   (A)(i) the amount of that institution’s need (as determined under subsection (c)), divided by (ii) the sum of the need of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 413A(b) of the fiscal year; exceeds
   (B) the amount required to be allocated to that institution under subsection (a).

(c) DETERMINATION OF INSTITUTION’S NEED.—(1) The amount of an institution’s need is equal to—
   (A) the sum of the need of the institution’s eligible undergraduate students; minus
   (B) the sum of grant aid received by students under subparts 1 and 3 of this part.

(2) To determine the need of an institution’s eligible undergraduate students, the Secretary shall—
   (A) establish various income categories for dependent and independent undergraduate students;
   (B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;
   (C) compute 75 percent of the average cost of attendance for all undergraduate students;
   (D) multiply the number of eligible dependent students in each income category by 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C), minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;
   (E) add the amounts determined under subparagraph (D) for each income category of dependent students;
   (F) multiply the number of eligible independent students in each income category by 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C), minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;
   (G) add the amounts determined under subparagraph (F) for each income category of independent students; and
   (H) add the amounts determined under subparagraphs (E) and (G).
(3)(A) For purposes of paragraph (2), the term “average cost of attendance” means the average of the attendance costs for undergraduate students which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution’s enrollment for such second preceding year.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to $600.

(d) REALLOCATION OF EXCESS ALLOCATIONS.—(1) If an institution returns to the Secretary any portion of the sums allocated to such institution under this section for any fiscal year the Secretary shall, in accordance with regulations, reallocate such excess to other institutions.

(2) If under paragraph (1) of this subsection an institution returns more than 10 percent of its allocation, the institution’s allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may waive this paragraph for a specific institution if the Secretary finds that enforcing this paragraph would be contrary to the interest of the program.

(e) FILING DEADLINES.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(a) ALLOTMENT BASED ON NUMBER OF ELIGIBLE STUDENTS IN ATTENDANCE.—(1) From the sums appropriated pursuant to section 415A(b)(1) and not reserved under section 415A(b)(2) for any fiscal year, the Secretary shall allot to each State an amount which bears the same ratio to such sums as the number of students who are deemed eligible in such State for participation in the grant program authorized by this subpart bears to the total number of such students in all the States, except that no State shall receive less than the State received for fiscal year 1979.

(2) For the purpose of this subsection, the number of students who are deemed eligible in a State for participation in the grant program authorized by this subpart, and the number of such students in all the States, shall be determined for the most recent year for which satisfactory data are available.

(b) REALLOPMENT.—The amount of any State’s allotment under subsection (a) for any fiscal year which the Secretary determines will not be required for such fiscal year for the leveraging educational assistance partnership program of that State shall be available for realloption from time to time, on such dates during such year as the Secretary may fix, to other States in proportion to the original allotments to such States under such part for such year, but with such proportionate amount for any of such States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use for such year for carrying out the State plan. The total of such reductions shall be similarly reallocated among the States whose proportionate amounts...

The application shall contain such information as may be required by, or pursuant to, regulation for the purpose of enabling the Secretary to make the determinations required under this subpart.

(b) Payment of Federal Share of Grants Made by Qualified Program.—From a State's allotment under this subpart for any fiscal year the Secretary is authorized to make payments to such State for paying up to 50 percent of the amount of student grants pursuant to a State program which—

(1) is administered by a single State agency;

(2) provides that such grants will be in amounts not to exceed the lesser of $12,500 or the student's cost of attendance per academic year (A) for attendance on a full-time basis at an institution of higher education, and (B) for campus-based community service work learning study jobs;

(5) provides that, effective with respect to any academic year beginning on or after October 1, 1978, all nonprofit institutions of higher education in the State are eligible to participate in the State program, except in any State in which participation of nonprofit institutions of higher education is in violation of the constitution of the State or in any State in which participation of nonprofit institutions of higher education is in
violation of a statute of the State which was enacted prior to October 1, 1978;

(6) provides for the payment of the non-Federal portion of such grants or of such work-study jobs from funds supplied by such State which represent an additional expenditure for such year by such State for grants or work-study jobs for students attending institutions of higher education over the amount expended by such State for such grants or work-study jobs, if any, during the second fiscal year preceding the fiscal year in which such State initially received funds under this subpart;

(7) provides that if the State's allocation under this subpart is based in part on the financial need demonstrated by students who are independent students or attending the institution less than full time, a reasonable proportion of the State's allocation shall be made available to such students;

The Secretary shall pay such reserved amount, in advance or by way of reimbursement, and in such installments as the Secretary may determine. The Secretary may amend the reservation of any amount under this section, either upon approval of an amendment of the application or upon revision of the estimated cost of the student grants or work-study jobs with respect to which such reservation was made. If the Secretary approves an upward revision of such estimated cost, the Secretary may reserve the Federal share of the added cost only from the applicable allotment (or reallocation) available at the time of such approval.

(a) Disapproval of Applications; Suspension of Eligibility.—(1) The Secretary shall not finally disapprove any application for a State program submitted under section 415C, or any modification thereof, without first affording the State agency submitting the program reasonable notice and opportunity for a hearing.

(A) that the State program has been so changed that it no longer complies with the provisions of this subpart, or

(B) that in the administration of the program there is a failure to comply substantially with any such provisions, the Secretary shall notify such State agency that the State will not be regarded as eligible to participate in the program under this subpart until he is satisfied that there is no longer any such failure to comply.

(b) Review of Decisions.—(1) If any State is dissatisfied with the Secretary’s final action with respect to the approval of its State program submitted under this subpart or with his final action under subsection (a), such State may appeal to the United States court of appeals for the circuit in which such State is located. The summons and notice of appeal may be served at any place in the United States. The Commissioner shall forthwith certify and file in the court the transcript of the proceedings and the record on which he based his action.

(2) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall certify to the court the transcript and record of further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(3) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in title 28, United States Code, section 1254.

(2) Discrimination by Creditors Prohibited.—No agency, organization, institution, bank, credit union, corporation, or other lender who regularly extends, renews, or continues credit or provides insurance under this part shall exclude from receipt or deny the benefits of, or discriminate against any borrower or applicant in obtaining, such credit or insurance on the basis of race, national origin, religion, sex, marital status, age, or handicapped status.

(b) Authorization of Appropriations.—For the purpose of carrying out this part—

(1) there are authorized to be appropriated to the student loan insurance fund (established by section 431) (A) the sum of $1,000,000, and (B) such further sums, if any, as may become necessary for the adequacy of the student loan insurance fund,

(2) there are authorized to be appropriated, for payments under section 428 with respect to interest on student loans and
for payments under section 437, such sums for the fiscal year ending June 30, 1966, and succeeding fiscal years, as may be required therefor,

(3) there is authorized to be appropriated the sum of $17,500,000 for making advances pursuant to section 422 for the reserve funds of State and nonprofit private student loan insurance programs,

(4) there are authorized to be appropriated (A) the sum of $12,500,000 for making advances after June 30, 1968, pursuant to sections 422(a) and (b), and (B) such sums as may be necessary for making advances pursuant to section 422(c), for the reserve funds of State and nonprofit private student loan insurance programs,

(5) there are authorized to be appropriated such sums as may be necessary for the purpose of paying a loan processing and issuance fee in accordance with section 428(f) to guaranty agencies, and

(6) there is authorized to be appropriated, and there are appropriated, out of any money in the Treasury not otherwise appropriated, such sums as may be necessary for the purpose of carrying out section 422(c)(7).

Sums appropriated under paragraphs (1), (2), (4), and (5) of this subsection shall remain available until expended, except that no sums may be expended after June 30, 2010, with respect to loans under this part for which the first disbursement is after such date. No additional sums are authorized to be appropriated under paragraph (3) or (4) of this subsection by reason of the reenactment of such paragraphs by the Higher Education Amendments of 1986.

(c) Designation.—The program established under this part shall be referred to as the “Robert T. Stafford Federal Student Loan Program”. Loans made pursuant to sections 427 and 428 shall be known as “Federal Stafford Loans”.

(d) Termination of Authority to Make or Insure New Loans.—Notwithstanding paragraphs (1) through (6) of subsection (b) or any other provision of law—

(1) no new loans (including consolidation loans) may be made or insured under this part after June 30, 2010; and

(2) no funds are authorized to be appropriated, or may be expended, under this Act or any other Act to make or insure loans under this part (including consolidation loans) for which the first disbursement is after June 30, 2010, except as expressly authorized by an Act of Congress enacted after the date of enactment of the SAFRA Act.

(a) Purpose of and Authority for Advances to Reserve Funds.—

(1) Purpose; Eligible Recipients.—From sums appropriated pursuant to paragraphs (3) and (4)(A) of section 421(b), the Secretary is authorized to make advances to any State with which the Secretary has made an agreement pursuant to section 428(b) for the purpose of helping to establish or strengthen the reserve fund of the student loan insurance program covered by that agreement. If for any fiscal year a State
does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances for such year for the same purpose to one or more nonprofit private institutions or organizations with which the Secretary has made an agreement pursuant to section 428(b) in order to enable students in the State to participate in a program of student loan insurance covered by such an agreement. The Secretary may make advances under this subsection both to a State program (with which he has such an agreement) and to one or more nonprofit private institutions or organizations (with which he has such an agreement) in that State if he determines that such advances are necessary in order that students in each eligible institution have access through such institution to a student loan insurance program which meets the requirements of section 428(b)(1).

(2) Matching Requirement.—No advance shall be made after June 30, 1968, unless matched by an equal amount from non-Federal sources. Such equal amount may include the unencumbered non-Federal portion of a reserve fund. As used in the preceding sentence, the term “unencumbered non-Federal portion” means the amount (determined as of the time immediately preceding the making of the advance) of the reserve fund less the greater of—

(A) the sum of—

(i) advances made under this section prior to July 1, 1968;

(ii) an amount equal to twice the amount of advances made under this section after June 30, 1968, and before the advance for purposes of which the determination is made; and

(iii) the proceeds of earnings on advances made under this section; or

(B) any amount which is required to be maintained in such fund pursuant to State law or regulation, or by agreement with lenders, as a reserve against the insurance of outstanding loans.

Except as provided in section 428(c)(9)(E) or (F), such unencumbered non-Federal portion shall not be subject to recall, repayment, or recovery by the Secretary.

(3) Terms and Conditions; Repayment.—Advances pursuant to this subsection shall be upon such terms and conditions (including conditions relating to the time or times of payment) consistent with the requirements of section 428(b) as the Secretary determines will best carry out the purpose of this section. Advances made by the Secretary under this subsection shall be repaid within such period as the Secretary may deem to be appropriate in each case in the light of the maturity and solvency of the reserve fund for which the advance was made.

(b) Limitations on Total Advances.—
(1) IN GENERAL.—The total of the advances from the sums appropriated pursuant to paragraph (4)(A) of section 421(b) to nonprofit private institutions and organizations for the benefit of students in any State and to such State may not exceed an amount which bears the same ratio to such sums as the population of such State aged 18 to 22, inclusive, bears to the population of all the States aged 18 to 22 inclusive, but such advances may otherwise be in such amounts as the Secretary determines will best achieve the purposes for which they are made. The amount available for advances to any State shall not be less than $25,000 and any additional funds needed to meet this requirement shall be derived by proportionately reducing (but not below $25,000) the amount available for advances to each of the remaining States.

(2) CALCULATION OF POPULATION.—For the purpose of this subsection, the population aged 18 to 22, inclusive, of each State and of all the States shall be determined by the Secretary on the basis of the most recent satisfactory data available to him.

(c) ADVANCES FOR INSURANCE OBLIGATIONS.—

(1) USE FOR PAYMENT OF INSURANCE OBLIGATIONS.—From sums appropriated pursuant to section 421(b)(4)(B), the Secretary shall advance to each State which has an agreement with the Secretary under section 428(c) with respect to a student loan insurance program, an amount determined in accordance with paragraph (2) of this subsection to be used for the purpose of making payments under the State's insurance obligations under such program.

(2) AMOUNT OF ADVANCES.—(A) Except as provided in subparagraph (B), the amount to be advanced to each such State shall be equal to 10 percent of the principal amount of loans made by lenders and insured by such agency on those loans on which the first payment of principal became due during the fiscal year immediately preceding the fiscal year in which the advance is made.

(B) The amount of any advance determined according to subparagraph (A) of this paragraph shall be reduced by—

(i) the amount of any advance or advances made to such State pursuant to this subsection at an earlier date; and

(ii) the amount of the unspent balance of the advances made to a State pursuant to subsection (a).

Notwithstanding subparagraph (A) and the preceding sentence of this subparagraph, but subject to subparagraph (D) of this paragraph, the amount of any advance to a State described in paragraph (5)(A) for the first year of its eligibility under such paragraph, and the amount of any advance to any State described in paragraph (5)(B) for each year of its eligibility under such paragraph, shall not be less than $50,000.

(C) For the purpose of subparagraph (B), the unspent balance of the advances made to a State pursuant to subsection (a) shall be that portion of the balance of the State's reserve fund (remaining at the time of the State's first request for an advance pursuant to this subsection) which bears the same
ratio to such balance as the Federal advances made and not returned by such State, pursuant to subsection (a), bears to the total of all past contributions to such reserve funds from all sources (other than interest on investment of any portion of the reserve fund) contributed since the date such State executed an agreement pursuant to section 428(b).

(D) If the sums appropriated for any fiscal year for paying the amounts determined under subparagraphs (A) and (B) are not sufficient to pay such amounts in full, then such amounts shall be reduced—

(i) by ratably reducing that portion of the amount allocated to each State which exceeds $50,000; and

(ii) if further reduction is required, by equally reducing the $50,000 minimum allocation of each State.

If additional sums become available for paying such amounts for any fiscal year during which the preceding sentence has been applied, such reduced amounts shall be increased on the same basis as they were reduced.

(3) USE OF EARNINGS FOR INSURANCE OBLIGATIONS.—The earnings, if any, on any investments of advances received pursuant to this subsection must be used for making payments under the State's insurance obligations.

(4) REPAYMENT OF ADVANCES.—Advances made by the Secretary under this subsection shall, subject to subsection (d), be repaid within such period as the Secretary may deem to be appropriate and shall be deposited in the fund established by section 431.

(5) LIMITATION ON NUMBER OF ADVANCES.—Except as provided in paragraph (7), advances pursuant to this subsection shall be made to a State—

(A) in the case of a State which is actively carrying on a program under an agreement pursuant to section 428(b) which was entered into before October 12, 1976, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 2 succeeding calendar years after the date so requested; and

(B) in the case of a State which enters into an agreement pursuant to section 428(b) on or after October 12, 1976, or which is not actively carrying on a program under an agreement pursuant to such section on such date, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 4 succeeding calendar years after the date so requested of the advance.

(6) PAYMENT OF ADVANCES WHERE NO STATE PROGRAM.—

(A) If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances pursuant to this subsection for such year for the same purpose to one or more nonprofit private institutions or organizations with which he has made an agreement pursuant
Sec. 422  HIGHER EDUCATION ACT OF 1965  266

to subsection (c), as well as subsection (b), of section 428 and subparagraph (B) of this paragraph in order to enable students in that State to participate in a program of student loan insurance covered by such agreements.

(B) The Secretary may enter into an agreement with a private nonprofit institution or organization for the purpose of this paragraph under which such institution or organization—

(i) agrees to establish within such State at least one office with sufficient staff to handle written, electronic, and telephone inquiries from students, eligible lenders, and other persons in the State, to encourage maximum commercial lender participation within the State, and to conduct periodic visits to at least the major eligible lenders within the State;

(ii) agrees that its insurance will not be denied any student because of his or her choice of eligible institutions; and

(iii) certifies that it is neither an eligible institution, nor has any substantial affiliation with an eligible institution.

(7) EMERGENCY ADVANCES.—The Secretary is authorized to make advances, on terms and conditions satisfactory to the Secretary, to a guaranty agency—

(A) in accordance with section 428(j), in order to ensure that the guaranty agency shall make loans as the lender-of-last-resort; or

(B) if the Secretary is seeking to terminate the guaranty agency’s agreement, or assuming the guaranty agency’s functions, in accordance with section 428(c)(9)(F)(v), in order to assist the agency in meeting its immediate cash needs, ensure the uninterrupted payment of claims, or ensure that the guaranty agency shall make loans as described in subparagraph (A).

(d) RECOVERY OF ADVANCES DURING FISCAL YEARS 1988 AND 1989.—

(1) AMOUNT AND USE OF RECOVERED FUNDS.—Notwithstanding any other provision of this section, advances made by the Secretary under this section shall be repaid in accordance with this subsection and shall be deposited in the fund established by section 431. The Secretary shall, in accordance with the requirements of paragraph (2), recover (and so deposit) an amount equal to $75,000,000 during fiscal year 1988 and an amount equal to $35,000,000 for fiscal year 1989.

(2) DETERMINATION OF GUARANTY AGENCY OBLIGATIONS.—In determining the amount of advances which shall be repaid by a guaranty agency under paragraph (1), the Secretary—

(A) shall consider the solvency and maturity of the reserve and insurance funds of the guaranty agency assisted by such advances, as determined by the Comptroller General taking into account the requirements of State law as in effect on the date of enactment of the Higher Education Amendments of 1986;
(B) shall not seek repayment of such advances from any State described in subsection (c)(5)(B) during any year of its eligibility under such subsection; and

(C) shall not seek repayment of such advances from any State if such repayment encumbers the reserve fund requirement of State law as in effect on such date of enactment.

(e) Correction for Errors Under Reduction of Excess Cash Reserves.—

(1) In General.—The Secretary shall pay any guaranty agency the amount of reimbursement of claims under section 428(c)(1), filed between September 1, 1988, and December 31, 1989, which were previously withheld or canceled in order to be applied to satisfy such agency’s obligation to eliminate excess cash reserves held by such agency, based on the maximum cash reserve (as described in subsection (e) of this section as in effect on September 1, 1988) permitted at the end of 1986, if such maximum cash reserve was miscalculated because of erroneous financial information provided by such agency to the Secretary and if (A) such erroneous information is verified by an audited financial statement of the reserve fund, signed by a certified public accountant, and (B) such audited financial statement is provided to the Secretary prior to January 1, 1993.

(2) Amount.—The amount of reimbursement for claims shall be equal to the amount of reimbursement for claims withheld or canceled in order to be applied to such agency’s obligation to eliminate excess cash reserves which exceeds the amount of that which would have been withheld or canceled if the maximum excess cash reserves had been accurately calculated.

(f) Refund of Cash Reserve Payments.—The Secretary shall, within 30 days after the date of enactment of the Higher Education Amendments of 1992, pay the full amount of payments withheld or canceled under paragraph (3) of this subsection to any guaranty agency which—

(1) was required to eliminate excess cash reserves, based on the maximum cash reserve (as described in subsection (e) of this section as in effect on September 1, 1988) permitted at the end of 1986;

(2) appealed the Secretary’s demand that such agency should eliminate such excess cash reserves and received a waiver of a portion of the amount of such excess cash reserves to be eliminated;

(3) had payments under section 428(c)(1) or section 428(f) previously withheld or canceled in order to be applied to satisfy such agency’s obligation to eliminate excess cash reserves held by such agency, based on the maximum cash reserve (as described in subsection (e) of this section as in effect on September 1, 1988) permitted at the end of 1986; and

(4) according to a Department of Education review that was completed and forwarded to such guaranty agency prior to January 1, 1992, is expected to become insolvent during or before 1996 and the payments withheld or canceled under para-
graph (3) of this subsection are a factor in such agency’s impending insolvency.

(g) Preservation and Recovery of Guaranty Agency Reserves.—

(1) Authority to Recover Funds.—Notwithstanding any other provision of law, the reserve funds of the guaranty agencies, and any assets purchased with such reserve funds, regardless of who holds or controls the reserves or assets, shall be considered to be the property of the United States to be used in the operation of the program authorized by this part. However, the Secretary may not require the return of all reserve funds of a guaranty agency to the Secretary unless the Secretary determines that such return is in the best interest of the operation of the program authorized by this part, or to ensure the proper maintenance of such agency’s funds or assets or the orderly termination of the guaranty agency’s operations and the liquidation of its assets. The reserves shall be maintained by each guaranty agency to pay program expenses and contingent liabilities, as authorized by the Secretary, except that—

(A) the Secretary may direct a guaranty agency to return to the Secretary a portion of its reserve fund which the Secretary determines is unnecessary to pay the program expenses and contingent liabilities of the guaranty agency;
(B) the Secretary may direct the guaranty agency to require the return, to the guaranty agency or to the Secretary, of any reserve funds or assets held by, or under the control of, any other entity, which the Secretary determines are necessary to pay the program expenses and contingent liabilities of the guaranty agency, or which are required for the orderly termination of the guaranty agency’s operations and the liquidation of its assets;
(C) the Secretary may direct a guaranty agency, or such agency’s officers or directors, to cease any activities involving expenditure, use or transfer of the guaranty agency’s reserve funds or assets which the Secretary determines is a misapplication, misuse, or improper expenditure of such funds or assets; and
(D) any such determination under subparagraph (A) or (B) shall be based on standards prescribed by regulations that are developed through negotiated rulemaking and that include procedures for administrative due process.

(2) Termination Provisions in Contracts.—(A) To ensure that the funds and assets of the guaranty agency are preserved, any contract with respect to the administration of a guaranty agency’s reserve funds, or the administration of any assets purchased or acquired with the reserve funds of the guaranty agency, that is entered into or extended by the guaranty agency, or any other party on behalf of or with the concurrence of the guaranty agency, after the date of enactment of this subsection shall provide that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that such contract includes an im-
permissible transfer of the reserve funds or assets, or is otherwise inconsistent with the terms or purposes of this section.

(B) The Secretary may direct a guaranty agency to suspend or cease activities under any contract entered into by or on behalf of such agency after January 1, 1993, if the Secretary determines that the misuse or improper expenditure of such guaranty agency’s funds or assets or such contract provides unnecessary or improper benefits to such agency’s officers or directors.

(3) Penalties.—Violation of any direction issued by the Secretary under this subsection may be subject to the penalties described in section 490 of this Act.

(4) Availability of Funds.—Any funds that are returned or otherwise recovered by the Secretary pursuant to this subsection shall be available for expenditure for expenses pursuant to section 458 of this Act.

(h) Recall of Reserves; Limitations on Use of Reserve Funds and Assets.—

(1) In General.—Notwithstanding any other provision of law, the Secretary shall, except as otherwise provided in this subsection, recall $1,000,000,000 from the reserve funds held by guaranty agencies on September 1, 2002.

(2) Deposit.—Funds recalled by the Secretary under this subsection shall be deposited in the Treasury.

(3) Required Share.—The Secretary shall require each guaranty agency to return reserve funds under paragraph (1) based on the agency’s required share of recalled reserve funds held by guaranty agencies as of September 30, 1996. For purposes of this paragraph, a guaranty agency’s required share of recalled reserve funds shall be determined as follows:

(A) The Secretary shall compute each guaranty agency’s reserve ratio by dividing (i) the amount held in the agency’s reserve funds as of September 30, 1996 (but reflecting later accounting or auditing adjustments approved by the Secretary), by (ii) the original principal amount of all loans for which the agency has an outstanding insurance obligation as of such date, including amounts of outstanding loans transferred to the agency from another guaranty agency.

(B) If the reserve ratio of any guaranty agency as computed under subparagraph (A) exceeds 2.0 percent, the agency’s required share shall include so much of the amounts held in the agency’s reserve funds as exceed a reserve ratio of 2.0 percent.

(C) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraph (B)), such additional amount shall be obtained by imposing on each guaranty agency an equal percentage reduction in the amount of the agency’s reserve funds remaining after deduction of the amount recalled under subparagraph (B), except that such percentage reduction under this subparagraph shall not result in the agency’s reserve ratio being
reduced below 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

(i) the additional amount required to be recalled (after deducting the total of the required shares calculated under subparagraph (B)), by

(ii) the total amount of all such agencies’ reserve funds remaining (after deduction of the required shares calculated under such subparagraph).

(D) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraphs (B) and (C)), such additional amount shall be obtained by imposing on each guaranty agency with a reserve ratio (after deducting the required shares calculated under such subparagraphs) in excess of 0.58 percent an equal percentage reduction in the amount of the agency’s reserve funds remaining (after such deduction) that exceed a reserve ratio of 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

(i) the additional amount to be recalled under paragraph (1) (after deducting the amount recalled under subparagraphs (B) and (C)), by

(ii) the total amount of all such agencies’ reserve funds remaining (after deduction of the required shares calculated under such subparagraphs) that exceed a reserve ratio of 0.58 percent.

(4) RESTRICTED ACCOUNTS REQUIRED.—

(A) IN GENERAL.—Within 90 days after the beginning of each of the fiscal years 1998 through 2002, each guaranty agency shall transfer a portion of the agency’s required share determined under paragraph (3) to a restricted account established by the agency that is of a type selected by the agency with the approval of the Secretary. Funds transferred to such restricted accounts shall be invested in obligations issued or guaranteed by the United States or in other similarly low-risk securities.

(B) REQUIREMENT.—A guaranty agency shall not use the funds in such a restricted account for any purpose without the express written permission of the Secretary, except that a guaranty agency may use the earnings from such restricted account for default reduction activities.

(C) INSTALLMENTS.—In each of fiscal years 1998 through 2002, each guaranty agency shall transfer the agency’s required share to such restricted account in 5 equal annual installments, except that—

(i) a guaranty agency that has a reserve ratio (as computed under subparagraph (3)(A)) equal to or less than 1.10 percent may transfer the agency’s required share to such account in 4 equal installments beginning in fiscal year 1999; and

(ii) a guaranty agency may transfer such required share to such account in accordance with such other payment schedules as are approved by the Secretary.
(5) Shortage.—If, on September 1, 2002, the total amount in the restricted accounts described in paragraph (4) is less than the amount the Secretary is required to recall under paragraph (1), the Secretary shall require the return of the amount of the shortage from other reserve funds held by guaranty agencies under procedures established by the Secretary. The Secretary shall first attempt to obtain the amount of such shortage from each guaranty agency that failed to transfer the agency’s required share to the agency’s restricted account in accordance with paragraph (4).

(6) Enforcement.—

(A) In general.—The Secretary may take such reasonable measures, and require such information, as may be necessary to ensure that guaranty agencies comply with the requirements of this subsection.

(B) Prohibition.—If the Secretary determines that a guaranty agency has failed to transfer to a restricted account any portion of the agency’s required share under this subsection, the agency may not receive any other funds under this part until the Secretary determines that the agency has so transferred the agency’s required share.

(C) Waiver.—The Secretary may waive the requirements of subparagraph (B) for a guaranty agency described in such subparagraph if the Secretary determines that there are extenuating circumstances beyond the control of the agency that justify such waiver.

(7) Limitation.—

(A) Restriction on other authority.—The Secretary shall not have any authority to direct a guaranty agency to return reserve funds under subsection (g)(1)(A) during the period from the date of enactment of the Balanced Budget Act of 1997 through September 30, 2002.

(B) Use of termination collections.—Any reserve funds directed by the Secretary to be returned to the Secretary under subsection (g)(1)(B) during such period that do not exceed a guaranty agency’s required share of recalled reserve funds under paragraph (3)—

(i) shall be used to satisfy the agency’s required share of recalled reserve funds; and

(ii) shall be deposited in the restricted account established by the agency under paragraph (4), without regard to whether such funds exceed the next installment required under such paragraph.

(C) Use of sanctions collections.—Any reserve funds directed by the Secretary to be returned to the Secretary under subsection (g)(1)(C) during such period that do not exceed a guaranty agency’s next installment under paragraph (4)—

(i) shall be used to satisfy the agency’s next installment; and

(ii) shall be deposited in the restricted account established by the agency under paragraph (4).

(D) Balance available to Secretary.—Any reserve funds directed by the Secretary to be returned to the Sec-
retary under subparagraph (B) or (C) of subsection (g)(1) that remain after satisfaction of the requirements of sub-
paragraphs (B) and (C) of this paragraph shall be depos-
ited in the Treasury.

(8) DEFINITIONS.—For the purposes of this subsection:

(A) DEFAULT REDUCTION ACTIVITIES.—The term “de-
fault reduction activities” means activities to reduce stu-
dent loan defaults that improve, strengthen, and expand default prevention activities, such as—

(i) establishing a program of partial loan cancella-
tion to reward disadvantaged borrowers for good re-
payment histories with their lenders;

(ii) establishing a financial and debt management
counseling program for high-risk borrowers that pro-
vides long-term training (beginning prior to the first
disbursement of the borrower’s first student loan and
continuing through the completion of the borrower’s
program of education or training) in budgeting and
other aspects of financial management, including debt
management;

(iii) establishing a program of placement coun-
seling to assist high-risk borrowers in identifying em-
ployment or additional training opportunities; and

(iv) developing public service announcements that
would detail consequences of student loan default and
provide information regarding a toll-free telephone
number established by the guaranty agency for use by
borrowers seeking assistance in avoiding default.

(B) RESERVE FUNDS.—The term “reserve funds” when
used with respect to a guaranty agency—

(i) includes any reserve funds in cash or liquid as-
sets held by the guaranty agency, or held by, or under
the control of, any other entity; and

(ii) does not include buildings, equipment, or other
nonliquid assets.

(i) ADDITIONAL RECALL OF RESERVES.—

(1) IN GENERAL.—Notwithstanding any other provision of
law and subject to paragraph (4), the Secretary shall recall,
from reserve funds held in the Federal Student Loan Reserve
Funds established under section 422A by guaranty agencies—

(A) $85,000,000 in fiscal year 2002;

(B) $82,500,000 in fiscal year 2006; and

(C) $82,500,000 in fiscal year 2007.

(2) DEPOSIT.—Funds recalled by the Secretary under this
subsection shall be deposited in the Treasury.

(3) REQUIRED SHARE.—The Secretary shall require each
guaranty agency to return reserve funds under paragraph (1)
on the basis of the agency’s required share. For purposes of
this paragraph, a guaranty agency’s required share shall be de-
termined as follows:

(A) EQUAL PERCENTAGE.—The Secretary shall require
each guaranty agency to return an amount representing
an equal percentage reduction in the amount of reserve
funds held by the agency on September 30, 1996.
(B) **Calculation.**—The equal percentage reduction shall be the percentage obtained by dividing—
   (i) $250,000,000, by
   (ii) the total amount of all guaranty agencies' reserve funds held on September 30, 1996, less any amounts subject to recall under subsection (h).

(C) **Special Rule.**—Notwithstanding subparagraphs (A) and (B), the percentage reduction under subparagraph (B) shall not result in the depletion of the reserve funds of any agency which charges the 1.0 percent insurance premium pursuant to section 428(b)(1)(H) below an amount equal to the amount of lender claim payments paid during the 90 days prior to the date of the return under this subsection. If any additional amount is required to be returned after deducting the total of the required shares under subparagraph (B) and as a result of the preceding sentence, such additional amount shall be obtained by imposing on each guaranty agency to which the preceding sentence does not apply, an equal percentage reduction in the amount of the agency's remaining reserve funds.

(4) **Offset of Required Shares.**—If any guaranty agency returns to the Secretary any reserve funds in excess of the amount required under this subsection or subsection (h), the total amount required to be returned under paragraph (1) shall be reduced by the amount of such excess reserve funds returned.

(5) **Definition of Reserve Funds.**—The term “reserve funds” when used with respect to a guaranty agency—
   (A) includes any reserve funds in cash or liquid assets held by the guaranty agency, or held by, or under the control of, any other entity; and
   (B) does not include buildings, equipment, or other nonliquid assets.

(a) **Establishment.**—Each guaranty agency shall, not later than 60 days after the date of enactment of this section, deposit all funds, securities, and other liquid assets contained in the reserve fund established pursuant to section 422 into a Federal Student Loan Reserve Fund (in this section and section 422B referred to as the “Federal Fund”), which shall be an account of a type selected by the agency, with the approval of the Secretary.

(b) **Investment of Funds.**—Funds transferred to the Federal Fund shall be invested in obligations issued or guaranteed by the United States or a State, or in other similarly low-risk securities selected by the guaranty agency, with the approval of the Secretary. Earnings from the Federal Fund shall be the sole property of the Federal Government.

(c) **Additional Deposits.**—After the establishment of the Federal Fund, a guaranty agency shall deposit into the Federal Fund—
   (1) all amounts received from the Secretary as payment of reinsurance on loans pursuant to section 428(c)(1);
Sec. 422A  HIGHER EDUCATION ACT OF 1965

(2) from amounts collected on behalf of the obligation of a defaulted borrower, a percentage amount equal to the complement of the reinsurance percentage in effect when payment under the guaranty agreement was made—

(A) with respect to the defaulted loan pursuant to sections 428(c)(6)(A) and 428F(a)(1)(B); and

(B) with respect to a loan that the Secretary has repaid or discharged under section 437;

(3) insurance premiums collected from borrowers pursuant to sections 428(b)(1)(H) and 428H(h);

(4) all amounts received from the Secretary as payment for supplemental preclaims activity performed prior to the date of enactment of this section;

(5) 70 percent of amounts received after such date of enactment from the Secretary as payment for administrative cost allowances for loans upon which insurance was issued prior to such date of enactment; and

(6) other receipts as specified in regulations of the Secretary.

(d) USES OF FUNDS.—Subject to subsection (f), the Federal Fund may only be used by a guaranty agency—

(1) to pay lender claims pursuant to sections 428(b)(1)(G), 428(j), and 437; and

(2) to pay into the Agency Operating Fund established pursuant to section 422B (in this section and section 422B referred to as the “Operating Fund”) a default aversion fee in accordance with section 428(l).

(e) OWNERSHIP OF FEDERAL FUND.—The Federal Fund, and any nonliquid asset (such as a building or equipment) developed or purchased by the guaranty agency in whole or in part with Federal reserve funds, regardless of who holds or controls the Federal reserve funds or such asset, shall be considered to be the property of the United States, prorated based on the percentage of such asset developed or purchased with Federal reserve funds, which property shall be used in the operation of the program authorized by this part, as provided in subsection (d). The Secretary may restrict or regulate the use of such asset only to the extent necessary to reasonably protect the Secretary's prorated share of the value of such asset. The Secretary may direct a guaranty agency, or such agency's officers or directors, to cease any activity involving expenditures, use, or transfer of the Federal Fund administered by the guaranty agency that the Secretary determines is a misapplication, misuse, or improper expenditure of the Federal Fund or the Secretary's share of such asset.

(f) TRANSITION.—

(1) IN GENERAL.—In order to establish the Operating Fund, each guaranty agency may transfer not more than 180 days' cash expenses for normal operating expenses (not including claim payments) as a working capital reserve as defined in Office of Management and Budget Circular A–87 (Cost Accounting Standards) from the Federal Fund for deposit into the Operating Fund for use in the performance of the guaranty agency's duties under this part. Such transfers may occur during the first 3 years following the establishment of the Operating
Fund. However, no agency may transfer in excess of 45 percent of the balance, as of September 30, 1998, of the agency's Federal Fund to the agency's Operating Fund during such 3-year period. In determining the amount that may be transferred, the agency shall ensure that sufficient funds remain in the Federal Fund to pay lender claims within the required time periods and to meet the reserve recall requirements of this section and subsections (h) and (i) of section 422.

(2) SPECIAL RULE.—A limited number of guaranty agencies may transfer interest earned on the Federal Fund to the Operating Fund during the first 3 years after the date of enactment of this section if the guaranty agency demonstrates to the Secretary that—
   (A) the cash flow in the Operating Fund will be negative without the transfer of such interest; and
   (B) the transfer of such interest will substantially improve the financial circumstances of the guaranty agency.

(3) REPAYMENT PROVISIONS.—Each guaranty agency shall begin repayment of sums transferred pursuant to this subsection not later than the start of the fourth year after the establishment of the Operating Fund, and shall repay all amounts transferred not later than 5 years from the date of the establishment of the Operating Fund. With respect to amounts transferred from the Federal Fund, the guaranty agency shall not be required to repay any interest on the funds transferred and subsequently repaid. The guaranty agency shall provide to the Secretary a reasonable schedule for repayment of the sums transferred and an annual financial analysis demonstrating the agency's ability to comply with the schedule and repay all outstanding sums transferred.

(4) PROHIBITION.—If a guaranty agency transfers funds from the Federal Fund in accordance with this section, and fails to make scheduled repayments to the Federal Fund, the agency may not receive any other funds under this part until the Secretary determines that the agency has made such repayments. The Secretary shall pay to the guaranty agency any funds withheld in accordance with this paragraph immediately upon making the determination that the guaranty agency has made all such repayments.

(5) WAIVER.—The Secretary may—
   (A) waive the requirements of paragraph (3), but only with respect to repayment of interest that was transferred in accordance with paragraph (2); and
   (B) waive paragraph (4); for a guaranty agency, if the Secretary determines that there are extenuating circumstances (such as State constitutional prohibitions) beyond the control of the agency that justify such a waiver.

(6) EXTENSION OF REPAYMENT PERIOD FOR INTEREST.—
   (A) EXTENSION PERMITTED.—The Secretary shall extend the period for repayment of interest that was transferred in accordance with paragraph (2) from 2 years to 5 years if the Secretary determines that—
(i) the cash flow of the Operating Fund will be negative as a result of repayment as required by paragraph (3);
(ii) the repayment of the interest transferred will substantially diminish the financial circumstances of the guaranty agency; and
(iii) the guaranty agency has demonstrated—
   (I) that the agency is able to repay all transferred funds by the end of the 8th year following the date of establishment of the Operating Fund; and
   (II) that the agency will be financially sound on the completion of repayment.

(B) REPAYMENT OF INCOME ON TRANSFERRED FUNDS. All repayments made to the Federal Fund during the 6th, 7th, and 8th years following the establishment of the Operating Fund of interest that was transferred shall include the sums transferred plus any income earned from the investment of the sums transferred after the 5th year.

(7) INVESTMENT OF FEDERAL FUNDS. Funds transferred from the Federal Fund to the Operating Fund for operating expenses shall be invested in obligations issued or guaranteed by the United States or a State, or in other similarly low-risk securities selected by the guaranty agency, with the approval of the Secretary.

(8) SPECIAL RULE. In calculating the minimum reserve level required by section 428(c)(9)(A), the Secretary shall include all amounts owed to the Federal Fund by the guaranty agency in the calculation.

SEC. 422B. [20 U.S.C. 1072b] AGENCY OPERATING FUND.

(a) ESTABLISHMENT. Each guaranty agency shall, not later than 60 days after the date of enactment of this section, establish a fund designated as the Operating Fund.

(b) INVESTMENT OF FUNDS. Funds deposited into the Operating Fund shall be invested at the discretion of the guaranty agency in accordance with prudent investor standards.

(c) ADDITIONAL DEPOSITS. After the establishment of the Operating Fund, the guaranty agency shall deposit into the Operating Fund—

   (1) the loan processing and issuance fee paid by the Secretary pursuant to section 428(f);
   (2) 30 percent of amounts received after the date of enactment of this section from the Secretary as payment for administrative cost allowances for loans upon which insurance was issued prior to such date of enactment;

   (4) the default aversion fee paid in accordance with section 428(l);

deposited in the Federal Fund pursuant to section 422A(c)(2); and
(6) other receipts as specified in regulations of the Secretary.

(d) USES OF FUNDS.—

(1) IN GENERAL.—Funds in the Operating Fund shall be used for application processing, loan disbursement, enrollment and repayment status management, default aversion activities (including those described in section 422(b)(8)), default collection activities, school and lender training, financial aid awareness and related outreach activities, compliance monitoring, and other student financial aid related activities, as selected by the guaranty agency.

(2) SPECIAL RULE.—The guaranty agency may, in the agency’s discretion, transfer funds from the Operating Fund to the Federal Fund for use pursuant to section 422A. Such transfer shall be irrevocable, and any funds so transferred shall become the sole property of the United States.

(3) DEFINITIONS.—For purposes of this subsection:

(A) DEFAULT COLLECTION ACTIVITIES.—The term “default collection activities” means activities of a guaranty agency that are directly related to the collection of the loan on which a default claim has been paid to the participating lender, including the due diligence activities required pursuant to regulations of the Secretary.

(C) ENROLLMENT AND REPAYMENT STATUS MANAGEMENT.—The term “enrollment and repayment status management” means activities of a guaranty agency that are directly related to ascertaining the student’s enrollment status, including prompt notification to the lender of such status, an audit of the note or written agreement to determine if the provisions of that note or agreement are consistent with the records of the guaranty agency as to the principal amount of the loan guaranteed, and an examination of the note or agreement to assure that the repayment provisions are consistent with the provisions of this part.

(e) OWNERSHIP AND REGULATION OF OPERATING FUND.—

(1) OWNERSHIP.—The Operating Fund, with the exception of funds transferred from the Federal Fund in accordance with section 422A(f), shall be considered to be the property of the guaranty agency.

(2) REGULATION.—Except as provided in paragraph (3), the Secretary may not regulate the uses or expenditure of moneys in the Operating Fund, but the Secretary may require such necessary reports and audits as provided in section 428(b)(2).

(3) EXCEPTION.—Notwithstanding paragraphs (1) and (2), during any period in which funds are owed to the Federal Fund as a result of transfer under section 422A(f)—
(A) moneys in the Operating Fund may only be used for expenses related to the student loan programs authorized under this part; and
(B) the Secretary may regulate the uses or expenditure of moneys in the Operating Fund.

(a) FEDERAL INSURANCE BARRED TO LENDERS WITH ACCESS TO STATE OR PRIVATE INSURANCE.—Except as provided in subsection (b), the Secretary shall not issue certificates of insurance under section 429 to lenders in a State if the Secretary determines that every eligible institution has reasonable access in that State to a State or private nonprofit student loan insurance program which is covered by an agreement under section 428(b).

(b) EXCEPTIONS.—The Secretary may issue certificates of insurance under section 429 to a lender in a State—

(1) for insurance of a loan made to a student borrower who does not, by reason of the borrower’s residence, have access to loan insurance under the loan insurance program of such State (or under any private nonprofit loan insurance program which has received an advance under section 422 for the benefit of students in such State);

(2) for insurance of all the loans made to student borrowers by a lender who satisfies the Secretary that, by reason of the residence of such borrowers, such lender will not have access to any single State or nonprofit private loan insurance program which will insure substantially all of the loans such lender intends to make to such student borrowers; or

(3) under such circumstances as may be approved by the guaranty agency in such State, for the insurance of a loan to a borrower for whom such lender previously was issued such a certificate if the loan covered by such certificate is not yet repaid.

(a) LIMITATIONS ON AMOUNTS OF LOANS COVERED BY FEDERAL INSURANCE.—The total principal amount of new loans made and installments paid pursuant to lines of credit (as defined in section 435) to students covered by Federal loan insurance under this part shall not exceed $2,000,000,000 for the period from July 1, 1976, to September 30, 1976, for each of the succeeding fiscal years ending prior to October 1, 2009, and for the period from October 1, 2009, to June 30, 2010, for loans first disbursed on or before June 30, 2010.

(b) APPORTIONMENT OF AMOUNTS.—The Secretary may, if he or she finds it necessary to do so in order to assure an equitable distribution of the benefits of this part, assign, within the maximum amounts specified in subsection (a), Federal loan insurance quotas applicable to eligible lenders, or to States or areas, and may from time to time reassign unused portions of these quotas.

(II) if such student is enrolled in a program of undergraduate education which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as the length of such program measured in semester, trimester, quarter, or clock hours bears to one academic year;

(ii) in the case of a student at an eligible institution who has successfully completed such first year but has not successfully completed the remainder of a program of undergraduate education—

(I) $4,500; or

(II) if such student is enrolled in a program of undergraduate education, the remainder of which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as such remainder measured in semester, trimester, quarter, or clock hours bears to one academic year;

(B) The annual insurable limits contained in subparagraph (A) shall not apply in cases where the Secretary determines, pursuant to regulations, that a higher amount is warranted in order to carry out the purpose of this part with respect to students engaged in specialized training requiring exceptionally high costs of education. The annual insurable limit per student shall not be deemed to be exceeded by a line of credit under December 20, 2019

As Amended Through P.L. 116-91, Enacted December 19, 2019
which actual payments by the lender to the borrower will not be made in any year in excess of the annual limit.

(C) For the purpose of subparagraph (A), the number of years that a student has completed in a program of undergraduate education shall include any prior enrollment in an eligible program of undergraduate education for which the student was awarded an associate or baccalaureate degree, if such degree is required by the institution for admission to the program in which the student is enrolled.

(b) LEVEL OF INSURANCE COVERAGE BASED ON DEFAULT RATE.—

(1) REDUCTION FOR DEFAULTS IN EXCESS OF 5 OR 9 PERCENT.—(A) Except as provided in subparagraph (B), the insurance liability on any loan insured by the Secretary under this part shall be 100 percent of the unpaid balance of the principal amount of the loan plus interest, except that—

(i) if, for any fiscal year, the total amount of payments under section 430 by the Secretary to any eligible lender as described in section 435(d)(1)(D) exceeds 5 percent of the sum of the loans made by such lender which are insured by the Secretary and which were in repayment at the end of the preceding fiscal year, the insurance liability under this subsection for that portion of such excess which represents loans insured after the applicable date with respect to such loans, as determined under subparagraph (C), shall be equal to 90 percent of the amount of such portion; or

(iii) that the lender and the student, after the student ceases to carry at an eligible institution at least one-half the normal full-time academic workload as determined by the institution, may agree to a repayment schedule which begins earlier, or is of shorter duration, than required by this subparagraph, but in the event a borrower has requested and obtained a repayment period of less than 5 years, the borrower may at any time prior to the total repayment of the loan, have the repayment period extended so that the total repayment period is not less than 5 years;

and provides that any such period shall not be included in determining the 10-year period described in subparagraph (B);

(D) provides for interest on the unpaid principal balance of the loan at a yearly rate, not exceeding the applicable maximum rate prescribed in section 427A, which interest shall be payable in installments over the period of the loan except that, if provided in the note or other written agreement, any interest payable by the student may be deferred until not later than the date upon which repayment of the first installment of principal falls due, in which case interest accrued during that period may be added on that date to the principal;

(i) Treatment of Excess Interest Payments on New Bor-
rower Accounts Resulting From Decline in Treasury Bill
Rates.—
(1) Excess Interest on 10 Percent Loans.—If, with re-
spect to a loan for which the applicable interest rate is 10 per-
cent under subsection (d) of this section at the close of any cal-
endar quarter, the sum of the average of the bond equivalent
rates of 91-day Treasury bills auctioned for that quarter and
3.25 percent is less than 10 percent, then an adjustment shall be made to a borrower’s account—
   (A) by calculating excess interest in the amount computed under paragraph (2) of this subsection; and
   (B)(i) during any period in which a student is eligible to have interest payments paid on his or her behalf by the Government pursuant to section 428(a), by crediting the excess interest to the Government; or
   (ii) during any other period, by crediting such excess interest to the reduction of principal to the extent provided in paragraph (5) of this subsection.

(2) AMOUNT OF ADJUSTMENT FOR 10 PERCENT LOANS.—The amount of any adjustment of interest on a loan to be made under this subsection for any quarter shall be equal to—
   (A) 10 percent minus the sum of (i) the average of the bond equivalent rates of 91-day Treasury bills auctioned for such calendar quarter, and (ii) 3.25 percent; multiplied by
   (B) the average daily principal balance of the loan (not including unearned interest added to principal) during such calendar quarter; divided by
   (C) four.

(3) EXCESS INTEREST ON LOANS AFTER 1992 AMENDMENTS, TO BORROWERS WITH OUTSTANDING BALANCES.—If, with respect to a loan made on or after the date of enactment of the Higher Education Amendments of 1992 to a borrower, who on the date of entering into the note or other written evidence of the loan, has an outstanding balance of principal or interest on any other loan made, insured, or guaranteed under this part, the sum of the average of the bond equivalent rates of 91-day Treasury bills auctioned for that quarter and 3.1 percent is less than the applicable interest rate, then an adjustment shall be made—
   (A) by calculating excess interest in the amount computed under paragraph (4) of this subsection; and
   (B)(i) during any period in which a student is eligible to have interest payments paid on his or her behalf by the Government pursuant to section 428(a), by crediting the excess interest to the Government; or
   (ii) during any other period, by crediting such excess interest to the reduction of principal to the extent provided in paragraph (5) of this subsection.

(4) AMOUNT OF ADJUSTMENT.—The amount of any adjustment of interest on a loan to be made under this subsection for any quarter shall be equal to—
   (A) the applicable interest rate minus the sum of (i) the average of the bond equivalent rates of 91-day Treasury bills auctioned for such calendar quarter, and (ii) 3.1 percent; multiplied by
   (B) the average daily principal balance of the loan (not including unearned interest added to principal) during such calendar quarter; divided by
   (C) four.
(5) ANNUAL ADJUSTMENT OF INTEREST AND BORROWER ELIGIBILITY FOR CREDIT.—Any adjustment amount computed pursuant to paragraphs (2) and (4) of this subsection for any quarter shall be credited, by the holder of the loan on the last day of the calendar year in which such quarter falls, to the loan account of the borrower so as to reduce the principal balance of such account. No such credit shall be made to the loan account of a borrower who on the last day of the calendar year is delinquent for more than 30 days in making a required payment on the loan, but the excess interest shall be calculated and credited to the Secretary. Any credit which is to be made to a borrower’s account pursuant to this subsection shall be made effective commencing no later than 30 days following the last day of the calendar year in which the quarter falls for which the credit is being made. Nothing in this subsection shall be construed to require refunding any repayment of a loan. At the option of the lender, the amount of such adjustment may be distributed to the borrower either by reduction in the amount of the periodic payment on the loan, by reducing the number of payments that shall be made with respect to the loan, or by reducing the amount of the final payment of the loan. Nothing in this paragraph shall be construed to require the lender to make additional disclosures pursuant to section 433(b).

(6) PUBLICATION OF TREASURY BILL RATE.—For the purpose of enabling holders of loans to make the determinations and adjustments provided for in this subsection, the Secretary shall for each calendar quarter commencing with the quarter beginning on July 1, 1987, publish a notice of the average of the bond equivalent rates of 91-day Treasury bills auctioned for such quarter. Such notice shall be published not later than 7 days after the end of the quarter to which the notice relates.

(7) CONVERSION TO VARIABLE RATE.—(A) Subject to subparagraphs (C) and (D), a lender or holder shall convert the interest rate on a loan that is made pursuant to this part and is subject to the provisions of this subsection to a variable rate. Such conversion shall occur not later than January 1, 1995, and, commencing on the date of conversion, the applicable interest rate for each 12-month period beginning on July 1 and ending on June 30 shall be determined by the Secretary on the June 1 preceding each such 12-month period and be equal to the sum of (i) the bond equivalent rate of the 91-day Treasury bills auctioned at the final auction prior to such June 1; and (ii) 3.25 percent in the case of loans described in paragraph (1), or 3.10 percent in the case of loans described in paragraph (3).

(B) In connection with the conversion specified in subparagraph (A) for any period prior to such conversion, and subject to paragraphs (C) and (D), a lender or holder shall convert the interest rate to a variable rate on a loan that is made pursuant to this part and is subject to the provisions of this subsection to a variable rate. The interest rates for such period shall be reset on a quarterly basis and the applicable interest rate for any quarter or portion thereof shall equal the sum of (i) the average of the bond equivalent rates of 91-Treasury bills auctioned for the preceding 3-month period, and (ii) 3.25 percent
in the case of loans described in paragraph (1) or 3.10 percent in the case of loans described in paragraph (3). The rebate of excess interest derived through this conversion shall be provided to the borrower as specified in paragraph (5) for loans described in paragraph (1) or to the Government and borrower as specified in paragraph (3).

(C) A lender or holder of a loan being converted pursuant to this paragraph shall complete such conversion on or before January 1, 1995. The lender or holder shall notify the borrower that the loan shall be converted to a variable interest rate and provide a description of the rate to the borrower not later than 30 days prior to the conversion. The notice shall advise the borrower that such rate shall be calculated in accordance with the procedures set forth in this paragraph and shall provide the borrower with a substantially equivalent benefit as the adjustment otherwise provided for under this subsection. Such notice may be incorporated into the disclosure required under section 433(b) if such disclosure has not been previously made.

(D) The interest rate on a loan converted to a variable rate pursuant to this paragraph shall not exceed the maximum interest rate applicable to the loan prior to such conversion.

(E) Loans on which the interest rate is converted in accordance with subparagraph (A) or (B) shall not be subject to any other provisions of this subsection.

For loans made before July 1, 2012, the applicable provision of law is as follows:”

11(I) which accrues prior to the beginning of the repayment period of the loan, or"
(ii) a statute of such State limits the interest rate on
loans insured by such program to a rate which is less than
the applicable interest rate under this part, and
(iii) the Secretary determines that subsection (d) does
not make such statutory limitation inapplicable and that
such statutory limitation threatens to impede the carrying
out of the purpose of this part,
then the Secretary may pay an administrative cost allowance
to the holder of each loan which is insured under such program
and which is made during the period beginning on the 60th
day after the date of enactment of the Higher Education

ment of this Act and end at the close of June 30, 2010.

(6) ASSESSMENT OF BORROWER’S FINANCIAL CONDITION NOT
PROHIBITED OR REQUIRED.—Nothing in this or any other Act
shall be construed to prohibit or require, unless otherwise spe-
cifically provided by law, a lender to evaluate the total finan-
cial situation of a student making application for a loan under
this part, or to counsel a student with respect to any such loan,
or to make a decision based on such evaluation and counseling
with respect to the dollar amount of any such loan.

into an agreement with the Secretary for the purpose of enti-

(1) AUTHORITY TO ENTER INTO AGREEMENTS.—(A) The Secretary may enter into a guaranty agreement with any guaranty agency, whereby the Secretary shall undertake to reimburse it, under such terms and conditions as the Secretary may establish, with respect to losses (resulting from the default of the student borrower) on the unpaid balance of the principal and accrued interest of any insured loan. The guaranty agency shall, be deemed to have a contractual right against the United States, during the life of such loan, to receive reimbursement according to the provisions of this subsection. Upon receipt of an accurate and complete request by a guaranty agency for reimbursement with respect to such losses, the Secretary shall pay promptly and without administrative delay. Except as provided in subparagraph (B) of this paragraph and in paragraph (7), the amount to be paid a guaranty agency as reimbursement under this subsection shall be equal to 100 percent of the amount expended by it in discharge of its insurance obligation incurred under its loan insurance program. A guaranty agency shall file a claim for reimbursement with respect to losses under this subsection within 30 days after the guaranty agency discharges its insurance obligation on the loan.

(B) Notwithstanding subparagraph (A)—

(i) if, for any fiscal year, the amount of such reimbursement payments by the Secretary under this subsection exceeds 5 percent of the loans which are insured by such guaranty agency under such program and which were in repayment at the end of the preceding fiscal year, the amount to be paid as reimbursement under this subsection for such excess shall be equal to 85 percent of the amount of such excess; and

(C) For the purpose of this subsection, the amount of loans of a guaranty agency which are in repayment shall be the original principal amount of loans made by a lender which are insured by such a guaranty agency reduced by—

(i) the amount the insurer has been required to pay to discharge its insurance obligations under this part;

(ii) the original principal amount of loans insured by it which have been fully repaid; and

Section 311 of division H of Public 114–113 provides for an amendment to strike “95 percent” and insert “100 percent” in paragraph (1). Paragraph (1) has several references to “95 percent”. Such amendment was carried out to the first occurrence of that phrase in order to reflect the probable intent of Congress. The amendments made by section 417(c)(1) of P.L. 105–244, changing the reimbursement percentages, apply to loans for which the first disbursement is made on or after October 1, 1998.
(iii) the original principal amount insured on those loans for which payment of the first installment of principal has not become due pursuant to subsection (b)(1)(E) of this section or such first installment need not be paid pursuant to subsection (b)(1)(M) of this section.

(ii) subparagraph (B)(i) by substituting “100 percent” for “85 percent”; and  
(iii) subparagraph (B)(ii) by substituting “100 percent” for “75 percent”.

(E) Notwithstanding any other provisions of this section, in the case of an outstanding loan transferred to a guaranty agency from another guaranty agency pursuant to a plan approved by the Secretary in response to the insolvency of the latter such guaranty agency, the Secretary shall apply the provision of—

(i) the fourth sentence of subparagraph (A) by substituting “100 percent” for “95 percent”;  
(ii) subparagraph (B)(i) by substituting “90 percent” for “85 percent”; and  
(iii) subparagraph (B)(ii) by substituting “80 percent” for “75 percent”.

(F) Notwithstanding any other provisions of this section, in the case of exempt claims, the Secretary shall apply the provisions of—

(I) the fourth sentence of subparagraph (A) by substituting “100 percent” for “95 percent”;  
(II) subparagraph (B)(i) by substituting “100 percent” for “85 percent”; and  
(III) subparagraph (B)(ii) by substituting “100 percent” for “75 percent”.

(ii) For purposes of clause (i) of this subparagraph, the term “exempt claims” means claims with respect to loans for which it is determined that the borrower (or the student on whose behalf a parent has borrowed), without the lender’s or the institution’s knowledge at the time the loan was made, provided false or erroneous information or took actions that caused the borrower or the student to be ineligible for all or a portion of the loan or for interest benefits thereon.

(G) Notwithstanding any other provision of this section, the Secretary shall exclude a loan made pursuant to a lender-of-last-resort program when making reimbursement payment calculations under subparagraphs (B) and (C).

(B) shall provide for making such reports, in such form and containing such information, as the Secretary may reasonably require to carry out the Secretary's functions under this subsection, and for keeping such records and for affording such access thereto as the Secretary may find necessary to assure the correctness and verification of such reports;

(C) shall set forth adequate assurances that, with respect to so much of any loan insured under the loan insurance program as may be guaranteed by the Secretary pursuant to this subsection, the undertaking of the Secretary under the guaranty agreement is acceptable in full satisfaction of State law or regulation requiring the maintenance of a reserve;

(D) shall provide that if, after the Secretary has made payment under the guaranty agreement pursuant to paragraph (1) of this subsection with respect to any loan, any payments are made in discharge of the obligation incurred by the borrower with respect to such loan (including any payments of interest accruing on such loan after such payment by the Secretary), there shall be paid over to the Secretary (for deposit in the fund established by section 431) such proportion of the amounts of such payments as is determined (in accordance with paragraph (6)(A)) to represent his equitable share thereof, but (i) shall provide for subrogation of the United States to the rights of any insurance beneficiary only to the extent required for the purpose of paragraph (8); and (ii) except as the Secretary may otherwise by or pursuant to regulation provide, amounts so paid by a borrower on such a loan shall be first applied in reduction of principal owing on such loan;

(E) shall set forth adequate assurance that an amount equal to each payment made under paragraph (1) will be promptly deposited in or credited to the accounts maintained for the purpose of section 422(c);

(F) set forth adequate assurances that the guaranty agency will not engage in any pattern or practice which results in a denial of a borrower’s access to loans under this part because of the borrower’s race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular eligible institution within the area served by the guaranty agency, length of the borrower’s edu-

(3) FORBEARANCE.—A guaranty agreement under this subsection—

(A) shall contain provisions providing that—

(i) upon request, a lender shall grant a borrower forbearance, renewable at 12-month intervals, on terms agreed to by the parties to the loan with the approval of the insurer and documented in accordance with paragraph (10), and otherwise consistent with the regulations of the Secretary, if the borrower—

(I) is serving in a medical or dental internship or residency program, the successful completion of which is required to begin professional practice or service, or is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training, provided that if the borrower qualifies for a deferment under section 427(a)(2)(C)(vii) or subsection (b)(1)(M)(vii) of this section as in effect prior to the enactment of the Higher Education Amendments of 1992, or section 427(a)(2)(C) or subsection (b)(1)(M) of this section as amended by such amendments, the borrower...
has exhausted his or her eligibility for such deferment;

(II) has a debt burden under this title that equals or exceeds 20 percent of income;

(III) is serving in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993; or

(IV) is eligible for interest payments to be made on such loan for service in the Armed Forces under section 2174 of title 10, United States Code, and, pursuant to that eligibility, the interest is being paid on such loan under subsection (o);

(ii) the length of the forbearance granted by the lender—

(I) under clause (i)(I) shall equal the length of time remaining in the borrower's medical or dental internship or residency program, if the borrower is not eligible to receive a deferment described in such clause, or such length of time remaining in the program after the borrower has exhausted the borrower's eligibility for such deferment;

(II) under clause (i)(II) or (IV) shall not exceed 3 years; or

(III) under clause (i)(III) shall not exceed the period for which the borrower is serving in a position described in such clause; and

(iii) no administrative or other fee may be charged in connection with the granting of a forbearance under clause (i), and no adverse information regarding a borrower may be reported to a consumer reporting agency solely because of the granting of such forbearance;

(B) may, to the extent provided in regulations of the Secretary, contain provisions that permit such forbearance for the benefit of the student borrower as may be agreed upon by the parties to an insured loan and approved by the insurer;

(C) shall contain provisions that specify that—

(i) the form of forbearance granted by the lender pursuant to this paragraph, other than subparagraph (A)(i)(IV), shall be temporary cessation of payments, unless the borrower selects forbearance in the form of an extension of time for making payments, or smaller payments than were previously scheduled;

(ii) the form of forbearance granted by the lender pursuant to subparagraph (A)(i)(IV) shall be the temporary cessation of all payments on the loan other than payments of interest on the loan that are made under subsection (o);

(iii) the lender shall, at the time of granting a borrower forbearance, provide information to the borrower to assist the borrower in understanding the impact of capitalization of interest on the borrower's loan

principal and total amount of interest to be paid during the life of the loan; and

(iv) the lender shall contact the borrower not less often than once every 180 days during the period of forbearance to inform the borrower of—

(I) the amount of unpaid principal and the amount of interest that has accrued since the last statement of such amounts provided to the borrower by the lender;

(II) the fact that interest will accrue on the loan for the period of forbearance;

(III) the amount of interest that will be capitalized, and the date on which capitalization will occur;

(IV) the option of the borrower to pay the interest that has accrued before the interest is capitalized; and

(V) the borrower’s option to discontinue the forbearance at any time; and

(D) shall contain provisions that specify that—

(i) forbearance for a period not to exceed 60 days may be granted if the lender reasonably determines that such a suspension of collection activity is warranted following a borrower’s request for deferment, forbearance, a change in repayment plan, or a request to consolidate loans, in order to collect or process appropriate supporting documentation related to the request, and

(ii) during such period interest shall accrue but not be capitalized.

Guaranty agencies shall not be precluded from permitting the parties to such a loan from entering into a forbearance agreement solely because the loan is in default. The Secretary shall permit lenders to exercise administrative forbearances that do not require the agreement of the borrower, under conditions authorized by the Secretary. Such forbearances shall include (i) forbearances for borrowers who are delinquent at the time of the granting of an authorized period of deferment under section 428(b)(1)(M) or 427(a)(2)(C), and (ii) if the borrower is less than 60 days delinquent on such loans at the time of sale or transfer, forbearances for borrowers on loans which are sold or transferred.

(4) DEFINITIONS.—For the purpose of this subsection, the terms “insurance beneficiary” and “default” have the meanings assigned to them by section 435.

(5) APPLICABILITY TO EXISTING LOANS.—In the case of any guaranty agreement with a guaranty agency, the Secretary may, in accordance with the terms of this subsection, undertake to guarantee loans described in paragraph (1) which are insured by such guaranty agency and are outstanding on the date of execution of the guaranty agreement, but only with respect to defaults occurring after the execution of such guaranty agreement or, if later, after its effective date.
(6) **Secretary’s equitable share.**—(A) For the purpose of paragraph (2)(D), the Secretary’s equitable share of payments made by the borrower shall be that portion of the payments remaining after the guaranty agency with which the Secretary has an agreement under this subsection has deducted from such payments—

(i) a percentage amount equal to the complement of the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

(ii) an amount equal to 24 percent of such payments for use in accordance with section 422B, except that—

(I) beginning October 1, 2003 and ending September 30, 2007, this clause shall be applied by substituting “23 percent” for “24 percent”; and

(II) beginning October 1, 2007, this clause shall be applied by substituting “16 percent” for “24 percent”.

(B) A guaranty agency shall—

(i) on or after October 1, 2006—

(I) not charge the borrower collection costs in an amount in excess of 18.5 percent of the outstanding principal and interest of a defaulted loan that is paid off through consolidation by the borrower under this title; and

(II) remit to the Secretary a portion of the collection charge under subclause (I) equal to 8.5 percent of the outstanding principal and interest of such defaulted loan; and

(ii) on and after October 1, 2009, remit to the Secretary the entire amount charged under clause (i)(I) with respect to each defaulted loan that is paid off with excess consolidation proceeds.

(C) For purposes of subparagraph (B), the term “excess consolidation proceeds” means, with respect to any guaranty agency for any Federal fiscal year beginning on or after October 1, 2009, the proceeds of consolidation of defaulted loans under this title that exceed 45 percent of the agency’s total collections on defaulted loans in such Federal fiscal year.

(7) **New programs eligible for 100 percent reinsurance.**—(A) Notwithstanding paragraph (1)(C), the amount to be paid a guaranty agency for any fiscal year—

(i) which begins on or after October 1, 1977 and ends before October 1, 1991; and

(ii) which is either the fiscal year in which such guaranty agency begins to actively carry on a student loan insurance program which is subject to a guaranty agreement under subsection (b) of this section, or is one of the 4 succeeding fiscal years,

shall be 100 percent of the amount expended by such guaranty agency in discharge of its insurance obligation insured under such program.

(B) Notwithstanding the provisions of paragraph (1)(C), the Secretary may pay a guaranty agency 100 percent of the amount expended by such agency in discharge of such agency's insurance obligation for any fiscal year which—

(i) begins on or after October 1, 1991; and

(ii) is the fiscal year in which such guaranty agency begins to actively carry on a student loan insurance program which is subject to a guaranty agreement under subsection (b) or is one of the 4 succeeding fiscal years.

(C) The Secretary shall continuously monitor the operations of those guaranty agencies to which the provisions of subparagraph (A) or (B) are applicable and revoke the application of such subparagraph to any such guaranty agency which the Secretary determines has not exercised reasonable prudence in the administration of such program.

(8) ASSIGNMENT TO PROTECT FEDERAL FISCAL INTEREST.—If the Secretary determines that the protection of the Federal fiscal interest so requires, a guaranty agency shall assign to the Secretary any loan of which it is the holder and for which the Secretary has made a payment pursuant to paragraph (1) of this subsection.

(9) GUARANTY AGENCY RESERVE LEVEL.—(A) Each guaranty agency which has entered into an agreement with the Secretary pursuant to this subsection shall maintain in the agency's Federal Student Loan Reserve Fund established under section 422A a current minimum reserve level of at least 0.25 percent of the total attributable amount of all outstanding loans guaranteed by such agency. For purposes of this paragraph, such total attributable amount does not include amounts of outstanding loans transferred to the guaranty agency from another guaranty agency pursuant to a plan of the Secretary in response to the insolvency of the latter such guaranty agency.

(B) The Secretary shall collect, on an annual basis, information from each guaranty agency having an agreement under this subsection to enable the Secretary to evaluate the financial solvency of each such agency. The information collected shall include the level of such agency's current reserves, cash disbursements and accounts receivable.

(C) If (i) any guaranty agency falls below the required minimum reserve level in any 2 consecutive years, (ii) any guaranty agency's Federal reimbursement payments are reduced to 85 percent pursuant to paragraph (1)(B)(i), or (iii) the Secretary determines that the administrative or financial condition of a guaranty agency jeopardizes such agency's continued ability to perform its responsibilities under its guaranty agreement, then the Secretary shall require the guaranty agency to submit and implement a management plan acceptable to the Secretary within 45 working days of any such event.

(D)(i) If the Secretary is not seeking to terminate the guaranty agency's agreement under subparagraph (E), or assuming the guaranty agency's functions under subparagraph (F), a
management plan described in subparagraph (C) shall include the means by which the guaranty agency will improve its financial and administrative condition to the required level within 18 months.

(ii) If the Secretary is seeking to terminate the guaranty agency’s agreement under subparagraph (E), or assuming the guaranty agency’s functions under subparagraph (F), a management plan described in subparagraph (C) shall include the means by which the Secretary and the guaranty agency shall work together to ensure the orderly termination of the operations, and liquidation of the assets, of the guaranty agency.

(E) The Secretary may terminate a guaranty agency’s agreement in accordance with subparagraph (F) if—

(i) a guaranty agency required to submit a management plan under this paragraph fails to submit a plan that is acceptable to the Secretary;

(ii) the Secretary determines that a guaranty agency has failed to improve substantially its administrative and financial condition;

(iii) the Secretary determines that the guaranty agency is in danger of financial collapse;

(iv) the Secretary determines that such action is necessary to protect the Federal fiscal interest; or

(v) the Secretary determines that such action is necessary to ensure the continued availability of loans to student or parent borrowers.

(F) If a guaranty agency’s agreement under this subsection is terminated pursuant to subparagraph (E), then the Secretary shall assume responsibility for all functions of the guaranty agency under the loan insurance program of such agency. In performing such functions the Secretary is authorized to—

(i) permit the transfer of guarantees to another guaranty agency;

(ii) revoke the reinsurance agreement of the guaranty agency at a specified date, so as to require the merger, consolidation, or termination of the guaranty agency;

(iii) transfer guarantees to the Department of Education for the purpose of payment of such claims and process such claims using the claims standards of the guaranty agency, if such standards are determined by the Secretary to be in compliance with this Act;

(iv) design and implement a plan to restore the guaranty agency’s viability;

(v) provide the guaranty agency with additional advance funds in accordance with section 422(c)(7), with such restrictions on the use of such funds as is determined appropriate by the Secretary, in order to—

(I) meet the immediate cash needs of the guaranty agency;

(II) ensure the uninterrupted payment of claims; or

(III) ensure that the guaranty agency will make loans as the lender-of-last-resort, in accordance with subsection (j);
(vi) use all funds and assets of the guaranty agency to assist in the activities undertaken in accordance with this subparagraph and take appropriate action to require the return, to the guaranty agency or the Secretary, of any funds or assets provided by the guaranty agency, under contract or otherwise, to any person or organization; or

(vii) take any other action the Secretary determines necessary to ensure the continued availability of loans made under this part to residents of the State or States in which the guaranty agency did business, the full honoring of all guarantees issued by the guaranty agency prior to the Secretary’s assumption of the functions of such agency, and the proper servicing of loans guaranteed by the guaranty agency prior to the Secretary’s assumption of the functions of such agency, and to avoid disruption of the student loan program.

(G) Notwithstanding any other provision of Federal or State law, if the Secretary has terminated or is seeking to terminate a guaranty agency’s agreement under subparagraph (E), or has assumed a guaranty agency’s functions under subparagraph (F)—

(i) no State court may issue any order affecting the Secretary’s actions with respect to such guaranty agency;

(ii) any contract with respect to the administration of a guaranty agency’s reserve funds, or the administration of any assets purchased or acquired with the reserve funds of the guaranty agency, that is entered into or extended by the guaranty agency, or any other party on behalf of or with the concurrence of the guaranty agency, after the date of enactment of this subparagraph shall provide that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that such contract includes an impermissible transfer of the reserve funds or assets, or is otherwise inconsistent with the terms or purposes of this section; and

(iii) no provision of State law shall apply to the actions of the Secretary in terminating the operations of a guaranty agency.

(H) Notwithstanding any other provision of law, the Secretary’s liability for any outstanding liabilities of a guaranty agency (other than outstanding student loan guarantees under this part), the functions of which the Secretary has assumed, shall not exceed the fair market value of the reserves of the guaranty agency, minus any necessary liquidation or other administrative costs.

(I) The Secretary shall not take any action under subparagraph (E) or (F) without giving the guaranty agency notice and the opportunity for a hearing that, if commenced after September 24, 1998, shall be on the record.

(J) Notwithstanding any other provision of law, the information transmitted to the Secretary pursuant to this paragraph shall be confidential and exempt from disclosure under section 552 of title 5, United States Code, relating to freedom of information, or any other Federal law.
(K) The Secretary, within 6 months after the end of each fiscal year, shall submit to the authorizing committees a report specifying the Secretary's assessment of the fiscal soundness of the guaranty agency system.

(10) Documentation of Forbearance Agreements.—For the purposes of paragraph (3), the terms of forbearance agreed to by the parties shall be documented by confirming the agreement of the borrower by notice to the borrower from the lender, and by recording the terms in the borrower's file.

(d) Usury Laws Inapplicable.—No provision of any law of the United States (other than this Act and section 207 of the Servicemembers Civil Relief Act (50 U.S.C. App. 527)) or of any State (other than a statute applicable principally to such State's student loan insurance program) which limits the rate or amount of interest payable on loans shall apply to a loan—

(1) which bears interest (exclusive of any premium for insurance) on the unpaid principal balance at a rate not in excess of the rate specified in this part; and

(2) which is insured (i) by the United States under this part, or (ii) by a guaranty agency under a program covered by an agreement made pursuant to subsection (b) of this section.

(f) Payments of Certain Costs.—

(1) Payment for Certain Activities.—

(A) In General.—The Secretary—

(i) for loans originated during fiscal years beginning on or after October 1, 1998, and before October 1, 2003, and in accordance with the provisions of this paragraph, shall, except as provided in subparagraph (C), pay to each guaranty agency, a loan processing and issuance fee equal to 0.65 percent of the total principal amount of the loans on which insurance was issued under this part during such fiscal year by such agency; and

(ii) for loans originated on or after October 1, 2003, and first disbursed before July 1, 2010, and in accordance with the provisions of this paragraph, shall, except as provided in subparagraph (C), pay to each guaranty agency, a loan processing and issuance fee equal to 0.40 percent of the total principal amount of the loans on which insurance was issued under this part during such fiscal year by such agency.

(B) Payment.—The payment required by subparagraph (A) shall be paid on a quarterly basis. The guaranty agency shall be deemed to have a contractual right against the United States to receive payments according to the provisions of this paragraph. Payments shall be made promptly and without administrative delay to any guaranty agency submitting an accurate and complete application under this subparagraph.

(C) Requirement for Payment.—No payment may be made under this paragraph for loans for which the dis-
(g) **Action on Insurance Program and Guaranty Agreements.**—If a nonprofit private institution or organization—

(1) applies to enter into an agreement with the Secretary under subsections (b) and (c) with respect to a student loan insurance program to be carried on in a State with which the Secretary does not have an agreement under subsection (b), and

(2) as provided in the application, undertakes to meet the requirements of section 422(c)(6)(B) (i), (ii), and (iii),

the Secretary shall consider and act upon such application within 180 days, and shall forthwith notify the authorizing committees of his actions.

(i) **Multiple Disbursement of Loans.**—

(1) Escrow Accounts Administered by Escrow Agent.—Any guaranty agency or eligible lender (hereafter in this subsection referred to as the “escrow agent”) may enter into an agreement with any other eligible lender that is not an eligible institution or an agency or instrumentality of the State (hereafter in this subsection referred to as the “lender”) for the purpose of authorizing disbursements of the proceeds of a loan to a student. Such agreement shall provide that the lender will pay the proceeds of such loans into an escrow account to be administered by the escrow agent in accordance with the provisions of paragraph (2) of this subsection. Such agreement may allow the lender to make payments into the escrow account in amounts that do not exceed the sum of the amounts required for disbursement of initial or subsequent installments to borrowers and to make such payments not more than 10 days prior to the date of the disbursement of such installment to such borrowers. Such agreement shall require the lender to notify promptly the eligible institution when funds are escrowed under this subsection for a student at such institution.

(2) Authority of Escrow Agent.—Each escrow agent entering into an agreement under paragraph (1) of this subsection is authorized to—

(A) make the disbursements in accordance with the note evidencing the loan;

(B) commingle the proceeds of all loans paid to the escrow agent pursuant to the escrow agreement entered into under such paragraph (1);

(C) invest the proceeds of such loans in obligations of the Federal Government or obligations which are insured or guaranteed by the Federal Government;

(D) retain interest or other earnings on such investment; and

(E) return to the lender undisbursed funds when the student ceases to carry at an eligible institution at least one-half of the normal full-time academic workload as determined by the institution.

(j) **Lenders-Of-Last-Resort.**—
(1) **General requirement.**—In each State, the guaranty agency or an eligible lender in the State described in section 435(d)(1)(D) of this Act shall, before July 1, 2010, make loans directly, or through an agreement with an eligible lender or lenders, to eligible students and parents who are otherwise unable to obtain loans under this part (except for consolidation loans under section 428C) or who attend an institution of higher education in the State that is designated under paragraph (4). Loans made under this subsection shall not exceed the amount of the need of the borrower, as determined under subsection (a)(2)(B), nor be less than $200. No loan under section 428, 428B, or 428H that is made pursuant to this subsection shall be made with interest rates, origination or default fees, or other terms and conditions that are more favorable to the borrower than the maximum interest rates, origination or default fees, or other terms and conditions applicable to that type of loan under this part. The guaranty agency shall consider the request of any eligible lender, as defined under section 435(d)(1)(A) of this Act, to serve as the lender-of-last-resort pursuant to this subsection.

(2) **Rules and operating procedures.**—The guaranty agency shall develop rules and operating procedures for the lender-of-last-resort program designed to ensure that—

(A) the program establishes operating hours and methods of application designed to facilitate application by students and ensure a response within 60 days after the student's original complete application is filed under this subsection;

(B) consistent with standards established by the Secretary, students applying for loans under this subsection shall not be subject to additional eligibility requirements or requests for additional information beyond what is required under this title in order to receive a loan under this part from an eligible lender, nor, in the case of students and parents applying for loans under this subsection because of an inability to otherwise obtain loans under this part (except for consolidation loans under section 428C), be required to receive more than two rejections from eligible lenders in order to obtain a loan under this subsection;

(C) information about the availability of loans under the program is made available to institutions of higher education in the State; and

(D) appropriate steps are taken to ensure that borrowers receiving loans under the program are appropriately counseled on their loan obligation.

(3) **Advances to guaranty agencies for lender-of-last-resort services.**—(A) In order to ensure the availability of loan capital, the Secretary is authorized to provide a guaranty agency designated for a State with additional advance funds in accordance with subparagraph (C) and section 422(c)(7), with such restrictions on the use of such funds as are determined appropriate by the Secretary, in order to ensure that the guaranty agency will make loans as the lender-of-last-
resort. Such agency shall make such loans in accordance with this subsection and the requirements of the Secretary.

(B) Notwithstanding any other provision in this part, a guaranty agency serving as a lender-of-last-resort under this paragraph shall be paid a fee, established by the Secretary, for making such loans in lieu of interest and special allowance subsidies, and shall be required to assign such loans to the Secretary on demand. Upon such assignment, the portion of the advance represented by the loans assigned shall be considered repaid by such guaranty agency.

(C) The Secretary shall exercise the authority described in subparagraph (A) only if the Secretary determines that eligible borrowers are seeking and are unable to obtain loans under this part or designates an institution of higher education for participation in the program under this subsection under paragraph (4), and that the guaranty agency designated for that State has the capability to provide lender-of-last-resort loans in a timely manner, in accordance with the guaranty agency’s obligations under paragraph (1), but cannot do so without advances provided by the Secretary under this paragraph. If the Secretary makes the determinations described in the preceding sentence and determines that it would be cost-effective to do so, the Secretary may provide advances under this paragraph to such guaranty agency. If the Secretary determines that such guaranty agency does not have such capability, or will not provide such loans in a timely fashion, the Secretary may provide such advances to enable another guaranty agency, that the Secretary determines to have such capability, to make lender-of-last-resort loans to eligible borrowers in that State who are experiencing loan access problems or to eligible borrowers who attend an institution in the State that is designated under paragraph (4).

(4) INSTITUTION-WIDE STUDENT QUALIFICATION.—Upon the request of an institution of higher education and pursuant to standards developed by the Secretary, the Secretary shall designate such institution for participation in the lender-of-last-resort program under this paragraph. If the Secretary designates an institution under this paragraph, the guaranty agency designated for the State in which the institution is located shall make loans, in the same manner as such loans are made under paragraph (1), to students and parent borrowers of the designated institution, regardless of whether the students or parent borrowers are otherwise unable to obtain loans under this part (other than a consolidation loan under section 428C).

(5) STANDARDS DEVELOPED BY THE SECRETARY.—In developing standards with respect to paragraph (4), the Secretary may require—

(A) an institution of higher education to demonstrate that, despite due diligence on the part of the institution, the institution has been unable to secure the commitment of eligible lenders willing to make loans under this part to a significant number of students attending the institution;

(B) that, prior to making a request under such paragraph for designation for participation in the lender-of-
last-resort program, an institution of higher education shall demonstrate that the institution has met a minimum threshold, as determined by the Secretary, for the number or percentage of students at such institution who have received rejections from eligible lenders for loans under this part; and

(C) any other standards and guidelines the Secretary determines to be appropriate.

(6) Expiration of Authority.—The Secretary’s authority under paragraph (4) to designate institutions of higher education for participation in the program under this subsection shall expire on June 30, 2010.

(7) Expiration of Designation.—The eligibility of an institution of higher education, or borrowers from such institution, to participate in the program under this subsection pursuant to a designation of the institution by the Secretary under paragraph (4) shall expire on June 30, 2010. After such date, borrowers from an institution designated under paragraph (4) shall be eligible to participate in the program under this subsection as such program existed on the day before the date of enactment of the Ensuring Continued Access to Student Loans Act of 2008.

(8) Prohibition on Inducements and Marketing.—Each guaranty agency or eligible lender that serves as a lender-of-last-resort under this subsection—

(A) shall be subject to the prohibitions on inducements contained in subsection (b)(3) and the requirements of section 435(d)(5); and

(B) shall not advertise, market, or otherwise promote loans under this subsection, except that nothing in this paragraph shall prohibit a guaranty agency from fulfilling its responsibilities under paragraph (2)(C).

(9) Dissemination and Reporting.—

(A) In General.—The Secretary shall—

(i) broadly disseminate information regarding the availability of loans made under this subsection;

(ii) during the period beginning July 1, 2008 and ending June 30, 2011, provide to the authorizing committees and make available to the public—

(I) copies of any new or revised plans or agreements made by guaranty agencies or the Department related to the authorities under this subsection;

(II) quarterly reports on—

(aa) the number and amounts of loans originated or approved pursuant to this subsection by each guaranty agency and eligible lender; and

(bb) any related payments by the Department, a guaranty agency, or an eligible lender; and

(III) a budget estimate of the costs to the Federal Government (including subsidy and administrative costs) for each 100 dollars loaned, of loans
made pursuant to this subsection between the date of enactment of the Ensuring Continued Access to Student Loans Act of 2008 and June 30, 2010, disaggregated by type of loan, compared to such costs to the Federal Government during such time period of comparable loans under this part and part D, disaggregated by part and by type of loan; and

(iii) beginning July 1, 2011, provide to the authorizing committees and make available to the public—

(I) copies of any new or revised plans or agreements made by guaranty agencies or the Department related to the authorities under this subsection; and

(II) annual reports on—

(aa) the number and amounts of loans originated or approved pursuant to this subsection by each guaranty agency and eligible lender; and

(bb) any related payments by the Department, a guaranty agency, or an eligible lender.

(B) SEPARATE REPORTING.—The information required to be reported under subparagraph (A)(ii)(II) shall be reported separately for loans originated or approved pursuant to paragraph (4), or payments related to such loans, for the time period in which the Secretary is authorized to make designations under paragraph (4).

(k) INFORMATION ON DEFAULTS.—

(1) PROVISION OF INFORMATION TO ELIGIBLE INSTITUTIONS.—Notwithstanding any other provision of law, in order to notify eligible institutions of former students who are in default of their continuing obligation to repay student loans, each guaranty agency shall, upon the request of an eligible institution, furnish information with respect to students who were enrolled at the eligible institution and who are in default on the repayment of any loan made, insured, or guaranteed under this part. The information authorized to be furnished under this subsection shall include the names and addresses of such students.

(2) PUBLIC DISSEMINATION NOT AUTHORIZED.—Nothing in paragraph (1) of this subsection shall be construed to authorize public dissemination of the information described in paragraph (1).

(3) BORROWER LOCATION INFORMATION.—Any information provided by the institution relating to borrower location shall be used by the guaranty agency in conducting required skip-tracing activities.

(4) PROVISION OF INFORMATION TO BORROWERS IN DEFAULT.—Each guaranty agency that has received a default claim from a lender regarding a borrower, shall provide the borrower in default, on not less than two separate occasions, with a notice, in simple and understandable terms, of not less than the following information:
(A) The options available to the borrower to remove the borrower's loan from default.

(B) The relevant fees and conditions associated with each option.

(l) DEFAULT AVERSION ASSISTANCE.—

(1) ASSISTANCE REQUIRED.—Upon receipt of a complete request from a lender received not earlier than the 60th day of delinquency, a guaranty agency having an agreement with the Secretary under subsection (c) shall engage in default aversion activities designed to prevent the default by a borrower on a loan covered by such agreement.

(2) REIMBURSEMENT.—

(A) IN GENERAL.—A guaranty agency, in accordance with the provisions of this paragraph, may transfer from the Federal Student Loan Reserve Fund under section 422A to the Agency Operating Fund under section 422B a default aversion fee. Such fee shall be paid for any loan on which a claim for default has not been paid as a result of the loan being brought into current repayment status by the guaranty agency on or before the 300th day after the loan becomes 60 days delinquent.

(B) AMOUNT.—The default aversion fee shall be equal to 1 percent of the total unpaid principal and accrued interest on the loan at the time the request is submitted by the lender. A guaranty agency may transfer such fees earned under this subsection not more frequently than monthly. Such a fee shall not be paid more than once on any loan for which the guaranty agency averts the default unless—

(i) at least 18 months has elapsed between the date the borrower entered current repayment status and the date the lender filed a subsequent default aversion assistance request; and

(ii) during the period between such dates, the borrower was not more than 30 days past due on any payment of principal and interest on the loan.

(C) DEFINITION.—For the purpose of earning the default aversion fee, the term "current repayment status" means that the borrower is not delinquent in the payment of any principal or interest on the loan.

(m) INCOME CONTINGENT AND INCOME-BASED REPAYMENT.—

(3) Refinancing by Discharge of Previous Loan.—A borrower who has applied to an original lender for reissuance of a loan under paragraph (2) and who is denied such reissuance may obtain a loan from another lender for the purpose of discharging the loan from such original lender. (5) Direct Loans.—If, before July 1, 2010, a borrower is unable to obtain a consolidation loan from a lender with an agreement under subsection (a)(1), or is unable to obtain a consolidation loan with income-sensitive repayment terms or income-based repayment terms acceptable to the borrower from such a lender, or chooses to obtain a consolidation loan for the purposes of using the public service loan forgiveness program offered under section 455(m), the Secretary shall offer any such borrower who applies for it, a Federal Direct Consolidation loan. In addition, in the event that a borrower chooses to obtain a consolidation loan for the purposes of using the no accrual of interest for active duty service members program offered under section 455(o), the Secretary shall offer a Federal Direct Consolidation loan to any such borrower who applies for participation in such program. A direct consolidation loan offered under this paragraph shall, as requested by the borrower, be repaid either pursuant to income contingent repayment under part D of this title, pursuant to income-based repayment under section 493C, or pursuant to any other repayment provision under this section, except that if a borrower intends to be eligible to use the public service loan forgiveness program under section 455(m), such loan shall be repaid using one of the repayment options described in section 455(m)(1)(A). The Secretary shall not offer such loans if, in the Secretary's judgment, the Department of Education does not have the necessary origination and servicing arrangements in place for such loans.

(6) Nondiscrimination in Loan Consolidation.—An eligible lender that makes consolidation loans under this section shall not discriminate against any borrower seeking such a loan—

(A) based on the number or type of eligible student loans the borrower seeks to consolidate, except that a lender is not required to consolidate loans described in subparagraph (D) or (E) of subsection (a)(4) or subsection (d)(1)(C)(i);

(B) based on the type or category of institution of higher education that the borrower attended;

(C) based on the interest rate to be charged to the borrower with respect to the consolidation loan; or

(D) with respect to the types of repayment schedules offered to such borrower.

(c) Payment of Principal and Interest.—

(1) Interest Rate.—(A) Notwithstanding subparagraphs (B) and (C), with respect to any loan made under this section for which the application is received by an eligible lender—

(i) on or after October 1, 1998, and before July 1, 2006, the applicable interest rate shall be determined under section 427A(k)(4); or

(ii) on or after July 1, 2006, and that is disbursed before July 1, 2010, the applicable interest rate shall be determined under section 427A(1)(3).
(B) A consolidation loan made before July 1, 1994, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the greater of—

(i) the weighted average of the interest rates on the loans consolidated, rounded to the nearest whole percent; or

(ii) 9 percent.

(C) A consolidation loan made on or after July 1, 1994, and disbursed before July 1, 2010, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the weighted average of the interest rates on the loans consolidated, rounded upward to the nearest whole percent.

(D) A consolidation loan for which the application is received by an eligible lender on or after the date of enactment of the Emergency Student Loan Consolidation Act of 1997 and before October 1, 1998, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the rate specified in section 427A(f), except that the eligible lender may continue to calculate interest on such a loan at the rate previously in effect and defer, until not later than April 1, 1998, the recalculation of the interest on such a loan at the rate required by this subparagraph if the recalculation is applied retroactively to the date on which the loan is made.

(2) Repayment Schedules.—(A) Notwithstanding any other provision of this part, to the extent authorized by its certificate of insurance under subsection (b)(2) and approved by the issuer of such certificate, the lender of a consolidation loan shall establish repayment terms as will promote the objectives of this section, which shall include the establishment of graduated, income-sensitive, or income-based repayment schedules, established by the lender in accordance with the regulations of the Secretary. Except as required by such income-sensitive or income-based repayment schedules, or by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5), such repayment terms shall require that if the sum of the consolidation loan and the amount outstanding on other student loans to the individual—

(i) is less than $7,500, then such consolidation loan shall be repaid in not more than 10 years;

(ii) is equal to or greater than $7,500 but less than $10,000, then such consolidation loan shall be repaid in not more than 12 years;

(iii) is equal to or greater than $10,000 but less than $20,000, then such consolidation loan shall be repaid in not more than 15 years;

(iv) is equal to or greater than $20,000 but less than $40,000, then such consolidation loan shall be repaid in not more than 20 years;

(v) is equal to or greater than $40,000 but less than $60,000, then such consolidation loan shall be repaid in not more than 25 years; or

(vi) is equal to or greater than $60,000, then such consolidation loan shall be repaid in not more than 30 years.
(B) The amount outstanding on other student loans which may be counted for the purpose of subparagraph (A) may not exceed the amount of the consolidation loan.

(3) ADDITIONAL REPAYMENT REQUIREMENTS.—Notwithstanding paragraph (2)—

(A) except in the case of an income-based repayment schedule under section 493C, a repayment schedule established with respect to a consolidation loan shall require that the minimum installment payment be an amount equal to not less than the accrued unpaid interest;

(B) except as required by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5), the lender of a consolidation loan may, with respect to repayment on the loan, when the amount of a monthly or other similar payment on the loan is not a multiple of $5, round the payment to the next highest whole dollar amount that is a multiple of $5; and

(C) an income-based repayment schedule under section 493C shall not be available to a consolidation loan borrower who used the proceeds of the loan to discharge the liability on a loan under section 428B, or a Federal Direct PLUS loan, made on behalf of a dependent student.

(4) COMMENCEMENT OF REPAYMENT.—Repayment of a consolidation loan shall commence within 60 days after all holders have, pursuant to subsection (b)(1)(D), discharged the liability of the borrower on the loans selected for consolidation.

(5) INSURANCE PREMIUMS PROHIBITED.—No insurance premium shall be charged to the borrower on any consolidation loan, and no insurance premium shall be payable by the lender to the Secretary with respect to any such loan, but a fee may be payable by the lender to the guaranty agency to cover the costs of increased or extended liability with respect to such loan.

(d) SPECIAL PROGRAM AUTHORIZED.—

(B) APPLICABILITY RULE.—Unless otherwise provided in this subsection, the agreements entered into under subparagraph (A) and the loans made under such agreements for the consolidation of eligible student loans under this subsection shall have the same terms, conditions, and benefits as all other agreements and loans made under this section.

(C) DEFINITION.—For the purpose of this subsection, the term "eligible student loans" means loans—

(i) of the type described in subparagraphs (A), (B), and (C) of subsection (a)(4); and

   (C) Publication of maximum interest rate.—The Secretary shall determine the applicable rate of interest under subparagraph (B) after consultation with the Secretary of the Treasury and shall publish such rate in the Federal Register as soon as practicable after the date of such determination.

Notwithstanding any other provision of this part regarding permissible uses of funds from any source, funds received by a guaranty agency under any provision of this part may be commingled with funds received under any other provision of this part and may be used to carry out the purposes of such other provision, except that—
   (1) the total amount expended for the purposes of such other provision shall not exceed the amount the guaranty agency would otherwise be authorized to expend; and
   (2) the authority to commingle such funds shall not relieve such agency of any accounting or auditing obligations under this part.

   (1) SALE OR ASSIGNMENT OF LOAN.—
      (A) IN GENERAL.—Each guaranty agency, upon securing 9 payments made within 20 days of the due date during 10 consecutive months of amounts owed on a loan for which the Secretary has made a payment under paragraph (1) of section 428(c), shall—
         (i) if practicable, sell the loan to an eligible lender; or

(i) the guaranty agency—

(I) shall, in the case of a sale made on or after July 1, 2014, repay the Secretary 100 percent of the amount of the principal balance outstanding at the time of such sale, multiplied by the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

(II) may, in the case of a sale made on or after July 1, 2014, in order to defray collection costs—

(aa) charge to the borrower an amount not to exceed 16 percent of the outstanding principal and interest at the time of the loan sale; and

(bb) retain such amount from the proceeds of the loan sale; and

(ii) the Secretary shall reinstate the Secretary's obligation to—

(3) BORROWER ELIGIBILITY.—Any borrower whose loan is sold or assigned under paragraph (1)(A) shall not be precluded by section 484 from receiving additional loans or grants under this title (for which he or she is otherwise eligible) on the basis of defaulting on the loan prior to such loan sale or assignment.

(4) APPLICABILITY OF GENERAL LOAN CONDITIONS.—A loan that is sold or assigned under paragraph (1) shall, so long as the borrower continues to make scheduled repayments thereon, be subject to the same terms and conditions and qualify for the same benefits and privileges as other loans made under this part.

A borrower may only obtain the benefit of this subsection with respect to renewed eligibility once.

(1) Withdrawing Students.—A lender or escrow agent that is informed by the borrower or the institution that the borrower has ceased to be enrolled before the disbursement of the second or any succeeding installment shall withhold such disbursement. Any disbursement which is so withheld shall be credited to the borrower’s loan and treated as a prepayment thereon.

(2) Students Receiving Over-Awards.—If the sum of a disbursement for any student and the other financial aid obtained by such student exceeds the amount of assistance for which the student is eligible under this title, the institution such student is attending shall withhold and return to the lender or escrow agent the portion (or all) of such installment that exceeds such eligible amount, except that overawards permitted pursuant to section 443(b)(4) of the Act shall not be construed to be overawards for purposes of this paragraph. Any portion (or all) of a disbursement installment which is so returned shall be credited to the borrower’s loan and treated as a prepayment thereon.

(g) Sales Prior to Disbursement Prohibited.—An eligible lender shall not sell or transfer a promissory note for any loan made, insured, or guaranteed under this part until the final disbursement of such loan has been made, except that the prohibition of this subsection shall not apply if—

(1) the sale of the loan does not result in a change in the identity of the party to whom payments will be made for the loan; and

(2) the first disbursement of such loan has been made.

(a) In General.—It is the purpose of this section to authorize insured loans under this part that are first disbursed before July 1, 2010, for borrowers who do not qualify for Federal interest subsidy payments under section 428 of this Act. (1) determined and documented the student’s need for the loan based on the student’s estimated cost of attendance (as determined under section 472) and the student’s estimated financial assistance, including a loan which qualifies for interest subsidy payments under section 428; and

(2) provided the lender a statement—

(A) certifying the eligibility of the student to receive a loan under this section and the amount of the loan for which such student is eligible, in accordance with subsection (c); and

(B) setting forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of section 428G.

(c) DETERMINATION OF AMOUNT OF LOAN.—The determination of the amount of a loan by an eligible institution under subsection (b) shall be calculated by subtracting from the estimated cost of attendance at the eligible institution any estimated financial assistance reasonably available to such student. An eligible institution may not, in carrying out the provisions of subsection (b) of this section, provide a statement which certifies the eligibility of any student to receive any loan under this section in excess of the amount calculated under the preceding sentence.

(d) LOAN LIMITS.—

(1) IN GENERAL.—Except as provided in paragraphs (2), (3), and (4), the annual and aggregate limits for loans under this section shall be the same as those established under section 428(b)(1), less any amount received by such student pursuant to the subsidized loan program established under section 428.

(2) LIMITS FOR GRADUATE, PROFESSIONAL, AND INDEPENDENT POSTBACCALAUREATE STUDENTS.—

required for employment as a teacher in an elementary or secondary school, except in cases where the Secretary determines that a higher amount is warranted in order to carry out the purpose of this part with respect to students engaged in specialized training requiring exceptionally high costs of education, but the annual insurable limit per student shall not be deemed to be exceeded by a line of credit under which actual payments by the lender to the borrower will not be made in any years in excess of the annual limit.

(B) **Aggregate Limit.**—The maximum aggregate amount of loans under this section a student described in subparagraph (A) may borrow shall be the amount described in paragraph (1), adjusted to reflect the increased annual limits described in subparagraph (A), as prescribed by the Secretary by regulation.

(i) in the case of such a student attending an eligible institution who has not completed such student's first 2 years of undergraduate study—

(I) $6,000, if such student is enrolled in a program whose length is at least one academic year in length; or

(II) if such student is enrolled in a program of undergraduate education which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as the length of such program measured in semester, trimester, quarter, or clock hours bears to one academic year;

(ii) in the case of such a student at an eligible institution who has successfully completed such first and second years but has not successfully completed
the remainder of a program of undergraduate education—
(I) $7,000; or
(II) if such student is enrolled in a program of undergraduate education, the remainder of which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as such remainder measured in semester, trimester, quarter, or clock hours bears to one academic year; and
(iii) in the case of such a student enrolled in coursework specified in—
(I) section 484(b)(3)(B), $6,000; or
(II) section 484(b)(4)(B), $7,000.

(B) AGGREGATE LIMITS.—The maximum aggregate amount of loans under this section a student described in subparagraph (A) may borrow shall be $57,500.

(5) CAPITALIZED INTEREST.—Interest capitalized shall not be deemed to exceed a maximum aggregate amount determined under subparagraph (B) of paragraph (2), (3), or (4).

(e) PAYMENT OF PRINCIPAL AND INTEREST.—

(1) COMMENCEMENT OF REPAYMENT.—Repayment of principal on loans made under this section shall begin at the beginning of the repayment period described in section 428(b)(7). Not less than 30 days prior to the anticipated commencement of such repayment period, the holder of such loan shall provide notice to the borrower that interest will accrue before repayment begins and of the borrower's option to begin loan repayment at an earlier date.

(2) CAPITALIZATION OF INTEREST.—(A) Except as provided in subparagraph (C), interest on loans made under this section for which payments of principal are not required during the in-school and grace periods or for which payments are deferred under sections 427(a)(2)(C) and 428(b)(1)(M) shall, if agreed upon by the borrower and the lender—
(i) be paid monthly or quarterly; or

(I) when the loan enters repayment;
(II) at the expiration of a grace period, in the case of a loan that qualifies for a grace period;
(III) at the expiration of a period of deferment or forbearance; or
(IV) when the borrower defaults.

(B) The capitalization of interest described in subparagraph (A) shall not be deemed to exceed the annual insurable limit on account of the student.

(C) Interest shall not accrue on a loan deferred under section 428(b)(1)(M)(v) or 427(a)(2)(C)(iv).

(5) **Amortization.**—The amount of the periodic payment and the repayment schedule for any loan made pursuant to this section shall be established by assuming an interest rate equal to the applicable rate of interest at the time the repayment of the principal amount of the loan commences. At the option of the lender, the note or other written evidence of the loan may require that—

(A) the amount of the periodic payment will be adjusted annually; or

(B) the period of repayment of principal will be lengthened or shortened,

in order to reflect adjustments in interest rates occurring as a consequence of section 427A(c)(4).

(6) **Repayment Period.**—For purposes of calculating the repayment period under section 428(b)(9), such period shall commence at the time the first payment of principal is due from the borrower.

(7) **Qualification for Forbearance.**—A lender may grant the borrower of a loan under this section a forbearance for a period not to exceed 60 days if the lender reasonably determines that such a forbearance from collection activity is warranted following a borrower's request for forbearance, deferment, or a change in repayment plan, or a request to consolidate loans in order to collect or process appropriate supporting documentation related to the request. (b) **Comprehensive Insurance Coverage Certificate.**—

(1) **Establishment of System by Regulation.**—In lieu of requiring a separate insurance application and issuing a separate certificate of insurance for each student loan made by an eligible lender as provided in subsection (a), the Secretary may, in accordance with regulations consistent with section 424, issue to any eligible lender applying therefor a certificate of comprehensive insurance coverage which shall, without further action by the Secretary, insure all insurable loans made by that lender, on or after the date of the certificate and before a specified cutoff date, within the limits of an aggregate maximum amount stated in the certificate. Such regulations may provide for conditioning such insurance, with respect to any loan, upon compliance by the lender with such requirements (to be stated or incorporated by reference in the certificate) as in the Secretary’s judgment will best achieve the purpose of this subsection while protecting the United States from the risk of unreasonable loss and promoting the objectives of this part, including (but not limited to) provisions as to the reporting of such loans and information relevant thereto to the Secretary and as to the payment of initial and other premiums and the effect of default therein, and including provision for confirmation by the Secretary from time to time (through endorsement of the certificate) of the coverage of specific new loans by such certificate, which confirmation shall be incontestable by the Secretary in the absence of fraud or misrepresentation of fact or patent error.

(2) **Uncovered Loans.**—If the holder of a certificate of comprehensive insurance coverage issued under this subsection grants to a student a line of credit extending beyond the cutoff date specified in that certificate, loans or payments thereon made by the holder after that date pursuant to the line of credit shall not be deemed to be included in the coverage of that certificate except as may be specifically provided therein; but, subject to the limitations of section 424, the Secretary may, in accordance with regulations, make commitments to insure such future loans or payments, and such commitments may be honored either as provided in subsection (a) or by inclusion of such insurance on comprehensive coverage under the subsection for the period or periods in which such future loans or payments are made.

(c) **Charges for Federal Insurance.**—The Secretary shall, pursuant to regulations, charge for insurance on each loan under this part a premium in an amount not to exceed one-fourth of 1 percent per year of the unpaid principal amount of such loan (excluding interest added to principal), payable in advance, at such times and in such manner as may be prescribed by the Secretary. Such regulations may provide that such premium shall not be payable, or if paid shall be refundable, with respect to any period after default in the payment of principal or interest or after the borrower has died or becomes totally and permanently disabled, if (1) notice of such default or other event has been duly given, and (2) requests
for payment of the loss insured against has been made or the Secretary has made such payment on his own motion pursuant to section 430(a).

(d) Assignability of Insurance.—The rights of an eligible lender arising under insurance evidenced by a certificate of insurance issued to it under this section may be assigned as security by such lender only to another eligible lender, and subject to regulation by the Secretary.

(e) Consolidation Not To Affect Insurance.—The consolidation of the obligations of two or more federally insured loans obtained by a student borrower in any fiscal year into a single obligation evidenced by a single instrument of indebtedness shall not affect the insurance by the United States. If the loans thus consolidated are covered by separate certificates of insurance issued under subsection (a), the Secretary may upon surrender of the original certificates issue a new certificate of insurance in accordance with that subsection upon the consolidated obligation; if they are covered by a single comprehensive certificate issued under subsection (b), the Secretary may amend that certificate accordingly.

(a) Notice to Secretary and Payment of Loss.—Upon default by the student borrower on any loan covered by Federal loan insurance pursuant to this part, and prior to the commencement of suit or other enforcement proceedings upon security for that loan, the insurance beneficiary shall promptly notify the Secretary, and the Secretary shall if requested (at that time or after further collection efforts) by the beneficiary, or may on the Secretary’s own motion, if the insurance is still in effect, pay to the beneficiary the amount of the loss sustained by the insured upon that loan as soon as that amount has been determined. The “amount of the loss” on any loan shall, for the purposes of this subsection and subsection (b), be deemed to be an amount equal to the unpaid balance of the principal amount and accrued interest, including interest accruing from the date of submission of a valid default claim (as determined by the Secretary) to the date on which payment is authorized by the Secretary, reduced to the extent required by section 425(b).

Such beneficiary shall be required to meet the standards of due diligence in the collection of the loan and shall be required to submit proof that the institution was contacted and other reasonable attempts were made to locate the borrower (when the location of the borrower is unknown) and proof that contact was made with the borrower (when the location is known). The Secretary shall make the determination required to carry out the provisions of this section not later than 90 days after the notification by the insurance beneficiary and shall make payment in full on the amount of the beneficiary’s loss pending completion of the due diligence investigation.

(b) Effect of Payment of Loss.—Upon payment of the amount of the loss pursuant to subsection (a), the United States shall be subrogated for all of the rights of the holder of the obligation upon the insured loan and shall be entitled to an assignment of the note or other evidence of the insured loan by the insurance beneficiary. If the net recovery made by the Secretary on a loan...
after deduction of the cost of that recovery (including reasonable administrative costs and collection costs, to the extent set forth in regulations issued by the Secretary) exceeds the amount of the loss, the excess shall be paid over to the insured. The Secretary may, in attempting to make recovery on such loans, contract with private business concerns, State student loan insurance agencies, or State guaranty agencies, for payment for services rendered by such concerns or agencies in assisting the Secretary in making such recovery. Any contract under this subsection entered into by the Secretary shall provide that attempts to make recovery on such loans shall be fair and reasonable, and do not involve harassment, intimidation, false or misleading representations, or unnecessary communications concerning the existence of any such loan to persons other than the student borrower.

(c) FORBEARANCE NOT PRECLUDED.—Nothing in this section or in this part shall be construed to preclude any forbearance for the benefit of the student borrower which may be agreed upon by the parties to the insured loan and approved by the Secretary, or to preclude forbearance by the Secretary in the enforcement of the insured obligation after payment on that insurance. Any forbearance which is approved by the Secretary under this subsection with respect to the repayment of a loan, including a forbearance during default, shall not be considered as indicating that a holder of a federally insured loan has failed to exercise reasonable care and due diligence in the collection of the loan.

(d) CARE AND DILIGENCE REQUIRED OF HOLDERS.—Nothing in this section or in this part shall be construed to excuse the holder of a federally insured loan from exercising reasonable care and diligence in the making and collection of loans under the provisions of this part. If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that it has substantially failed to exercise such care and diligence or to make the reports and statements required under section 428(a)(4) and section 429(a)(3), or to pay the required Federal loan insurance premiums, the Secretary shall disqualify that lender for further Federal insurance on loans granted pursuant to this part until the Secretary is satisfied that its failure has ceased and finds that there is reasonable assurance that the lender will in the future exercise necessary care and diligence or comply with such requirements, as the case may be.

(e) DEFAULT RATE OF LENDERS, HOLDERS, AND GUARANTY AGENCIES.—

(1) IN GENERAL.—The Secretary shall annually publish a list indicating the cohort default rate (determined in accordance with section 435(m)) for each originating lender, subsequent holder, and guaranty agency participating in the program assisted under this part and an average cohort default rate for all institutions of higher education within each State.

(2) REGULATIONS.—The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a cohort default rate through the use of such measures as branching, consolidation, change of ownership or control, or any similar device.
(3) RATE ESTABLISHMENT AND CORRECTION.—The Secretary shall establish a cohort default rate for lenders, holders, and guaranty agencies (determined consistent with section 435(m)), except that the rate for lenders, holders, and guaranty agencies shall not reflect any loans issued in accordance with section 428(j). The Secretary shall allow institutions, lenders, holders, and guaranty agencies the opportunity to correct such cohort default rate information.

SEC. 430A. [20 U.S.C. 1080A] REPORTS TO CONSUMER REPORTING AGENCIES AND INSTITUTIONS OF HIGHER EDUCATION.

(a) AGREEMENTS TO EXCHANGE INFORMATION.—For the purpose of promoting responsible repayment of loans covered by Federal loan insurance pursuant to this part or covered by a guaranty agreement pursuant to section 428, the Secretary and each guaranty agency, eligible lender, and subsequent holder shall enter into an agreement with each consumer reporting agency to exchange information concerning student borrowers, in accordance with the requirements of this section. For the purpose of assisting such consumer reporting agencies in complying with the Fair Credit Reporting Act, such agreements may provide for timely response by the Secretary (concerning loans covered by Federal loan insurance) or by a guaranty agency, eligible lender, or subsequent holder (concerning loans covered by a guaranty agreement), or to requests from such consumer reporting agencies for responses to objections raised by borrowers. Subject to the requirements of subsection (c), such agreements shall require the Secretary or the guaranty agency, eligible lender, or subsequent holder, as appropriate, to disclose to such consumer reporting agencies, with respect to any loan under this part that has not been repaid by the borrower—

(1) that the loan is an education loan (as such term is defined in section 151);
(2) the total amount of loans made to any borrower under this part and the remaining balance of the loans;
(3) information concerning the repayment status of the loan for inclusion in the file of the borrower, except that nothing in this subsection shall be construed to affect any otherwise applicable provision of the Fair Credit Reporting Act (15 U.S.C. 1681 et seq.);
(4) information concerning the date of any default on the loan and the collection of the loan, including information concerning the repayment status of any defaulted loan on which the Secretary has made a payment pursuant to section 430(a) or the guaranty agency has made a payment to the previous holder of the loan; and
(5) the date of cancellation of the note upon completion of repayment by the borrower of the loan or payment by the Secretary pursuant to section 437.

(b) ADDITIONAL INFORMATION.—Such agreements may also provide for the disclosure by such consumer reporting agencies to the Secretary or a guaranty agency, whichever insures or guarantees a loan, upon receipt of a notice under subsection (a)(4) that such a loan is in default, of information concerning the borrower’s location or other information which may assist the Secretary, the guar-
(c) CONTENTS OF AGREEMENTS.—Agreements entered into pursuant to this section shall contain such provisions as may be necessary to ensure that—

1. no information is disclosed by the Secretary or the guaranty agency, eligible lender, or subsequent holder unless its accuracy and completeness have been verified and the Secretary or the guaranty agency has determined that disclosure would accomplish the purpose of this section;

2. as to any information so disclosed, such consumer reporting agencies will be promptly notified of, and will promptly record, any change submitted by the Secretary, the guaranty agency, eligible lender, or subsequent holder with respect to such information, or any objections by the borrower with respect to any such information, as required by section 611 of the Fair Credit Reporting Act (15 U.S.C. 1681i);

3. no use will be made of any such information which would result in the use of collection practices with respect to such a borrower that are not fair and reasonable or that involve harassment, intimidation, false or misleading representations, or unnecessary communication concerning the existence of such loan or concerning any such information; and

4. with regard to notices of default under subsection (a)(4) of this section, except for disclosures made to obtain the borrower’s location, the Secretary, or the guaranty agency, eligible lender, or subsequent holder whichever is applicable (A) shall not disclose any such information until the borrower has been notified that such information will be disclosed to consumer reporting agencies unless the borrower enters into repayment of his or her loan, but (B) shall, if the borrower has not entered into repayment within a reasonable period of time, but not less than 30 days, from the date such notice has been sent to the borrower, disclose the information required by this subsection.

(d) CONTRACTOR STATUS OF PARTICIPANTS.—A guaranty agency, eligible lender, or subsequent holder or consumer reporting agency which discloses or receives information under this section shall not be considered a Government contractor within the meaning of section 552a of title 5, United States Code.

(e) DISCLOSURE TO INSTITUTIONS.—The Secretary and each guaranty agency, eligible lender, and subsequent holder of a loan are authorized to disclose information described in subsections (a) and (b) concerning student borrowers to the eligible institutions such borrowers attend or previously attended. To further the purpose of this section, an eligible institution may enter into an arrangement with any or all of the holders of delinquent loans made to borrowers who attend or previously attended such institution for the purpose of providing current information regarding the borrower’s location or employment or for the purpose of assisting the holder in contacting and influencing borrowers to avoid default.

(f) DURATION OF AUTHORITY.—Notwithstanding paragraphs (4) and (5) of subsection (a) of section 605 of the Fair Credit Reporting Act (15 U.S.C. 1681c (a)(4), (a)(5)), a consumer reporting agency may make a report containing information received from the Sec-
retary or a guaranty agency, eligible lender, or subsequent holder regarding the status of a borrower's defaulted account on a loan guaranteed under this part until—

(1) 7 years from the date on which the Secretary or the agency paid a claim to the holder on the guaranty;
(2) 7 years from the date the Secretary, guaranty agency, eligible lender, or subsequent holder first reported the account to the consumer reporting agency; or
(3) in the case of a borrower who reenters repayment after defaulting on a loan and subsequently goes into default on such loan, 7 years from the date the loan entered default such subsequent time.

SEC. 431. [20 U.S.C. 1081] INSURANCE FUND.

(a) E STABLISHMENT.—There is hereby established a student loan insurance fund (hereinafter in this section called the "fund") which shall be available without fiscal year limitation to the Secretary for making payments in connection with the default of loans insured by the Secretary under this part, or in connection with payments under a guaranty agreement under section 428(c). All amounts received by the Secretary as premium charges for insurance and as receipts, earnings, or proceeds derived from any claim or other assets acquired by the Secretary in connection with operations under this part, any excess advances under section 422, and any other moneys, property, or assets derived by the Secretary from operations in connection with this section, shall be deposited in the fund. All payments in connection with the default of loans insured by the Secretary under this part, or in connection with such guaranty agreements shall be paid from the fund. Moneys in the fund not needed for current operations under this section may be invested in bonds or other obligations guaranteed as to principal and interest by the United States.

(b) BORROWING AUTHORITY.—If at any time the moneys in the fund are insufficient to make payments in connection with the default of any loan insured by the Secretary under this part, or in connection with any guaranty agreement made under section 428(c), the Secretary is authorized, to the extent provided in advance by appropriations Acts, to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any
of the notes or other obligations acquired under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. Sums borrowed under the subsection shall be deposited in the fund and redemption of such notes and obligations shall be made by the Secretary from such fund.

(a) GENERAL POWERS.—In the performance of, and with respect to, the functions, powers, and duties, vested in him by this part, the Secretary may—

(1) prescribe such regulations as may be necessary to carry out the purposes of this part, including regulations applicable to third party servicers (including regulations concerning financial responsibility standards for, and the assessment of liabilities for program violations against, such servicers) to establish minimum standards with respect to sound management and accountability of programs under this part, except that in no case shall damages be assessed against the United States for the actions or inactions of such servicers;

(2) sue and be sued in any court of record of a State having general jurisdiction or in any district court of the United States, and such district courts shall have jurisdiction of civil actions arising under this part without regard to the amount in controversy, and action instituted under this subsection by or against the Secretary shall survive notwithstanding any change in the person occupying the office of Secretary or any vacancy in that office; but no attachment, injunction, garnishment, or other similar process, mesne or final, shall be issued against the Secretary or property under the Secretary's control and nothing herein shall be construed to except litigation arising out of activities under this part from the application of sections 509, 517, 547, and 2679 of title 28 of the United States Code;

(3) include in any contract for Federal loan insurance such terms, conditions, and covenants relating to repayment of principal and payment of interest, relating to the Secretary's obligations and rights to those of eligible lenders, and borrowers in case of default, and relating to such other matters as the Secretary determines to be necessary to assure that the purposes of this part will be achieved; and any term, condition, and covenant made pursuant to this paragraph or pursuant to any other provision of this part may be modified by the Secretary, after notice and opportunity for a hearing, if the Secretary finds that the modification is necessary to protect the United States from the risk of unreasonable loss;

(4) subject to the specific limitations in this part, consent to modification, with respect to rate of interest, time of payment of any installment of principal and interest or any portion thereof, or any other provision of any note or other instrument evidencing a loan which has been insured by the Secretary under this part;
enforce, pay, or compromise, any claim on, or arising because of, any such insurance or any guaranty agreement under section 428(c); and
(6) enforce, pay, compromise, waive, or release any right, title, claim, lien, or demand, however acquired, including any equity or any right of redemption.

(b) FINANCIAL OPERATIONS RESPONSIBILITIES.—The Secretary shall, with respect to the financial operations arising by reason of this part prepare annually and submit a budget program as provided for wholly owned Government corporations by chapter 91 of title 31, United States Code. The transactions of the Secretary, including the settlement of insurance claims and of claims for payments pursuant to section 428, and transactions related thereto and vouchers approved by the Secretary in connection with such transactions, shall be final and conclusive upon all accounting and other officers of the Government. The Secretary may not enter into any settlement of any claim under this title that exceeds $1,000,000 unless—

(1) the Secretary requests a review of the proposed settlement of such claim by the Attorney General; and
(2) the Attorney General responds to such request, which may include, at the Attorney General's discretion, a written opinion related to such proposed settlement.

(c) DATA COLLECTION.—
(1) COLLECTION BY CATEGORY OF LOAN.—(A) For loans insured after December 31, 1976, or in the case of each insurer after such earlier date where the data required by this subsection are available, the Secretary and all other insurers under this part shall collect and accumulate all data relating to (i) loan volume insured and (ii) defaults reimbursed or default rates according to the categories of loans listed in subparagraph (B) of this paragraph.

(B) The data indicated in subparagraph (A) of this paragraph shall be accumulated according to the category of lender making the loan and shall be accumulated separately for lenders who are (i) eligible institutions, (ii) State or private, non-profit direct lenders, (iii) commercial financial institutions who are banks, savings and loan associations, or credit unions, and (iv) all other types of institutions or agencies.

(C) The Secretary may designate such additional subcategories within the categories specified in subparagraph (B) of this paragraph as the Secretary deems appropriate.

(D) The category or designation of a loan shall not be changed for any reason, including its purchase or acquisition by a lender of another category.

(2) COLLECTION AND REPORTING REQUIREMENTS.—(A) The Secretary shall collect data under this subsection from all insurers under this part and shall publish not less often than once every fiscal year a report showing loan volume guaranteed and default data for each category specified in subparagraph (B) of paragraph (1) of this subsection and for the total of all lenders.

(B) The reports specified in subparagraph (A) of this paragraph shall include a separate report for each insurer under
this part including the Secretary, and where an insurer insures loans for lenders in more than one State, such insurer's report shall list all data separately for each State.

(3) INSTITUTIONAL, PUBLIC, OR NONPROFIT LENDERS.—For purposes of clarity in communications, the Secretary shall separately identify loans made by the lenders referred to in clause (i) and loans made by the lenders referred to in clause (ii) of paragraph (1)(B) of this subsection.

d) DELEGATION.—

(1) REGIONAL OFFICES.—The functions of the Secretary under this part listed in paragraph (2) of this subsection may be delegated to employees in the regional office of the Department.

(2) DELEGABLE FUNCTIONS.—The functions which may be delegated pursuant to this subsection are—

(A) reviewing applications for loan insurance under section 429 and issuing contracts for Federal loan insurance, certificates of insurance, and certificates of comprehensive insurance coverage to eligible lenders which are financial or credit institutions subject to examination and supervision by an agency of the United States or of any State;

(B) receiving claims for payments under section 430(a), examining those claims, and pursuant to regulations of the Secretary, approving claims for payment, or requiring lenders to take additional collection action as a condition for payment of claims; and

(C) certifying to the central office when collection of defaulted loans has been completed, compromising or agreeing to the modification of any Federal claim against a borrower (pursuant to regulations of the Secretary issued under section 432(a)), and recommending litigation with respect to any such claim.

(e) USE OF INFORMATION ON BORROWERS.—Notwithstanding any other provision of law, the Secretary may provide to eligible lenders, and to any guaranty agency having a guaranty agreement under section 428(c)(1), any information with respect to the names and addresses of borrowers or other relevant information which is available to the Secretary, from whatever source such information may be derived.

(f) AUDIT OF FINANCIAL TRANSACTIONS.—

(1) COMPTROLLER GENERAL AND INSPECTOR GENERAL AUTHORITY.—The Comptroller General and the Inspector General of the Department of Education shall each have the authority to conduct an audit of the financial transactions of—

(A) any guaranty agency operating under an agreement with the Secretary pursuant to section 428(b);

(B) any eligible lender as defined in section 435(d)(1); and

(C) a representative sample of eligible lenders under this part, upon the request of either of the authorizing committees, with respect to the payment of the special allowance under section 438 in order to evaluate the program authorized by this part.
(2) Access to records.—For the purpose of carrying out this subsection, the records of any entity described in subparagraph (A), (B), (C), or (D) of paragraph (1) shall be available to the Comptroller General and the Inspector General of the Department of Education. For the purpose of section 716(c) of title 31, United States Code, such records shall be considered to be records to which the Comptroller General has access by law, and for the purpose of section 6(a)(4) of the Inspector General Act of 1978, such records shall be considered to be records necessary in the performance of functions assigned by that Act to the Inspector General.

(3) Definition of records.—For the purpose of this subsection, the term “record” includes any information, document, report, answer, account, paper, or other data or documentary evidence.

(4) Audit procedures.—In conducting audits pursuant to this subsection, the Comptroller General and the Inspector General of the Department of Education shall audit the records to determine the extent to which they, at a minimum, comply with Federal statutes, and rules and regulations prescribed by the Secretary, in effect at the time that the record was made, and in no case shall the Comptroller General or the Inspector General apply subsequently determined standards, procedures, or regulations to the records of such agency, lender, or Authority.

(g) Civil penalties.—

(1) Authority to impose penalties.—Upon determination, after reasonable notice and opportunity for a hearing, that a lender or a guaranty agency—

(A) has violated or failed to carry out any provision of this part or any regulation prescribed under this part, or

(B) has engaged in substantial misrepresentation of the nature of its financial charges,

the Secretary may impose a civil penalty upon such lender or agency of not to exceed $25,000 for each violation, failure, or misrepresentation.

(2) Limitations.—No civil penalty may be imposed under paragraph (1) of this subsection unless the Secretary determines that—

(A) the violation, failure, or substantial misrepresentation referred to in that paragraph resulted from a violation, failure, or misrepresentation that is material; and

(B) the lender or guaranty agency knew or should have known that its actions violated or failed to carry out the provisions of this part or the regulations thereunder.

(3) Correction of failure.—A lender or guaranty agency has no liability under paragraph (1) of this subsection if, prior to the notification by the Secretary under that paragraph, the lender or guaranty agency cures or corrects the violation or failure or notifies the person who received the substantial misrepresentation of the actual nature of the financial charges involved.

(4) Consideration as single violation.—For the purpose of paragraph (1) of this subsection, violations, failures, or sub-
substantial misrepresentations arising from a specific practice of a lender or guaranty agency, and occurring prior to notification by the Secretary under that paragraph, shall be deemed to be a single violation, failure, or substantial misrepresentation even if the violation, failure, or substantial misrepresentation affects more than one loan or more than one borrower, or both. The Secretary may only impose a single civil penalty for each such violation, failure, or substantial misrepresentation.

(5) Assignees not liable for violations by others.—If a loan affected by a violation, failure, or substantial misrepresentation is assigned to another holder, the lender or guaranty agency responsible for the violation, failure, or substantial misrepresentation shall remain liable for any civil money penalty provided for under paragraph (1) of this subsection, but the assignee shall not be liable for any such civil money penalty.

(6) Compromise.—Until a matter is referred to the Attorney General, any civil penalty under paragraph (1) of this subsection may be compromised by the Secretary. In determining the amount of such penalty, or the amount agreed upon in compromise, the Secretary shall consider the appropriateness of the penalty to the resources of the lender or guaranty agency subject to the determination; the gravity of the violation, failure, or substantial misrepresentation; the frequency and persistence of the violation, failure, or substantial misrepresentation; and the amount of any losses resulting from the violation, failure, or substantial misrepresentation. The amount of such penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the United States to the lender or agency charged, unless the lender or agency has, in the case of a final agency determination, commenced proceedings for judicial review within 90 days of the determination, in which case the deduction may not be made during the pendency of the proceeding.

(h) Authority of the Secretary to impose and enforce limitations, suspensions, and terminations.—

(1) Imposition of sanctions.—(A) If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that the eligible lender—

(i) has substantially failed—

(I) to exercise reasonable care and diligence in the making and collecting of loans under the provisions of this part,

(II) to make the reports or statements under section 428(a)(4), or

(III) to pay the required loan insurance premiums to any guaranty agency, or

(ii) has engaged in—

(I) fraudulent or misleading advertising or in solicitations that have resulted in the making of loans insured or guaranteed under this part to borrowers who are ineligible; or

(II) the practice of making loans that violate the certification for eligibility provided in section 428,
the Secretary shall limit, suspend, or terminate that lender from participation in the insurance programs operated by guaranty agencies under this part.

(B) The Secretary shall not lift any such limitation, suspension, or termination until the Secretary is satisfied that the lender’s failure under subparagraph (A)(i) of this paragraph or practice under subparagraph (A)(ii) of this paragraph has ceased and finds that there are reasonable assurances that the lender will—

(i) exercise the necessary care and diligence,

(ii) comply with the requirements described in subparagraph (A)(i), or

(iii) cease to engage in the practices described in subparagraph (A)(ii),

as the case may be.

(2) REVIEW OF SANCTIONS ON LENDERS.—(A) The Secretary shall review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(U) within 60 days after receipt by the Secretary of a notice from the guaranty agency of the imposition of such limitation, suspension, or termination, unless the right to such review is waived in writing by the lender. The Secretary shall uphold the imposition of such limitation, suspension, or termination in the student loan insurance program of each of the guaranty agencies under this part, and shall notify such guaranty agencies of such sanction—

(i) if such review is waived; or

(ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

(B) The Secretary’s review under this paragraph of the limitation, suspension, or termination imposed by a guaranty agency pursuant to section 428(b)(1)(U) shall be limited to—

(i) a review of the written record of the proceedings in which the guaranty agency imposed such sanctions; and

(ii) a determination as to whether the guaranty agency complied with section 428(b)(1)(U) and any notice and hearing requirements prescribed in regulations of the Secretary under this part.

(C) The Secretary shall not lift any such sanction until the Secretary is satisfied that the lender has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the lender will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such sanction.

(3) REVIEW OF SANCTIONS ON ELIGIBLE INSTITUTIONS.—(A) The Secretary shall review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(T) within 60 days after receipt by the Secretary of a notice from the guaranty of the imposition of such limitation, suspension, or termination, unless the right to such review is waived in writing by the institution. The Secretary shall up-
hold the imposition of such limitation, suspension, or termination in the student loan insurance program of each of the guaranty agencies under this part, and shall notify such guaranty agencies of such sanctions—

(i) if such review is waived; or

(ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

(B) The Secretary’s review under this paragraph of the limitation, suspension, or termination imposed by a guaranty agency pursuant to section 428(b)(1)(T) shall be limited to—

(i) a review of the written record of the proceedings in which the guaranty agency imposed such sanctions; and

(ii) a determination as to whether the guaranty agency complied with section 428(b)(1)(T) and any notice and hearing requirements prescribed in regulations of the Secretary under this part.

(C) The Secretary shall not lift any such sanction until the Secretary is satisfied that the institution has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the institution will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such sanction.

(i) Authority to Sell Defaulted Loans.—In the event that all other collection efforts have failed, the Secretary is authorized to sell defaulted student loans assigned to the United States under this part to collection agencies, eligible lenders, guaranty agencies, or other qualified purchaser on such terms as the Secretary determines are in the best financial interests of the United States. A loan may not be sold pursuant to this subsection if such loan is in repayment status.

(j) Authority of the Secretary To Take Emergency Actions Against Lenders.—

(1) Imposition of Sanctions.—If the Secretary—

(A) receives information, determined by the Secretary to be reliable, that a lender is violating any provision of this title, any regulation prescribed under this title, or any applicable special arrangement, agreement, or limitation;

(B) determines that immediate action is necessary to prevent misuse of Federal funds; and

(C) determines that the likelihood of loss outweighs the importance of following the limitation, suspension, or termination procedures authorized in subsection (h);

the Secretary shall, effective on the date on which a notice and statement of the basis of the action is mailed to the lender (by registered mail, return receipt requested), take emergency action to stop the issuance of guarantee commitments and the payment of interest benefits and special allowance to the lender.

(2) Length of Emergency Action.—An emergency action under this subsection may not exceed 30 days unless a limitation, suspension, or termination proceeding is initiated against
the lender under subsection (h) before the expiration of that period.

(3) OPPORTUNITY TO SHOW CAUSE.—The Secretary shall provide the lender, if it so requests, an opportunity to show cause that the emergency action is unwarranted.

(k) PROGRAM OF ASSISTANCE FOR BORROWERS.—

(1) IN GENERAL.—The Secretary shall undertake a program to encourage corporations and other private and public employers, including the Federal Government, to assist borrowers in repaying loans received under this title, including providing employers with options for payroll deduction of loan payments and offering loan repayment matching provisions as part of employee benefit packages.

(2) PUBLICATION.—The Secretary shall publicize models for providing the repayment assistance described in paragraph (1) and each year select entities that deserve recognition, through means devised by the Secretary, for the development of innovative plans for providing such assistance to employees.

(3) RECOMMENDATION.—The Secretary shall recommend to the appropriate committees in the Senate and House of Representatives changes to statutes that could be made in order to further encourage such efforts.

(l) UNIFORM ADMINISTRATIVE AND CLAIMS PROCEDURES.—

(1) IN GENERAL.—The Secretary shall, by regulation developed in consultation with guaranty agencies, lenders, institutions of higher education, secondary markets, students, third party servicers and other organizations involved in providing loans under this part, prescribe standardized forms and procedures regarding—

(A) origination of loans;
(B) electronic funds transfer;
(C) guaranty of loans;
(D) deferments;
(E) forbearance;
(F) servicing;
(G) claims filing;
(H) borrower status change and anticipated graduation date; and
(I) cures.

(2) SPECIAL RULES.—(A) The forms and procedures described in paragraph (1) shall include all aspects of the loan process as such process involves eligible lenders and guaranty agencies and shall be designed to minimize administrative costs and burdens (other than the costs and burdens involved in the transition to new forms and procedures) involved in exchanges of data to and from borrowers, schools, lenders, secondary markets, and the Department.

(B) Nothing in this paragraph shall be construed to limit the development of electronic forms and procedures.

(3) SIMPLIFICATION REQUIREMENTS.—Such regulations shall include—

(A) standardization of computer formats, forms design, and guaranty agency procedures relating to the origin-
tion, servicing, and collection of loans made under this part;

(B) authorization of alternate means of document retention, including the use of microfilm, microfiche, laser disc, compact disc, and other methods allowing the production of a facsimile of the original documents;

(C) authorization of the use of computer or similar electronic methods of maintaining records relating to the performance of servicing, collection, and other regulatory requirements under this Act; and

(D) authorization and implementation of electronic data linkages for the exchange of information to and from lenders, guarantors, institutions of higher education, third party servicers, and the Department of Education for student status confirmation reports, claim filing, interest and special allowance billing, deferment processing, and all other administrative steps relating to loans made pursuant to this part where using electronic data linkage is feasible.

(4) ADDITIONAL RECOMMENDATIONS.—The Secretary shall review regulations prescribed pursuant to paragraph (1) and seek additional recommendations from guaranty agencies, lenders, institutions of higher education, students, secondary markets, third party servicers and other organizations involved in providing loans under this part, not less frequently than annually, for additional methods of simplifying and standardizing the administration of the programs authorized by this part.

(m) COMMON FORMS AND FORMATS.—

(1) COMMON GUARANTEED STUDENT LOAN APPLICATION FORM AND PROMISSORY NOTE.—

(A) IN GENERAL.—The Secretary, in cooperation with representatives of guaranty agencies, eligible lenders, and organizations involved in student financial assistance, shall prescribe common application forms and promissory notes, or master promissory notes, to be used for applying for loans under part B of this title.

(B) REQUIREMENTS.—The forms prescribed by the Secretary shall—

(i) use clear, concise, and simple language to facilitate understanding of loan terms and conditions by applicants; and

(ii) be formatted to require the applicant to clearly indicate a choice of lender.

(C) FREE APPLICATION FORM.—For academic year 1999–2000 and succeeding academic years, the Secretary shall prescribe the form developed under section 483 as the application form under this part, other than for loans under sections 428B and 428C.

(D) MASTER PROMISSORY NOTE.—

(i) IN GENERAL.—The Secretary shall develop and require the use of master promissory note forms for loans made under this part and part D. Such forms shall be available for periods of enrollment beginning not later than July 1, 2000. Each form shall allow eligible borrowers to receive, in addition to initial loans,
additional loans for the same or subsequent periods of enrollment through a student confirmation process approved by the Secretary. Such forms shall be used for loans made under this part or part D as directed by the Secretary. Unless otherwise notified by the Secretary, each institution of higher education that participates in the program under this part or part D may use a master promissory note for loans under this part and part D.

(ii) Consultation.—In developing the master promissory note under this subsection, the Secretary shall consult with representatives of guaranty agencies, eligible lenders, institutions of higher education, students, and organizations involved in student financial assistance.

(iii) Sale; assignment; enforceability.—Notwithstanding any other provision of law, each loan made under a master promissory note under this subsection may be sold or assigned independently of any other loan made under the same promissory note and each such loan shall be separately enforceable in all Federal and State courts on the basis of an original or copy of the master promissory note in accordance with the terms of the master promissory note.

(E) Perfection of Security Interests in Student Loans.—

(i) In general.—Notwithstanding the provisions of any State law to the contrary, including the Uniform Commercial Code as in effect in any State, a security interest in loans made under this part, on behalf of any eligible lender (as defined in section 435(d)) shall attach, be perfected, and be assigned priority in the manner provided by the applicable State’s law for perfection of security interests in accounts, as such law may be amended from time to time (including applicable transition provisions). If any such State’s law provides for a statutory lien to be created in such loans, such statutory lien may be created by the entity or entities governed by such State law in accordance with the applicable statutory provisions that created such a statutory lien.

(ii) Collateral description.—In addition to any other method for describing collateral in a legally sufficient manner permitted under the laws of the State, the description of collateral in any financing statement filed pursuant to this subparagraph shall be deemed legally sufficient if it lists such loans, or refers to records (identifying such loans) retained by the secured party or any designee of the secured party identified in such financing statement, including the debtor or any loan servicer.

(iii) Sales.—Notwithstanding clauses (i) and (ii) and any provisions of any State law to the contrary, other than any such State’s law providing for creation
of a statutory lien, an outright sale of loans made under this part shall be effective and perfected automatically upon attachment as defined in the Uniform Commercial Code of such State.

(2) **COMMON DEFERMENT FORM.**—The Secretary, in cooperation with representatives of guaranty agencies, institutions of higher education, and lenders involved in loans made under part B of this title, shall prescribe a common deferment reporting form to be used for the processing of deferments of loans made under this title.

(3) **COMMON REPORTING FORMATS.**—The Secretary shall promulgate standards including necessary rules, regulations (including the definitions of all relevant terms), and procedures so as to require all lenders and guaranty agencies to report information on all aspects of loans made under this part in uniform formats, so as to permit the direct comparison of data submitted by individual lenders, servicers, or guaranty agencies.

(4) **ELECTRONIC FORMS.**—Nothing in this section shall be construed to limit the development and use of electronic forms and procedures.

(n) **DEFAULT REDUCTION MANAGEMENT.**—

(1) **AUTHORIZATION.**—There are authorized to be appropriated $25,000,000 for fiscal year 1999 and each of the four succeeding fiscal years, for the Secretary to expend for default reduction management activities for the purposes of establishing a performance measure that will reduce defaults by 5 percent relative to the prior fiscal year. Such funds shall be in addition to, and not in lieu of, other appropriations made for such purposes.

(2) **ALLOWABLE ACTIVITIES.**—Allowable activities for which such funds shall be expended by the Secretary shall include the following: (A) program reviews; (B) audits; (C) debt management programs; (D) training activities; and (E) such other management improvement activities approved by the Secretary.

(3) **PLAN FOR USE REQUIRED.**—The Secretary shall submit a plan, for inclusion in the materials accompanying the President’s budget each fiscal year, detailing the expenditure of funds authorized by this section to accomplish the 5 percent reduction in defaults. At the conclusion of the fiscal year, the Secretary shall report the Secretary’s findings and activities concerning the expenditure of funds and whether the performance measure was met. If the performance measure was not met, the Secretary shall report the following:

(A) why the goal was not met, including an indication of any managerial deficiencies or of any legal obstacles;

(B) plans and a schedule for achieving the established performance goal;

(C) recommended legislative or regulatory changes necessary to achieve the goal; and

(D) if the performance standard or goal is impractical or infeasible, why that is the case and what action is rec-
ommended, including whether the goal should be changed or the program altered or eliminated. This report shall be submitted to the Appropriations Committees of the House of Representatives and the Senate and to the authorizing committees.

(o) CONSEQUENCES OF GUARANTY AGENCY INSOLVENCY.—In the event that the Secretary has determined that a guaranty agency is unable to meet its insurance obligations under this part, the holder of loans insured by the guaranty agency may submit insurance claims directly to the Secretary and the Secretary shall pay to the holder the full insurance obligation of the guaranty agency, in accordance with insurance requirements no more stringent than those of the guaranty agency. Such arrangements shall continue until the Secretary is satisfied that the insurance obligations have been transferred to another guarantor who can meet those obligations or a successor will assume the outstanding insurance obligations.

(p) REPORTING REQUIREMENT.—All officers and directors, and those employees and paid consultants of eligible institutions, eligible lenders, guaranty agencies, loan servicing agencies, accrediting agencies or associations, State licensing agencies or boards, and entities acting as secondary markets (including the Student Loan Marketing Association), who are engaged in making decisions as to the administration of any program or funds under this title or as to the eligibility of any entity or individual to participate under this title, shall report to the Secretary, in such manner and at such time as the Secretary shall require, on any financial interest which such individual may hold in any other entity participating in any program assisted under this title.

The requirement of this subsection shall be in addition to the information required by subsection (a) of this section.

(d) SPECIAL DISCLOSURE RULES ON PLUS LOANS, AND UNSUBSIDIZED LOANS.—Loans made under sections 428B and 428H shall not be subject to the disclosure of projected monthly payment
amounts required under subsection (b)(7) if the lender, in lieu of such disclosure, provides the borrower with sample projections of monthly repayment amounts, assuming different levels of borrowing and interest accruals resulting from capitalization of interest while the borrower, or the student on whose behalf the loan is made, is in school, in simple and understandable terms. Such sample projections shall disclose the cost to the borrower of—

(D) Discharge options to which the borrower may be entitled.

(E) Additional resources, including nonprofit organizations, advocates, and counselors (including the Student Loan Ombudsman of the Department), of which the lender is aware, where the borrower can receive advice and assistance on loan repayment.

(f) COST OF DISCLOSURE AND CONSEQUENCES OF NONDISCLOSURE.—

(1) NO COST TO BORROWERS.—The information required under this section shall be available without cost to the borrower.

(2) CONSEQUENCES OF NONDISCLOSURE.—The failure of an eligible lender to provide information as required by this section shall not—

(A) relieve a borrower of the obligation to repay a loan in accordance with the loan's terms; or

(B) provide a basis for a claim for civil damages.

(3) RULE OF CONSTRUCTION.—Nothing in this section shall be construed as subjecting the lender to the Truth in Lending Act with regard to loans made under this part.

(4) ACTIONS BY THE SECRETARY.—The Secretary may limit, suspend, or terminate the continued participation of an eligible lender in making loans under this part for failure by that lender to comply with this section.

(a) IN GENERAL.—Each guaranty agency participating in a program under this part, working with the institutions of higher education served by such guaranty agency, shall develop and make available high-quality educational programs and materials to provide training for students and families in budgeting and financial management, including debt management and other aspects of financial literacy, such as the cost of using high interest loans to pay for postsecondary education, particularly as budgeting and financial management relates to student loan programs authorized by this title. Such programs and materials shall be in formats that are
simple and understandable to students and families, and shall be provided before, during, and after the students’ enrollment in an institution of higher education. The activities described in this section shall be considered default reduction activities for the purposes of section 422.

(b) Rule of Construction.—Nothing in this section shall be construed to prohibit—

(1) a guaranty agency from using existing activities, programs, and materials in meeting the requirements of this section;

(2) a guaranty agency from providing programs or materials similar to the programs or materials described in subsection (a) to an institution of higher education that provides loans exclusively through part D; or

(3) a lender or loan servicer from providing outreach or financial aid literacy information in accordance with subsection (a).

SEC. 434. [20 U.S.C. 1084] PARTICIPATION BY FEDERAL CREDIT UNIONS IN FEDERAL, STATE, AND PRIVATE STUDENT LOAN INSURANCE PROGRAMS.

Notwithstanding any other provision of law, Federal credit unions shall, pursuant to regulations of the National Credit Union Administration, have power to make insured loans to student members in accordance with the provisions of this part relating to federally insured loans, or in accordance with the provisions of any State or nonprofit private student loan insurance program which meets the requirements of section 428(a)(1)(B).

As used in this part:

(a) Eligible Institution.—

(1) In General.—Except as provided in paragraph (2), the term “eligible institution” means an institution of higher education, as defined in section 102, except that, for the purposes of sections 427(a)(2)(C)(i) and 428(b)(1)(M)(i), an eligible institution includes any institution that is within this definition without regard to whether such institution is participating in any program under this title and includes any institution ineligible for participation in any program under this part pursuant to paragraph (2) of this subsection.

(2) Ineligibility Based on High Default Rates.—(A) An institution whose cohort default rate is equal to or greater than the threshold percentage specified in subparagraph (B) for each of the three most recent fiscal years for which data are available shall not be eligible to participate in a program under this part for the fiscal year for which the determination is made and for the two succeeding fiscal years, unless, within 30 days of receiving notification from the Secretary of the loss of eligibility under this paragraph, the institution appeals the loss of its eligibility to the Secretary. The Secretary shall issue a decision on any such appeal within 45 days after its submission. Such decision may permit the institution to continue to participate in a program under this part if—
(i) the institution demonstrates to the satisfaction of the Secretary that the Secretary’s calculation of its cohort default rate is not accurate, and that recalculation would reduce its cohort default rate for any of the three fiscal years below the threshold percentage specified in subparagraph (B);

(ii) there are exceptional mitigating circumstances within the meaning of paragraph (5); or

(iii) there are, in the judgment of the Secretary, other exceptional mitigating circumstances that would make the application of this paragraph inequitable.

If an institution continues to participate in a program under this part, and the institution’s appeal of the loss of eligibility is unsuccessful, the institution shall be required to pay to the Secretary an amount equal to the amount of interest, special allowance, reinsurance, and any related payments made by the Secretary (or which the Secretary is obligated to make) with respect to loans made under this part to students attending, or planning to attend, that institution during the pendency of such appeal. During such appeal, the Secretary may permit the institution to continue to participate in a program under this part.

(B) For purposes of determinations under subparagraph (A), the threshold percentage is—

(i) 35 percent for fiscal year 1991 and 1992;

(ii) 30 percent for fiscal year 1993;

(iii) 25 percent for fiscal year 1994 through fiscal year 2011; and

(iv) 30 percent for fiscal year 2012 and any succeeding fiscal year.

(C) Until July 1, 1999, this paragraph shall not apply to any institution that is—

(i) a part B institution within the meaning of section 322(2) of this Act;

(ii) a tribally controlled college or university, as defined in section 2(a)(4) of the Tribally Controlled Colleges and Universities Assistance Act of 1978; or

(iii) a Navajo Community College under the Navajo Community College Act.

(D) Notwithstanding the first sentence of subparagraph (A), the Secretary shall restore the eligibility to participate in a program under subpart 1 of part A, part B, or part D of an institution that did not appeal its loss of eligibility within 30 days of receiving notification if the Secretary determines, on a case-by-case basis, that the institution’s failure to appeal was substantially justified under the circumstances, and that—

(i) the institution made a timely request that the appropriate guaranty agency correct errors in the draft data used to calculate the institution’s cohort default rate;

(ii) the guaranty agency did not correct the erroneous data in a timely fashion; and
(iii) the institution would have been eligible if the erroneous data had been corrected by the guaranty agency.

(3) APPEALS FOR REGULATORY RELIEF.—An institution whose cohort default rate, calculated in accordance with subsection (m), is equal to or greater than the threshold percentage specified in paragraph (2)(B)(iv) for any two consecutive fiscal years may, not later than 30 days after the date the institution receives notification from the Secretary, file an appeal demonstrating exceptional mitigating circumstances, as defined in paragraph (5). The Secretary shall issue a decision on any such appeal not later than 45 days after the date of submission of the appeal. If the Secretary determines that the institution demonstrates exceptional mitigating circumstances, the Secretary may not subject the institution to provisional certification based solely on the institution's cohort default rate.

(4) APPEALS BASED UPON ALLEGATIONS OF IMPROPER LOAN SERVICING.—An institution that—

(A) is subject to loss of eligibility for the Federal Family Education Loan Program pursuant to paragraph (2)(A) of this subsection;

(B) is subject to loss of eligibility for the Federal Supplemental Loans for Students pursuant to section 428A(a)(2); or

(C) is an institution whose cohort default rate equals or exceeds 20 percent for the most recent year for which data are available;

may include in its appeal of such loss or rate a defense based on improper loan servicing (in addition to other defenses). In any such appeal, the Secretary shall take whatever steps are necessary to ensure that such institution has access for a reasonable period of time, not to exceed 30 days, to a representative sample (as determined by the Secretary) of the relevant loan servicing and collection records used by a guaranty agency in determining whether to pay a claim on a defaulted loan or by the Department in determining an institution's default rate in the loan program under part D of this title. The Secretary shall reduce the institution's cohort default rate to reflect the percentage of defaulted loans in the representative sample that are required to be excluded pursuant to subsection (m)(1)(B).

(5) DEFINITION OF MITIGATING CIRCUMSTANCES.—(A) For purposes of this subsection, an institution of higher education shall be treated as having exceptional mitigating circumstances that make application of paragraph (2) inequitable, and that provide for regulatory relief under paragraph (3), if such institution, in the opinion of an independent auditor, meets the following criteria:

(i) For a 12-month period that ended during the 6 months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution's cohort default rate is determined, at least two-thirds of the students enrolled on at least a half-time basis at the institution—

(I) are eligible to receive a Federal Pell Grant award that is at least equal to one-half the Federal
Pell Grant amount, determined under section 401(b)(2)(A), for which a student would be eligible based on the student’s enrollment status; or

(II) have an adjusted gross income that when added with the adjusted gross income of the student’s parents (unless the student is an independent student), of less than the poverty level, as determined by the Department of Health and Human Services.

(ii) In the case of an institution of higher education that offers an associate, baccalaureate, graduate or professional degree, 70 percent or more of the institution’s regular students who were initially enrolled on a full-time basis and were scheduled to complete their programs during the same 12-month period described in clause (i)—

(I) completed the educational programs in which the students were enrolled;

(II) transferred from the institution to a higher level educational program;

(III) at the end of the 12-month period, remained enrolled and making satisfactory progress toward completion of the student’s educational programs; or

(IV) entered active duty in the Armed Forces of the United States.

(iii)(I) In the case of an institution of higher education that does not award a degree described in clause (ii), had a placement rate of 44 percent or more with respect to the institution’s former regular students who—

(aa) remained in the program beyond the point the students would have received a 100 percent tuition refund from the institution;

(bb) were initially enrolled on at least a half-time basis; and

(cc) were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period described in clause (i).

(II) The placement rate shall not include students who are still enrolled and making satisfactory progress in the educational programs in which the students were originally enrolled on the date following 12 months after the date of the student’s last date of attendance at the institution.

(III) The placement rate is calculated by determining the percentage of all those former regular students who—

(aa) are employed, in an occupation for which the institution provided training, on the date following 12 months after the date of their last day of attendance at the institution;

(bb) were employed, in an occupation for which the institution provided training, for at least 13 weeks before the date following 12 months after the date of their last day of attendance at the institution; or

(cc) entered active duty in the Armed Forces of the United States.
(IV) The placement rate shall not include as placements a student or former student for whom the institution is the employer.

(B) For purposes of determining a rate of completion and a placement rate under this paragraph, a student is originally scheduled, at the time of enrollment, to complete the educational program on the date when the student will have been enrolled in the program for the amount of time normally required to complete the program. The amount of time normally required to complete the program for a student who is initially enrolled full-time is the period of time specified in the institution’s enrollment contract, catalog, or other materials, for completion of the program by a full-time student. For a student who is initially enrolled less than full-time, the period is the amount of time it would take the student to complete the program if the student remained enrolled at that level of enrollment throughout the program.

(6) REDUCTION OF DEFAULT RATES AT CERTAIN MINORITY INSTITUTIONS.—

(A) BENEFICIARIES OF EXCEPTION REQUIRED TO ESTABLISH MANAGEMENT PLAN.—After July 1, 1999, any institution that has a cohort default rate that equals or exceeds 25 percent for each of the three most recent fiscal years for which data are available and that relies on the exception in subparagraph (B) to continue to be an eligible institution shall—

(i) submit to the Secretary a default management plan which the Secretary, in the Secretary’s discretion, after consideration of the institution’s history, resources, dollars in default, and targets for default reduction, determines is acceptable and provides reasonable assurance that the institution will, by July 1, 2004, have a cohort default rate that is less than 25 percent;

(ii) engage an independent third party (which may be paid with funds received under section 317 or part B of title III) to provide technical assistance in implementing such default management plan; and

(ii) Review by the Secretary.—The Secretary

(i) shall employ at least one person whose full-time responsibilities are limited to the administration of programs of financial aid for students attending such institution;

(ii) shall not be a home study school;

(iii) shall not—

(I) make a loan to any undergraduate student;

(4) WAIVER OF DISQUALIFICATION.—Whenever the Secretary determines that—

(A) there is reasonable possibility that an eligible institution may, within 1 year after a determination is made under paragraph (3), improve the collection of loans de-
scribed in section 428(a)(1), so that the application of paragraph (3) would be a hardship to that institution, or

(B) the termination of the lender's status under paragraph (3) would be a hardship to the present or for prospective students of the eligible institution, after considering the management of that institution, the ability of that institution to improve the collection of loans, the opportunities that institution offers to economically disadvantaged students, and other related factors,

the Secretary shall waive the provisions of paragraph (3) with respect to that institution. Any determination required under this paragraph shall be made by the Secretary prior to the termination of an eligible institution as a lender under the exception of paragraph (3). (E) performed for an institution of higher education any function that such institution of higher education is required to perform under this title, except that a lender shall be permitted to perform functions on behalf of such institution in accordance with section 485(b) or 485(l);

(F) paid, on behalf of an institution of higher education, another person to perform any function that such institution of higher education is required to perform under this title, except that a lender shall be permitted to perform functions on behalf of such institution in accordance with section 485(b) or 485(l);

(7) Eligible Lender Trustees.—Notwithstanding any other provision of this subsection, an eligible lender may not make or hold a loan under this part as trustee for an institution of higher education, or for an organization affiliated with an institution of higher education, unless—

(A) the eligible lender is serving as trustee for that institution or organization as of the date of enactment of the Third Higher Education Extension Act of 2006 under a contract that was originally entered into before the date of enactment of such Act and that continues in effect or is renewed after such date; and

(B) the institution or organization, and the eligible lender, with respect to its duties as trustee, each comply on and after January 1, 2007, with the requirements of paragraph (2), except that—

(i) the requirements of clauses (i), (ii), (vi), and (viii) of paragraph (2)(A) shall, subject to clause (ii) of this subparagraph, only apply to the institution (including both an institution for which the lender serves
as trustee and an institution affiliated with an organization for which the lender serves as trustee;

(ii) in the case of an organization affiliated with an institution—

(I) the requirements of clauses (iii) and (v) of paragraph (2)(A) shall apply to the organization; and

(II) the requirements of clause (viii) of paragraph (2)(A) shall apply to the institution or the organization (or both), if the institution or organization receives (directly or indirectly) the proceeds described in such clause;

(iii) the requirements of clauses (iv) and (ix) of paragraph (2)(A) shall not apply to the eligible lender, institution, or organization; and

(iv) the eligible lender, institution, and organization shall ensure that the loans made or held by the eligible lender as trustee for the institution or organization, as the case may be, are included in a compliance audit in accordance with clause (vii) of paragraph (2)(A).

(8) SCHOOL AS LENDER PROGRAM AUDIT.—Each institution serving as an eligible lender under paragraph (1)(E), and each eligible lender serving as a trustee for an institution of higher education or an organization affiliated with an institution of higher education, shall annually complete and submit to the Secretary a compliance audit to determine whether—

(A) the institution or lender is using all proceeds from special allowance payments and interest payments from borrowers, interest subsidies received from the Department, and any proceeds from the sale or other disposition of loans, for need-based grant programs, in accordance with paragraph (2)(A)(viii);

(B) the institution or lender is using not more than a reasonable portion of the proceeds described in paragraph (2)(A)(viii) for direct administrative expenses; and

(l) **DEFAULT.**—Except as provided in subsection (m), the term “default” includes only such defaults as have existed for (1) 270 days in the case of a loan which is repayable in monthly installments, or (2) 330 days in the case of a loan which is repayable in less frequent installments.

(m) **COHORT DEFAULT RATE.**—

(1) **In General.**—(A) Except as provided in paragraph (2), the term “cohort default rate” means, for any fiscal year in which 30 or more current and former students at the institution enter repayment on loans under section 428, 428A, or 428H, received for attendance at the institution, the percentage of those current and former students who enter repayment on such loans (or on the portion of a loan made under section 428C that is used to repay any such loans) received for attendance at that institution in that fiscal year who default before the end of the second fiscal year following the fiscal year in which the students entered repayment. The Secretary shall require that each guaranty agency that has insured loans for current or former students of the institution afford such institution a reasonable opportunity (as specified by the Secretary) to review and correct errors in the information required to be provided to the Secretary by the guaranty agency for the purposes of calculating a cohort default rate for such institution, prior to the calculation of such rate.

(B) In determining the number of students who default before the end of such second fiscal year, the Secretary shall include only loans for which the Secretary or a guaranty agency has paid claims for insurance. In considering appeals with respect to cohort default rates pursuant to subsection (a)(3), the Secretary shall exclude, from the calculation of the number of students who entered repayment and from the calculation of the number of students who default, any loans which, due to improper servicing or collection, would, as demonstrated by the evidence submitted in support of the institution’s timely appeal to the Secretary, result in an inaccurate or incomplete calculation of such cohort default rate.

(C) For any fiscal year in which fewer than 30 of the institution’s current and former students enter repayment, the term “cohort default rate” means the percentage of such current and former students who entered repayment on such loans.

(2) SPECIAL RULES.—(A) In the case of a student who has attended and borrowed at more than one school, the student (and such student's subsequent repayment or default) is attributed to each school for attendance at which the student received a loan that entered repayment in the fiscal year.

(B) A loan on which a payment is made by the school, such school's owner, agent, contractor, employee, or any other entity or individual affiliated with such school, in order to avoid default by the borrower, is considered as in default for purposes of this subsection.

(C) Any loan which has been rehabilitated before the end of the second fiscal year following the year in which the loan entered repayment is not considered as in default for purposes of this subsection. The Secretary may require guaranty agencies to collect data with respect to defaulted loans in a manner that will permit the identification of any defaulted loan for which (i) the borrower is currently making payments and has made not less than 6 consecutive on-time payments by the end of such second fiscal year, and (ii) a guaranty agency has renewed the borrower's title IV eligibility as provided in section 428F(b).

(D) For the purposes of this subsection, a loan made in accordance with section 428A (or the portion of a loan made under section 428C that is used to repay a loan made under section 428A) shall not be considered to enter repayment until after the borrower has ceased to be enrolled in a course of study leading to a degree or certificate at an eligible institution on at least a half-time basis (as determined by the institution) and ceased to be in a period of forbearance based on such enrollment. Each eligible lender of a loan made under section 428A (or a loan made under section 428C a portion of which is used to repay a loan made under section 428A) shall provide the guaranty agency with the information necessary to determine when the loan entered repayment for purposes of this subsection, and the guaranty agency shall provide such information to the Secretary.

(3) REGULATIONS TO PREVENT EVASIONS.—The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a default rate determination under this subsection through the use of such measures as branching, consolidation, change of ownership or control, or any similar device.

(4) COLLECTION AND REPORTING OF COHORT DEFAULT RATES AND LIFE OF COHORT DEFAULT RATES.—(A) The Secretary shall publish not less often than once every fiscal year a report showing cohort default data and life of cohort default rates for each category of institution, including: (i) four-year public institutions; (ii) four-year private nonprofit institutions; (iii) two-year public institutions; (iv) two-year private nonprofit institutions; (v) four-year proprietary institutions; (vi) two-year pro-
prietary institutions; and (vii) less than two-year proprietary institutions. For purposes of this subparagraph, for any fiscal year in which one or more current and former students at an institution enter repayment on loans under section 428, 428B, or 428H, received for attendance at the institution, the Secretary shall publish the percentage of those current and former students who enter repayment on such loans (or on the portion of a loan made under section 428C that is used to repay any such loans) received for attendance at the institution in that fiscal year who default before the end of each succeeding fiscal year.

(B) The Secretary may designate such additional subcategories within the categories specified in subparagraph (A) as the Secretary deems appropriate.

(C) The Secretary shall publish not less often than once every fiscal year a report showing default data for each institution for which a cohort default rate is calculated under this subsection.

(D) The Secretary shall publish the report described in subparagraph (C) by September 30 of each year.

(p) ELIGIBLE NOT-FOR-PROFIT HOLDER.—

(1) Definition.—Subject to the limitations in paragraph (2) and the prohibition in paragraph (3), the term “eligible not-for-profit holder” means an eligible lender under subsection (d) (except for an eligible lender described in subsection (d)(1)(E)) that requests a special allowance payment under section 438(b)(2)(I)(vi)(II) or a payment under section 781 and that is—

(ii) EXCEPTION.—Notwithstanding clause (i), a State may elect, in accordance with regulations of the Secretary, to waive the requirements of this subparagraph for a new not-for-profit holder determined by the State to be necessary to carry out a public purpose of such State, except that a State may not make such election with respect to the requirements of clause (i)(II).

(B) NO FOR-PROFIT OWNERSHIP OR CONTROL.—

(i) IN GENERAL.—No State, political subdivision, authority, agency, instrumentality, or other entity described in paragraph (1)(A), (B), or (C) shall be an eligible not-for-profit holder under this Act if such State, political subdivision, authority, agency, instrumentality, or other entity is owned or controlled, in whole or in part, by a for-profit entity.

(a) Repayment in Full for Death and Disability.—

(1) In General.—If a student borrower who has received a loan described in subparagraph (A) or (B) of section 428(a)(1) dies or becomes permanently and totally disabled (as determined in accordance with regulations of the Secretary), or if a student borrower who has received such a loan is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death, has lasted for a continuous period of not less than 60 months, or can be expected to last for a continuous period of not less than 60 months then the Secretary shall discharge the borrower's liability on the loan by repaying the amount owed on the loan. The Secretary may develop such safeguards as the Secretary determines necessary to prevent fraud and abuse in the discharge of liability under this subsection. Notwithstanding any other provision of this subsection, the Secretary may promulgate regulations to reinstate the obligation of, and resume collection on, loans discharged under this subsection in any case in which—

(A) a borrower received a discharge of liability under this subsection and after the discharge the borrower—

(i) receives a loan made, insured, or guaranteed under this title; or
(ii) has earned income in excess of the poverty line; or
(B) the Secretary determines the reinstatement and resumption to be necessary.

(2) DISABILITY DETERMINATIONS.—A borrower who has been determined by the Secretary of Veterans Affairs to be unemployable due to a service-connected condition and who provides documentation of such determination to the Secretary of Education, shall be considered permanently and totally disabled for the purpose of discharging such borrower's loans under this subsection, and such borrower shall not be required to present additional documentation for purposes of this subsection.

(3) AUTOMATIC INCOME MONITORING.—
(A) IN GENERAL.—The Secretary shall establish and implement, with respect to any borrower described in subparagraph (B), procedures to—
(i) use return information disclosed under section 6103(l)(13) of the Internal Revenue Code of 1986, pursuant to approval provided under section 494, to determine the borrower's continued eligibility for the loan discharge described in subparagraph (B);
(ii) allow the borrower, at any time, to opt out of disclosure under such section 6103(l)(13) and instead provide such information as the Secretary may require to determine the borrower's continued eligibility for such loan discharge; and
(iii) provide the borrower with an opportunity to update the return information so disclosed before determination of such borrower's continued eligibility for such loan discharge.
(B) APPLICABILITY.—Subparagraph (A) shall apply—
(i) to each borrower of a loan that is discharged due to the total and permanent disability (within the meaning of this subsection) of the borrower; and
(ii) during the period beginning on the date on which such loan is so discharged and ending on the first day on which such loan may no longer be reinstated.

(b) PAYMENT OF CLAIMS ON LOANS IN BANKRUPTCY.—The Secretary shall pay to the holder of a loan described in section 428(a)(1) (A) or (B), 428A, 428B, 428C, or 428H, the amount of the unpaid balance of principal and interest owed on such loan—
(1) when the borrower files for relief under chapter 12 or 13 of title 11, United States Code;
(2) when the borrower who has filed for relief under chapter 7 or 11 of such title commences an action for a determination of dischargeability under section 523(a)(8)(B) of such title; or
(3) for loans described in section 523(a)(8)(A) of such title, when the borrower files for relief under chapter 7 or 11 of such title.

(c) DISCHARGE.—
(1) IN GENERAL.—If a borrower who received, on or after January 1, 1986, a loan made, insured, or guaranteed under this part and the student borrower, or the student on whose behalf a parent borrowed, is unable to complete the program in which such student is enrolled due to the closure of the institution or if such student’s eligibility to borrow under this part was falsely certified by the eligible institution or was falsely certified as a result of a crime of identity theft, or if the institution failed to make a refund of loan proceeds which the institution owed to such student’s lender, then the Secretary shall discharge the borrower’s liability on the loan (including interest and collection fees) by repaying the amount owed on the loan and shall subsequently pursue any claim available to such borrower against the institution and its affiliates and principals or settle the loan obligation pursuant to the financial responsibility authority under subpart 3 of part H. In the case of a discharge based upon a failure to refund, the amount of the discharge shall not exceed that portion of the loan which should have been refunded. The Secretary shall report to the authorizing committees annually as to the dollar amount of loan discharges attributable to failures to make refunds.

(2) ASSIGNMENT.—A borrower whose loan has been discharged pursuant to this subsection shall be deemed to have assigned to the United States the right to a loan refund up to the amount discharged against the institution and its affiliates and principals.

(3) ELIGIBILITY FOR ADDITIONAL ASSISTANCE.—The period of a student’s attendance at an institution at which the student was unable to complete a course of study due to the closing of the institution shall not be considered for purposes of calculating the student’s period of eligibility for additional assistance under this title.

(4) SPECIAL RULE.—A borrower whose loan has been discharged pursuant to this subsection shall not be precluded from receiving additional grants, loans, or work assistance under this title for which the borrower would be otherwise eligible (but for the default on such discharged loan). The amount discharged under this subsection shall be treated the same as loans under section 465(a)(5) of this title.

(5) REPORTING.—The Secretary shall report to consumer reporting agencies with respect to loans which have been discharged pursuant to this subsection.

(d) REPAYMENT OF LOANS TO PARENTS.—If a student on whose behalf a parent has received a loan described in section 428B dies, then the Secretary shall discharge the borrower’s liability on the loan by repaying the amount owed on the loan.

[Section 437A repealed by P.L. 105–244, sec. 432, 112 Stat. 1710.]

(a) FINDINGS.—In order to assure (1) that the limitation on interest payments or other conditions (or both) on loans made or insured under this part, do not impede or threaten to impede the carrying out of the purposes of this part or do not cause the return...
to holders of loans to be less than equitable, (2) that incentive payments on such loans are paid promptly to eligible lenders, and (3) that appropriate consideration of relative administrative costs and money market conditions is made in setting the quarterly rate of such payments, the Congress finds it necessary to establish an improved method for the determination of the quarterly rate of the special allowances on such loans, and to provide for a thorough, expeditious, and objective examination of alternative methods for the determination of the quarterly rate of such allowances.

(b) COMPUTATION AND PAYMENT.—

(1) QUARTERLY PAYMENT BASED ON UNPAID BALANCE.—A special allowance shall be paid for each of the 3-month periods ending March 31, June 30, September 30, and December 31 of every year and the amount of such allowance paid to any holder with respect to any 3-month period shall be a percentage of the average unpaid balance of principal (not including unearned interest added to principal) of all eligible loans held by such holder during such period.

(2) RATE OF SPECIAL ALLOWANCE.—(A) Subject to subparagraphs (B), (C), (D), (E), (F), (G), (H), and (I) and paragraph (4), the special allowance paid pursuant to this subsection on loans shall be computed (i) by determining the average of the bond equivalent rates of 91-day Treasury bills auctioned for such 3-month period, (ii) by subtracting the applicable interest rate on such loans from such average, (iii) by adding 3.10 percent to the resultant percent, and (iv) by dividing the resultant percent by 4. If such computation produces a number less than zero, such loans shall be subject to section 427A(i).

(B)(i) The quarterly rate of the special allowance for holders of loans which were made or purchased with funds obtained by the holder from the issuance of obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1986 shall be one-half the quarterly rate of the special allowance established under subparagraph (A), except that, in determining the rate for the purpose of this clause, subparagraph (A)(iii) shall be applied by substituting “3.5 percent” for “3.10 percent”. Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the holder from collections or default reimbursements on, or interests or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds. This subparagraph shall not apply to loans which were made or insured prior to October 1, 1980.

(ii) The quarterly rate of the special allowance set under clause (i) of this subparagraph shall not be less than 9.5 percent minus the applicable interest rate on such loans, divided by 4.

(iii) No special allowance may be paid under this subparagraph unless the issuer of such obligations complies with subsection (d) of this section.

(iv) Notwithstanding clauses (i) and (ii), the quarterly rate of the special allowance for holders of loans which are financed with funds obtained by the holder from the issuance of obliga-
tions originally issued on or after October 1, 1993, or refunded after September 30, 2004, the income from which is excluded from gross income under the Internal Revenue Code of 1986, shall be the quarterly rate of the special allowance established under subparagraph (A), (E), (F), (G), (H), or (I) as the case may be. Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the holder from collections or default reimbursements on, or interest or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds.

(v) Notwithstanding clauses (i) and (ii), the quarterly rate of the special allowance shall be the rate determined under subparagraph (A), (E), (F), (G), (H), or (I) of this paragraph, or paragraph (4), as the case may be, for a holder of loans that—
(I) were made or purchased with funds—
(aa) obtained from the issuance of obligations the income from which is excluded from gross income under the Internal Revenue Code of 1986 and which obligations were originally issued before October 1, 1993; or
(bb) obtained from collections or default reimbursements on, or interest or other income pertaining to, eligible loans made or purchased with funds described in division (aa), or from income on the investment of such funds; and
(II) are—
(aa) financed by such an obligation that, after September 30, 2004, has matured or been retired or defeased;
(bb) refinanced after September 30, 2004, with funds obtained from a source other than funds described in subclause (I) of this clause; or
(cc) sold or transferred to any other holder after September 30, 2004.

(vi) Notwithstanding clauses (i), (ii), and (v), but subject to clause (vii), the quarterly rate of the special allowance shall be the rate determined under subparagraph (A), (E), (F), (G), (H), or (I) of this paragraph, as the case may be, for a holder of loans—
(I) that were made or purchased on or after the date of enactment of the Higher Education Reconciliation Act of 2005; or
(II) that were not earning a quarterly rate of special allowance determined under clauses (i) or (ii) of subparagraph (B) of this paragraph (20 U.S.C. 1087–1(b)(2)(b)) as of the date of enactment of the Higher Education Reconciliation Act of 2005.

(vii) Clause (vi) shall be applied by substituting “December 31, 2010” for “the date of enactment of the Higher Education Reconciliation Act of 2005” in the case of a holder of loans that—
(I) was, as of the date of enactment of the Higher Education Reconciliation Act of 2005, and during the quarter
for which the special allowance is paid, a unit of State or local government or a nonprofit private entity;

(II) was, as of such date of enactment, and during such quarter, not owned or controlled by, or under common ownership or control with, a for-profit entity; and

(III) held, directly or through any subsidiary, affiliate, or trustee, a total unpaid balance of principal equal to or less than $100,000,000 on loans for which special allowances were paid under this subparagraph in the most recent quarterly payment prior to September 30, 2005.

(C)(i) In the case of loans made before October 1, 1992, pursuant to section 428A or 428B for which the interest rate is determined under section 427A(c)(4), a special allowance shall not be paid unless the rate determined for any 12-month period under subparagraph (B) of such section exceeds 12 percent.

(ii) Subject to subparagraphs (G), (H), and (I), in the case of loans disbursed on or after October 1, 1992, pursuant to section 428A or 428B for which the interest rate is determined under section 427A(c)(4), a special allowance shall not be paid unless the rate determined for any 12-month period under section 427A(c)(4)(B) exceeds—

(I) 11 percent in the case of a loan under section 428A;

or

(II) 10 percent in the case of a loan under section 428B.

(D)(i) In the case of loans made or purchased directly from funds loaned or advanced pursuant to a qualified State obligation, subparagraph (A)(iii) shall be applied by substituting “3.5 percent” for “3.10 percent”.

(ii) For the purpose of division (i) of this subparagraph, the term “qualified State obligation” means—

(I) an obligation of the Maine Educational Loan Marketing Corporation to the Student Loan Marketing Association pursuant to an agreement entered into on January 31, 1984; or

(II) an obligation of the South Carolina Student Loan Corporation to the South Carolina National Bank pursuant to an agreement entered into on July 30, 1986.

(E) In the case of any loan for which the applicable rate of interest is described in section 427A(g)(2), subparagraph (A)(iii) shall be applied by substituting “2.5 percent” for “3.10 percent”.

(F) Subject to paragraph (4), the special allowance paid pursuant to this subsection on loans for which the applicable rate of interest is determined under section 427A(h) shall be computed (i) by determining the applicable bond equivalent rate of the security with a comparable maturity, as established by the Secretary, (ii) by subtracting the applicable interest rates on such loans from such applicable bond equivalent rate, (iii) by adding 1.0 percent to the resultant percent, and (iv) by dividing the resultant percent by 4. If such computation produces a number less than zero, such loans shall be subject to section 427A(i).
(G) Loans disbursed between July 1, 1998, and October 1, 1998.—

(i) In general.—Subject to paragraph (4) and clauses (ii), (iii), and (iv) of this subparagraph, and except as provided in subparagraph (B), the special allowance paid pursuant to this subsection on loans for which the first disbursement is made on or after July 1, 1998, and before October 1, 1998, shall be computed—

(I) by determining the average of the bond equivalent rates of 91-day Treasury bills auctioned for such 3-month period;

(iii) PLUS loans.—In the case of any loan for which the first disbursement is made on or after July 1, 1998, and before October 1, 1998, and for which the applicable rate of interest is described in section 427A(j)(3), clause (i)(III) of this subparagraph shall be applied by substituting “3.1 percent” for “2.8 percent”, subject to clause (v) of this subparagraph.

(H) Loans disbursed on or after October 1, 1998, and before January 1, 2000.—

(i) In general.—Subject to paragraph (4) and clauses (ii), (iii), and (iv) of this subparagraph, and except as provided in subparagraph (B), the special allowance paid pursuant to this subsection on loans for which the first disbursement is made on or after October 1, 1998, and before January 1, 2000, shall be computed—

(I) by determining the average of the bond equivalent rates of 91-day Treasury bills auctioned for such 3-month period;

(III) **SPECIAL ALLOWANCE SUPPORT LEVEL.**—For purposes of this clause, the term “special allowance support level” means, for any loan, a number expressed as a percentage equal to the sum of the rates determined under subclauses (I) and (III) of clause (i), and applying any substitution rules applicable to such loan under clauses (ii), (iii), (iv), (vi), and (vii) in determining such sum.

(vi) **REDUCTION FOR LOANS DISBURSED ON OR AFTER OCTOBER 1, 2007, AND BEFORE JULY 1, 2010.**—With respect to a loan on which the applicable interest rate is determined under section 427A(l) and for which the first disbursement of principal is made on or after October 1, 2007, and before July 1, 2010, the special allowance payment computed pursuant to this subparagraph shall be computed—

(I) Calculation Based on LIBOR.—For the calendar quarter beginning on April 1, 2012 and each subsequent calendar quarter, in computing the special allowance paid pursuant to this subsection with respect to loans described in subclause (II), clause (i)(I) of this subparagraph shall be applied by substituting “of the 1-month London Inter Bank Offered Rate (LIBOR) for United States dollars in effect for each of the days in such quarter as compiled and released by the British Bankers Association” for “of the quotes of the 3-month commercial paper (financial) rates in effect for each of the days in such quarter as reported by the Federal Reserve in Publication H–15 (or its successor) for such 3-month period”.

(II) Loans Eligible for LIBOR-Based Calculation.—The special allowance paid pursuant to this subsection shall be calculated as described in subclause (I) with respect to special allowance payments for the 3-month period ending June 30, 2012, and each succeeding 3-month period, on loans for which the first disbursement is made on or after January 1, 2000, and before July 1, 2010, if, not later than April 1, 2012, the holder of the loan (or, if the holder acts as eligible lender trustee for the beneficial owner of the loan, the beneficial owner of the loan), affirmatively and permanently waives all contractual, statutory, or other legal rights to a special allowance paid pursuant to this subsection that is calculated using the formula in effect at the time the loans were first disbursed.
(III) Terms of waiver.—

(aa) In general.—A waiver pursuant to subclause (II) shall be in a form (printed or electronic) prescribed by the Secretary, and shall be applicable to—

(AA) all loans described in such subclause that the lender holds solely in its own right under any lender identification number associated with the holder (pursuant to section 487B);

(CC) all future calculations of the special allowance on loans that, on the date of such waiver, are loans described in subitem (AA) or (BB), or that, after such date, become loans described in subitem (AA) or (BB).

(bb) Exceptions.—Any waiver pursuant to subclause (II) that is elected for loans described in subitem (AA) or (BB) of item (aa) shall not apply to any loan described in such subitem for which the lender or beneficial owner of the loan demonstrates to the satisfaction of the Secretary that—

(AA) in accordance with an agreement entered into before the date of enactment of this section 35 by which such lender or owner is governed and that applies to such loans, such lender or owner is not legally permitted to make an election of such waiver with respect to such loans without the approval of one or more third parties with an interest in the loans, and that the lender or owner followed all available options under such agreement to obtain such approval, and was unable to do so; or

(BB) such lender or beneficial owner presented the proposal of electing such a waiver applicable to such loans associated with an obligation rated by a nationally recognized statistical rating organization (as defined in section 3(a)(62) of the Securities Exchange Act of 1934), and such rating organization provided a written

The special allowance determined for any such 3-month period shall be paid promptly after the close of such period, and without administrative delay after receipt of an accurate and complete request for payment, pursuant to procedures established by regulations promulgated under this section.

(4) Penalty for Late Payment.—(A) If payments of the special allowances payable under this section or of interest payments under section 428(a) with respect to a loan have not been made within 30 days after the Secretary has received an accurate, timely, and complete request for payment thereof, the special allowance payable to such holder shall be increased by an amount equal to the daily interest accruing on the special allowance and interest benefits payments due the holder.

(B) Such daily interest shall be computed at the daily equivalent rate of the sum of the special allowance rate computed pursuant to paragraph (2) and the interest rate applicable to the loan and shall be paid for the later of (i) the 31st day after the receipt of such request for payment from the holder, or (ii) the 31st day after the final day of the period or periods covered by such request, and shall be paid for each succeeding day until, and including, the date on which the Secretary authorizes payment.

(C) For purposes of reporting to the Congress the amounts of special allowances paid under this section, amounts of special allowances paid pursuant to this paragraph shall be segregated and reported separately.

(ii) which is made under section 428A, 428B, 428C, 428H, or 439(o); or

(iii) which was made prior to October 1, 1981; and

(B) which is insured under this part, or made under a program covered by an agreement under section 428(b) of this Act.

(6) Regulation of Time and Manner of Payment.—The Secretary shall pay the holder of an eligible loan, at such time or times as are specified in regulations, a special allowance prescribed pursuant to this subsection subject to the condition that such holder shall submit to the Secretary, at such time or times and in such a manner as the Secretary may deem proper, such information as may be required by regulation for the
purpose of enabling the Secretary to carry out his functions under this section and to carry out the purposes of this section.

(7) USE OF AVERAGE QUARTERLY BALANCE.—The Secretary shall permit lenders to calculate interest benefits and special allowance through the use of the average quarterly balance method until July 1, 1988.

(c) ORIGINATION FEES FROM STUDENTS.—

(1) DEDUCTION FROM INTEREST AND SPECIAL ALLOWANCE SUBSIDIES.—(A) Notwithstanding subsection (b), the Secretary shall collect the amount the lender is authorized to charge as an origination fee in accordance with paragraph (2) of this subsection—

(i) by reducing the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, to any holder; or

(ii) directly from the holder of the loan, if the lender fails or is not required to bill the Secretary for interest and special allowance or withdraws from the program with unpaid loan origination fees.

(B) If the Secretary collects the origination fee under this subsection through the reduction of interest and special allowance, and the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, is less than the amount the lender was authorized to charge borrowers for origination fees in that quarter, the Secretary shall deduct the excess amount from the subsequent quarters’ payments until the total amount has been deducted.

(2) AMOUNT OF ORIGINATION FEES.—

(A) IN GENERAL.—Subject to paragraph (6) of this subsection, with respect to any loan (including loans made under section 428H, but excluding loans made under sections 428C and 439(o)) for which a completed note or other written evidence of the loan was sent or delivered to the borrower for signing on or after 10 days after the date of enactment of the Postsecondary Student Assistance Amendments of 1981, each eligible lender under this part is authorized to charge the borrower an origination fee in an amount not to exceed 3.0 percent of the principal amount of the loan, to be deducted proportionately from each installment payment of the proceeds of the loan prior to payment to the borrower. Except as provided in paragraph (8), a lender that charges an origination fee under this paragraph shall assess the same fee to all student borrowers.

(B) SUBSEQUENT REDUCTIONS.—Subparagraph (A) shall be applied to loans made under this part (other than loans made under sections 428C and 439(o))—

(i) by substituting “2.0 percent” for “3.0 percent” with respect to loans for which the first disbursement of principal is made on or after July 1, 2006, and before July 1, 2007;

(ii) by substituting “1.5 percent” for “3.0 percent” with respect to loans for which the first disbursement...
of principal is made on or after July 1, 2007, and before July 1, 2008;

(iii) by substituting “1.0 percent” for “3.0 percent” with respect to loans for which the first disbursement of principal is made on or after July 1, 2008, and before July 1, 2009; and

(iv) by substituting “0.5 percent” for “3.0 percent” with respect to loans for which the first disbursement of principal is made on or after July 1, 2009, and before July 1, 2010.

(3) RELATION TO APPLICABLE INTEREST.—Such origination fee shall not be taken into account for purposes of determining compliance with section 427A.

(4) DISCLOSURE REQUIRED.—The lender shall disclose to the borrower the amount and method of calculating the origination fee.

(5) PROHIBITION ON DEPARTMENT COMPELLING ORIGINATION FEE COLLECTIONS BY LENDERS.—Nothing in this subsection shall be construed to permit the Secretary to require any lender that is making loans that are insured or guaranteed under this part, but for which no amount will be payable for interest under section 428(a)(3)(A) or for special allowances under subsection (b) of this section, to collect any origination fee or to submit the sums collected as origination fees to the United States. The Secretary shall, not later than January 1, 1987, return to any such lender any such sums collected before the enactment of this paragraph, together with interest thereon.

(6) SLS AND PLUS LOANS.—With respect to any loans made under section 428A or 428B on or after October 1, 1992, and first disbursed before July 1, 2010, each eligible lender under this part shall charge the borrower an origination fee of 3.0 percent of the principal amount of the loan, to be deducted proportionately from each installment payment of the proceeds of the loan prior to payments to the borrower.

(7) DISTRIBUTION OF ORIGINATION FEES.—All origination fees collected pursuant to this section on loans authorized under section 428A or 428B shall be paid to the Secretary by the lender and deposited in the fund authorized under section 431 of this part.

(8) EXCEPTION.—Notwithstanding paragraph (2), a lender may assess a lesser origination fee for a borrower demonstrating greater financial need as determined by such borrower’s adjusted gross family income.

(d) LOAN FEES FROM LENDERS.—

(1) DEDUCTION FROM INTEREST AND SPECIAL ALLOWANCE SUBSIDIES.—

(A) IN GENERAL.—Notwithstanding subsection (b), the Secretary shall collect a loan fee in an amount determined in accordance with paragraph (2)—

(i) by reducing the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b), respectively, to any holder of a loan; or
(ii) directly from the holder of the loan, if the lender—
   (I) fails or is not required to bill the Secretary for interest and special allowance payments; or
   (II) withdraws from the program with unpaid loan fees.

(B) SPECIAL RULE.—If the Secretary collects loan fees under this subsection through the reduction of interest and special allowance payments, and the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b), respectively, is less than the amount of such loan fees, then the Secretary shall deduct the amount of the loan fee balance from the amount of interest and special allowance payments that would otherwise be payable, in subsequent quarterly increments until the balance has been deducted.

(2) AMOUNT OF LOAN FEES.—The amount of the loan fee which shall be deducted under paragraph (1), but which may not be collected from the borrower, shall be equal to—
   (A) except as provided in subparagraph (B), 0.50 percent of the principal amount of the loan with respect to any loan under this part for which the first disbursement was made on or after October 1, 1993; and
   (B) 1.0 percent of the principal amount of the loan with respect to any loan under this part for which the first disbursement was made on or after October 1, 2007, and before July 1, 2010.

(3) DISTRIBUTION OF LOAN FEES.—The Secretary shall deposit all fees collected pursuant to paragraph (3) into the insurance fund established in section 431.

(e) NONDISCRIMINATION.—In order for the holders of loans which were made or purchased with funds obtained by the holder from an Authority issuing obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1986, to be eligible to receive a special allowance under subsection (b)(2) on any such loans, the Authority shall not engage in any pattern or practice which results in a denial of a borrower's access to loans under this part because of the borrower's race, sex, color, religion, national origin, age, disability status, income, attendance at a particular eligible institution within the area served by the Authority, length of the borrower's educational program, or the borrower's academic year in school.

(f) REGULATIONS TO PREVENT DENIAL OF LOANS TO ELIGIBLE STUDENTS.—The Secretary shall adopt or amend appropriate regulations pertaining to programs carried out under this part to prevent, where practicable, any practices which the Secretary finds have denied loans to a substantial number of eligible students.

(g) SPECIAL RULE.—With respect to any loan made under this part for which the interest rate is determined under the Servicemembers Civil Relief Act (50 U.S.C. App. 527), the applicable interest rate to be subtracted in calculating the special allowance for such loan under this section shall be the interest rate determined under that Act for such loan.

(a) PURPOSE.—The Congress hereby declares that it is the purpose of this section (1) to establish a private corporation which will be financed by private capital and which will serve as a secondary market and warehousing facility for student loans, including loans which are insured by the Secretary under this part or by a guaranty agency, and which will provide liquidity for student loan investments; (2) in order to facilitate secured transactions involving student loans, to provide for perfection of security interests in student loans either through the taking of possession or by notice filing; and (3) to assure nationwide the establishment of adequate loan insurance programs for students, to provide for an additional program of loan insurance to be covered by agreements with the Secretary.

(b) ESTABLISHMENT.—

(1) IN GENERAL.—There is hereby created a body corporate to be known as the Student Loan Marketing Association (hereinafter referred to as the “Association”). The Association shall have succession until dissolved. It shall maintain its principal office in the District of Columbia and shall be deemed, for purposes of venue and jurisdiction in civil actions, to be a resident and citizen thereof. Offices may be established by the Association in such other place or places as it may deem necessary or appropriate for the conduct of its business.

(2) EXEMPTION FROM STATE AND LOCAL TAXES.—The Association, including its franchise, capital, reserves, surplus, mortgages, or other security holdings, and income shall be exempt from all taxation now or hereafter imposed by any State, territory, possession, Commonwealth, or dependency of the United States, or by the District of Columbia, or by any county, municipality, or local taxing authority, except that any real property of the Association shall be subject to State, territorial, county, municipal, or local taxation to the same extent according to its value as other real property is taxed.

(3) APPROPRIATIONS AUTHORIZED FOR ESTABLISHMENT.—There is hereby authorized to be appropriated to the Secretary $5,000,000 for making advances for the purpose of helping to establish the Association. Such advances shall be repaid within such period as the Secretary may deem to be appropriate in light of the maturity and solvency of the Association. Such advances shall bear interest at a rate not less than (A) a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding market-

(1) IN GENERAL.—The Association is authorized, subject to the provisions of this section—

(A) pursuant to commitments or otherwise to make advances on the security of, purchase, or repurchase, service, sell or resell, offer participations, or pooled interests or otherwise deal in, at prices and on terms and conditions determined by the Association, student loans which are insured by the Secretary under this part or by a guaranty agency;

(B) to buy, sell, hold, underwrite, and otherwise deal in obligations, if such obligations are issued, for the purpose of making or purchasing insured loans, by a guaranty agency or by an eligible lender in a State described in section 435(d)(1) (D) or (F);

(C) to buy, sell, hold, insure, underwrite, and otherwise deal in obligations issued for the purpose of financing or refinancing the construction, reconstruction, renovation, improvement, or purchase at institutions of higher education of any of the following facilities (including the underlying property) and materials (including related equipment, instrumentation, and furnishings) at an eligible institution of higher education:

(i) educational and training facilities;

(ii) housing for students and faculties, dining halls, student unions, and facilities specifically designed to promote fitness and health for students, faculty, and staff or for physical education courses; and

(iii) library facilities, including the acquisition of library materials at institutions of higher education;

except that not more than 30 percent of the value of transactions entered into under this subparagraph shall involve transactions of the types described in clause (ii);

(D) to undertake a program of loan insurance pursuant to agreements with the Secretary under section 428, and except with respect to loans under subsection (o) of this section or under section 428C, the Secretary may enter into an agreement with the Association for such purpose only if the Secretary determines that (i) eligible borrowers are seeking and unable to obtain loans under this part, and (ii) no guaranty agency is capable of or willing to provide a program of loan insurance for such borrowers; and

(E) to undertake any other activity which the Board of Directors of the Association determines to be in furtherance of the programs of insured student loans authorized under this part or will otherwise support the credit needs of students, except that—

(i) in carrying out all such activities the purpose shall always be to provide secondary market and other support for lending programs offered by other organi-
organizations and not to replace or compete with such other programs;

(ii) nothing in this subparagraph (E) shall be deemed to authorize the Association to acquire, own, operate, or control any bank, savings and loan association, savings bank or credit union; and

(iii) not later than 30 days prior to the initial implementation of a program undertaken pursuant to this subparagraph (E), the Association shall advise the Chairman and the Ranking Member on the Committee on Labor and Human Resources of the Senate and the Chairman and the Ranking Member of the Committee on Education and Labor of the House of Representatives in writing of its plans to offer such program and shall provide information relating to the general terms and conditions of such program.

The Association is further authorized to undertake any activity with regard to student loans which are not insured or guaranteed as provided for in this subsection as it may undertake with regard to insured or guaranteed student loans. Any warehousing advance made on the security of such loans shall be subject to the provisions of paragraph (3) of this subsection to the same extent as a warehousing advance made on the security of insured loans.

(2) Warehousing Advances.—Any warehousing advance made under paragraph (1)(A) of this subsection shall be made on the security of (A) insured loans, (B) marketable obligations and securities issued, guaranteed, or insured by, the United States, or for which the full faith and credit of the United States is pledged for the repayment of principal and interest thereof, or (C) marketable obligations issued, guaranteed, or insured by any agency, instrumentality, or corporation of the United States for which the credit of such agency, instrumentality, or corporation is pledged for the repayment of principal and interest thereof, in an amount equal to the amount of such advance. The proceeds of any such advance secured by insured loans shall either be invested in additional insured loans or the lender shall provide assurances to the Association that during the period of the borrowing it will maintain a level of insured loans in its portfolio not less than the aggregate outstanding balance of such loans held at the time of the borrowing. The proceeds from any such advance secured by collateral described in clauses (B) and (C) shall be invested in additional insured student loans.

(3) Perfection of Security Interests in Student Loans.—Notwithstanding the provisions of any State law to the contrary, including the Uniform Commercial Code as in effect in any State, a security interest in insured student loans created on behalf of the Association or any eligible lender as defined in section 435(a) may be perfected either through the taking of possession of such loans or by the filing of notice of such security interest in such loans in the manner provided by such State law for perfection of security interests in accounts.
Sec. 439  HIGHER EDUCATION ACT OF 1965

(4) Form of Securities.—Securities issued pursuant to the offering of participations or pooled interests under paragraph (1) of this subsection may be in the form of debt obligations, or trust certificates of beneficial ownership, or both. Student loans set aside pursuant to the offering of participations or pooled interests shall at all times be adequate to ensure the timely principal and interest payments on such securities.

(5) Restrictions on Facilities and Housing Activities.—
Not less than 75 percent of the aggregate dollar amount of obligations bought, sold, held, insured, underwritten, and otherwise supported in accordance with the authority contained in paragraph (1)(C) shall be obligations which are listed by a nationally recognized statistical rating organization at a rating below the second highest rating of such organization.

(e) Advances to Lenders That Do Not Discriminate.—The Association, pursuant to such criteria as the Board of Directors may prescribe, shall make advances on security or purchase student loans pursuant to subsection (d) only after the Association is assured that the lender (1) does not discriminate by pattern or practice against any particular class or category of students by requiring that, as a condition to the receipt of a loan, the student or his family maintain a business relationship with the lender, except that this clause shall not apply in the case of a loan made by a credit union, savings and loan association, mutual savings bank, institution of higher education, or any other lender with less than $75,000,000 in deposits, and (2) does not discriminate on the basis of race, sex, color, creed, or national origin.

(f) Stock of the Association.—
(1) Voting Common Stock.—The Association shall have voting common stock having such par value as may be fixed by its Board of Directors from time to time. Each share of voting common stock shall be entitled to one vote with rights of cumulative voting at all elections of directors.

(2) Number of Shares; Transferability.—The maximum number of shares of voting common stock that the Association may issue and have outstanding at any one time shall be fixed by the Board of Directors from time to time. Any voting common stock issued shall be fully transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(3) Dividends.—To the extent that net income is earned and realized, subject to subsection (g)(2), dividends may be declared on voting common stock by the Board of Directors. Such dividends as may be declared by the Board of Directors shall be paid to the holders of outstanding shares of voting common stock, except that no such dividends shall be payable with respect to any share which has been called for redemption past the effective date of such call.

(4) Single Class of Voting Common Stock.—As of the effective date of the Higher Education Amendments of 1992, all of the previously authorized shares of voting common stock and nonvoting common stock of the Association shall be converted to shares of a single class of voting common stock on a share-for-share basis, without any further action on the part of the
Association or any holder. Each outstanding certificate for voting or nonvoting common stock shall evidence ownership of the same number of shares of voting stock into which it is converted. All preexisting rights and obligations with respect to any class of common stock of the Association shall be deemed to be rights and obligations with respect to such converted shares.

(g) Preferred Stock.—

(1) Authority of Board.—The Association is authorized to issue nonvoting preferred stock having such par value as may be fixed by its Board of Directors from time to time. Any preferred share issued shall be freely transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(2) Rights of Preferred Stock.—The holders of the preferred shares shall be entitled to such rate of cumulative dividends and such shares shall be subject to such redemption or other conversion provisions as may be provided for at the time of issuance. No dividends shall be payable on any share of common stock at any time when any dividend is due on any share of preferred stock and has not been paid.

(3) Preference on Termination of Business.—In the event of any liquidation, dissolution, or winding up of the Association’s business, the holders of the preferred shares shall be paid in full at par value thereof, plus all accrued dividends, before the holders of the common shares receive any payment.

(h) Debt Obligations.—

(1) Approval by Secretaries of Education and the Treasury.—The Association is authorized with the approval of the Secretary of Education and the Secretary of the Treasury to issue and have outstanding obligations having such maturities and bearing such rate or rates of interest as may be determined by the Association. The authority of the Secretary of Education to approve the issuance of such obligations is limited to obligations issued by the Association and guaranteed by the Secretary pursuant to paragraph (2) of this subsection. Such obligations may be redeemable at the option of the Association before maturity in such manner as may be stipulated therein. The Secretary of the Treasury may not direct as a condition of his approval that any such issuance of obligations by the Association be made or sold to the Federal Financing Bank. To the extent that the average outstanding amount of the obligations owned by the Association pursuant to the authority contained in subsection (d)(1)(B) and (C) of this section and as to which the income is exempt from taxation under the Internal Revenue Code of 1986 does not exceed the average stockholders’ equity of the Association, the interest on obligations issued under this paragraph shall not be deemed to be interest on indebtedness incurred or continued to purchase or carry obligations for the purpose of section 265 of the Internal Revenue Code of 1986.

(2) Guarantee of Debt.—The Secretary is authorized, prior to October 1, 1984, to guarantee payment when due of principal and interest on obligations issued by the Association.
in an aggregate amount determined by the Secretary in consultation with the Secretary of the Treasury. Nothing in this section shall be construed so as to authorize the Secretary of Education or the Secretary of the Treasury to limit, control, or constrain programs of the Association or support of the Guaranteed Student Loan Program by the Association.

(3) Borrowing Authority to Meet Guarantee Obligations.—To enable the Secretary to discharge his responsibilities under guarantees issued by him, he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the months preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. There is authorized to be appropriated to the Secretary such sums as may be necessary to pay the principal and interest on the notes or obligations issued by him to the Secretary of the Treasury.

(4) Action on Request for Guarantees.—Upon receipt of a request from the Association under this subsection requiring approvals by the Secretary of Education or the Secretary of the Treasury, the Secretary of Education or the Secretary of the Treasury shall act promptly either to grant approval or to advise the Association of the reasons for withholding approval. In no case shall such an approval be withheld for a period longer than 60 days unless, prior to the end of such period, the Secretary of Education and the Secretary of the Treasury submit to the Congress a detailed explanation of reasons for doing so.

(5) Authority of Treasury to Purchase Debt.—The Secretary of the Treasury is authorized to purchase any obligations issued by the Association pursuant to this subsection as now or hereafter in force, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities hereafter issued under the Second Liberty Bond Act, as now or hereafter in force, and the purposes for which securities may be issued under the Second Liberty Bond Act, as now or hereafter in force are extended to include such purchases. The Secretary of

the Treasury shall not at any time purchase any obligations under this subsection if such purchase would increase the aggregate principal amount of his then outstanding holdings of such obligations under this subsection to an amount greater than $1,000,000,000. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States of comparable maturities as of the last day of the month preceding the making of such purchase. The Secretary of the Treasury may, at any time, sell, upon such terms and conditions and at such price or prices as he shall determine, any of the obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public debt transactions of the United States.

(6) SALE OF DEBT TO FEDERAL FINANCING BANK.—Notwithstanding any other provision of law the Association is authorized to sell or issue obligations on the security of student loans, the payment of interest or principal of which has at any time been guaranteed under section 428 or 429 of this part, to the Federal Financing Bank.

(7) OFFSET FEE.—(A) The Association shall pay to the Secretary, on a monthly basis, an offset fee calculated on an annual basis in an amount equal to 0.30 percent of the principal amount of each loan made, insured or guaranteed under this part that the Association holds (except for loans made pursuant to sections 428C, 439(o), or 439(q)) and that was acquired on or after the date of enactment of this paragraph.

(B) If the Secretary determines that the Association has substantially failed to comply with subsection (q), subparagraph (A) shall be applied by substituting “1.0 percent” for “0.3 percent”.

(C) The Secretary shall deposit all fees collected pursuant to this paragraph into the insurance fund established in section 431.

(i) GENERAL CORPORATE POWERS.—The Association shall have power—

(1) to sue and be sued, complain and defend, in its corporate name and through its own counsel;

(2) to adopt, alter, and use the corporate seal, which shall be judicially noticed;

(3) to adopt, amend, and repeal by its Board of Directors, bylaws, rules, and regulations as may be necessary for the conduct of its business;

(4) to conduct its business, carry on its operations, and have officers and exercise the power granted by this section in any State without regard to any qualification or similar statute in any State;

(5) to lease, purchase, or otherwise acquire, own, hold, improve, use, or otherwise deal in and with any property, real, personal, or mixed, or any interest therein, wherever situated;
(6) to accept gifts or donations of services, or of property, real, personal, or mixed, tangible or intangible, in aid of any of the purposes of the Association;

(7) to sell, convey, mortgage, pledge, lease, exchange, and otherwise dispose of its property and assets;

(8) to appoint such officers, attorneys, employees, and agents as may be required, to determine their qualifications, to define their duties, to fix their salaries, require bonds for them, and fix the penalty thereof; and

(9) to enter into contracts, to execute instruments, to incur liabilities, and to do all things as are necessary or incidental to the proper management of its affairs and the proper conduct of its business.

(j) ACCOUNTING, AUDITING, AND REPORTING.—The accounts of the Association shall be audited annually. Such audits shall be conducted in accordance with generally accepted auditing standards by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States, except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who, although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest standards prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975. A report of each such audit shall be furnished to the Secretary of the Treasury. The audit shall be conducted at the place or places where the accounts are normally kept. The representatives of the Secretary shall have access to all books, accounts, financial records, reports, files, and all other papers, things, or property belonging to or in use by the Association and necessary to facilitate the audit, and they shall be afforded full facilities for verifying transactions with the balances or securities held by depositaries, fiscal agents, and custodians.

(k) REPORT ON AUDITS BY TREASURY.—A report of each such audit for a fiscal year shall be made by the Secretary of the Treasury to the President and to the Congress not later than 6 months following the close of such fiscal year. The report shall set forth the scope of the audit and shall include a statement (showing intercorporate relations) of assets and liabilities, capital and surplus or deficit; a statement of surplus or deficit analysis; a statement of income and expense; a statement of sources and application of funds; and such comments and information as may be deemed necessary to keep the President and the Congress informed of the operations and financial condition of the Association, together with such recommendations with respect thereto as the Secretary may deem advisable, including a report of any impairment of capital or lack of sufficient capital noted in the audit. A copy of each report shall be furnished to the Secretary, and to the Association.

(l) LAWFUL INVESTMENT INSTRUMENTS; EFFECT OF AND EXEMPTIONS FROM OTHER LAWS.—All obligations issued by the Association...
section including those made under subsection (d)(4) shall be lawful investments, and may be accepted as security for all fiduciary, trust, and public funds, the investment or deposit of which shall be under authority or control of the United States or of any officer or officers thereof. All stock and obligations issued by the Association pursuant to this section shall be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission, to the same extent as securities which are direct obligations of, or obligations guaranteed as to principal or interest by, the United States. The Association shall, for the purposes of section 14(b)(2) of the Federal Reserve Act, be deemed to be an agency of the United States. The obligations of the Association shall be deemed to be obligations of the United States for the purpose of section 3124 of title 31, United States Code. For the purpose of the distribution of its property pursuant to section 726 of title 11, United States Code, the Association shall be deemed a person within the meaning of such title. The priority established in favor of the United States by section 3713 of title 31, United States Code, shall not establish a priority over the indebtedness of the Association issued or incurred on or before September 30, 1992. The Federal Reserve Banks are authorized to act as depositaries, custodians, or fiscal agents, or a combination thereof, for the Association in the general performance of its powers under this section.

(m) PREPARATION OF OBLIGATIONS.—In order to furnish obligations for delivery by the Association, the Secretary of the Treasury is authorized to prepare such obligations in such form as the Board of Directors may approve, such obligations when prepared to be held in the Treasury subject to delivery upon order by the Association. The engraved plates, dies, bed pieces, and so forth, executed in connection therewith shall remain in the custody of the Secretary of the Treasury. The Association shall reimburse the Secretary of the Treasury for any expenditures made in the preparation, custody, and delivery of such obligations. The Secretary of the Treasury is authorized to promulgate regulations on behalf of the Association so that the Association may utilize the book-entry system of the Federal Reserve Banks.

(n) REPORT ON OPERATIONS AND ACTIVITIES.—The Association shall, as soon as practicable after the end of each fiscal year, transmit to the President and the Congress a report of the Association's operations and activities, including a report with respect to all facilities transactions, during each year.

(o) LOAN CONSOLIDATIONS.—

(1) IN GENERAL.—The Association or its designated agent may, upon request of a borrower, consolidate loans received under this title in accordance with section 428C.

(2) USE OF EXISTING AGENCIES AS AGENT.—The Association in making loans pursuant to this subsection in any State served by a guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) may designate as its agent such agency or lender to perform such functions as the Association determines appropriate. Any agreements made pursuant to this subparagraph shall be on such terms and conditions as agreed upon by the Association and such agency or lender.
(p) Advances for Direct Loans by Guaranty Agencies.—

(1) In general.—The Association shall make advances in each fiscal year from amounts available to it to each guaranty agency and eligible lender described in subsection 428(h)(1) which has an agreement with the Association which sets forth that advances are necessary to enable such agency or lender to make student loans in accordance with section 428(h) and that such advances will be repaid to the Association in accordance with such terms and conditions as may be set forth in the agreement and agreed to by the Association and such agency or lender. Advances made under this subsection shall not be subject to subsection (d)(2) of this section.

(2) Limitation.—No advance may be made under this subsection unless the guaranty agency or lender makes an application to the Association, which shall be accompanied by such information as the Association determines to be reasonably necessary.

(q) Lender-of-Last-Resort.—

(1) Action at Request of Secretary.—(A) Whenever the Secretary determines that eligible borrowers are seeking and are unable to obtain loans under this part, the Association or its designated agent shall, not later than 90 days after the date of enactment of the Student Loan Reform Act of 1993, begin making loans to such eligible borrowers in accordance with this subsection at the request of the Secretary. The Secretary may request that the Association make loans to borrowers within a geographic area or for the benefit of students attending institutions of higher education that certify, in accordance with standards established by the Secretary, that their students are seeking and unable to obtain loans.

(B) Loans made pursuant to this subsection shall be insurable by the Secretary under section 429 with a certificate of comprehensive insurance coverage provided for under section 429(b)(1) or by a guaranty agency under paragraph (2)(A) of this subsection.

(2) Issuance and Coverage of Loans.—(A) Whenever the Secretary, after consultation with, and with the agreement of, representatives of the guaranty agency in a State, or an eligible lender in a State described in section 435(d)(1)(D), determines that a substantial portion of eligible borrowers in such State or within an area of such State are seeking and are unable to obtain loans under this part, the Association or its designated agent shall begin making such loans to borrowers in such State or within an area of such State in accordance with this subsection at the request of the Secretary.

(B) Loans made pursuant to this subsection shall be insurable by the agency identified in subparagraph (A) having an agreement pursuant to section 428(b). For loans insured by such agency, the agency shall provide the Association with a certificate of comprehensive insurance coverage, if the Association and the agency have mutually agreed upon a means to determine that the agency has not already guaranteed a loan under this part to a student which would cause a subsequent
loan made by the Association to be in violation of any provision under this part.

(3) TERMINATION OF LENDING.—The Association or its designated agent shall cease making loans under this subsection at such time as the Secretary determines that the conditions which caused the implementation of this subsection have ceased to exist.

(r) SAFETY AND SOUNDNESS OF ASSOCIATION.—

(1) REPORTS BY THE ASSOCIATION.—The Association shall promptly furnish to the Secretary of Education and Secretary of the Treasury copies of all—

(A) periodic financial reports publicly distributed by the Association;
(B) reports concerning the Association that are received by the Association and prepared by nationally recognized statistical rating organizations; and
(C)(i) financial statements of the Association within 45 days of the end of each fiscal quarter; and
(ii) reports setting forth the calculation of the capital ratio of the Association within 45 days of the end of each fiscal quarter.

(2) AUDIT BY SECRETARY OF THE TREASURY.—(A) The Secretary of the Treasury may—

(i) appoint and fix the compensation of such auditors and examiners as may be necessary to conduct audits of the Association from time to time to determine the condition of the Association for the purpose of assessing the Association's financial safety and soundness and to determine whether the requirements of this section and section 440 are being met; and
(ii) obtain the services of such experts as the Secretary of the Treasury determines necessary and appropriate, as authorized by section 3109 of title 5, United States Code, to assist in determining the condition of the Association for the purpose of assessing the Association's financial safety and soundness, and to determine whether the requirements of this section and section 440 are being met.

(B) Each auditor appointed under this paragraph shall conduct an audit of the Association to the extent requested by the Secretary of the Treasury and shall prepare and submit a report to the Secretary of the Treasury concerning the results of such audit. A copy of such report shall be furnished to the Association and the Secretary of Education on the date on which it is delivered to the Secretary of the Treasury.

(C) The Association shall provide full and prompt access to the Secretary of the Treasury to its books and records and other information requested by the Secretary of the Treasury.

(D) ANNUAL ASSESSMENT.—

37Section 309(1) of the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2001 (114 Stat. 2763A–45), as enacted into law by section 1(a)(1) of Public Law 106–554, amended this clause by striking “auditors and examiners” and inserting “and fix the compensation of such auditors and examiners as may be necessary”. The amendment probably should have been to strike “auditors or examiners”, but was executed to reflect the probable intent of Congress.
(i) In General.—For each fiscal year beginning on or after October 1, 1996, the Secretary of the Treasury may establish and collect from the Association an assessment (or assessments) in amounts sufficient to provide for reasonable costs and expenses of carrying out the duties of the Secretary of the Treasury under this section and section 440 during such fiscal year. In no event may the total amount so assessed exceed, for any fiscal year, $800,000, adjusted for each fiscal year ending after September 30, 1997, by the ratio of the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) for the final month of the fiscal year preceding the fiscal year for which the assessment is made to the Consumer Price Index for All Urban Consumers for September 1997.

(ii) Deposit.—Amounts collected from assessments under this subparagraph shall be deposited in an account within the Treasury of the United States as designated by the Secretary of the Treasury for that purpose. The Secretary of the Treasury is authorized and directed to pay out of any funds available in such account the reasonable costs and expenses of carrying out the duties of the Secretary of the Treasury under this section and section 440. None of the funds deposited into such account shall be available for any purpose other than making payments for such costs and expenses.

(E) Obligation to Obtain, Maintain, and Report Information.—

(i) In General.—The Association shall obtain such information and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

(I) the financial risk to the Association resulting from the activities of any associated person, to the extent such activities are reasonably likely to have a material impact on the financial condition of the Association, including the Association’s capital ratio, the Association’s liquidity, or the Association’s ability to conduct and finance the Association’s operations; and

(II) the Association’s policies, procedures, and systems for monitoring and controlling any such financial risk.

(ii) Summary Reports.—The Secretary of the Treasury may require summary reports of such information to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and clause (i), require the Association to make reports concerning the activities of any associated person, whose business activities are reasonably likely to
have a material impact on the financial or operational condition of the Association.

(iii) Definition.—For purposes of this subparagraph, the term "associated person" means any person, other than a natural person, directly or indirectly controlling, controlled by, or under common control with the Association.

(F) Compensation of Auditors and Examiners.—

(i) Rates of Pay.—Rates of basic pay for all auditors and examiners appointed pursuant to subparagraph (A) may be set and adjusted by the Secretary of the Treasury without regard to the provisions of chapter 51 or subchapter III of chapter 53 of title 5, United States Code.

(ii) Comparability.—

(I) In General.—Subject to section 5373 of title 5, United States Code, the Secretary of the Treasury may provide additional compensation and benefits to auditors and examiners appointed pursuant to subparagraph (A) if the same type of compensation or benefits are then being provided by any agency referred to in section 1206 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b) or, if not then being provided, could be provided by such an agency under applicable provisions of law, rule, or regulation.

(II) Consultation.—In setting and adjusting the total amount of compensation and benefits for auditors and examiners appointed pursuant to subparagraph (A), the Secretary of the Treasury shall consult with, and seek to maintain comparability with, the agencies referred to in section 1206 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b).

(3) Monitoring of Safety and Soundness.—The Secretary of the Treasury shall conduct such studies as may be necessary to monitor the financial safety and soundness of the Association. In the event that the Secretary of the Treasury determines that the financial safety and soundness of the Association is at risk, the Secretary of the Treasury shall inform the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education of such determination and identify any corrective actions that should be taken to ensure the safety and soundness of the Association.

(5) CAPITAL RESTORATION PLAN.—

(A) SUBMISSION, APPROVAL, AND IMPLEMENTATION.—The Secretary of the Treasury and the Association shall consult with respect to any capital restoration plan submitted pursuant to paragraph (4) and the Secretary of the Treasury shall approve such plan (or a modification thereof accepted by the Association) or disapprove such plan within 30 days after such plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a capital restoration plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan to the best of its ability.

(B) DISAPPROVAL.—If the Secretary of the Treasury does not approve a capital restoration plan as provided in subparagraph (A), then not later than the earlier of the date the Secretary of the Treasury disapproves of such plan by written notice to the Association or the expiration of the 30-day consideration period referred to in subparagraph (A) (as such period may have been extended by mutual agreement), the Secretary of the Treasury shall submit the Association’s capital restoration plan, in the form most recently proposed to the Secretary of the Treasury by the Association, together with a report on the Secretary of the Treasury’s reasons for disapproval of such plan and an alternative capital restoration plan, to the Chairman and ranking minority member of the Senate Committee on Labor and Human Resources and to the Chairman and ranking minority member of the House Committee on Education and Labor. The Secretary of the Treasury and the Association shall consult with respect to any plan or modified plan submitted pursuant to this paragraph. The Secretary of the Treasury shall approve such plan or modified plan (or a modification thereof accepted by the Association) or disapprove such plan or modified plan within 30 days after such plan or modified plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a plan or modified plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan or modified plan to the best of the Association’s ability.

(B) DISAPPROVAL.—If the Secretary of the Treasury disapproves a capital restoration plan or modified plan submitted pursuant to subparagraph (A), then, not later than the earlier of the date the Secretary of the Treasury disapproves of such plan or modified plan (by written notice to the Association) or the expiration of the 30-day consideration period described in subparagraph (A) (as such period may have been extended by mutual agreement), the Secretary of the Treasury shall prepare and submit an alternative capital restoration plan, together with a report on his reasons for disapproval of the Association’s plan or modified plan, to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate and to the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives. The Association, within 5 days after receipt from the Secretary of the Treasury of such submission, shall submit to the Chairman and ranking minority members of such Committees, and the Secretary of the Treasury, a written response to such submission, setting out fully the nature and extent of the Association’s agreement or disagreement with the Secretary of the Treasury with respect to the disapproved plan and the alternative plan of the Secretary of the Treasury and any findings of the Secretary of the Treasury.

(C) REVIEW BY CONGRESS; ASSOCIATION IMPLEMENTATION.—Congress shall have 60 legislative days after the date on which Congress receives the alternative plan under subparagraph (B) from the Secretary of the Treasury to review such plan. If Congress does not take statutory action with respect to any such plan within such 60-
day period, the Association shall immediately proceed with
diligence to implement the alternative capital restoration
plan of the Secretary of the Treasury under subparagraph
(B). If Congress is out of session when any such alter-
native plan is received, such 60-day period shall begin on
the first day of the next session of Congress.

(7) ACTIONS BY SECRETARY OF THE TREASURY.—If the cap-
ital ratio of the Association does not equal or exceed 1.75 per-
cent at the end of the Association's most recent calendar quar-
ter, the Secretary of the Treasury may, until the capital ratio
equals or exceeds 1.75 percent, take any one or more of the fol-

(A) LIMIT INCREASE IN LIABILITIES.—Limit any in-
crease in, or order the reduction of, any liabilities of the
Association, except as necessary to fund student loan pur-

(8) CRITICAL CAPITAL STANDARD.—(A) If the capital ratio is
less than 1 percent at the end of the Association's most recent calendar quarter and the Association has already submitted a
capital restoration plan to the Secretary of the Treasury pursu-
ant to paragraph (4) or (6)(A), the Association shall forthwith
proceed with diligence to implement the most recently pro-
posed plan with such modifications as the Secretary of the
Treasury determines are necessary to cause the capital ratio to
equal or exceed 2 percent within 60 months.

(B) If the capital ratio is less than 1 percent at the end of
the Association's most recent calendar quarter and the Associa-
tion has not submitted a capital restoration plan to the Sec-
retary of the Treasury pursuant to paragraph (4) or (6)(A), the
Association shall—

(i) within 14 days of such occurrence submit a capital
restoration plan to the Secretary of the Treasury which the
Association believes is adequate to cause the capital ratio
to equal or exceed 2 percent within 60 months; and

(ii) forthwith proceed with diligence to implement such
plan with such modifications as the Secretary of the Treas-
ury determines are necessary to cause the capital ratio to
equal or exceed 2 percent within 60 months.
(C) Immediately upon a determination under subparagraph (A) or (B) to implement a capital restoration plan, the Secretary of the Treasury shall submit the capital restoration plan to be implemented to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education.

(9) ADDITIONAL REPORTS TO COMMITTEES.—The Association shall submit a copy of its capital restoration plan, modifications proposed to the Secretary of the Treasury, and proposed modifications received from the Secretary of the Treasury to the Congressional Budget Office and General Accounting Office upon their submission to the Secretary of the Treasury or receipt from the Secretary of the Treasury. Notwithstanding any other provision of law, the Congressional Budget Office and General Accounting Office shall maintain the confidentiality of information received pursuant to the previous sentence. In the event that the Secretary of the Treasury does not approve a capital restoration plan as provided in paragraph (5)(A) or (6)(A), or in the event that a capital restoration plan is modified by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8), the Congressional Budget Office and General Accounting Office shall each submit a report within 30 days of the Secretary of the Treasury’s submission to the Chairmen and ranking minority members as required in paragraphs (5)(B), (6)(B), and (8)(C) to such Chairmen and ranking members—

(A) analyzing the financial condition of the Association;

(B) analyzing the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury’s submission made pursuant to paragraph (5)(B), or the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8);

(C) analyzing the impact of the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury’s submission made pursuant to paragraph (5)(B), or the impact of the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8), and analyzing the impact of the recommendations made pursuant to subparagraph (D) of this paragraph, on—

(B) recommending administrative and legislative changes in the student loan programs to maintain the orderly operation of such programs and to enable the Association to fulfill its purpose and authorized activities consistent with the capital ratio specified in paragraph (4).

(11) SAFE HARBOR.—The Association shall be deemed in compliance with the capital ratios described in paragraphs (4) and (6)(A) if the Association is rated in 1 of the 2 highest full rating categories (such categories to be determined without regard to designations within categories) by 2 nationally recognized statistical rating organizations, determined without regard to the Association’s status as a federally chartered corporation.

(12) TREATMENT OF CONFIDENTIAL INFORMATION.—Notwithstanding any other provision of law, the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the General Accounting Office shall not disclose any information treated as confidential by the Association or the Association’s associated persons and obtained pursuant to this subsection. Nothing in this paragraph shall authorize the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the General Accounting Office to withhold information from Congress, or prevent the Secretary of Education, the Congressional Budget Office, and the General Accounting Office from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States. For purposes of section 552 of title 5, United States Code, this paragraph shall be considered a statute described in subsection (b)(3) of such section 552.

(13) ENFORCEMENT OF SAFETY AND SOUNDNESS REQUIREMENTS.—The Secretary of Education or the Secretary of the Treasury, as appropriate, may request that the Attorney General bring an action in the United States District Court for the District of Columbia for the enforcement of any provision of this section, or may, under the direction or control of the Attorney General, bring such an action. Such court shall have jurisdiction and power to order and require compliance with this section.

(14) ACTIONS BY SECRETARY.—
(A) IN GENERAL.—For any fiscal quarter ending after January 1, 2000, the Association shall have a capital ratio of at least 2.25 percent. The Secretary of the Treasury may, whenever such capital ratio is not met, take any one or more of the actions described in paragraph (7), except that—

(i) the capital ratio to be restored pursuant to paragraph (7)(D) shall be 2.25 percent; and

(ii) if the relevant capital ratio is in excess of or equal to 2 percent for such quarter, the Secretary of the Treasury shall defer taking any of the actions set forth in paragraph (7) until the next succeeding quarter and may then proceed with any such action only if the capital ratio of the Association remains below 2.25 percent.

(B) APPLICABILITY.—The provisions of paragraphs (4), (5), (6), (8), (9), (10), and (11) shall be of no further application to the Association for any period after January 1, 2000.

(15) DEFINITIONS.—As used in this subsection:

(A) The term “nationally recognized statistical rating organization” means any nationally recognized statistical rating organization, as that term is defined in section 3(a) of the Securities Exchange Act of 1934.

(B) The term “capital ratio” means the ratio of total stockholders’ equity, as shown on the Association’s most recent quarterly consolidated balance sheet prepared in the ordinary course of its business, to the sum of—

(I) all financial standby letters of credit and other irrevocable guarantees of the repayment of financial obligations of others; and

(II) all interest rate contracts and exchange rate contracts, including interest exchange agreements, floor, cap, and collar agreements and similar arrangements.

For purposes of this subparagraph, the calculation of the credit equivalent amount of the items set forth in clause (ii) of this subparagraph, the netting of such items and eliminations for the purpose of avoidance of double-counting of such items shall be made in accordance with the measures for computing credit conversion factors for off-balance sheet items for capital maintenance purposes established for commercial banks from time to time by the Federal Reserve Board, but without regard to any risk weighting provisions in such measures.

(C) The term “legislative days” means only days on which either House of Congress is in session.
(16) DIVIDENDS.—The Association may pay dividends in the form of cash or noncash distributions so long as at the time of the declaration of such dividends, after giving effect to the payment of such dividends as of the date of such declaration by the Board of Directors of the Association, the Association’s capital would be in compliance with the capital standards set forth in this section.

(17) CERTIFICATION PRIOR TO PAYMENT OF DIVIDEND.—Prior to the payment of any dividend under paragraph (16), the Association shall certify to the Secretary of the Treasury that the payment of the dividend will be made in compliance with paragraph (16) and shall provide copies of all calculations needed to make such certification.

(s) CHARTER SUNSET.—

(1) APPLICATION OF PROVISIONS.—This subsection applies beginning 18 months and one day after the date of enactment of this subsection if no reorganization of the Association occurs in accordance with the provisions of section 440.

(2) SUNSET PLAN.—

(A) PLAN SUBMISSION BY THE ASSOCIATION.—Not later than July 1, 2007, the Association shall submit to the Secretary of the Treasury and to the Chairman and Ranking Member of the Committee on Labor and Human Resources of the Senate and the Chairman and Ranking Member of the Committee on Economic and Educational Opportunities of the House of Representatives, a detailed plan for the orderly winding up, by July 1, 2013, of business activities conducted pursuant to the charter set forth in this section. Such plan shall—

(i) ensure that the Association will have adequate assets to transfer to a trust, as provided in this subsection, to ensure full payment of remaining obligations of the Association in accordance with the terms of such obligations;

(ii) provide that all assets not used to pay liabilities shall be distributed to shareholders as provided in this subsection; and

(iii) provide that the operations of the Association shall remain separate and distinct from that of any entity to which the assets of the Association are transferred.

(B) AMENDMENT OF THE PLAN BY THE ASSOCIATION.—The Association shall from time to time amend such plan to reflect changed circumstances, and submit such amendments to the Secretary of the Treasury and to the Chairman and Ranking Minority Member of the Committee on Labor and Human Resources of the Senate and Chairman and Ranking Minority Member of the Committee on Economic and Educational Opportunities of the House of Representatives. In no case may any amendment extend the date for full implementation of the plan beyond the dissolution date provided in paragraph (3).

(C) PLAN MONITORING.—The Secretary of the Treasury shall monitor the Association’s compliance with the plan.
and shall continue to review the plan (including any amendments thereto).

(D) AMENDMENT OF THE PLAN BY THE SECRETARY OF THE TREASURY.—The Secretary of the Treasury may require the Association to amend the plan (including any amendments to the plan), if the Secretary of the Treasury deems such amendments necessary to ensure full payment of all obligations of the Association.

(E) IMPLEMENTATION BY THE ASSOCIATION.—The Association shall promptly implement the plan (including any amendments to the plan, whether such amendments are made by the Association or are required to be made by the Secretary of the Treasury).

(3) DISSOLUTION OF THE ASSOCIATION.—The Association shall dissolve and the Association’s separate existence shall terminate on July 1, 2013, after discharge of all outstanding debt obligations and liquidation pursuant to this subsection. The Association may dissolve pursuant to this subsection prior to such date by notifying the Secretary of Education and the Secretary of the Treasury of the Association’s intention to dissolve, unless within 60 days of receipt of such notice the Secretary of Education notifies the Association that the Association continues to be needed to serve as a lender of last resort pursuant to subsection (q) or continues to be needed to purchase loans under an agreement with the Secretary described in paragraph (4)(A). On the dissolution date, the Association shall take the following actions:

(A) ESTABLISHMENT OF A TRUST.—The Association shall, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Secretary of the Treasury, the Association, and the appointed trustee, irrevocably transfer all remaining obligations of the Association to a trust and irrevocably deposit or cause to be deposited into such trust, to be held as trust funds solely for the benefit of holders of the remaining obligations, money or direct noncallable obligations of the United States or any agency thereof for which payment the full faith and credit of the United States is pledged, maturing as to principal and interest in such amounts and at such times as are determined by the Secretary of the Treasury to be sufficient, without consideration of any significant reinvestment of such interest, to pay the principal of, and interest on, the remaining obligations in accordance with their terms.

(B) USE OF TRUST ASSETS.—All money, obligations, or financial assets deposited into the trust pursuant to this subsection shall be applied by the trustee to the payment of the remaining obligations assumed by the trust. Upon the fulfillment of the trustee’s duties under the trust, any remaining assets of the trust shall be transferred to the persons who, at the time of the dissolution, were the shareholders of the Association, or to the legal successors or assigns of such persons.

(C) OBLIGATIONS NOT TRANSFERRED TO THE TRUST.— The Association shall make proper provision for all other
obligations of the Association, including the repurchase or redemption, or the making of proper provision for the repurchase or redemption, of any preferred stock of the Association outstanding.

(D) Transfer of remaining assets.—After compliance with subparagraphs (A) and (C), the Association shall transfer to the shareholders of the Association any remaining assets of the Association.

(4) Restrictions relating to winding up.—

(A) Restrictions on new business activity or acquisition of assets by the Association.—

(i) In general.—Beginning on July 1, 2009, the Association shall not engage in any new business activities or acquire any additional program assets (including acquiring assets pursuant to contractual commitments) described in subsection (d) other than in connection with the Association—

(I) serving as a lender of last resort pursuant to subsection (q); and

(II) purchasing loans insured under this part, if the Secretary, with the approval of the Secretary of the Treasury, enters into an agreement with the Association for the continuation or resumption of the Association’s secondary market purchase program because the Secretary determines there is inadequate liquidity for loans made under this part.

(ii) Agreement.—The Secretary is authorized to enter into an agreement described in subclause (II) of clause (i) with the Association covering such secondary market activities. Any agreement entered into under such subclause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. The fee provided under subsection (h)(7) shall not apply to loans acquired under any such agreement with the Secretary.

(B) Issuance of debt obligations during the wind up period; attributes of debt obligations.—The Association shall not issue debt obligations which mature later than July 1, 2013, except in connection with serving as a lender of last resort pursuant to subsection (q) or with purchasing loans under an agreement with the Secretary as described in subparagraph (A). Nothing in this subsection shall modify the attributes accorded the debt obligations of the Association by this section, regardless of whether such debt obligations are transferred to a trust in accordance with paragraph (3).

(a) ACTIONS BY THE ASSOCIATION'S BOARD OF DIRECTORS.—The Board of Directors of the Association shall take or cause to be taken all such action as the Board of Directors deems necessary or appropriate to effect, upon the shareholder approval described in subsection (b), a restructuring of the common stock ownership of the Association, as set forth in a plan of reorganization adopted by the Board of Directors (the terms of which shall be consistent with this section) so that all of the outstanding common shares of the Association shall be directly owned by a Holding Company. Such actions may include, in the Board of Director's discretion, a merger of a wholly owned subsidiary of the Holding Company with and into the Association, which would have the effect provided in the plan of reorganization and the law of the jurisdiction in which such subsidiary is incorporated. As part of the restructuring, the Board of Directors may cause—

1) the common shares of the Association to be converted, on the reorganization effective date, to common shares of the Holding Company on a one for one basis, consistent with applicable State or District of Columbia law; and

2) Holding Company common shares to be registered with the Securities and Exchange Commission.

(b) SHAREHOLDER APPROVAL.—The plan of reorganization adopted by the Board of Directors pursuant to subsection (a) shall be submitted to common shareholders of the Association for their approval. The reorganization shall occur on the reorganization effective date, provided that the plan of reorganization has been approved by the affirmative votes, cast in person or by proxy, of the holders of a majority of the issued and outstanding shares of the Association common stock.

(c) TRANSITION.—In the event the shareholders of the Association approve the plan of reorganization under subsection (b), the following provisions shall apply beginning on the reorganization effective date:

1) IN GENERAL.—Except as specifically provided in this section, until the dissolution date the Association shall continue to have all of the rights, privileges and obligations set forth in, and shall be subject to all of the limitations and restrictions of, section 439, and the Association shall continue to carry out the purposes of such section. The Holding Company and any subsidiary of the Holding Company (other than the Association) shall not be entitled to any of the rights, privileges, and obligations, and shall not be subject to the limitations and restrictions, applicable to the Association under section 439, except as specifically provided in this section. The Holding Company and any subsidiary of the Holding Company (other than the Association or a subsidiary of the Association) shall not purchase loans insured under this Act until such time as the Association ceases acquiring such loans, except that the Holding Company may purchase such loans if the Association...

(2) TRANSFER OF CERTAIN PROPERTY.—

(A) IN GENERAL.—Except as provided in this section, on the reorganization effective date or as soon as practicable thereafter, the Association shall use its best efforts to transfer to the Holding Company or any subsidiary of the Holding Company (or both), as directed by the Holding Company, all real and personal property of the Association (both tangible and intangible) other than the remaining property. Subject to the preceding sentence, such transferred property shall include all right, title, and interest in—

(i) direct or indirect subsidiaries of the Association (excluding special purpose funding companies in existence on the date of enactment of this section and any interest in any government-sponsored enterprise);
(ii) contracts, leases, and other agreements of the Association;
(iii) licenses and other intellectual property of the Association; and
(iv) any other property of the Association.

(B) CONSTRUCTION.—Nothing in this paragraph shall be construed to prohibit the Association from transferring remaining property from time to time to the Holding Company or any subsidiary of the Holding Company, subject to the provisions of paragraph (4).

(3) TRANSFER OF PERSONNEL.—On the reorganization effective date, employees of the Association shall become employees of the Holding Company (or any subsidiary of the Holding Company), and the Holding Company (or any subsidiary of the Holding Company) shall provide all necessary and appropriate management and operational support (including loan servicing) to the Association, as requested by the Association. The Association, however, may obtain such management and operational support from persons or entities not associated with the Holding Company.

(4) DIVIDENDS.—The Association may pay dividends in the form of cash or noncash distributions so long as at the time of the declaration of such dividends, after giving effect to the payment of such dividends as of the date of such declaration by the Board of Directors of the Association, the Association's capital would be in compliance with the capital standards and requirements set forth in section 439(r). If, at any time after the reorganization effective date, the Association fails to comply with such capital standards, the Holding Company shall transfer with due diligence to the Association additional capital in such amounts as are necessary to ensure that the Association again complies with the capital standards.

(5) CERTIFICATION PRIOR TO DIVIDEND.—Prior to the payment of any dividend under paragraph (4), the Association shall certify to the Secretary of the Treasury that the payment of the dividend will be made in compliance with paragraph (4)

(B) **Agreement.**—The Secretary is authorized to enter into an agreement described in clause (iv) of subparagraph (A) with the Association covering such secondary market activities. Any agreement entered into under such clause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. The fee provided under section 439(h)(7) shall not apply to loans acquired under any such agreement with the Secretary.

(7) **Issuance of Debt Obligations During the Transition Period; Attributes of Debt Obligations.**—After the reorganization effective date, the Association shall not issue debt obligations which mature later than September 30, 2008, except in connection with serving as a lender-of-last-resort pursuant to section 439(q) or with purchasing loans under an agreement with the Secretary as described in paragraph (6). Nothing in this section shall modify the attributes accorded the debt obligations of the Association by section 439, regardless of whether such debt obligations are incurred prior to, or at any time following, the reorganization effective date or are transferred to a trust in accordance with subsection (d).

(8) **Monitoring of Safety and Soundness.**—

(A) **Obligation to Obtain, Maintain, and Report Information.**—The Association shall obtain such information and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

(ii) the Association's policies, procedures, and systems for monitoring and controlling any such financial risk.

(B) SUMMARY REPORTS.—The Secretary of the Treasury may require summary reports of the information described in subparagraph (A) to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and subparagraph (A), require the Association to make reports concerning the activities of any associated person whose business activities are reasonably likely to have a material impact on the financial or operational condition of the Association.

(C) SEPARATE OPERATION OF CORPORATIONS.—

(i) IN GENERAL.—The funds and assets of the Association shall at all times be maintained separately from the funds and assets of the Holding Company or any subsidiary of the Holding Company and may be used by the Association solely to carry out the Association's purposes and to fulfill the Association's obligations.

(D) **ENCUMBRANCE OF ASSETS.**—Notwithstanding any Federal or State law, rule, or regulation, or legal or equitable principle, doctrine, or theory to the contrary, under no circumstances shall the assets of the Association be available or used to pay claims or debts of or incurred by the Holding Company. Nothing in this subparagraph shall be construed to limit the right of the Association to pay dividends not otherwise prohibited under this subparagraph or to limit any liability of the Holding Company explicitly provided for in this section.

(E) **HOLDING COMPANY ACTIVITIES.**—After the reorganization effective date and prior to the dissolution date, all business activities of the Holding Company shall be conducted through subsidiaries of the Holding Company.

The exercise price for such warrants shall be an amount equal to the average closing price of the common stock of the Association for the 20 business days prior to the date of enactment of this section on the exchange or market which is then the primary exchange or market for the common stock of the Association. The number of

(10) RESTRICTIONS ON TRANSFER OF ASSOCIATION SHARES AND BANKRUPTCY OF ASSOCIATION.—After the reorganization effective date, the Holding Company shall not sell, pledge, or otherwise transfer the outstanding shares of the Association, or agree to or cause the liquidation of the Association or cause the Association to file a petition for bankruptcy under title 11, United States Code, without prior approval of the Secretary of the Treasury and the Secretary of Education.

(d) TERMINATION OF THE ASSOCIATION.—In the event the shareholders of the Association approve a plan of reorganization under subsection (b), the Association shall dissolve, and the Association’s separate existence shall terminate on September 30, 2008, after discharge of all outstanding debt obligations and liquidation pursuant to this subsection. The Association may dissolve pursuant to this subsection prior to such date by notifying the Secretary of Education and the Secretary of the Treasury of the Association’s intention to dissolve, unless within 60 days after receipt of such notice the Secretary of Education notifies the Association that the Association continues to be needed to serve as a lender of last resort pursuant to section 439(q) or continues to be needed to purchase loans under an agreement with the Secretary described in subsection (c)(6). (3) OBLIGATIONS NOT TRANSFERRED TO THE TRUST.—The Association shall make proper provision for all other obligations of the Association not transferred to the trust, including the repurchase or redemption, or the making of proper provision for the repurchase or redemption, of any preferred stock of the Association outstanding. Any obligations of the Association which cannot be fully satisfied shall become liabilities of the Holding Company as of the date of dissolution.

(4) TRANSFER OF REMAINING ASSETS.—After compliance with paragraphs (1) and (3), any remaining assets of the trust shall be transferred to the Holding Company or any subsidiary of the Holding Company, as directed by the Holding Company.

(B) in any advertisement or promotional materials which use the “Sallie Mae” name or mark, a statement that neither the Holding Company nor any subsidiary of the Holding Company is a government-sponsored enterprise or instrumentality of the United States.

(f) STRICT CONSTRUCTION.—Except as specifically set forth in this section, nothing in this section shall be construed to limit the authority of the Association as a federally chartered corporation, or of the Holding Company as a State or District of Columbia chartered corporation.

(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 but is not a first or second time participant, an amount equal to the greater of—

40The allocation provisions of section 413D of the Higher Education Act of 1965 were amended by section 442 of the Higher Education Amendments of 1998 (P.L. 105–244; 112 Stat. 1712). Subsection (c) of that section 442 contained the following effective date provision:

(c) EFFECTIVE DATE.—The amendments made by this section shall apply with respect to allocations of amounts appropriated pursuant to section 441(b) for fiscal year 2000 or any succeeding fiscal year.

(ii) an amount equal to (I) 90 percent of the amount received and used under this part in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or
(iii) 90 percent of the institution's allocation under this part for the preceding fiscal year.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which—

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and
(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

(4)(A) Notwithstanding any other provision of this section, the Secretary may allocate an amount equal to not more than 10 percent of the amount by which the amount appropriated in any fiscal year to carry out this part exceeds $700,000,000 among eligible institutions described in subparagraph (B).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

(A)(i) the amount of that institution's need (as determined under subsection (c)), divided by (ii) the sum of the need of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 441(b) for the fiscal year; exceeds

(C) compute 25 percent of the average cost of attendance for all undergraduate students;

(D) multiply the number of eligible dependent students in each income category by the lesser of—

(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;

(F) multiply the number of eligible independent students in each income category by the lesser of—

(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income cat-
egory, except that the amount computed by such subtraction for any income category shall not be less than zero;

(G) add the amounts determined under subparagraph (F) for each income category of independent students; and

(H) add the amounts determined under subparagraphs (E) and (G).

(3) To determine the self-help need of an institution’s eligible graduate and professional students, the Secretary shall—

(A) establish various income categories of graduate and professional students;

(B) establish an expected family contribution for each income category of graduate and professional students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) determine the average cost of attendance for all graduate and professional students;

(D) subtract from the average cost of attendance for all graduate and professional students (determined under subparagraph (C)), the expected family contribution (determined under subparagraph (B)) for each income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

(E) multiply the amounts determined under subparagraph (D) by the number of eligible students in each category; and

(F) add the amounts determined under subparagraph (E) of this paragraph for each income category.

(4)(A) For purposes of paragraphs (2) and (3), the term “average cost of attendance” means the average of the attendance costs for undergraduate students and for graduate and professional students, which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate and graduate and professional tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate and graduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution’s enrollment for such second preceding year.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to $600.

(d) REALLOCATION OF EXCESS ALLOCATIONS.—(1) If institutions return to the Secretary any portion of the sums allocated to such institutions under this section for any fiscal year, the Secretary shall reallocate such excess to eligible institutions which used at least
5 percent of the total amount of funds granted to such institution under this section to compensate students employed in tutoring in reading and family literacy activities in the preceding fiscal year. Such excess funds shall be reallocated to institutions which qualify under this subsection on the same basis as excess eligible amounts are allocated to institutions pursuant to subsection (b). Funds received by institutions pursuant to this subsection shall be used to compensate students employed in community service.

(2) If, under paragraph (1) of this subsection, an institution returns more than 10 percent of its allocation, the institution’s allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may waive this paragraph for a specific institution if the Secretary finds that enforcing this paragraph would be contrary to the interest of the program.

(e) Filing Deadlines.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(a) Agreements Required.—The Secretary is authorized to enter into agreements with institutions of higher education under which the Secretary will make grants to such institutions to assist in the operation of work-study programs as provided in this part.

(b) Contents of Agreements.—An agreement entered into pursuant to this section shall—

(B) will be governed by such conditions of employment as will be appropriate and reasonable in light of such factors as type of work performed, geographical region, and proficiency of the employee;

(C) does not involve the construction, operation, or maintenance of so much of any facility as is used or is to be used for sectarian instruction or as a place for religious worship; and

(2) provide that funds granted an institution of higher education, pursuant to this section, may be used only to make payments to students participating in work-study programs, except that—

(A) for fiscal year 2000 and succeeding fiscal years, an institution shall use at least 7 percent of the total amount of funds granted to such institution under this section for
such fiscal year to compensate students employed in community service, and shall ensure that not less than 1 tutoring or family literacy project (as described in subsection (d)) is included in meeting the requirement of this subparagraph, except that the Secretary may waive this subparagraph if the Secretary determines that enforcing this subparagraph would cause hardship for students at the institution; and

(B) an institution may use a portion of the sums granted to it to meet administrative expenses in accordance with section 489 of this Act, may use a portion of the sums granted to it to meet the cost of a job location and development program in accordance with section 446 of this part, and may transfer funds in accordance with the provisions of section 488 of this Act;

(3) provide that in the selection of students for employment under such work-study program, only students who demonstrate financial need in accordance with part F and meet the requirements of section 484 will be assisted, except that if the institution’s grant under this part is directly or indirectly based in part on the financial need demonstrated by students who are (A) attending the institution on less than a full-time basis, or (B) independent students, a reasonable portion of the grant shall be made available to such students;

(4) provide that for a student employed in a work-study program under this part, at the time income derived from any need-based employment is in excess of the determination of the amount of such student’s need by more than $300, continued employment shall not be subsidized with funds appropriated under this part;

(5) provide that the Federal share of the compensation of students employed in the work-study program in accordance with the agreement shall not exceed 75 percent, except that—

(A) the Federal share may exceed 75 percent, but not exceed 90 percent, if, consistent with regulations of the Secretary—

(III) would otherwise be unable to afford the costs of such employment; and

(ii) not more than 10 percent of the students compensated through the institution’s grant under this part during the academic year are employed in positions for which the Federal share exceeds 75 percent; and

(B) the Federal share may exceed 75 percent if the Secretary determines, pursuant to regulations promulgated by the Secretary establishing objective criteria for such determinations, that a Federal share in excess of
such amounts is required in furtherance of the purpose of this part;
(6) include provisions to make employment under such work-study program reasonably available (to the extent of available funds) to all eligible students in the institution in need thereof;
(7) provide assurances that employment made available from funds under this part will, to the maximum extent practicable, complement and reinforce the educational program or vocational goals of each student receiving assistance under this part;
(8) provide assurances, in the case of each proprietary institution, that students attending the proprietary institution receiving assistance under this part who are employed by the institution may be employed in jobs—
(A) that are only on campus and that—
(i) to the maximum extent practicable, complement and reinforce the education programs or vocational goals of such students; and
(ii) furnish student services that are directly related to the student’s education, as determined by the Secretary pursuant to regulations, except that no student shall be employed in any position that would involve the solicitation of other potential students to enroll in the school; or
(B) in community service in accordance with paragraph (2)(A) of this subsection;
(9) provide assurances that employment made available from funds under this part may be used to support programs for supportive services to students with disabilities;

(11) include such other reasonable provisions as the Secretary shall deem necessary or appropriate to carry out the purpose of this part.
(c) Private Sector Employment Agreement.—As part of its agreement described in subsection (b), an institution of higher education may, at its option, enter into an additional agreement with the Secretary which shall—

(4) provide that jobs under the work study program will be academically relevant, to the maximum extent practicable; and

(5) provide that the for-profit organization will not use funds made available under this part to pay any employee who would otherwise be employed by the organization.

(3) FEDERAL SHARE.—The Federal share of the compensation of work-study students compensated under this subsection may exceed 75 percent.

Nothing in this part shall be construed as restricting the source (other than this part) from which the institution may pay its share of the compensation of a student employed under a work-study program covered by an agreement under this part, and such share may be paid to such student in the form of services and equipment (including tuition, room, board, and books) furnished by such institution.

(a) CARRY-OVER AUTHORITY.—(1) Of the sums granted to an eligible institution under this part for any fiscal year, 10 percent may, at the discretion of the institution, remain available for expenditure during the succeeding fiscal year to carry out programs under this part.

(2) Any of the sums so granted to an institution for a fiscal year which are not needed by that institution to operate work-study programs during that fiscal year, and which it does not wish to use during the next fiscal year as authorized in the preceding sentence, shall remain available to the Secretary for making grants under section 443 to other institutions in the same State until the close of the second fiscal year next succeeding the fiscal year for which such funds were appropriated.

(4) provide satisfactory assurance that the location or development of jobs pursuant to programs assisted under this section will not result in the displacement of employed workers or impair existing contracts for services;

(5) provide satisfactory assurance that Federal funds used for the purpose of this section can realistically be expected to help generate student wages exceeding, in the aggregate, the amount of such funds, and that if such funds are used to contract with another organization, appropriate performance standards are part of such contract; and

(6) provide that the institution will submit to the Secretary an annual report on the uses made of funds provided under this section and an evaluation of the effectiveness of such program in benefiting the students of such institution.

(E) provides an assurance that such institution has no delinquent outstanding debts to the Federal Government, unless such debts are being repaid under or in accordance with a repayment arrangement satisfactory to the Federal Government, or the Secretary in the Secretary’s discretion determines that the existence or amount of such debts has not been finally determined by the cognizant Federal agency; and

(F) meets such other criteria as the Secretary may establish to protect the financial interest of the United States and to promote the purposes of this part.

(C) provide a statement that certifies the eligibility of any student to receive a loan under this part that is not in excess of the annual or aggregate limit applicable to such loan, except that the institution may, in exceptional circumstances identified by the Secretary, refuse to certify a statement that permits a student to receive a loan under this part, or certify a loan amount that is less than the student’s determination of need (as determined under part
F of this title), if the reason for such action is documented and provided in written form to such student;

(D) set forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of section 428G; and

(6) include such other provisions as the Secretary determines are necessary to protect the interests of the United States and to promote the purposes of this part.

(b) ORIGINATION.—An agreement with any institution of higher education, or consortia thereof, for the origination of loans under this part shall—

In designing such alternative repayment plans, the Secretary shall ensure that such plans do not exceed the cost to the Federal Government, as determined on the basis of the present value of future payments by such borrowers, of loans made using the plans available under paragraph (1).

(5) REPAYMENT AFTER DEFAULT.—The Secretary may require any borrower who has defaulted on a loan made under this part to—

(A) pay all reasonable collection costs associated with such loan; and

(5) Calculation of balance due.—The balance due on a loan made under this part that is repaid pursuant to income contingent repayment shall equal the unpaid principal amount of the loan, any accrued interest, and any fees, such as late charges, assessed on such loan. The Secretary may promulgate regulations limiting the amount of interest that may be capitalized on such loan, and the timing of any such capitalization.

(6) Notification to borrowers.—The Secretary shall establish procedures under which a borrower of a loan made under this part who chooses or is required to repay such loan pursuant to income contingent repayment is notified of the terms and conditions of such plan, considers that special circumstances, such as a loss of employment by the borrower or the borrower’s spouse, warrant an adjustment in the borrower’s loan repayment, the borrower may contact the Secretary, who shall determine whether such adjustment is appropriate, in accordance with criteria established by the Secretary.

(7) Maximum repayment period.—In calculating the extended period of time for which an income contingent repayment plan under this subsection may be in effect for a borrower, the Secretary shall include all time periods during which a borrower of loans under part B, part D, or part E—

(ii) allow the borrower (or the spouse of the borrower), at any time, to opt out of disclosure under such section 6103(l)(13) and instead provide such information as the Secretary may require to determine the repayment obligation of the borrower (or withdraw from the repayment plan under this subsection); and

   (i) the amount determined under subparagraph (A), (B), or (C), multiplied by
   (ii) the institution’s default penalty, as determined under subsection (e),
except that if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the institution may not receive an allocation under this paragraph.
(A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and

(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

(b) ALLOCATION OF EXCESS BASED ON SHARE OF EXCESS ELIGIBLE AMOUNTS.—(1) From the remainder of the amount appropriated pursuant to section 461(b) after making the allocations required by subsection (a) of this section, the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

(A)(i) that institution’s eligible amount (as determined under paragraph (3)), divided by (ii) the sum of the eligible amounts of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 461(b) for the fiscal year; exceeds

(B) the amount required to be allocated to that institution under subsection (a),

except that an eligible institution which has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f) may not receive an allocation under this paragraph.

(3) For any eligible institution, the eligible amount of that institution is equal to—

(A) the amount of the institution’s self-help need, as determined under subsection (c); minus

(B) the institution’s anticipated collections; multiplied by

(C) the institution’s default penalty, as determined under subsection (e);

except that, if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the eligible amount of that institution is zero.

(c) DETERMINATION OF INSTITUTION’S SELF-HELP NEED.—(1) The amount of an institution’s self-help need is equal to the sum of the self-help need of the institution’s eligible undergraduate students and the self-help need of the institution’s eligible graduate and professional students.
(2) To determine the self-help need of an institution’s eligible undergraduate students, the Secretary shall—
   (A) establish various income categories for dependent and independent undergraduate students;
   (B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;
   (C) compute 25 percent of the average cost of attendance for all undergraduate students;
   (D) multiply the number of eligible dependent students in each income category by the lesser of—
      (i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or
      (ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;
   (E) add the amounts determined under subparagraph (D) for each income category of dependent students;
   (F) multiply the number of eligible independent students in each income category by the lesser of—
      (i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or
      (ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction for any income category shall not be less than zero;
   (G) add the amounts determined under subparagraph (F) for each income category of independent students; and
   (H) add the amounts determined under subparagraphs (E) and (G).

(3) To determine the self-help need of an institution’s eligible graduate and professional students, the Secretary shall—
   (A) establish various income categories for graduate and professional students;
   (B) establish an expected family contribution for each income category of graduate and professional students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;
   (C) determine the average cost of attendance for all graduate and professional students;
   (D) subtract from the average cost of attendance for all graduate and professional students (determined under subparagraph (C)), the expected family contribution (determined under subparagraph (B)) for each income category, except that
the amount computed by such subtraction for any income category shall not be less than zero;

(E) multiply the amounts determined under subparagraph (D) by the number of eligible students in each category;

(F) add the amounts determined under subparagraph (E) for each income category.

(4)(A) For purposes of paragraphs (2) and (3), the term “average cost of attendance” means the average of the attendance costs for undergraduate students and for graduate and professional students, which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate and graduate and professional tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate and graduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution’s enrollment for such second preceding year.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to $600.

(d) ANTICIPATED COLLECTIONS.—(1) An institution’s anticipated collections are equal to the amount which was collected during the second year preceding the beginning of the award period, multiplied by 1.21.

(2) The Secretary shall establish an appeals process by which the anticipated collections required in paragraph (1) may be waived for institutions with low cohort default rates in the program assisted under this part.

(e) DEFAULT PENALTIES.—

(1) YEARS PRECEDING FISCAL YEAR 2000.—For any fiscal year preceding fiscal year 2000, any institution with a cohort default rate that—

(A) equals or exceeds 15 percent, shall establish a default reduction plan pursuant to regulations prescribed by the Secretary, except that such plan shall not be required with respect to an institution that has a default rate of less than 20 percent and that has less than 100 students who have loans under this part in such academic year;

(B) equals or exceeds 20 percent, but is less than 25 percent, shall have a default penalty of 0.9;

(C) equals or exceeds 25 percent, but is less than 30 percent, shall have a default penalty of 0.7; and

(D) equals or exceeds 30 percent shall have a default penalty of zero.

(2) YEARS FOLLOWING FISCAL YEAR 2000.—For fiscal year 2000 and any succeeding fiscal year, any institution with a co-
hort default rate (as defined under subsection (g)) that equals or exceeds 25 percent shall have a default penalty of zero.

(3) Ineligibility.—

(A) In General.—For fiscal year 2000 and any succeeding fiscal year, any institution with a cohort default rate (as defined in subsection (g)) that equals or exceeds 50 percent for each of the 3 most recent years for which data are available shall not be eligible to participate in a program under this part for the fiscal year for which the determination is made and the 2 succeeding fiscal years, unless, within 30 days of receiving notification from the Secretary of the loss of eligibility under this paragraph, the institution appeals the loss of eligibility to the Secretary. The Secretary shall issue a decision on any such appeal within 45 days after the submission of the appeal. Such decision may permit the institution to continue to participate in a program under this part if—

(i) the institution demonstrates to the satisfaction of the Secretary that the calculation of the institution’s cohort default rate is not accurate, and that re-calculation would reduce the institution’s cohort default rate for any of the 3 fiscal years below 50 percent; or

(ii) there are, in the judgment of the Secretary, such a small number of borrowers entering repayment that the application of this subparagraph would be inequitable.

(B) Continued Participation.—During an appeal under subparagraph (A), the Secretary may permit the institution to continue to participate in a program under this part.

(C) Return of Funds.—Within 90 days after the date of any termination pursuant to subparagraph (A), or the conclusion of any appeal pursuant to subparagraph (B), whichever is later, the balance of the student loan fund established under this part by the institution that is the subject of the termination shall be distributed as follows:

(i) The Secretary shall first be paid an amount which bears the same ratio to such balance (as of the date of such distribution) as the total amount of Federal capital contributions to such fund by the Secretary under this part bears to the sum of such Federal capital contributions and the capital contributions to such fund made by the institution.

(ii) The remainder of such student loan fund shall be paid to the institution.

(D) Use of Returned Funds.—Any funds returned to the Secretary under this paragraph shall be reallocated to institutions of higher education pursuant to subsection (i).

(E) Definition.—For the purposes of subparagraph (A), the term “loss of eligibility” shall be defined as the mandatory liquidation of an institution’s student loan fund, and assignment of the institution’s outstanding loan portfolio to the Secretary.
Sec. 462  HIGHER EDUCATION ACT OF 1965

(f) APPLICABLE MAXIMUM COHORT DEFAULT RATE.—

(1) AWARD YEARS PRIOR TO 2000.—For award years prior to award year 2000, the applicable maximum cohort default rate is 30 percent.

(2) AWARD YEAR 2000 AND SUCCEEDING AWARD YEARS.—For award year 2000 and subsequent years, the applicable maximum cohort default rate is 25 percent.

(g) DEFINITION OF COHORT DEFAULT RATE.—

(1)(A) The term "cohort default rate" means, for any award year in which 30 or more current and former students at the institution enter repayment on loans under this part (received for attendance at the institution), the percentage of those current and former students who enter repayment on such loans (received for attendance at that institution) in that award year who default before the end of the following award year.

(B) For any award year in which less than 30 of the institution's current and former students enter repayment, the term "cohort default rate" means the percentage of such current and former students who entered repayment on such loans in any of the three most recent award years and who default before the end of the award year immediately following the year in which they entered repayment.

(C) A loan on which a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with such institution, in order to avoid default by the borrower, is considered as in default for the purposes of this subsection.

(D) In the case of a student who has attended and borrowed at more than one school, the student (and his or her subsequent repayment or default) is attributed to the school for attendance at which the student received the loan that entered repayment in the award year.

(E) In determining the number of students who default before the end of such award year, the institution, in calculating the cohort default rate, shall exclude—

(i) any loan on which the borrower has, after the time periods specified in paragraph (2)—

(I) voluntarily made 6 consecutive payments;

(II) voluntarily made all payments currently due;

(III) repaid in full the amount due on the loan; or

(IV) received a deferment or forbearance, based on a condition that began prior to such time periods;

(ii) any loan which has, after the time periods specified in paragraph (2), been rehabilitated or canceled; and

(iii) any other loan that the Secretary determines should be excluded from such determination.

(F) The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a cohort default rate determination under this subsection through the use of such measures as branching, consolidation, change of ownership or control or other means as determined by the Secretary.
Sec. 463 Higher Education Act of 1965

(2) For purposes of calculating the cohort default rate under this subsection, a loan shall be considered to be in default—

   (A) 240 days (in the case of a loan repayable monthly),
   or
   (B) 270 days (in the case of a loan repayable quarterly),

   after the borrower fails to make an installment payment when due or to comply with other terms of the promissory note.

(h) Filing Deadlines.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(i) Reallocations of Excess Allocations.—

   (1) In General.—(A) If an institution of higher education
   returns to the Secretary any portion of the sums allocated to
   such institution under this section for any fiscal year, the Sec-
   retary shall reallocate 80 percent of such returned portions to
   participating institutions in an amount not to exceed such par-
   ticipating institution’s excess eligible amounts as determined
   under paragraph (2).
   (B) For the purpose of this subsection, the term “partici-
   pating institution” means an institution of higher education
   that—

   (i) was a participant in the program assisted under
   this part in fiscal year 1999; and
   (ii) did not receive an allocation under subsection (a)
   in the fiscal year for which the reallocation determination
   is made.

   (2) Excess Eligible Amount.—For any participating institu-
   tion, the excess eligible amount is the amount, if any, by
   which—

   (A)(i) that institution’s eligible amount (as determined
   under subsection (b)(3)), divided by (ii) the sum of the eli-
   gible amounts of all participating institutions (as deter-
   mined under paragraph (3)), multiplied by (iii) the amount
   of funds available for reallocation under this subsection;
   exceeds
   (B) the amount required to be allocated to that institu-
   tion under subsection (b).

   (3) Remainder.—The Secretary shall reallocate the re-
   mainder of such returned portions in accordance with regula-
   tions of the Secretary.

   (4) Allocation Reductions.—If under paragraph (1) of
   this subsection an institution returns more than 10 percent
   of its allocation, the institution’s allocation for the next fiscal year
   shall be reduced by the amount returned. The Secretary may
   waive this paragraph for a specific institution if the Secretary
   finds that enforcing it is contrary to the interest of the pro-
   gram.

SEC. 463. [20 U.S.C. 1087cc] AGREEMENTS WITH INSTITUTIONS OF HIGHER EDUCATION.

(a) Contents of Agreements.—An agreement with any institu-

(2) provide for the deposit in such fund of—
   (A) Federal capital contributions from funds appropriated under section 461;
   (B) a capital contribution by an institution in an amount equal to one-third of the Federal capital contributions described in subparagraph (A);
   (C) collections of principal and interest on student loans made from deposited funds;
   (D) charges collected pursuant to regulations under section 464(c)(1)(H); and
   (E) any other earnings of the funds;
(3) provide that such student loan fund shall be used only for—
   (A) loans to students, in accordance with the provisions of this part;
   (B) administrative expenses, as provided in subsection (b);
   (C) capital distributions, as provided in section 466; and
   (D) costs of litigation, and other collection costs agreed to by the Secretary in connection with the collection of a loan from the fund (and interest thereon) or a charge assessed pursuant to regulations under section 464(c)(1)(H);
(4) provide that where a note or written agreement evidencing a loan has been in default despite due diligence on the part of the institution in attempting collection thereon—
   (A) if the institution has knowingly failed to maintain an acceptable collection record with respect to such loan, as determined by the Secretary in accordance with criteria established by regulation, the Secretary may—
      (i) require the institution to assign such note or agreement to the Secretary, without recompense; and
      (ii) apportion any sums collected on such a loan, less an amount not to exceed 30 percent of any sums collected to cover the Secretary's collection costs, among other institutions in accordance with section 462; or
   (B) if the institution is not one described in subparagraph (A), the Secretary may allow such institution to refer such note or agreement to the Secretary, without recompense, except that, once every six months, any sums collected on such a loan (less an amount not to exceed 30 percent of any such sums collected to cover the Secretary's collection costs) shall be repaid to such institution and treated as an additional capital contribution under section 462;
(5) provide that, if an institution of higher education determines not to service and collect student loans made available from funds under this part, the institution will assign, at the beginning of the repayment period, notes or evidence of obligations of student loans made from such funds to the Secretary and the Secretary shall apportion any sums collected on such
notes or obligations (less an amount not to exceed 30 percent of any such sums collected to cover that Secretary's collection costs) among other institutions in accordance with section 462;

(6) provide that, notwithstanding any other provision of law, the Secretary will provide to the institution any information with respect to the names and addresses of borrowers or other relevant information which is available to the Secretary, from whatever source such information may be derived;

(7) provide assurances that the institution will comply with the provisions of section 463A;

(8) provide that the institution of higher education will make loans first to students with exceptional need; and

(9) include such other reasonable provisions as may be necessary to protect the United States from unreasonable risk of loss and as are agreed to by the Secretary and the institution, except that nothing in this paragraph shall be construed to permit the Secretary to require the assignment of loans to the Secretary other than as is provided for in paragraphs (4) and (5).

(b) ADMINISTRATIVE EXPENSES.—An institution which has entered into an agreement under subsection (a) shall be entitled, for each fiscal year during which it makes student loans from a student loan fund established under such agreement, to a payment in lieu of reimbursement for its expenses in administering its student loan program under this part during such year. Such payment shall be made in accordance with section 489.

(c) COOPERATIVE AGREEMENTS WITH CONSUMER REPORTING AGENCIES.—(1) For the purpose of promoting responsible repayment of loans made pursuant to this part, the Secretary and each institution of higher education participating in the program under this part shall enter into cooperative agreements with consumer reporting agencies to provide for the exchange of information concerning student borrowers concerning whom the Secretary has received a referral pursuant to section 467 and regarding loans held by the Secretary or an institution.

(2) Each cooperative agreement made pursuant to paragraph (1) shall be made in accordance with the requirements of section 430A except that such agreement shall provide for the disclosure by the Secretary or an institution, as the case may be, to such consumer reporting agencies, with respect to any loan held by the Secretary or the institution, respectively, of—

(A) the date of disbursement and the amount of such loans made to any borrower under this part at the time of disbursement of the loan;

(B) information concerning the repayment and collection of any such loan, including information concerning the status of such loan; and

(C) the date of cancellation of the note upon completion of repayment by the borrower of any such loan, or upon cancellation or discharge of the borrower's obligation on the loan for any reason.

(3) Notwithstanding paragraphs (4) and (5) of subsection (a) of section 605 of the Fair Credit Reporting Act (15 U.S.C. 1681c (a)(4), (a)(5)), a consumer reporting agency may make a report containing
information received from the Secretary or an institution regarding
the status of a borrower’s account on a loan made under this part
until the loan is paid in full.

(4)(A) Except as provided in subparagraph (B), an institution
of higher education, after consultation with the Secretary and pur-
suant to the agreements entered into under paragraph (1), shall
disclose at least annually to any consumer reporting agency with
which the Secretary has such an agreement the information set
forth in paragraph (2), and shall disclose promptly to such con-
sumer reporting agency any changes to the information previously
disclosed.

(B) The Secretary may promulgate regulations establishing cri-
teria under which an institution of higher education may cease re-
porting the information described in paragraph (2) before a loan is
paid in full.

(5) Each institution of higher education shall notify the appro-
priate consumer reporting agencies whenever a borrower of a loan
that is made and held by the institution and that is in default
makes 6 consecutive monthly payments on such loan, for the pur-
pose of encouraging such consumer reporting agencies to update
the status of information maintained with respect to that borrower.

(d) LIMITATION ON USE OF INTEREST BEARING ACCOUNTS.—In
carrying out the provisions of subsection (a)(9), the Secretary may
not require that any collection agency, collection attorney, or loan
servicer collecting loans made under this part deposit amounts col-
dected on such loans in interest bearing accounts, unless such agen-
cy, attorney, or servicer holds such amounts for more than 45 days.

(e) SPECIAL DUE DILIGENCE RULE.—In carrying out the provi-
sions of subsection (a)(5) relating to due diligence, the Secretary
shall make every effort to ensure that institutions of higher edu-
cation may use Internal Revenue Service skip-tracing collection
procedures on loans made under this part.

this part, provide thorough and adequate loan information on such
loan to the student borrower. Any disclosure required by this sub-
section may be made by an institution of higher education as part
of the written application material provided to the borrower, or as

(9) an explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan;
(10) a statement that the borrower has the right to prepay all or part of the loan, at any time, without penalty, a statement summarizing circumstances in which repayment of the loan or interest that accrues on the loan may be deferred, and a brief notice of the program for repayment of loans, on the basis of military service, pursuant to the Department of Defense educational loan repayment program (10 U.S.C. 16302);

(17) with respect to new undergraduate Federal Perkins loan borrowers, as described in section 461(b)(1)(A), a notice and explanation providing a comparison of the interest rates of loans under this part and part D and informing the borrower that the borrower has reached the maximum annual borrowing limit for which the borrower is eligible as referenced under subparagraphs (A) and (D) of section 455(a)(2); and
(18) with respect to current undergraduate Federal Perkins loan borrowers, as described in section 461(b)(1)(B), a notice and explanation providing a comparison of the interest rates of loans under this part and part D and informing the
borrower that the borrower has reached the maximum annual borrowing limit for which the borrower is eligible on Federal Direct Stafford Loans as referenced under section 455(a)(2)(A).

(b) Disclosure Required Prior to Repayment.—Each institution of higher education shall enter into an agreement with the Secretary under which the institution will, prior to the start of the repayment period of the student borrower on loans made under this part, disclose to the student borrower the information required under this subsection. Any disclosure required by this subsection may be made by an institution of higher education either in a promissory note evidencing the loan or loans or in a written statement provided to the borrower. The disclosures shall include—

(1) the name of the institution of higher education, and the address to which communications and payments should be sent;
(2) the scheduled date upon which the repayment period is to begin;

(9) a statement that the borrower has the right to prepay all or part of the loan or loans covered by the disclosure at any time without penalty.

(c) Costs and Effects of Disclosures.—Such information shall be available without cost to the borrower. The failure of an eligible institution to provide information as required by this section shall not (1) relieve a borrower of the obligation to repay a loan in accordance with its terms, (2) provide a basis for a claim for civil damages, or (3) be deemed to abrogate the obligation of the Secretary to make payments with respect to such loan.

(a) Terms and Conditions.—(1) Loans from any student loan fund established pursuant to an agreement under section 463 to any student by any institution shall, subject to such conditions, limitations, and requirements as the Secretary shall prescribe by regulation, be made on such terms and conditions as the institution may determine.
(2)(A) Except as provided in paragraph (4), the total of loans made to a student in any academic year or its equivalent by an institution of higher education from a loan fund established pursuant to an agreement under this part shall not exceed—
   (i) $5,500, in the case of a student who has not successfully completed a program of undergraduate education; or
   (ii) $8,000, in the case of a graduate or professional student (as defined in regulations issued by the Secretary).

(B) Except as provided in paragraph (4), the aggregate unpaid principal amount for all loans made to a student by institutions of higher education from loan funds established pursuant to agreements under this part may not exceed—
   (i) $60,000, in the case of any graduate or professional student (as defined by regulations issued by the Secretary, and including any loans from such funds made to such person before such person became a graduate or professional student);
   (ii) $27,500, in the case of a student who has successfully completed 2 years of a program of education leading to a bachelor’s degree but who has not completed the work necessary for such a degree (determined under regulations issued by the Secretary), and including any loans from such funds made to such person before such person became such a student; and
   (iii) $11,000, in the case of any other student.

(3) Regulations of the Secretary under paragraph (1) shall be designed to prevent the impairment of the capital student loan funds to the maximum extent practicable and with a view toward the objective of enabling the student to complete his course of study.

(4) In the case of a program of study abroad that is approved for credit by the home institution at which a student is enrolled and that has reasonable costs in excess of the home institution’s budget, the annual and aggregate loan limits for the student may exceed the amounts described in paragraphs (2)(A) and (2)(B) by 20 percent.

(b) DEMONSTRATION OF NEED AND ELIGIBILITY REQUIRED.—(1) A loan from a student loan fund assisted under this part may be made only to a student who demonstrates financial need in accordance with part F of this title, who meets the requirements of section 484, and who provides the institution with the student’s driver’s license number, if any, at the time of application for the loan. A student who is in default on a loan under this part shall not be eligible for an additional loan under this part unless such loan meets one of the conditions for exclusion under section 462(g)(1)(E).

(2) If the institution’s capital contribution under section 462 is directly or indirectly based in part on the financial need demonstrated by students who are (A) attending the institution less than full time, or (B) independent students, then a reasonable portion of the loans made from the institution’s student loan fund containing the contribution shall be made available to such students.

(c) CONTENTS OF LOAN AGREEMENT.—(1) Any agreement between an institution and a student for a loan from a student loan fund assisted under this part—
   (A) shall be evidenced by note or other written instrument which, except as provided in paragraph (2), provides for repay-
ment of the principal amount of the loan, together with interest thereon, in equal installments (or, if the borrower so requests, in graduated periodic installments determined in accordance with such schedules as may be approved by the Secretary) payable quarterly, bimonthly, or monthly, at the option of the institution, over a period beginning nine months after the date on which the student ceases to carry, at an institution of higher education or a comparable institution outside the United States approved for this purpose by the Secretary, at least one-half the normal full-time academic workload, and ending 10 years and 9 months after such date except that such period may begin earlier than 9 months after such date upon the request of the borrower;

(B) shall include provision for acceleration of repayment of the whole, or any part, of such loan, at the option of the borrower;

(C)(i) may provide, at the option of the institution, in accordance with regulations of the Secretary, that during the repayment period of the loan, payments of principal and interest by the borrower with respect to all outstanding loans made to the student from a student loan fund assisted under this part shall be at a rate equal to not less than $40 per month, except that the institution may, subject to such regulations, permit a borrower to pay less than $40 per month for a period of not more than one year where necessary to avoid hardship to the borrower, but without extending the 10-year maximum repayment period provided for in subparagraph (A) of this paragraph; and

(ii) may provide that the total payments by a borrower for a monthly or similar payment period with respect to the aggregate of all loans held by the institution may, when the amount of a monthly or other similar payment is not a multiple of $5, be rounded to the next highest whole dollar amount that is a multiple of $5;

(D) shall provide that the loan shall bear interest, on the unpaid balance of the loan, at the rate of 5 percent per year in the case of any loan made on or after October 1, 1981, except that no interest shall accrue (i) prior to the beginning date of repayment determined under paragraph (2)(A)(i), or (ii) during any period in which repayment is suspended by reason of paragraph (2);

(E) shall provide that the loan shall be made without security and without endorsement;

(F) shall provide that the liability to repay the loan shall be cancelled—

(i) upon the death of the borrower;

(ii) if the borrower becomes permanently and totally disabled as determined in accordance with regulations of the Secretary;

(iii) if the borrower is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can
be expected to result in death, has lasted for a continuous period of not less than 60 months, or can be expected to last for a continuous period of not less than 60 months; or

(iv) if the borrower is determined by the Secretary of Veterans Affairs to be unemployable due to a service-connected disability;

(G) shall provide that no note or evidence of obligation may be assigned by the lender, except upon the transfer of the borrower to another institution participating under this part (or, if not so participating, is eligible to do so and is approved by the Secretary for such purpose), to such institution, and except as necessary to carry out section 463(a)(6);

(H) pursuant to regulations of the Secretary, shall provide for an assessment of a charge with respect to the loan for failure of the borrower to pay all or part of an installment when due, which shall include the expenses reasonably incurred in attempting collection of the loan, to the extent permitted by the Secretary, except that no charge imposed under this subparagraph shall exceed 20 percent of the amount of the monthly payment of the borrower; and

(I) shall contain a notice of the system of disclosure of information concerning default on such loan to consumer reporting agencies under section 463(c).

(2)(A) No repayment of principal of, or interest on, any loan from a student loan fund assisted under this part shall be required during any period—

(i) during which the borrower—

(1) is pursuing at least a half-time course of study as determined by an eligible institution; or

(2) is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary, or pursuant to a rehabilitation training program for disabled individuals approved by the Secretary, except that no borrower shall be eligible for a deferment under this clause, or loan made under this part while serving in a medical internship or residency program;

(ii) not in excess of 3 years during which the borrower is seeking and unable to find full-time employment;

(iii) during which the borrower—

(1) is serving on active duty during a war or other military operation or national emergency; or

(2) is performing qualifying National Guard duty during a war or other military operation or national emergency,

and for the 180-day period following the demobilization date for the service described in subclause (I) or (II);

(iv) not in excess of 3 years for any reason which the lender determines, in accordance with regulations prescribed by the Secretary under section 435(o), has caused or will cause the borrower to have an economic hardship;

(v) during which the borrower is engaged in service described in section 465(a)(2); or
(vi) during which the borrower is receiving treatment for cancer and the 6 months after such period; and provides that any such period shall not be included in determining the 10-year period described in subparagraph (A) of paragraph (1).

(B) No repayment of principal of, or interest on, any loan for any period described in subparagraph (A) shall begin until 6 months after the completion of such period.

(C) An individual with an outstanding loan balance who meets the eligibility criteria for a deferment described in subparagraph (A) as in effect on the date of enactment of this subparagraph shall be eligible for deferment under this paragraph notwithstanding any contrary provision of the promissory note under which the loan or loans were made, and notwithstanding any amendment (or effective date provision relating to any amendment) to this section made prior to the date of such deferment.

(3)(A) The Secretary is authorized, when good cause is shown, to extend, in accordance with regulations, the 10-year maximum repayment period provided for in subparagraph (A) of paragraph (1) with respect to individual loans.

(B) Pursuant to uniform criteria established by the Secretary, the repayment period for any student borrower who during the repayment period is a low-income individual may be extended for a period not to exceed 10 years and the repayment schedule may be adjusted to reflect the income of that individual.

(4) The repayment period for a loan made under this part shall begin on the day immediately following the expiration of the period specified in paragraph (1)(A), after the student ceases to carry the required academic workload, unless the borrower requests and is granted a repayment schedule that provides for repayment to commence at an earlier point in time, and shall exclude any period of authorized deferment, forbearance, or cancellation.

(5) The institution may elect—

(A) to add the amount of any charge imposed under paragraph (1)(H) to the principal amount of the loan as of the first day after the day on which the installment was due and to notify the borrower of the assessment of the charge; or

(B) to make the amount of the charge payable to the institution not later than the due date of the next installment.

(6) Requests for deferment of repayment of loans under this part by students engaged in graduate or post-graduate fellowship-supported study (such as pursuant to a Fulbright grant) outside the United States shall be approved until completion of the period of the fellowship.

(7) There shall be excluded from the 9-month period that begins on the date on which a student ceases to carry at least one-half the normal full-time academic workload (as described in paragraph (1)(A)) any period not to exceed 3 years during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code, is called or ordered to active duty for a period of more than 30 days (as defined in section 101(d)(2) of such title). Such period of exclu-
sion shall include the period necessary to resume enrollment at the
borrower’s next available regular enrollment period.

(d) AVAILABILITY OF LOAN FUND TO ALL ELIGIBLE STUDENTS.—
An agreement under this part for payment of Federal capital con-
tributions shall include provisions designed to make loans from the
student loan fund established pursuant to such agreement reason-
ably available (to the extent of the available funds in such fund)
to all eligible students in such institutions in need thereof.

(e) FORBEARANCE.—(1) The Secretary shall ensure that, as doc-
dumented in accordance with paragraph (2), an institution of higher
education shall grant a borrower forbearance of principal and inter-
est or principal only, renewable at 12-month intervals for a period
not to exceed 3 years, on such terms as are otherwise consistent
with the regulations issued by the Secretary and agreed upon in
writing by the parties to the loan, if—

(A) the borrower’s debt burden equals or exceeds 20 per-
cent of such borrower’s gross income;

(B) the institution determines that the borrower should
qualify for forbearance for other reasons; or

(C) the borrower is eligible for interest payments to be
made on such loan for service in the Armed Forces under sec-
tion 2174 of title 10, United States Code, and, pursuant to that
eligibility, the interest on such loan is being paid under sub-
section (j), except that the form of a forbearance under this
paragraph shall be a temporary cessation of all payments on
the loan other than payments of interest on the loan that are
made under subsection (j).

(2) For the purpose of paragraph (1), the terms of forbearance
agreed to by the parties shall be documented by—

(A) confirming the agreement of the borrower by notice to
the borrower from the institution of higher education; and

(B) recording the terms in the borrower’s file.

(f) SPECIAL REPAYMENT RULE AUTHORITY.—(1) Subject to such
restrictions as the Secretary may prescribe to protect the interest
of the United States, in order to encourage repayment of loans
made under this part which are in default, the Secretary may, in
the agreement entered into under this part, authorize an institu-
tion of higher education to compromise on the repayment of such
defaulted loans in accordance with paragraph (2). The Federal
share of the compromise repayment shall bear the same relation to
the institution’s share of such compromise repayment as the Fed-
eral capital contribution to the institution’s loan fund under this
part bears to the institution’s capital contribution to such fund.

(2) No compromise repayment of a defaulted loan as authorized
by paragraph (1) may be made unless the student borrower pays—

(A) 90 percent of the loan under this part;

(B) the interest due on such loan; and

(C) any collection fees due on such loan;
in a lump sum payment.

(g) DISCHARGE.—

(1) IN GENERAL.—If a student borrower who received a
loan made under this part on or after January 1, 1986, is un-
able to complete the program in which such student is enrolled
due to the closure of the institution, then the Secretary shall
discharge the borrower’s liability on the loan (including the interest and collection fees) and shall subsequently pursue any claim available to such borrower against the institution and the institution’s affiliates and principals, or settle the loan obligation pursuant to the financial responsibility standards described in section 498(c).

(2) ASSIGNMENT.—A borrower whose loan has been discharged pursuant to this subsection shall be deemed to have assigned to the United States the right to a loan refund in an amount that does not exceed the amount discharged against the institution and the institution’s affiliates and principals.

(3) ELIGIBILITY FOR ADDITIONAL ASSISTANCE.—The period during which a student was unable to complete a course of study due to the closing of the institution shall not be considered for purposes of calculating the student’s period of eligibility for additional assistance under this title.

(4) SPECIAL RULE.—A borrower whose loan has been discharged pursuant to this subsection shall not be precluded, because of that discharge, from receiving additional grant, loan, or work assistance under this title for which the borrower would be otherwise eligible (but for the default on the discharged loan). The amount discharged under this subsection shall be treated as an amount canceled under section 465(a).

(5) REPORTING.—The Secretary or institution, as the case may be, shall report to consumer reporting agencies with respect to loans that have been discharged pursuant to this subsection.

(h) REHABILITATION OF LOANS.—

(1) REHABILITATION.—

(A) IN GENERAL.—If the borrower of a loan made under this part who has defaulted on the loan makes 9 on-time, consecutive, monthly payments of amounts owed on the loan, as determined by the institution, or by the Secretary in the case of a loan held by the Secretary, the loan shall be considered rehabilitated, and the institution that made that loan (or the Secretary, in the case of a loan held by the Secretary) shall request that any consumer reporting agency to which the default was reported remove the default from the borrower’s credit history.

(B) COMPARABLE CONDITIONS.—As long as the borrower continues to make scheduled repayments on a loan rehabilitated under this paragraph, the rehabilitated loan shall be subject to the same terms and conditions, and qualify for the same benefits and privileges, as other loans made under this part.

(C) ADDITIONAL ASSISTANCE.—The borrower of a rehabilitated loan shall not be precluded by section 484 from receiving additional grant, loan, or work assistance under this title (for which the borrower is otherwise eligible) on the basis of defaulting on the loan prior to such rehabilitation.

(D) LIMITATIONS.—A borrower only once may obtain the benefit of this paragraph with respect to rehabilitating a loan under this part.
(2) Restoration of Eligibility.—If the borrower of a loan made under this part who has defaulted on that loan makes 6 ontime, consecutive, monthly payments of amounts owed on such loan, the borrower's eligibility for grant, loan, or work assistance under this title shall be restored to the extent that the borrower is otherwise eligible. A borrower only once may obtain the benefit of this paragraph with respect to restored eligibility.

(i) Incentive Repayment Program.—

(1) In General.—Each institution of higher education may establish, with the approval of the Secretary, an incentive repayment program designed to reduce default and to replenish student loan funds established under this part. Each such incentive repayment program may—

(A) offer a reduction of the interest rate on a loan on which the borrower has made 48 consecutive, monthly payments, but in no event may the rate be reduced by more than 1 percent;

(B) provide for a discount on the balance owed on a loan on which the borrower pays the principal and interest in full prior to the end of the applicable repayment period, but in no event may the discount exceed 5 percent of the unpaid principal balance due on the loan at the time the early repayment is made; and

(C) include such other incentive repayment options as the institution determines will carry out the objectives of this subsection.

(2) Limitation.—No incentive repayment option under an incentive repayment program authorized by this subsection may be paid for with Federal funds, including any Federal funds from the student loan fund, or with institutional funds from the student loan fund.

(j) Armed Forces Student Loan Interest Payment Program.—

(1) Authority.—Using funds received by transfer to the Secretary under section 2174 of title 10, United States Code, for the payment of interest on a loan made under this part to a member of the Armed Forces, the Secretary shall pay the interest on the loan as due for a period not in excess of 36 consecutive months. The Secretary may not pay interest on such a loan out of any funds other than funds that have been so transferred.

(2) Forbearance.—During the period in which the Secretary is making payments on a loan under paragraph (1), the institution of higher education shall grant the borrower forbearance in accordance with subsection (e)(1)(C).

(k) The Secretary may develop such additional safeguards as the Secretary determines necessary to prevent fraud and abuse in the cancellation of liability under subsection (c)(1)(F). Notwithstanding subsection (c)(1)(F), the Secretary may promulgate regulations to resume collection on loans cancelled under subsection (c)(1)(F) in any case in which—

(1) a borrower received a cancellation of liability under subsection (c)(1)(F) and after the cancellation the borrower—
(A) receives a loan made, insured, or guaranteed under this title; or
(B) has earned income in excess of the poverty line; or
(2) the Secretary determines necessary.

(a) CANCELLATION OF PERCENTAGE OF DEBT BASED ON YEARS OF QUALIFYING SERVICE.—(1) The percent specified in paragraph (3) of this subsection of the total amount of any loan made after June 30, 1972, from a student loan fund assisted under this part shall be canceled for each complete year of service after such date by the borrower under circumstances described in paragraph (2).

(2) Loans shall be canceled under paragraph (1) for service—

(B) as a full-time staff member in a preschool program carried on under the Head Start Act, or in a prekindergarten or child care program that is licensed or regulated by the State, that is operated for a period which is comparable to a full school year in the locality if the salary of such staff member is not more than the salary of a comparable employee of the local educational agency;
(C) as a full-time special education teacher, including teachers of infants, toddlers, children, or youth with disabilities in a public or other nonprofit elementary or secondary school system, including a system administered by an edu-

(B) If a portion of a loan is canceled under this subsection for any year, the entire amount of interest on such loan which accrues for such year shall be canceled.

(C) Nothing in this subsection shall be construed to authorize refunding of any repayment of a loan.

(4) For the purpose of this subsection, the term “year” where applied to service as a teacher means academic year as defined by the Secretary.

(5) The amount of a loan, and interest on a loan, which is canceled under this section shall not be considered income for purposes of the Internal Revenue Code of 1986.

(7) An individual with an outstanding loan obligation under this part who performs service of any type that is described in paragraph (2) as in effect on the date of enactment of this paragraph shall be eligible for cancellation under this section for such service notwithstanding any contrary provision of the promissory note under which the loan or loans were made, and notwithstanding any amendment (or effective date provision relating to any amendment) to this section made prior to the date of such service.

(b) Reimbursement for Cancellation.—The Secretary shall pay to each institution for each fiscal year an amount equal to the aggregate of the amounts of loans from its student loan fund which are canceled pursuant to this section for such year, minus an amount equal to the aggregate of the amounts of any such loans so canceled which were made from Federal capital contributions to its student loan fund provided by the Secretary under section 468. None of the funds appropriated pursuant to section 461(b) shall be available for payments pursuant to this subsection. To the extent feasible, the Secretary shall pay the amounts for which any institution qualifies under this subsection not later than 3 months after the institution files an institutional application for campus-based funds.

(c) Special Rules.—

(1) List.—If the list of schools in which a teacher may perform service pursuant to subsection (a)(2)(A) is not available before May 1 of any year, the Secretary may use the list for the year preceding the year for which the determination is made to make such service determination.

(2) Continuing Eligibility.—Any teacher who performs service in a school which—

(A) meets the requirements of subsection (a)(2)(A) in any year; and
(B) in a subsequent year fails to meet the requirements of such subsection, may continue to teach in such school and shall be eligible for loan cancellation pursuant to subsection (a)(1) such subsequent years.

(a) IN GENERAL.—Beginning October 1, 2017, there shall be a capital distribution of the balance of the student loan fund established under this part by each institution of higher education as follows:

(1) The Secretary shall first be paid an amount which bears the same ratio to the balance in such fund at the close of September 30, 2017, as the total amount of the Federal capital contributions to such fund by the Secretary under this part bears to the sum of such Federal contributions and the institution’s capital contributions to such fund.

(2) The remainder of such balance shall be paid to the institution.

(b) DISTRIBUTION OF LATE COLLECTIONS.—Beginning October 1, 2017, each institution with which the Secretary has made an agreement under this part, shall pay to the Secretary the same proportionate share of amounts received by this institution after September 30, 2017, in payment of principal and interest on student loans made from the student loan fund established pursuant to such agreement (which amount shall be determined after deduction of any costs of litigation incurred in collection of the principal or interest on loans from the fund and not already reimbursed from the fund or from such payments of principal or interest), as was determined for the Secretary under subsection (a).

(c) DISTRIBUTION OF EXCESS CAPITAL.—(1) Upon a finding by the institution or the Secretary prior to October 1, 2017, that the liquid assets of a student loan fund established pursuant to an agreement under this part exceed the amount required for loans or otherwise in the foreseeable future, and upon notice to such institution or to the Secretary, as the case may be, there shall be, subject to such limitations as may be included in regulations of the Secretary or in such agreement, a capital distribution from such fund. Such capital distribution shall be made as follows:

(A) The Secretary shall first be paid an amount which bears the same ratio to the total to be distributed as the Federal capital contributions by the Secretary to the student loan fund prior to such distribution bear to the sum of such Federal capital contributions and the capital contributions to the fund made by the institution.

(B) The remainder of the capital distribution shall be paid to the institution.

(2) No finding that the liquid assets of a student loan fund established under this part exceed the amount required under paragraph (1) may be made prior to a date which is 2 years after the date on which the institution of higher education received the funds from such institution’s allocation under section 462.

(b) Collection of Referred, Transferred, or Assigned Loans.—The Secretary shall continue to attempt to collect any loan referred, transferred, or assigned under paragraph (4) or (5) of section 463(a) until all appropriate collection efforts, as determined by the Secretary, have been expended.

In carrying out the provisions of this part, the Secretary is authorized—

(1) to consent to modification, with respect to rate of interest, time of payment of any installment of principal and interest or any portion thereof, or any other provision of any note evidencing a loan which has been made under this part;

Such revised table shall be developed by determining the present value cost, rounded to the nearest $100, of an annuity that would provide, for each age cohort of 40 and above, a supplemental income at age 65 (adjusted for inflation) equal to the difference between the moderate family income (as most recently determined by the Bureau of Labor Statistics), and the current average social security
For each age cohort below 40, the allowance shall be computed by decreasing the allowance for age 40, as updated, by one-fifteenth for each year of age below age 40 and rounding the result to the nearest $100. In making such determinations—

(1) inflation shall be presumed to be 6 percent per year;
(2) the rate of return of an annuity shall be presumed to be 8 percent; and

However, this authority shall not
be construed to permit aid administrators to deviate from the contributions expected in the absence of special circumstances. Special circumstances may include tuition expenses at an elementary or secondary school, medical, dental, or nursing home expenses not covered by insurance, unusually high child care or dependent care costs, recent unemployment of a family member or an independent student, a student or family member who is a dislocated worker (as defined in section 3 of the Workforce Innovation and Opportunity Act), the number of parents enrolled at least half-time in a degree, certificate, or other program leading to a recognized educational credential at an institution with a program participation agreement under section 487, a change in housing status that results in an individual being homeless (as defined in section 103 of the McKinney-Vento Homeless Assistance Act), or other changes in a family’s income, a family’s assets, or a student’s status. Special circumstances shall be conditions that differentiate an individual student from a class of students rather than conditions that exist across a class of students. Adequate documentation for such adjustments shall substantiate such special circumstances of individual students. In addition, nothing in this title shall be interpreted as limiting the authority of the student financial aid administrator in such cases (1) to request and use supplementary information about the financial status or personal circumstances of eligible applicants in selecting recipients and determining the amount of awards under this title, or (2) to offer a dependent student financial assistance under section 428H or a Federal Direct Unsubsidized Stafford Loan without requiring the parents of such student to file the financial aid form prescribed under section 483 if the student financial aid administrator verifies that the parent or parents of such student have ended financial support of such student and refuse to file such form. No student or parent shall be charged a fee for collecting, processing, or delivering such supplementary information.

(b) ADJUSTMENTS TO ASSETS TAKEN INTO ACCOUNT.—A student financial aid administrator shall be considered to be making a necessary adjustment in accordance with subsection (a) if—

(1) the administrator makes adjustments excluding from family income any proceeds of a sale of farm or business assets of a family if such sale results from a voluntary or involuntary foreclosure, forfeiture, or bankruptcy or involuntary liquidation;

(2) the administrator makes adjustments in the award level of a student with a disability so as to take into consideration the additional costs such student incurs as a result of such student’s disability.

(c) REFUSAL OR ADJUSTMENT OF LOAN CERTIFICATIONS.—On a case-by-case basis, an eligible institution may refuse to certify a statement that permits a student to receive a loan under part B or D, or may certify a loan amount or make a loan that is less than the student’s determination of need (as determined under this part), if the reason for the action is documented and provided in written form to the student. No eligible institution shall discriminate against any borrower or applicant in obtaining a loan on the basis of race, national origin, religion, sex, marital status, age, or disability status.

Notwithstanding any other provision of law, student financial assistance received under this title, or under Bureau of Indian Affairs student assistance programs, shall not be taken into account in determining the need or eligibility of any person for benefits or assistance, or the amount of such benefits or assistance, under any Federal, State, or local program financed in whole or in part with Federal funds.

In determining family contributions for Native American students, computations performed pursuant to this part shall exclude—

(1) any income and assets of $2,000 or less per individual payment received by the student (and spouse) and student’s parents under Public Law 98–64 (25 U.S.C. 117a et seq.; 97 Stat. 365) (commonly known as the “Per Capita Act”) or the Indian Tribal Judgment Funds Use or Distribution Act (25 U.S.C. 1401 et seq.); and

(C) a plan for recruiting institutions of higher education and secondary schools with different demographic characteristics to participate in the program;
(D) a plan for selecting institutions of higher education and secondary schools to participate in the program that—
(i) demonstrate a commitment to encouraging students to submit a FAFSA, or, as appropriate, an EZ FAFSA, two years before the students’ planned date of enrollment in an institution of higher education;
(ii) serve different populations of students;
(iii) in the case of institutions of higher education—
(I) to the extent possible, are of varying types and sectors; and
(II) commit to making, not later than the year prior to the year that dependent students participating in the demonstration program plan to enroll in the institution—
(aa) estimated institutional awards to participating dependent students; and
(bb) estimated grants or other financial aid available under this title (including supplemental grants under subpart 3 of part A), for all participating dependent students, along with information on State awards, as provided to the institution by the State;
(E) a commitment to participate in the evaluation conducted by the Secretary; and
(F) such other information as the Secretary may require.
(6) SPECIAL PROVISIONS.—
(A) Discretion of Student Financial Aid Administrators.—A financial aid administrator at an institution of higher education participating in a demonstration program under this subsection may use the discretion provided under section 479A as necessary for students participating in the demonstration program.

(B) Waivers.—The Secretary is authorized to waive, for an institution of higher education participating in the demonstration program, any requirements under this title, or regulations prescribed under this title, that will make the demonstration program unworkable, except that the Secretary shall not waive any provisions with respect to the maximum award amounts for grants and loans under this title.

(7) Outreach.—The Secretary shall make appropriate efforts to notify States of the demonstration program under this subsection. Upon determination of participating States, the Secretary shall continue to make efforts to notify institutions of higher education and dependent students within participating States of the opportunity to participate in the demonstration program and of the participation requirements.

(8) Evaluation.—The Secretary shall conduct a rigorous evaluation of the demonstration program to measure the program's benefits and adverse effects, as the benefits and effects relate to the purpose and objectives of the program described in paragraph (1). In conducting the evaluation, the Secretary shall—

(A) determine whether receiving financial aid estimates one year prior to the year in which the student plans to enroll in an institution of higher education, has a positive impact on the higher education aspirations and plans of such student;

(B) measure the extent to which using a student's income information from the year that is two years prior to the student's planned enrollment date had an impact on the ability of States and institutions of higher education to make financial aid awards and commitments;

(C) determine what operational changes are required to implement the program on a larger scale;

(D) identify any changes to Federal law that are necessary to implement the program on a permanent basis;

(E) identify the benefits and adverse effects of providing early estimates on program costs, program operations, program integrity, award amounts, distribution, and delivery of aid; and

(F) examine the extent to which estimated awards differ from actual awards made to students participating in the program.

(9) Consultation.—The Secretary shall consult, as appropriate, with the Advisory Committee on Student Financial Assistance established under section 491 on the design, implementation, and evaluation of the demonstration program.

(f) Reduction of Income and Asset Information to Determine Eligibility for Student Financial Aid.—
(1) CONINUATION OF CURRENT FAFSA SIMPLIFICATION EFFORTS.—The Secretary shall continue to examine—
   (A) how the Internal Revenue Service can provide to the Secretary income and other data needed to compute an expected family contribution for taxpayers and dependents of taxpayers, and when in the application cycle the data can be made available;
   (B) whether data provided by the Internal Revenue Service can be used to—
      (i) prepopulate the electronic version of the FAFSA with student and parent taxpayer data; or
      (ii) generate an expected family contribution without additional action on the part of the student and taxpayer; and
   (C) whether the data elements collected on the FAFSA that are needed to determine eligibility for student aid, or to administer the Federal student financial aid programs under this title, but are not needed to compute an expected family contribution, such as information regarding the student's citizenship or permanent residency status, registration for selective service, or driver's license number, can be reduced without adverse effects.

(2) REPORT ON FAFSA SIMPLIFICATION EFFORTS TO DATE.—Not later than 90 days after the date of enactment of the Higher Education Opportunity Act, the Secretary shall provide a written report to the authorizing committees on the work the Department has done with the Secretary of the Treasury regarding—
   (A) how the expected family contribution of a student can be calculated using substantially less income and asset information than was used on March 31, 2008;
   (B) the extent to which the reduced income and asset information will result in a redistribution of Federal grants and subsidized loans under this title, State aid, or institutional aid, or in a change in the composition of the group of recipients of such aid, and the amount of such redistribution;
   (C) how the alternative approaches for calculating the expected family contribution will—
      (i) rely mainly, in the case of students and parents who file income tax returns, on information available on the 1040, 1040EZ, and 1040A; and
      (ii) include formulas for adjusting income or asset information to produce similar results to the existing approach with less data;
   (D) how the Internal Revenue Service can provide to the Secretary of Education income and other data needed to compute an expected family contribution for taxpayers and dependents of taxpayers, and when in the application cycle the data can be made available;
   (E) whether data provided by the Internal Revenue Service can be used to—
      (i) prepopulate the electronic version of the FAFSA with student and parent taxpayer data; or
(ii) generate an expected family contribution without additional action on the part of the student and taxpayer;

(F) the extent to which the use of income data from two years prior to a student's planned enrollment date will change the expected family contribution computed in accordance with part F, and potential adjustments to the need analysis formula that will minimize the change; and

(G) the extent to which the data elements collected on the FAFSA on March 31, 2008, that are needed to determine eligibility for student aid or to administer the Federal student financial aid programs, but are not needed to compute an expected family contribution, such as information regarding the student's citizenship or permanent residency status, registration for selective service, or driver's license number, can be reduced without adverse effects.

(3) STUDY.—

(A) FORMATION OF STUDY GROUP.—Not later than 90 days after the date of enactment of the Higher Education Opportunity Act, the Comptroller General shall convene a study group the membership of which shall include the Secretary of Education, the Secretary of the Treasury, the Director of the Office of Management and Budget, the Director of the Congressional Budget Office, representatives of institutions of higher education with expertise in Federal and State financial aid assistance, State chief executive officers of higher education with a demonstrated commitment to simplifying the FAFSA, and such other individuals as the Comptroller General and the Secretary of Education may designate.

(B) STUDY REQUIRED.—The Comptroller General, in consultation with the study group convened under subparagraph (A) shall—

(i) review and build on the work of the Secretary of Education and the Secretary of the Treasury, and individuals with expertise in analysis of financial need, to assess alternative approaches for calculating the expected family contribution under the statutory need analysis formula in effect on the day before the date of enactment of the Higher Education Opportunity Act and under a new calculation that will use substantially less income and asset information than was used for the 2008–2009 FAFSA;

(ii) conduct an additional analysis if necessary; and

(iii) make recommendations to the authorizing committees.

(C) OBJECTIVES OF STUDY.—The objectives of the study required under subparagraph (B) are—

(i) to determine methods to shorten the FAFSA and make the FAFSA easier and less time-consuming to complete, thereby increasing higher education access for low-income students;
(ii) to identify changes to the statutory need analysis formula that will be necessary to reduce the amount of financial information students and families need to provide to receive a determination of eligibility for student financial aid without causing significant redistribution of Federal grants and subsidized loans under this title; and

(iii) to review State and institutional needs and uses for data collected on the FAFSA, and to determine the best means of addressing such needs in the case of modification of the FAFSA as described in clause (i), or modification of the need analysis formula as described in clause (ii).

(D) REQUIRED SUBJECTS OF STUDY.—The study required under subparagraph (B) shall examine—

(i) with respect to simplification of the financial aid application process using the statutory requirements for need analysis—

(I) additional steps that can be taken to simplify the financial aid application process for students who (or, in the case of dependent students, whose parents) are not required to file a Federal income tax return for the prior taxable year;

(II) information on State use of information provided on the FAFSA, including—

(aa) whether a State uses, as of the time of the study, or can use, a student’s expected family contribution based on data from two years prior to the student’s planned enrollment date;

(bb) the extent to which States and institutions will accept the data provided by the Internal Revenue Service to prepopulate the electronic version of the FAFSA to determine the distribution of State and institutional student financial aid funds;

(cc) what data are used by States, as of the time of the study, to determine eligibility for State student financial aid, and whether the data are used for merit- or need-based aid;

(dd) whether State data are required by State law, State regulations, or policy directives; and

(ee) the extent to which any State-specific information requirements can be met by completion of a State application linked to the electronic version of the FAFSA; and

(III) information on institutional needs, including the extent to which institutions of higher education are already using supplemental forms to collect additional data from students and their families to determine eligibility for institutional funds; and
(ii) ways to reduce the amount of financial information students and families need to provide to receive a determination of eligibility for student financial aid, taking into account—

(I) the amount of redistribution of Federal grants and subsidized loans under this title caused by such a reduction, and the benefits to be gained by having an application process that will be easier for students and their families;

(II) students and families who do not file income tax returns;

(III) the extent to which the full array of income and asset information collected on the FAFSA, as of the time of the study, plays an important role in the awarding of need-based State financial aid, and whether the State can use an expected family contribution generated by the FAFSA, instead of income and asset information or a calculation with reduced data elements, to support determinations of eligibility for such State aid programs and, if not, what additional information will be needed or what changes to the FAFSA will be required; and

(IV) information on institutional needs, including the extent to which institutions of higher education are already using supplemental forms to collect additional data from students and their families to determine eligibility for institutional funds; and

(V) changes to this Act or other laws that will be required to implement a modified need analysis system.

(4) CONSULTATION.—The Secretary shall consult with the Advisory Committee on Student Financial Assistance established under section 491 as appropriate in carrying out this subsection.

(5) REPORTS.—

(A) REPORTS ON STUDY.—The Secretary shall prepare and submit to the authorizing committees—

(i) not later than one year after the date of enactment of the Higher Education Opportunity Act, an interim report on the progress of the study required under paragraph (3) that includes any preliminary recommendations by the study group established under such paragraph; and

(ii) not later than two years after the date of enactment of the Higher Education Opportunity Act, a final report on the results of the study required under paragraph (3) that includes recommendations by the study group established under such paragraph.

(B) REPORTS ON FAFSA SIMPLIFICATION EFFORTS.—The Secretary shall report to the authorizing committees, from time to time, on the progress of the simplification efforts under this subsection.
(g) ADDRESSING THE DIGITAL DIVIDE.—The Secretary shall utilize savings accrued by moving more applicants to the electronic version of the forms described in subsection (a)(3) to improve access to the electronic version of the forms described in such subsection for applicants meeting the requirements of subsection (b) or (c) of section 479.

(h) ADJUSTMENTS.—The Secretary shall disclose, on the form notifying a student of the student's expected family contribution, that the student may, on a case-by-case basis, qualify for an adjustment under section 479A to the cost of attendance or the values of the data items required to calculate the expected contribution for the student or parent. Such disclosure shall specify—

(1) the special circumstances under which a student or family member may qualify for such adjustment; and

(2) additional information regarding the steps a student or family member may take in order to seek an adjustment under section 479A.

(B) such student's social security number;

(5) be a citizen or national of the United States, a permanent resident of the United States, or able to provide evidence from the Immigration and Naturalization Service that he or she is in the United States for other than a temporary purpose with the intention of becoming a citizen or permanent resident; and

(6) if the student has been convicted of, or has pled nolo contendere or guilty to, a crime involving fraud in obtaining
funds under this title, have completed the repayment of such funds to the Secretary, or to the holder in the case of a loan under this title obtained by fraud.

(b) ELIGIBILITY FOR STUDENT LOANS.—(1) In order to be eligible to receive any loan under this title (other than a loan under section 428B or 428C, or under section 428H pursuant to an exercise of discretion under section 479A) for any period of enrollment, a student who is not a graduate or professional student (as defined in regulations of the Secretary), and who is enrolled in a program at an institution which has a participation agreement with the Secretary to make awards under subpart 1 of part A of this title, shall—

(A)(i) have received a determination of eligibility or ineligibility for a Pell Grant under such subpart 1 for such period of enrollment; and (ii) if determined to be eligible, have filed an application for a Pell Grant for such enrollment period; or

(B) have (A) filed an application with the Pell Grant processor for such institution for such enrollment period, and (B) received from the financial aid administrator of the institution a preliminary determination of the student’s eligibility or ineligibility for a grant under such subpart 1.

(2) In order to be eligible to receive any loan under section 428A for any period of enrollment, a student shall—

(A) have received a determination of need for a loan under section 428(a)(2)(B) of this title;

(B) if determined to have need for a loan under section 428, have applied for such a loan; and

(C) has applied for a loan under section 428H, if such student is eligible to apply for such a loan.

(3) A student who—

(A) is carrying at least one-half the normal full-time work load for the course of study that the student is pursuing, as determined by an eligible institution, and

(B) is enrolled in a course of study necessary for enrollment in a program leading to a degree or certificate, shall be, notwithstanding paragraph (1) of subsection (a), eligible to apply for loans under part B or D of this title. The eligibility described in this paragraph shall be restricted to one 12-month period.

(4) A student who—

(A) is carrying at least one-half the normal full-time work load for the course of study the student is pursuing, as determined by the institution, and

(B) is enrolled or accepted for enrollment in a program at an eligible institution necessary for a professional credential or certification from a State that is required for employment as a teacher in an elementary or secondary school in that State, shall be, notwithstanding paragraph (1) of subsection (a), eligible to apply for loans under part B, D, or E or work-study assistance under part C of this title.

(5) Notwithstanding any other provision of this subsection, no incarcerated student is eligible to receive a loan under this title.

(c) SATISFACTORY PROGRESS.—(1) For the purpose of subsection (a)(2), a student is maintaining satisfactory progress if—
(A) the institution at which the student is in attendance, reviews the progress of the student at the end of each academic year, or its equivalent, as determined by the institution, and

(B) the student has a cumulative C average, or its equivalent or academic standing consistent with the requirements for graduation, as determined by the institution, at the end of the second such academic year.

(2) Whenever a student fails to meet the eligibility requirements of subsection (a)(2) as a result of the application of this subsection and subsequent to that failure the student has academic standing consistent with the requirements for graduation, as determined by the institution, for any grading period, the student may, subject to this subsection, again be eligible under subsection (a)(2) for a grant, loan, or work assistance under this title.

(3) Any institution of higher education at which the student is in attendance may waive the provisions of paragraph (1) or paragraph (2) of this subsection for undue hardship based on—

(A) the death of a relative of the student,

(B) the personal injury or illness of the student, or

(C) special circumstances as determined by the institution.

(d) STUDENTS WHO ARE NOT HIGH SCHOOL GRADUATES.—

(1) STUDENT ELIGIBILITY.—In order for a student who does not have a certificate of graduation from a school providing secondary education, or the recognized equivalent of such certificate, to be eligible for any assistance under subparts 1, 3, and 4 of part A and parts B, C, D, and E of this title, the student shall meet the requirements of one of the following subparagraphs:

(A) The student is enrolled in an eligible career pathway program and meets one of the following standards:

(i) The student shall take an independently administered examination and shall achieve a score, specified by the Secretary, demonstrating that such student can benefit from the education or training being offered. Such examination shall be approved by the Secretary on the basis of compliance with such standards for development, administration, and scoring as the Secretary may prescribe in regulations.

(ii) The student shall be determined as having the ability to benefit from the education or training in accordance with such process as the State shall prescribe. Any such process described or approved by a State for the purposes of this section shall be effective 6 months after the date of submission to the Secretary unless the Secretary disapproves such process. In determining whether to approve or disapprove such process, the Secretary shall take into account the effectiveness of such process in enabling students without secondary school diplomas or the equivalent thereof to benefit from the instruction offered by institutions utilizing such process, and shall also take into account the cultural diversity, economic circumstances, and
educational preparation of the populations served by the institutions.

(iii) The student shall be determined by the institution of higher education as having the ability to benefit from the education or training offered by the institution of higher education upon satisfactory completion of 6 credit hours or the equivalent coursework that are applicable toward a degree or certificate offered by the institution of higher education.

(B) The student has completed a secondary school education in a home school setting that is treated as a home school or private school under State law.

(2) Eligible Career Pathway Program.—In this subsection, the term “eligible career pathway program” means a program that combines rigorous and high-quality education, training, and other services that—

(A) aligns with the skill needs of industries in the economy of the State or regional economy involved;

(B) prepares an individual to be successful in any of a full range of secondary or postsecondary education options, including apprenticeships registered under the Act of August 16, 1937 (commonly known as the “National Apprenticeship Act”; 50 Stat. 664, chapter 663; 29 U.S.C. 50 et seq.) (referred to individually in this Act as an “apprenticeship”, except in section 171);

(C) includes counseling to support an individual in achieving the individual’s education and career goals;

(D) includes, as appropriate, education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster;

(E) organizes education, training, and other services to meet the particular needs of an individual in a manner that accelerates the educational and career advancement of the individual to the extent practicable;

(F) enables an individual to attain a secondary school diploma or its recognized equivalent, and at least 1 recognized postsecondary credential; and

(G) helps an individual enter or advance within a specific occupation or occupational cluster.

(e) Certification for GSL Eligibility.—Each eligible institution may certify student eligibility for a loan by an eligible lender under part B of this title prior to completing the review for accuracy of the information submitted by the applicant required by regulations issued under this title, if—

(1) checks for the loans are mailed to the eligible institution prior to disbursements;

(2) the disbursement is not made until the review is complete; and

Section 313(1) of division H of Public Law 114–113 provides for an amendment “by replacing (d)(2)” and inserting a new paragraph (2). Such amendment was carried out by striking subsection (d)(2) in its entirety and inserting a new paragraph (2) to reflect the probable intent of Congress.
(3) the eligible institution has no evidence or documentation on which the institution may base a determination that the information submitted by the applicant is incorrect.

(f) Loss of Eligibility for Violation of Loan Limits.—(1) No student shall be eligible to receive any grant, loan, or work assistance under this title if the eligible institution determines that the student fraudulently borrowed in violation of the annual loan limits under part B, part D, or part E of this title in the same academic year, or if the student fraudulently borrowed in excess of the aggregate maximum loan limits under such part B, part D, or part E.

(2) If the institution determines that the student inadvertently borrowed amounts in excess of such annual or aggregate maximum loan limits, such institution shall allow the student to repay any amount borrowed in excess of such limits prior to certifying the student’s eligibility for further assistance under this title.

(g) Verification of Immigration Status.—

(1) In general.—The Secretary shall implement a system under which the statements and supporting documentation, if required, of an individual declaring that such individual is in compliance with the requirements of subsection (a)(5) shall be verified prior to the individual’s receipt of a grant, loan, or work assistance under this title.

(2) Special rule.—The documents collected and maintained by an eligible institution in the admission of a student to the institution may be used by the student in lieu of the documents used to establish both employment authorization and identity under section 274A(b)(1)(B) of the Immigration and Nationality Act (8 U.S.C. 1324a) to verify eligibility to participate in work-study programs under part C of this title.

(3) Verification mechanisms.—The Secretary is authorized to verify such statements and supporting documentation through a data match, using an automated or other system, with other Federal agencies that may be in possession of information relevant to such statements and supporting documentation.

(4) Review.—In the case of such an individual who is not a citizen or national of the United States, if the statement described in paragraph (1) is submitted but the documentation required under paragraph (2) is not presented or if the documentation required under paragraph (2)(A) is presented but such documentation is not verified under paragraph (3)—

(A) the institution—

(i) shall provide a reasonable opportunity to submit to the institution evidence indicating a satisfactory immigration status, and

(ii) may not delay, deny, reduce, or terminate the individual’s eligibility for the grant, loan, or work assistance on the basis of the individual’s immigration status until such a reasonable opportunity has been provided; and

(B) if there are submitted documents which the institution determines constitute reasonable evidence indicating such status—
(i) the institution shall transmit to the Immigration and Naturalization Service either photostatic or other similar copies of such documents, or information from such documents, as specified by the Immigration and Naturalization Service, for official verification,
(ii) pending such verification, the institution may not delay, deny, reduce, or terminate the individual’s eligibility for the grant, loan, or work assistance on the basis of the individual’s immigration status, and
(iii) the institution shall not be liable for the consequences of any action, delay, or failure of the Service to conduct such verification.

(h) LIMITATIONS OF ENFORCEMENT ACTIONS AGAINST INSTITUTIONS.—The Secretary shall not take any compliance, disallowance, penalty, or other regulatory action against an institution of higher education with respect to any error in the institution’s determination to make a student eligible for a grant, loan, or work assistance based on citizenship or immigration status—
   (1) if the institution has provided such eligibility based on a verification of satisfactory immigration status by the Immigration and Naturalization Service,
   (2) because the institution, under subsection (g)(4)(A)(i), was required to provide a reasonable opportunity to submit documentation, or
   (3) because the institution, under subsection (g)(4)(B)(i), was required to wait for the response of the Immigration and Naturalization Service to the institution’s request for official verification of the immigration status of the student.

(i) VALIDITY OF LOAN GUARANTEES FOR LOAN PAYMENTS MADE BEFORE IMMIGRATION STATUS VERIFICATION COMPLETED.—Notwithstanding subsection (h), if—
   (1) a guaranty is made under this title for a loan made with respect to an individual,
   (2) at the time the guaranty is entered into, the provisions of subsection (h) had been complied with,
   (3) amounts are paid under the loan subject to such guaranty, and
   (4) there is a subsequent determination that, because of an unsatisfactory immigration status, the individual is not eligible for the loan,
   the official of the institution making the determination shall notify and instruct the entity making the loan to cease further payments under the loan, but such guaranty shall not be voided or otherwise nullified with respect to such payments made before the date the entity receives the notice.

(k) SPECIAL RULE FOR CORRESPONDENCE COURSES.—A student shall not be eligible to receive grant, loan, or work assistance under this title for a correspondence course unless such course is part of a program leading to an associate, bachelor or graduate degree.

(l) COURSES OFFERED THROUGH DISTANCE EDUCATION.—
   (1) RELATION TO CORRESPONDENCE COURSES.
(A) IN GENERAL.—A student enrolled in a course of instruction at an institution of higher education that is offered principally through distance education and leads to a recognized certificate, or recognized associate, recognized baccalaureate, or recognized graduate degree, conferred by such institution, shall not be considered to be enrolled in correspondence courses.

(B) EXCEPTION.—An institution of higher education referred to in subparagraph (A) shall not include an institution or school described in section 3(3)(C) of the Carl D. Perkins Career and Technical Education Act of 2006.

(2) REDUCTIONS OF FINANCIAL AID.—A student’s eligibility to receive grants, loans, or work assistance under this title shall be reduced if a financial aid officer determines under the discretionary authority provided in section 479A that distance education results in a substantially reduced cost of attendance to such student.

(3) SPECIAL RULE.—For award years beginning prior to July 1, 2008, the Secretary shall not take any compliance, disallowance, penalty, or other action based on a violation of this subsection against a student or an eligible institution when such action arises out of such institution’s prior award of student assistance under this title if the institution demonstrates to the satisfaction of the Secretary that its course of instruction would have been in conformance with the requirements of this subsection.

(m) STUDENTS WITH A FIRST BACCALAUREATE OR PROFESSIONAL DEGREE.—A student shall not be ineligible for assistance under parts B, C, D, and E of this title because such student has previously received a baccalaureate or professional degree.

(n) DATA BASE MATCHING.—To enforce the Selective Service registration provisions of section 12(f) of the Military Selective Service Act (50 U.S.C. App. 462(f)), the Secretary shall conduct data base matches with the Selective Service, using common demographic data elements. Appropriate confirmation, through an application output document or through other means, of any person’s registration shall fulfill the requirement to file a separate statement of compliance. In the absence of a confirmation from such data matches, an institution may also use data or documents that support either the student’s registration, or the absence of a registration requirement for the student, to fulfill the requirement to file a separate statement of compliance. The mechanism for reporting the resolution of nonconfirmed matches shall be prescribed by the Secretary in regulations.

(o) STUDY ABROAD.—Nothing in this Act shall be construed to limit or otherwise prohibit access to study abroad programs approved by the home institution at which a student is enrolled. An otherwise eligible student who is engaged in a program of study abroad approved for academic credit by the home institution at which the student is enrolled shall be eligible to receive grant, loan, or work assistance under this title, without regard to whether such study abroad program is required as part of the student’s degree program.
(p) Verification of Social Security number.—The Secretary of Education, in cooperation with the Commissioner of the Social Security Administration, shall verify any social security number provided by a student to an eligible institution under subsection (a)(4) and shall enforce the following conditions:

(1) Except as provided in paragraphs (2) and (3), an institution shall not deny, reduce, delay, or terminate a student’s eligibility for assistance under this part because social security number verification is pending.

(2) If there is a determination by the Secretary that the social security number provided to an eligible institution by a student is incorrect, the institution shall deny or terminate the student’s eligibility for any grant, loan, or work assistance under this title until such time as the student provides documented evidence of a social security number that is determined by the institution to be correct.

(3) If there is a determination by the Secretary that the social security number provided to an eligible institution by a student is incorrect, and a correct social security number cannot be provided by such student, and a loan has been guaranteed for such student under part B of this title, the institution shall notify and instruct the lender and guaranty agency making and guaranteeing the loan, respectively, to cease further disbursements of the loan, but such guaranty shall not be voided or otherwise nullified with respect to such disbursements made before the date that the lender and the guaranty agency receives such notice.

(4) Nothing in this subsection shall permit the Secretary to take any compliance, disallowance, penalty, or other regulatory action against—

(A) any institution of higher education with respect to any error in a social security number, unless such error was a result of fraud on the part of the institution; or

(B) any student with respect to any error in a social security number, unless such error was a result of fraud on the part of the student.

[Subsection (q) was repealed by section 6(b) of Public Law 116–91.]

(r) Suspension of Eligibility for Drug-Related Offenses.—

(2) REHABILITATION.—A student whose eligibility has been suspended under paragraph (1) may resume eligibility before the end of the ineligibility period determined under such paragraph if—

(A) the student satisfactorily completes a drug rehabilitation program that—

(i) complies with such criteria as the Secretary shall prescribe in regulations for purposes of this paragraph; and

(ii) includes two unannounced drug tests;

(B) the student successfully passes two unannounced drug tests conducted by a drug rehabilitation program that complies with such criteria as the Secretary shall prescribe in regulations for purposes of subparagraph (A)(i); or

(2) **LEAVE OF ABSENCE.**—

(A) **LEAVE NOT TREATED AS WITHDRAWAL.**—In the case of a student who takes 1 or more leaves of absence from an institution for not more than a total of 180 days in any 12-month period, the institution may consider the student as not having withdrawn from the institution during the...

(i) the institution has a formal policy regarding leaves of absence;

(ii) the student followed the institution’s policy in requesting a leave of absence; and

(3) CALCULATION OF AMOUNT OF TITLE IV ASSISTANCE EARNED.—

(A) IN GENERAL.—The amount of grant or loan assistance under this title that is earned by the recipient for purposes of this section is calculated by—

(B) PERCENTAGE EARNED.—For purposes of subparagraph (A)(i), the percentage of grant or loan assistance under this title that has been earned by the student is—

(i) equal to the percentage of the payment period or period of enrollment for which assistance was awarded that was completed (as determined in accordance with subsection (d)) as of the day the student withdrew, provided that such date occurs on or before the completion of 60 percent of the payment period or period of enrollment; or

(ii) 100 percent, if the day the student withdrew occurs after the student has completed (as determined in accordance with subsection (d)) 60 percent of the payment period or period of enrollment.

(C) PERCENTAGE AND AMOUNT NOT EARNED.—For purposes of subsection (b), the amount of grant and loan assistance awarded under this title that has not been earned by the student shall be calculated by—

(ii) applying the percentage determined under clause (i) to the total amount of such grant and loan assistance that was disbursed (and that could have been disbursed) to the student, or on the student’s behalf, for the payment period or period of enrollment, as of the day the student withdrew.

(4) DIFFERENCES BETWEEN AMOUNTS EARNED AND AMOUNTS RECEIVED.—

(A) IN GENERAL.—After determining the eligibility of the student for a late disbursement or post-withdrawal disbursement (as required in regulations prescribed by the Secretary), the institution of higher education shall contact the borrower and obtain confirmation that the loan funds are still required by the borrower. In making such contact, the institution shall explain to the borrower the borrower’s obligation to repay the funds following any such disbursement. The institution shall document in the borrower’s file the result of such contact and the final determination made concerning such disbursement.

(B) RETURN.—If the student has received more grant or loan assistance than the amount earned as calculated under paragraph (3)(A), the unearned funds shall be returned by the institution or the student, or both, as may be required under paragraphs (1) and (2) of subsection (b), to the programs under this title in the order specified in subsection (b)(3).

under this title if the withdrawals on which the returns
are based are withdrawals by students—

(i) who were residing in, employed in, or attending
an institution of higher education that is located in an

The Secretary shall allow the institution to use any reasonable means, including stenographers, of recording the hearing.

(a) QUALITY ASSURANCE PROGRAM.—
(1) IN GENERAL.—The Secretary is authorized to select institutions for voluntary participation in a Quality Assurance Program that provides participating institutions with an alternative management approach through which individual schools develop and implement their own comprehensive systems, related to processing and disbursement of student financial aid, verification of student financial aid application data, and entrance and exit interviews, thereby enhancing program integrity within the student aid delivery system.

(2) CRITERIA AND CONSIDERATION.—The Quality Assurance Program authorized by this section shall be based on criteria that include demonstrated institutional performance, as determined by the Secretary, and shall take into consideration current quality assurance goals, as determined by the Secretary. The selection criteria shall ensure the participation of a diverse group of institutions of higher education with respect to size, mission, and geographical distribution.

(3) WAIVER.—The Secretary is authorized to waive for any institution participating in the Quality Assurance Program any regulations dealing with reporting or verification requirements in this title that are addressed by the institution’s alternative management system, and may substitute such quality assurance reporting as the Secretary determines necessary to ensure accountability and compliance with the purposes of the programs under this title. The Secretary shall not modify or waive any statutory requirements pursuant to this paragraph.

(4) DETERMINATION.—The Secretary is authorized to determine—

Such recommendations shall be submitted to the authorizing committees.

(b) REGULATORY IMPROVEMENT AND STREAMLINING EXPERIMENTS.—

(1) IN GENERAL.—The Secretary shall continue the voluntary participation of any experimental sites in existence as of July 1, 2007, unless the Secretary determines that such site’s participation has not been successful in carrying out the purposes of this section. The Secretary shall assign to each participant in title IV programs, including institutions, lenders, and guaranty agencies, a single Department of Education identification number to be used to identify its participation in each of the title IV programs.

In order to offer an arrangement of types of aid, including institutional and State aid which best fits the needs of each individual student, an institution may (1) transfer a total of 25 percent of the institution's allotment under section 462 to the institution's allotment under section 413D or 442 (or both); (2) transfer 25 percent of the institution's allotment under section 442 to the institution's allotment under section 413D or 462 (or both); and (3) transfer 25 percent of the institution's allotment under section 413D to the institution's allotment under section 442. (3) the individual shall be provided an opportunity to inspect and copy records relating to the debt;

(4) the individual shall be provided an opportunity to enter into a written agreement with the guaranty agency or the Secretary, under terms agreeable to the Secretary, or the head of the guaranty agency or his designee, as appropriate, to establish a schedule for the repayment of the debt;
(5) the individual shall be provided an opportunity for a hearing in accordance with subsection (b) on the determination of the Secretary or the guaranty agency, as appropriate, concerning the existence or the amount of the debt, and, in the case of an individual whose repayment schedule is established other than by a written agreement pursuant to paragraph (4), concerning the terms of the repayment schedule;

(7) if an individual has been reemployed within 12 months after having been involuntarily separated from employment, no amount may be deducted from the disposable pay of such individual until such individual has been reemployed continuously for at least 12 months; and

(8) an employer may not discharge from employment, refuse to employ, or take disciplinary action against an individual subject to wage withholding in accordance with this section by reason of the fact that the individual’s wages have been subject to garnishment under this section, and such individual may sue in a State or Federal court of competent jurisdiction any employer who takes such action. The court shall award attorneys’ fees to a prevailing employee and, in its discretion, may order reinstatement of the individual, award punitive damages and back pay to the employee, or order such other remedy as may be reasonably necessary.

(b) HEARING REQUIREMENTS.—A hearing described in subsection (a)(5) shall be provided prior to issuance of a garnishment order if the individual, on or before the 15th day following the mailing of the notice described in subsection (a)(2), and in accordance with such procedures as the Secretary or the head of the guaranty agency, as appropriate, may prescribe, files a petition requesting such a hearing. If the individual does not file a petition requesting a hearing prior to such date, the Secretary or the guaranty agency, as appropriate, shall provide the individual a hearing under subsection (a)(5) upon request, but such hearing need not be provided prior to issuance of a garnishment order. A hearing under subsection (a)(5) may not be conducted by an individual under the supervision or control of the head of the guaranty agency, except that nothing in this sentence shall be construed to prohibit the appointment of an administrative law judge. The hearing official shall issue a final decision at the earliest practicable date, but not later than 60 days after the filing of the petition requesting the hearing.

(c) NOTICE REQUIREMENTS.—The notice to the employer of the withholding order shall contain only such information as may be necessary for the employer to comply with the withholding order.
(d) **No Attachment of Student Assistance.**—Except as authorized in this section, notwithstanding any other provision of Federal or State law, no grant, loan, or work assistance awarded under this title, or property traceable to such assistance, shall be subject to garnishment or attachment in order to satisfy any debt owed by the student awarded such assistance, other than a debt owed to the Secretary and arising under this title.

(2) INCOME-CONTINGENT AND INCOME-BASED REPAYMENT.—

      (ii) require, as a condition of eligibility for such repayment plan, that such individuals—
         (I) affirmatively approve the disclosure described in paragraph (1)(A)(i) and agree that such approval shall serve as an ongoing approval of such disclosure until the date on which the individual elects to opt out of such disclosure under section 455(e)(8) or the equivalent procedures established under section 493C(c)(2)(B), as applicable; or
         (II) provide such information as the Secretary may require to confirm the eligibility of such individual for such repayment plan.

(B) require, as a condition of eligibility for such discharge, that such individual—

         (B) has substantially violated a provision of this title.
   (b) INSTITUTIONAL RESPONSIBILITY.—Each institution of higher education shall provide evidence to the Secretary that the institution has authority to operate within a State at the time the institution is certified under subpart 3.

Subpart 2—Accrediting Agency Recognition

SEC. 496. [20 U.S.C. 1099b] RECOGNITION OF ACCREDITING AGENCY OR ASSOCIATION.
   (a) CRITERIA REQUIRED.—No accrediting agency or association may be determined by the Secretary to be a reliable authority as to the quality of education or training offered for the purposes of
this Act or for other Federal purposes, unless the agency or association meets criteria established by the Secretary pursuant to this section. The Secretary shall, after notice and opportunity for a hearing, establish criteria for such determinations. Such criteria shall include an appropriate measure or measures of student achievement. Such criteria shall require that—

(1) the accrediting agency or association shall be a State, regional, or national agency or association and shall demonstrate the ability and the experience to operate as an accrediting agency or association within the State, region, or nationally, as appropriate;

(2) such agency or association—

(A)(i) for the purpose of participation in programs under this Act, has a voluntary membership of institutions of higher education and has as a principal purpose the accrediting of institutions of higher education; or

(ii) for the purpose of participation in other programs administered by the Department of Education or other Federal agencies, has a voluntary membership and has as its principal purpose the accrediting of institutions of higher education or programs;

(B) is a State agency approved by the Secretary for the purpose described in subparagraph (A); or

(C) is an agency or association that, for the purpose of determining eligibility for student assistance under this title, conducts accreditation through (i) a voluntary membership organization of individuals participating in a profession, or (ii) an agency or association which has as its principal purpose the accreditation of programs within institutions, which institutions are accredited by another agency or association recognized by the Secretary;

(3) if such agency or association is an agency or association described in—

(A) subparagraph (A)(i) of paragraph (2), then such agency or association is separate and independent, both administratively and financially of any related, associated, or affiliated trade association or membership organization;

(B) subparagraph (B) of paragraph (2), then such agency or association has been recognized by the Secretary on or before October 1, 1991; or

(C) subparagraph (C) of paragraph (2) and such agency or association has been recognized by the Secretary on or before October 1, 1991, then the Secretary may waive the requirement that such agency or association is separate and independent, both administratively and financially of any related, associated, or affiliated trade association or membership organization upon a demonstration that the existing relationship has not served to compromise the independence of its accreditation process;

(4)(A) such agency or association consistently applies and enforces standards that respect the stated mission of the institution of higher education, including religious missions, and that ensure that the courses or programs of instruction, training, or study offered by the institution of higher education, in-
cluding distance education or correspondence courses or programs, are of sufficient quality to achieve, for the duration of the accreditation period, the stated objective for which the courses or the programs are offered; and

(B) if such agency or association has or seeks to include within its scope of recognition the evaluation of the quality of institutions or programs offering distance education or correspondence education, such agency or association shall, in addition to meeting the other requirements of this subpart, demonstrate to the Secretary that—

(i) the agency or association’s standards effectively address the quality of an institution’s distance education or correspondence education in the areas identified in paragraph (5), except that—

(I) the agency or association shall not be required to have separate standards, procedures, or policies for the evaluation of distance education or correspondence education institutions or programs in order to meet the requirements of this subparagraph; and

(II) in the case that the agency or association is recognized by the Secretary, the agency or association shall not be required to obtain the approval of the Secretary to expand its scope of accreditation to include distance education or correspondence education, provided that the agency or association notifies the Secretary in writing of the change in scope; and

(ii) the agency or association requires an institution that offers distance education or correspondence education to have processes through which the institution establishes that the student who registers in a distance education or correspondence education course or program is the same student who participates in and completes the program and receives the academic credit;

(5) the standards for accreditation of the agency or association assess the institution’s—

(A) success with respect to student achievement in relation to the institution’s mission, which may include different standards for different institutions or programs, as established by the institution, including, as appropriate, consideration of State licensing examinations, consideration of course completion, and job placement rates;

(B) curricula;

(C) faculty;

(D) facilities, equipment, and supplies;

(E) fiscal and administrative capacity as appropriate to the specified scale of operations;

(F) student support services;

(J) record of compliance with its program responsibilities under title IV of this Act based on the most recent student loan default rate data provided by the Secretary, the results of financial or compliance audits, program reviews, and any such other information as the Secretary may provide to the agency or association; except that subparagraphs (A), (H), and (J) shall not apply to agencies or associations described in paragraph (2)(A)(ii) of this subsection;

(6) such an agency or association shall establish and apply review procedures throughout the accrediting process, including evaluation and withdrawal proceedings, which comply with due process procedures that provide—

(A) for adequate written specification of—

(i) requirements, including clear standards for an institution of higher education or program to be accredited; and

(ii) identified deficiencies at the institution or program examined;

(B) for sufficient opportunity for a written response, by an institution or program, regarding any deficiencies identified by the agency or association to be considered by the agency or association—

(i) within a timeframe determined by the agency or association; and

(C) upon the written request of an institution or program, for an opportunity for the institution or program to appeal any adverse action under this section, including denial, withdrawal, suspension, or termination of accreditation, taken against the institution or program, prior to such action becoming final at a hearing before an appeals panel that—

(ii) is subject to a conflict of interest policy;

(D) for the right to representation and participation by counsel for an institution or program during an appeal of the adverse action;

(F) in the case that the agency or association determines that the new financial information submitted by the institution or program under subparagraph (E) meets the
criteria of significance and materiality described in such subparagraph, for consideration by the agency or association of the new financial information prior to the adverse action described in such subparagraph becoming final; and

(G) that any determination by the agency or association made with respect to the new financial information described in subparagraph (E) shall not be separately appealable by the institution or program;

(7) such agency or association shall notify the Secretary and the appropriate State licensing or authorizing agency within 30 days of the accreditation of an institution or any final denial, withdrawal, suspension, or termination of accreditation or placement on probation of an institution, together with any other adverse action taken with respect to an institution; and

(8) such agency or association shall make available to the public, upon request, and to the Secretary, and the State licensing or authorizing agency a summary of any review resulting in a final accrediting decision involving denial, termination, or suspension of accreditation, together with the comments of the affected institution.

(b) SEPARATE AND INDEPENDENT DEFINED.—For the purpose of subsection (a)(3), the term “separate and independent” means that—

(1) the members of the postsecondary education governing body of the accrediting agency or association are not elected or selected by the board or chief executive officer of any related, associated, or affiliated trade association or membership organization;

(2) among the membership of the board of the accrediting agency or association there shall be one public member (who is not a member of any related trade or membership organization) for each six members of the board, with a minimum of one such public member, and guidelines are established for such members to avoid conflicts of interest;

(3) dues to the accrediting agency or association are paid separately from any dues paid to any related, associated, or affiliated trade association or membership organization;

(4) the budget of the accrediting agency or association is developed and determined by the accrediting agency or association without review or resort to consultation with any other entity or organization.

(c) OPERATING PROCEDURES REQUIRED.—No accrediting agency or association may be recognized by the Secretary as a reliable authority as to the quality of education or training offered by an institution seeking to participate in the programs authorized under this title, unless the agency or association—

(1) performs, at regularly established intervals, on-site inspections and reviews of institutions of higher education (which may include unannounced site visits) with particular focus on educational quality and program effectiveness, and ensures that accreditation team members are well-trained and knowledgeable with respect to their responsibilities, including those regarding distance education;
(2) monitors the growth of programs at institutions that are experiencing significant enrollment growth;

(3) requires an institution to submit for approval to the accrediting agency a teach-out plan upon the occurrence of any of the following events:

   (A) the Department notifies the accrediting agency of an action against the institution pursuant to section 487(f);

   (B) the accrediting agency acts to withdraw, terminate, or suspend the accreditation of the institution; or

(6) requires that teach-out agreements among institutions are subject to approval by the accrediting agency or association consistent with standards promulgated by such agency or association;

(7) makes available to the public and the State licensing or authorizing agency, and submits to the Secretary, a summary of agency or association actions, including—

   (A) the award of accreditation or reaccreditation of an institution;

   (B) final denial, withdrawal, suspension, or termination of accreditation of an institution, and any findings made in connection with the action taken, together with the official comments of the affected institution; and

   (C) any other adverse action taken with respect to an institution or placement on probation of an institution;

(8) discloses publicly whenever an institution of higher education subject to its jurisdiction is being considered for accreditation or reaccreditation; and

(9) confirms, as a part of the agency’s or association’s review for accreditation or reaccreditation, that the institution has transfer of credit policies—

   (A) that are publicly disclosed; and

   (B) that include a statement of the criteria established by the institution regarding the transfer of credit earned at another institution of higher education.

(d) LENGTH OF RECOGNITION.—No accrediting agency or association may be recognized by the Secretary for the purpose of this Act for a period of more than 5 years.

(e) INITIAL ARBITRATION RULE.—The Secretary may not recognize the accreditation of any institution of higher education unless the institution of higher education agrees to submit any dispute involving the final denial, withdrawal, or termination of accreditation to initial arbitration prior to any other legal action.
(f) JURISDICTION.—Notwithstanding any other provision of law, any civil action brought by an institution of higher education seeking accreditation from, or accredited by, an accrediting agency or association recognized by the Secretary for the purpose of this title and involving the denial, withdrawal, or termination of accreditation of the institution of higher education, shall be brought in the appropriate United States district court.

(g) LIMITATION ON SCOPE OF CRITERIA.—Nothing in this Act shall be construed to permit the Secretary to establish criteria for accrediting agencies or associations that are not required by this section. Nothing in this Act shall be construed to prohibit or limit any accrediting agency or association from adopting additional standards not provided for in this section. Nothing in this section shall be construed to permit the Secretary to establish any criteria that specifies, defines, or prescribes the standards that accrediting agencies or associations shall use to assess any institution’s success with respect to student achievement.

(h) CHANGE OF ACCREDITING AGENCY.—The Secretary shall not recognize the accreditation of any otherwise eligible institution of higher education if the institution of higher education is in the process of changing its accrediting agency or association, unless the eligible institution submits to the Secretary all materials relating to the prior accreditation, including materials demonstrating reasonable cause for changing the accrediting agency or association.

(i) DUAL ACCREDITATION RULE.—The Secretary shall not recognize the accreditation of any otherwise eligible institution of higher education if the institution of higher education is accredited, as an institution, by more than one accrediting agency or association, unless the institution submits to each such agency and association and to the Secretary the reasons for accreditation by more than one such agency or association and demonstrates to the Secretary reasonable cause for its accreditation by more than one agency or association. If the institution is accredited, as an institution, by more than one accrediting agency or association, the institution shall designate which agency’s accreditation shall be utilized in determining the institution’s eligibility for programs under this Act.

(j) IMPACT OF LOSS OF ACCREDITATION.—An institution may not be certified or recertified as an institution of higher education under section 102 and subpart 3 of this part or participate in any of the other programs authorized by this Act if such institution—

1. is not currently accredited by any agency or association recognized by the Secretary;
2. has had its accreditation withdrawn, revoked, or otherwise terminated for cause during the preceding 24 months, unless such withdrawal, revocation, or termination has been rescinded by the same accrediting agency; or
3. has withdrawn from accreditation voluntarily under a show cause or suspension order during the preceding 24 months, unless such order has been rescinded by the same accrediting agency.

(k) RELIGIOUS INSTITUTION RULE.—Notwithstanding subsection (j), the Secretary shall allow an institution that has had its accreditation withdrawn, revoked, or otherwise terminated, and has voluntarily withdrawn from an accreditation agency, to remain certified...
as an institution of higher education under section 102 and subpart 3 of this part for a period sufficient to allow such institution to obtain alternative accreditation, if the Secretary determines that the reason for the withdrawal, revocation, or termination—

(1) is related to the religious mission or affiliation of the institution; and

(2) is not related to the accreditation criteria provided for in this section.

(l) LIMITATION, SUSPENSION, OR TERMINATION OF RECOGNITION.—(1) If the Secretary determines that an accrediting agency or association has failed to apply effectively the criteria in this section, or is otherwise not in compliance with the requirements of this section, the Secretary shall—

(A) after notice and opportunity for a hearing, limit, suspend, or terminate the recognition of the agency or association; or

(B) require the agency or association to take appropriate action to bring the agency or association into compliance with such requirements within a timeframe specified by the Secretary, except that—

(i) such timeframe shall not exceed 12 months unless the Secretary extends such period for good cause; and

(ii) if the agency or association fails to bring the agency or association into compliance within such timeframe, the Secretary shall, after notice and opportunity for a hearing, limit, suspend, or terminate the recognition of the agency or association.

(2) The Secretary may determine that an accrediting agency or association has failed to apply effectively the standards provided in this section if an institution of higher education seeks and receives accreditation from the accrediting agency or association during any period in which the institution is the subject of any interim action by another accrediting agency or association, described in paragraph (2)(A)(i), (2)(B), or (2)(C) of subsection (a) of this section, leading to the suspension, revocation, or termination of accreditation or the institution has been notified of the threatened loss of accreditation, and the due process procedures required by such suspension, revocation, termination, or threatened loss have not been completed.

(m) LIMITATION ON THE SECRETARY’S AUTHORITY.—The Secretary may only recognize accrediting agencies or associations which accredit institutions of higher education for the purpose of enabling such institutions to establish eligibility to participate in the programs under this Act or which accredit institutions of higher education or higher education programs for the purpose of enabling them to establish eligibility to participate in other programs administered by the Department of Education or other Federal agencies.

(n) INDEPENDENT EVALUATION.—(1) The Secretary shall conduct a comprehensive review and evaluation of the performance of all accrediting agencies or associations which seek recognition by the Secretary in order to determine whether such accrediting agencies or associations meet the criteria established by this section. The Secretary shall conduct an independent evaluation of the infor-
mation provided by such agency or association. Such evaluation shall include—

(A) the solicitation of third-party information concerning the performance of the accrediting agency or association; and

(B) site visits, including unannounced site visits as appropriate, at accrediting agencies and associations, and, at the Secretary’s discretion, at representative member institutions.

(2) The Secretary shall place a priority for review of accrediting agencies or associations on those agencies or associations that accredit institutions of higher education that participate most extensively in the programs authorized by this title and on those agencies or associations which have been the subject of the most complaints or legal actions.

(3) The Secretary shall consider all available relevant information concerning the compliance of the accrediting agency or association with the criteria provided for in this section, including any complaints or legal actions against such agency or association. In cases where deficiencies in the performance of an accreditation agency or association with respect to the requirements of this section are noted, the Secretary shall take these deficiencies into account in the recognition process. The Secretary shall not, under any circumstances, base decisions on the recognition or denial of recognition of accreditation agencies or associations on criteria other than those contained in this section. When the Secretary decides to recognize an accrediting agency or association, the Secretary shall determine the agency or association’s scope of recognition. If the agency or association reviews institutions offering distance education courses or programs and the Secretary determines that the agency or association meets the requirements of this section, then the agency shall be recognized and the scope of recognition shall include accreditation of institutions offering distance education courses or programs.

(4) The Secretary shall maintain sufficient documentation to support the conclusions reached in the recognition process, and, if the Secretary does not recognize any accreditation agency or association, shall make publicly available the reason for denying recognition, including reference to the specific criteria under this section which have not been fulfilled.

(o) REGULATIONS.—The Secretary shall by regulation provide procedures for the recognition of accrediting agencies or associations and for the appeal of the Secretary’s decisions. Notwithstanding any other provision of law, the Secretary shall not promulgate any regulation with respect to the standards of an accreditation agency or association described in subsection (a)(5).

(p) RULE OF CONSTRUCTION.—Nothing in subsection (a)(5) shall be construed to restrict the ability of—

(1) an accrediting agency or association to set, with the involvement of its members, and to apply, accreditation standards for or to institutions or programs that seek review by the agency or association; or

(2) an institution to develop and use institutional standards to show its success with respect to student achievement, which achievement may be considered as part of any accreditation review.
(q) **Review of Scope Changes.**—The Secretary shall require a review, at the next available meeting of the National Advisory Committee on Institutional Quality and Integrity, of any change in scope undertaken by an agency or association under subsection (a)(4)(B)(i)(II) if the enrollment of an institution that offers distance education or correspondence education that is accredited by such agency or association increases by 50 percent or more within any one institutional fiscal year.

### Subpart 3—Eligibility and Certification Procedures

**SEC. 498. [20 U.S.C. 1099c] Eligibility and Certification Procedures.**

(a) **General Requirement.**—For purposes of qualifying institutions of higher education for participation in programs under this title, the Secretary shall determine the legal authority to operate within a State, the accreditation status, and the administrative capability and financial responsibility of an institution of higher education in accordance with the requirements of this section.

(b) **Single Application Form.**—The Secretary shall prepare and prescribe a single application form which—

1. **requires sufficient information and documentation to determine that the requirements of eligibility, accreditation, financial responsibility, and administrative capability of the institution of higher education are met;**

2. **requires a specific description of the relationship between a main campus of an institution of higher education and all of its branches, including a description of the student aid processing that is performed by the main campus and that which is performed at its branches;**

3. **requires—**
   
   (A) a description of the third party servicers of an institution of higher education; and
   
   (B) the institution to maintain a copy of any contract with a financial aid service provider or loan servicer, and provide a copy of any such contract to the Secretary upon request;

4. **requires such other information as the Secretary determines will ensure compliance with the requirements of this title with respect to eligibility, accreditation, administrative capability and financial responsibility; and**

5. **provides, at the option of the institution, for participation in one or more of the programs under part B or D.**

(c) **Financial Responsibility Standards.**—(1) The Secretary shall determine whether an institution has the financial responsibility required by this title on the basis of whether the institution is able—

   (A) to provide the services described in its official publications and statements;

   (B) to provide the administrative resources necessary to comply with the requirements of this title; and

   (C) to meet all of its financial obligations, including (but not limited to) refunds of institutional charges and repayments
to the Secretary for liabilities and debts incurred in programs administered by the Secretary.

(2) Notwithstanding paragraph (1), if an institution fails to meet criteria prescribed by the Secretary regarding ratios that demonstrate financial responsibility, then the institution shall provide the Secretary with satisfactory evidence of its financial responsibility in accordance with paragraph (3). Such criteria shall take into account any differences in generally accepted accounting principles, and the financial statements required thereunder, that are applicable to for-profit, public, and nonprofit institutions. The Secretary shall take into account an institution’s total financial circumstances in making a determination of its ability to meet the standards herein required.

(3) The Secretary shall determine an institution to be financially responsible, notwithstanding the institution’s failure to meet the criteria under paragraphs (1) and (2), if—

(A) such institution submits to the Secretary third-party financial guarantees that the Secretary determines are reasonable, such as performance bonds or letters of credit payable to the Secretary, which third-party financial guarantees shall equal not less than one-half of the annual potential liabilities of such institution to the Secretary for funds under this title, including loan obligations discharged pursuant to section 437, and to students for refunds of institutional charges, including funds under this title;

(B) such institution has its liabilities backed by the full faith and credit of a State, or its equivalent;

(C) such institution establishes to the satisfaction of the Secretary, with the support of a financial statement audited by an independent certified public accountant in accordance with generally accepted auditing standards, that the institution has sufficient resources to ensure against the precipitous closure of the institution, including the ability to meet all of its financial obligations (including refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary); or

(D) such institution has met standards of financial responsibility, prescribed by the Secretary by regulation, that indicate a level of financial strength not less than those required in paragraph (2).

(4) If an institution of higher education that provides a 2-year or 4-year program of instruction for which the institution awards an associate or baccalaureate degree fails to meet the criteria imposed by the Secretary pursuant to paragraph (2), the Secretary shall waive that particular requirement for that institution if the institution demonstrates to the satisfaction of the Secretary that—

(A) there is no reasonable doubt as to its continued solvency and ability to deliver quality educational services;

(B) it is current in its payment of all current liabilities, including student refunds, repayments to the Secretary, payroll, and payment of trade creditors and withholding taxes; and

(C) it has substantial equity in school-occupied facilities, the acquisition of which was the direct cause of its failure to meet the criteria.
(5) The determination as to whether an institution has met the standards of financial responsibility provided for in paragraphs (2) and (3)(C) shall be based on an audited and certified financial statement of the institution. Such audit shall be conducted by a qualified independent organization or person in accordance with standards established by the American Institute of Certified Public Accountants. Such statement shall be submitted to the Secretary at the time such institution is considered for certification or recertification under this section. If the institution is permitted to be certified (provisionally or otherwise) and such audit does not establish compliance with paragraph (2), the Secretary may require that additional audits be submitted.

(6)(A) The Secretary shall establish requirements for the maintenance by an institution of higher education of sufficient cash reserves to ensure repayment of any required refunds.

(B) The Secretary shall provide for a process under which the Secretary shall exempt an institution of higher education from the requirements described in subparagraph (A) if the Secretary determines that the institution—

(i) is located in a State that has a tuition recovery fund that ensures that the institution meets the requirements of subparagraph (A);

(ii) contributes to the fund; and

(iii) otherwise has legal authority to operate within the State.

(d) ADMINISTRATIVE CAPACITY STANDARD.—The Secretary is authorized—

(1) to establish procedures and requirements relating to the administrative capacities of institutions of higher education, including—

(A) consideration of past performance of institutions or persons in control of such institutions with respect to student aid programs; and

(B) maintenance of records; and

(2) to establish such other reasonable procedures as the Secretary determines will contribute to ensuring that the institution of higher education will comply with administrative capability required by this title.

(e) FINANCIAL GUARANTEES FROM OWNERS.—(1) Notwithstanding any other provision of law, the Secretary may, to the extent necessary to protect the financial interest of the United States, require—

(A) financial guarantees from an institution participating, or seeking to participate, in a program under this title, or from one or more individuals who the Secretary determines, in accordance with paragraph (2), exercise substantial control over such institution, or both, in an amount determined by the Secretary to be sufficient to satisfy the institution’s potential liability to the Federal Government, student assistance recipients, and other program participants for funds under this title; and

(B) the assumption of personal liability, by one or more individuals who exercise substantial control over such institution, as determined by the Secretary in accordance with para-
graph (2), for financial losses to the Federal Government, student assistance recipients, and other program participants for funds under this title, and civil and criminal monetary penalties authorized under this title.

(2)(A) The Secretary may determine that an individual exercises substantial control over one or more institutions participating in a program under this title if the Secretary determines that—

(i) the individual directly or indirectly controls a substantial ownership interest in the institution;

(ii) the individual, either alone or together with other individuals, represents, under a voting trust, power of attorney, proxy, or similar agreement, one or more persons who have, individually or in combination with the other persons represented or the individual representing them, a substantial ownership interest in the institution; or

(iii) the individual is a member of the board of directors, the chief executive officer, or other executive officer of the institution or of an entity that holds a substantial ownership interest in the institution.

(B) The Secretary may determine that an entity exercises substantial control over one or more institutions participating in a program under this title if the Secretary determines that the entity directly or indirectly holds a substantial ownership interest in the institution.

(3) For purposes of this subsection, an ownership interest is defined as a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution or institution’s parent corporation. An ownership interest may include, but is not limited to—

(A) a sole proprietorship;

(B) an interest as a tenant-in-common, joint tenant, or tenant by the entireties;

(C) a partnership; or

(D) an interest in a trust.

(4) The Secretary shall not impose the requirements described in subparagraphs (A) and (B) of paragraph (1) on an institution that—

(A) has not been subjected to a limitation, suspension, or termination action by the Secretary or a guaranty agency within the preceding 5 years;

(B) has not had, during its 2 most recent audits of the institutions conduct of programs under this title, an audit finding that resulted in the institution being required to repay an amount greater than 5 percent of the funds the institution received from programs under this title for any year;

(C) meets and has met, for the preceding 5 years, the financial responsibility standards under subsection (c); and

(D) has not been cited during the preceding 5 years for failure to submit audits required under this title in a timely fashion.

(5) For purposes of section 487(c)(1)(G), this section shall also apply to individuals or organizations that contract with an institution to administer any aspect of an institution’s student assistance program under this title.
(6) Notwithstanding any other provision of law, any individual who—

(A) the Secretary determines, in accordance with paragraph (2), exercises substantial control over an institution participating in, or seeking to participate in, a program under this title;

(B) is required to pay, on behalf of a student or borrower, a refund of unearned institutional charges to a lender, or to the Secretary; and

(C) willfully fails to pay such refund or willfully attempts in any manner to evade payment of such refund,

shall, in addition to other penalties provided by law, be liable to the Secretary for the amount of the refund not paid, to the same extent with respect to such refund that such an individual would be liable as a responsible person for a penalty under section 6672(a) of Internal Revenue Code of 1986 with respect to the non-payment of taxes. 62

(f) ACTIONS ON APPLICATIONS AND SITE VISITS.—The Secretary shall ensure that prompt action is taken by the Department on any application required under subsection (b). The personnel of the Department of Education may conduct a site visit at each institution before certifying or recertifying its eligibility for purposes of any program under this title. The Secretary shall establish priorities by which institutions are to receive site visits, and shall, to the extent practicable, coordinate such visits with site visits by States, guaranty agencies, and accrediting bodies in order to eliminate duplication, and reduce administrative burden.

(g) TIME LIMITATIONS ON, AND RENEWAL OF, ELIGIBILITY.—

(1) GENERAL RULE.—After the expiration of the certification of any institution under the schedule prescribed under this section (as this section was in effect prior to the enactment of the Higher Education Act Amendments of 1998), or upon request for initial certification from an institution not previously certified, the Secretary may certify the eligibility for the purposes of any program authorized under this title of each such institution for a period not to exceed 6 years.

(2) NOTIFICATION.—The Secretary shall notify each institution of higher education not later than 6 months prior to the date of the expiration of the institution’s certification.

(3) INSTITUTIONS OUTSIDE THE UNITED STATES.—The Secretary shall promulgate regulations regarding the recertification requirements applicable to an institution of higher education outside of the United States that meets the requirements of section 102(a)(1)(C) and received less than $500,000 in funds under part B for the most recent year for which data are available.

(h) PROVISIONAL CERTIFICATION OF INSTITUTIONAL ELIGIBILITY.—(1) Notwithstanding subsections (d) and (g), the Secretary may provisionally certify an institution’s eligibility to participate in programs under this title—

---

62 Section 498(c)(2) of the Higher Education Amendments of 1998 provided that the amendment adding paragraph (6) was effective with respect to any unpaid refunds that were first required to be paid to a lender or to the Secretary on or after 90 days after the date of enactment of that Act.
(A) for not more than one complete award year in the case of an institution of higher education seeking an initial certification; and

(B) for not more than 3 complete award years if—

(i) the institution’s administrative capability and financial responsibility is being determined for the first time;

(ii) there is a complete or partial change of ownership, as defined under subsection (i), of an eligible institution; or

(iii) the Secretary determines that an institution that seeks to renew its certification is, in the judgment of the Secretary, in an administrative or financial condition that may jeopardize its ability to perform its financial responsibilities under a program participation agreement.

(2) Whenever the Secretary withdraws the recognition of any accrediting agency, an institution of higher education which meets the requirements of accreditation, eligibility, and certification on the day prior to such withdrawal, the Secretary may, notwithstanding the withdrawal, continue the eligibility of the institution of higher education to participate in the programs authorized by this title for a period not to exceed 18 months from the date of the withdrawal of recognition.

(3) If, prior to the end of a period of provisional certification under this subsection, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, the Secretary may terminate the institution’s participation in programs under this title.

(i) TREATMENT OF CHANGES OF OWNERSHIP.—(1) An eligible institution of higher education that has had a change in ownership resulting in a change of control shall not qualify to participate in programs under this title after the change in control (except as provided in paragraph (3)) unless it establishes that it meets the requirements of section 102 (other than the requirements in subsections (b)(5) and (c)(3)) and this section after such change in control.

(2) An action resulting in a change in control may include (but is not limited to)—

(A) the sale of the institution or the majority of its assets;

(B) the transfer of the controlling interest of stock of the institution or its parent corporation;

(C) the merger of two or more eligible institutions;

(D) the division of one or more institutions into two or more institutions;

(E) the transfer of the controlling interest of stock of the institutions to its parent corporation; or

(F) the transfer of the liabilities of the institution to its parent corporation.

(3) An action that may be treated as not resulting in a change in control includes (but is not limited to)—

(A) the sale or transfer, upon the death of an owner of an institution, of the ownership interest of the deceased in that institution to a family member or to a person holding an ownership interest in that institution; or
(B) another action determined by the Secretary to be a routine business practice.

(4)(A) The Secretary may provisionally certify an institution seeking approval of a change in ownership based on the preliminary review by the Secretary of a materially complete application that is received by the Secretary within 10 business days of the transaction for which the approval is sought.

(B) A provisional certification under this paragraph shall expire not later than the end of the month following the month in which the transaction occurred, except that if the Secretary has not issued a decision on the application for the change of ownership within that period, the Secretary may continue such provisional certification on a month-to-month basis until such decision has been issued.

(j) TREATMENT OF BRANCHES.—(1) A branch of an eligible institution of higher education, as defined pursuant to regulations of the Secretary, shall be certified under this subpart before it may participate as part of such institution in a program under this title, except that such branch shall not be required to meet the requirements of sections 102(b)(1)(E) and 102(c)(1)(C) prior to seeking such certification. Such branch is required to be in existence at least 2 years after the branch is certified by the Secretary as a branch campus participating in a program under this title, prior to seeking certification as a main campus or free-standing institution.

(2) The Secretary may waive the requirement of section 101(a)(2) for a branch that (A) is not located in a State, (B) is affiliated with an eligible institution, and (C) was participating in one or more programs under this title on or before January 1, 1992.

(k) TREATMENT OF TEACH-OUTS AT ADDITIONAL LOCATIONS.—

(1) IN GENERAL.—A location of a closed institution of higher education shall be eligible as an additional location of an eligible institution of higher education, as defined pursuant to regulations of the Secretary, for the purposes of a teach-out described in section 487(f), if such teach-out has been approved by the institution’s accrediting agency.

(2) SPECIAL RULE.—An institution of higher education that conducts a teach-out through the establishment of an additional location described in paragraph (1) shall be permitted to establish a permanent additional location at a closed institution and shall not be required—

(A) to meet the requirements of sections 102(b)(1)(E) and 102(c)(1)(C) for such additional location; or

(B) to assume the liabilities of the closed institution.

(a) GENERAL AUTHORITY.—In order to strengthen the administrative capability and financial responsibility provisions of this title, the Secretary—

(1) shall provide for the conduct of program reviews on a systematic basis designed to include all institutions of higher education participating in programs authorized by this title; and

(2) shall give priority for program review to institutions of higher education that are—
(A) institutions with a cohort default rate for loans under part B of this title in excess of 25 percent or which places such institutions in the highest 25 percent of such institutions;

(B) institutions with a default rate in dollar volume for loans under part B of this title which places the institutions in the highest 25 percent of such institutions;

(C) institutions with a significant fluctuation in Federal Stafford Loan volume, Federal Direct Stafford/Ford Loan volume, or Federal Pell Grant award volume, or any combination thereof, in the year for which the determination is made, compared to the year prior to such year, that are not accounted for by changes in the Federal Stafford Loan program, the Federal Direct Stafford/Ford Loan program, or the Pell Grant program, or any combination thereof;

(D) institutions reported to have deficiencies or financial aid problems by the State licensing or authorizing agency, or by the appropriate accrediting agency or association;

(E) institutions with high annual dropout rates; and

(F) such other institutions that the Secretary determines may pose a significant risk of failure to comply with the administrative capability or financial responsibility provisions of this title; and

(3) shall establish and operate a central data base of information on institutional accreditation, eligibility, and certification that includes—

(A) all relevant information available to the Department;

(B) all relevant information made available by the Secretary of Veterans Affairs;

(C) all relevant information from accrediting agencies or associations;

(D) all relevant information available from a guaranty agency; and

(E) all relevant information available from States under subpart 1.

(b) SPECIAL ADMINISTRATIVE RULES.—In carrying out paragraphs (1) and (2) of subsection (a) and any other relevant provisions of this title, the Secretary shall—

(1) establish guidelines designed to ensure uniformity of practice in the conduct of program reviews of institutions of higher education;

(2) make available to each institution participating in programs authorized under this title complete copies of all review guidelines and procedures used in program reviews;

(3) permit the institution to correct or cure an administrative, accounting, or recordkeeping error if the error is not part of a pattern of error and there is no evidence of fraud or misconduct related to the error;

(4) base any civil penalty assessed against an institution of higher education resulting from a program review or audit on the gravity of the violation, failure, or misrepresentation;
(5) inform the appropriate State and accrediting agency or association whenever the Secretary takes action against an institution of higher education under this section, section 498, or section 432;

(6) provide to an institution of higher education an adequate opportunity to review and respond to any program review report and relevant materials related to the report before any final program review report is issued;

(7) review and take into consideration an institution of higher education's response in any final program review report or audit determination, and include in the report or determination—
   (A) a written statement addressing the institution of higher education’s response;
   (B) a written statement of the basis for such report or determination; and
   (C) a copy of the institution’s response; and

(8) maintain and preserve at all times the confidentiality of any program review report until the requirements of paragraphs (6) and (7) are met, and until a final program review is issued, other than to the extent required to comply with paragraph (5), except that the Secretary shall promptly disclose any and all program review reports to the institution of higher education under review.

(c) DATA COLLECTION RULES.—The Secretary shall develop and carry out a plan for the data collection responsibilities described in paragraph (3) of subsection (a). The Secretary shall make the information obtained under such paragraph (3) readily available to all institutions of higher education, guaranty agencies, States, and other organizations participating in the programs authorized by this title.

(d) TRAINING.—The Secretary shall provide training to personnel of the Department, including criminal investigative training, designed to improve the quality of financial and compliance audits and program reviews conducted under this title.

(e) SPECIAL RULE.—The provisions of section 103(b) of the Department of Education Organization Act shall not apply to Secretarial determinations made regarding the appropriate length of instruction for programs measured in clock hours.

(a) REVIEW REQUIRED.—The Secretary shall review each regulation issued under this title that is in effect at the time of the review and applies to the operations or activities of any participant in the programs assisted under this title. The review shall include a determination of whether the regulation is duplicative, or is no longer necessary. The review may involve one or more of the following:

   (1) An assurance of the uniformity of interpretation and application of such regulations.

   (2) The establishment of a process for ensuring that eligibility and compliance issues, such as institutional audit, program review, and recertification, are considered simultaneously.
(3) A determination of the extent to which unnecessary costs are imposed on institutions of higher education as a consequence of the applicability to the facilities and equipment of such institutions of regulations prescribed for purposes of regulating industrial and commercial enterprises.

(b) REGULATORY AND STATUTORY RELIEF FOR SMALL VOLUME INSTITUTIONS.—The Secretary shall review and evaluate ways in which regulations under and provisions of this Act affecting institution of higher education (other than institutions described in section 102(a)(1)(C)), that have received in each of the two most recent award years prior to the date of the enactment of the Higher Education Amendments of 1998 less than $200,000 in funds through this title, may be improved, streamlined, or eliminated.

(c) CONSULTATION.—In carrying out subsections (a) and (b), the Secretary shall consult with relevant representatives of institutions participating in the programs authorized by this title.

PART I—COMPETITIVE LOAN AUCTION PILOT PROGRAM

(a) DEFINITIONS.—In this section:

(1) ELIGIBLE FEDERAL PLUS LOAN.—The term “eligible Federal PLUS Loan” means a loan described in section 428B made to a parent of a dependent student who is a new borrower on or after July 1, 2009.

(2) ELIGIBLE LENDER.—The term “eligible lender” has the meaning given the term in section 435.

(b) PILOT PROGRAM.—The Secretary shall carry out a pilot program under which the Secretary establishes a mechanism for an auction of eligible Federal PLUS Loans in accordance with this subsection. The pilot program shall meet the following requirements:

(1) PLANNING AND IMPLEMENTATION.—During the period beginning on the date of enactment of this section and ending on June 30, 2009, the Secretary shall plan and implement the pilot program under this subsection. During the planning and implementation, the Secretary shall consult with other Federal agencies with knowledge of, and experience with, auction programs, including the Federal Communication Commission and the Department of the Treasury.

(2) ORIGINATION AND DISBURSEMENT; APPLICABILITY OF SECTION 428B.—Beginning on July 1, 2009, the Secretary shall arrange for the origination and disbursement of all eligible Federal PLUS Loans in accordance with the provisions of this subsection and the provisions of section 428B that are not inconsistent with this subsection.

(3) LOAN ORIGINATION MECHANISM.—The Secretary shall establish a loan origination auction mechanism that meets the following requirements:

(A) AUCTION FOR EACH STATE.—The Secretary administers an auction under this paragraph for each State, under which eligible lenders compete to originate eligible
Federal PLUS Loans under this paragraph at all institutions of higher education within such State.

(B) PREQUALIFICATION PROCESS.—The Secretary establishes a prequalification process for eligible lenders desiring to participate in an auction under this paragraph that contains, at a minimum—

(i) a set of borrower benefits and servicing requirements each eligible lender shall meet in order to participate in such an auction;

(ii) an assessment of each such eligible lender's capacity, including capital capacity, to participate effectively; and

(iii) a commitment from such eligible lender that, if the lender has a winning bid under subparagraph (F), the lender will enter into the agreement required under subparagraph (G).

(C) TIMING AND ORIGINATION.—Each State auction takes place every 2 years, and the eligible lenders with the winning bids for the State are the only eligible lenders permitted to originate eligible Federal PLUS Loans made under this paragraph for the cohort of students at the institutions of higher education within the State until the students graduate from or leave the institutions of higher education.

(D) BIDS.—Each eligible lender's bid consists of the amount of the special allowance payment (after the application of section 438(b)(2)(I)(v)) the eligible lender proposes to accept from the Secretary with respect to the eligible Federal PLUS Loans made under this paragraph in lieu of the amount determined under section 438(b)(2)(I).

(E) MAXIMUM BID.—The maximum bid allowable under this paragraph shall not exceed the amount of the special allowance payable on eligible Federal PLUS Loans made under this paragraph computed under section 438(b)(2)(I) (other than clauses (ii), (iii), (iv), and (vi) of such section), except that for purposes of the computation under this subparagraph, section 438(b)(2)(I)(i)(III) shall be applied by substituting “1.79 percent” for “2.34 percent”.

(F) WINNING BIDS.—The winning bids for each State auction shall be the 2 bids containing the lowest and the second lowest proposed special allowance payments, subject to subparagraph (E).

(G) AGREEMENT WITH SECRETARY; COMPLIANCE.—

(i) AGREEMENT.—Each eligible lender having a winning bid under subparagraph (F) shall enter into an agreement with the Secretary under which the eligible lender—

(I) agrees to originate eligible Federal PLUS Loans under this paragraph to each borrower who—

(aa) seeks an eligible Federal PLUS Loan under this paragraph to enable a dependent student to attend an institution of higher education within the State;
(bb) is eligible for an eligible Federal PLUS Loan; and
(cc) elects to borrow from the eligible lender; and
(II) agrees to accept a special allowance payment (after the application of section 438(b)(2)(I)(v)) from the Secretary with respect to the eligible Federal PLUS Loans originated under subclause (I) in the amount proposed in the second lowest winning bid described in subparagraph (F) for the applicable State auction.

(ii) COMPLIANCE.—If an eligible lender with a winning bid under subparagraph (F) fails to enter into the agreement required under clause (i), or fails to comply with the terms of such agreement, the Secretary may sanction such eligible lender through one or more of the following:

(I) The assessment of a penalty on such eligible lender for any eligible Federal PLUS Loans that such eligible lender fails to originate under this paragraph in accordance with the agreement required under clause (i), in the amount of the additional costs (including the amounts of any increase in special allowance payments) incurred by the Secretary in obtaining another eligible lender to originate such eligible Federal PLUS Loans. The Secretary shall collect such penalty by—

(aa) reducing the amount of any payments otherwise due to such eligible lender from the Secretary by the amount of the penalty; or
(bb) requesting any other Federal agency to reduce the amount of any payments due to such eligible lender from such agency by the amount of the penalty, in accordance with section 3716 of title 31, United States Code.

(II) A prohibition of bidding by such lender in other auctions under this section.

(III) The limitation, suspension, or termination of such eligible lender's participation in the loan program under part B.

(IV) Any other enforcement action the Secretary is authorized to take under part B.

(H) SEALED BIDS; CONFIDENTIALITY.—All bids are sealed and the Secretary keeps the bids confidential, including following the announcement of the winning bids.

(I) ELIGIBLE LENDER OF LAST RESORT.—

(i) IN GENERAL.—In the event that there is no winning bid under subparagraph (F), the students at the institutions of higher education within the State that was the subject of the auction shall be served by an eligible lender of last resort, as determined by the Secretary.
(ii) Determination of Eligible Lender of Last Resort.—Prior to the start of any auction under this paragraph, eligible lenders that desire to serve as an eligible lender of last resort shall submit an application to the Secretary at such time and in such manner as the Secretary may determine. Such application shall include an assurance that the eligible lender will meet the prequalification requirements described in subparagraph (B).

(iii) Geographic Location.—The Secretary shall identify an eligible lender of last resort for each State.

(iv) Notification Timing.—The Secretary shall not identify any eligible lender of last resort until after the announcement of all the winning bids for a State auction for any year.

(v) Maximum Special Allowance.—The Secretary is authorized to set a special allowance payment that shall be payable to a lender of last resort for a State under this subparagraph, which special allowance payment shall be kept confidential, including following the announcement of winning bids. The Secretary shall set such special allowance payment so that it incurs the lowest possible cost to the Federal Government, taking into consideration the lowest bid that was submitted in an auction for such State and the lowest bid submitted in a similar State, as determined by the Secretary.

(J) Guarantee Against Losses.—Each eligible Federal PLUS Loan originated under this paragraph shall be insured by a guaranty agency in accordance with part B, except that, notwithstanding section 428(b)(1)(G), such insurance shall be in an amount equal to 99 percent of the unpaid principal and interest due on the loan.

(K) Loan Fees.—The Secretary shall not collect a loan fee under section 438(d) with respect to an eligible Federal Plus Loan originated under this paragraph.

(L) Consolidation.—

(i) In General.—An eligible lender who is permitted to originate eligible Federal PLUS Loans for a borrower under this paragraph shall have the option to consolidate such loans into 1 loan.

(ii) Notification.—In the event a borrower with eligible Federal PLUS Loans made under this paragraph wishes to consolidate the loans, the borrower shall notify the eligible lender who originated the loans under this paragraph.

(iii) Limitation on Eligible Lender Option to Consolidate.—The option described in clause (i) shall not apply if—

(I) the borrower includes in the notification in clause (ii) verification of consolidation terms and conditions offered by an eligible lender other than the eligible lender described in clause (i); and
(II) not later than 10 days after receiving such notification from the borrower, the eligible lender described in clause (i) does not agree to match such terms and conditions, or provide more favorable terms and conditions to such borrower than the offered terms and conditions described in sub-clause (I).

(iv) CONSOLIDATION OF ADDITIONAL LOANS.—If a borrower has a Federal Direct PLUS Loan or a loan made on behalf of a dependent student under section 428B and seeks to consolidate such loan with an eligible Federal PLUS Loan made under this paragraph, then the eligible lender that originated the borrower’s loan under this paragraph may include in the consolidation under this subparagraph a Federal Direct PLUS Loan or a loan made on behalf of a dependent student under section 428B, but only if—

(I) in the case of a Federal Direct PLUS Loan, the eligible lender agrees, not later than 10 days after the borrower requests such consolidation from the lender, to match the consolidation terms and conditions that would otherwise be available to the borrower if the borrower consolidated such loans in the loan program under part D; or

(II) in the case of a loan made on behalf of a dependent student under section 428B, the eligible lender agrees, not later than 10 days after the borrower requests such consolidation from the lender, to match the consolidation terms and conditions offered by an eligible lender other than the eligible lender that originated the borrower’s loans under this paragraph.

(v) SPECIAL ALLOWANCE ON CONSOLIDATION LOANS THAT INCLUDE LOANS MADE UNDER THIS PARAGRAPH.—The applicable special allowance payment for loans consolidated under this paragraph shall be equal to the lesser of—

(I) the weighted average of the special allowance payment on such loans, except that in calculating such weighted average the Secretary shall exclude any Federal Direct PLUS Loan included in the consolidation; or

(II) the result of—

(aa) the average of the bond equivalent rates of the quotes of the 3-month commercial paper (financial) rates in effect for each of the days in such quarter as reported by the Federal Reserve in Publication H–15 (or its successor) for such 3-month period; plus

(bb) 1.59 percent.

(vi) INTEREST PAYMENT REBATE FEE.—Any loan under section 428C consolidated under this paragraph shall not be subject to the interest payment rebate fee under section 428C(f).
Sec. 499

(c) **REQUIRED INITIAL EVALUATION.**—The Secretary and Secretary of the Treasury shall jointly conduct an evaluation, in consultation with the Office of Management and Budget, the Congressional Budget Office, and the Comptroller General, of the pilot program carried out by the Secretary under this section. The evaluation shall determine—

(1) the extent of the savings to the Federal Government that are generated through the pilot program, compared to the cost the Federal Government would have incurred in operating the PLUS loan program under section 428B in the absence of the pilot program;

(2) the number of lenders that participated in the pilot program, and the extent to which the pilot program generated competition among lenders to participate in the auctions under the pilot program;

(3) the number and volume of loans made under the pilot program in each State;

(4) the effect of the transition to and operation of the pilot program on the ability of—

(A) lenders participating in the pilot program to originate loans made through the pilot program smoothly and efficiently;

(B) institutions of higher education participating in the pilot program to disburse loans made through the pilot program smoothly and efficiently; and

(C) parents to obtain loans made through the pilot program in a timely and efficient manner;

(5) the differential impact, if any, of the auction among the States, including between rural and non-rural States; and

(6) the feasibility of using the mechanism piloted to operate the other loan programs under part B of this title.

(d) **REPORTS.**—

(1) **IN GENERAL.**—The Secretary and the Secretary of the Treasury shall submit to the authorizing committees—

(A) not later than September 1, 2010, a preliminary report regarding the findings of the evaluation described in subsection (c);

(B) not later than September 1, 2012, an interim report regarding such findings; and

(C) not later than September 1, 2013, a final report regarding such findings.

(2) **CONTENTS.**—The Secretary shall include, in each report required under subparagraphs (A), (B), and (C) of paragraph (1), any recommendations, that are based on the findings of the evaluation under subsection (c), for—

(A) improving the operation and administration of the auction; and

(B) improving the operation and administration of other loan programs under part B.
TITLE V—DEVELOPING INSTITUTIONS

PART A—HISPANIC-SERVING INSTITUTIONS

SEC. 501. [20 U.S.C. 1101] FINDINGS; PURPOSE; AND PROGRAM AUTHORITY.

(a) FINDINGS.—Congress makes the following findings:

(1) Hispanic Americans are at high risk of not enrolling or graduating from institutions of higher education.

(2) Disparities between the enrollment of non-Hispanic white students and Hispanic students in postsecondary education are increasing. Between 1973 and 1994, enrollment of white secondary school graduates in 4-year institutions of higher education increased at a rate two times higher than that of Hispanic secondary school graduates.

(3) Despite significant limitations in resources, Hispanic-serving institutions provide a significant proportion of postsecondary opportunities for Hispanic students.

(4) Relative to other institutions of higher education, Hispanic-serving institutions are underfunded. Such institutions receive significantly less in State and local funding, per full-time equivalent student, than other institutions of higher education.

(5) Hispanic-serving institutions are succeeding in educating Hispanic students despite significant resource problems that—

(A) limit the ability of such institutions to expand and improve the academic programs of such institutions; and

(B) could imperil the financial and administrative stability of such institutions.

(6) There is a national interest in remedying the disparities described in paragraphs (2) and (4) and ensuring that Hispanic students have an equal opportunity to pursue postsecondary opportunities.

(b) PURPOSE.—The purpose of this title is to—

(1) expand educational opportunities for, and improve the academic attainment of, Hispanic students; and

(2) expand and enhance the academic offerings, program quality, and institutional stability of colleges and universities that are educating the majority of Hispanic college students and helping large numbers of Hispanic students and other low-income individuals complete postsecondary degrees.

(c) PROGRAM AUTHORITY.—The Secretary shall provide grants and related assistance to Hispanic-serving institutions to enable such institutions to improve and expand their capacity to serve Hispanic students and other low-income individuals.

(a) DEFINITIONS.—For the purpose of this title:

(1) EDUCATIONAL AND GENERAL EXPENDITURES.—The term "educational and general expenditures" means the total amount expended by an institution for instruction, research, public service, academic support (including library expenditures), student services, institutional support, scholarships and
fellowships, operation and maintenance expenditures for the physical plant, and any mandatory transfers that the institution is required to pay by law.

(2) ELIGIBLE INSTITUTION.—The term “eligible institution” means—

(A) an institution of higher education—

(i) that has an enrollment of needy students as required by subsection (b);

(ii) except as provided in section 522(b), the average educational and general expenditures of which are low, per full-time equivalent undergraduate student, in comparison with the average educational and general expenditures per full-time equivalent undergraduate student of institutions that offer similar instruction;

(iii) that is—

(I) legally authorized to provide, and provides within the State, an educational program for which the institution awards a bachelor’s degree; or

(II) a junior or community college;

(iv) that is accredited by a nationally recognized accrediting agency or association determined by the Secretary to be reliable authority as to the quality of training offered or that is, according to such an agency or association, making reasonable progress toward accreditation;

(v) that meets such other requirements as the Secretary may prescribe; and

(vi) that is located in a State; and

(B) any branch of any institution of higher education described under subparagraph (A) that by itself satisfies the requirements contained in clauses (i) and (ii) of such subparagraph.

For purposes of the determination of whether an institution is an eligible institution under this paragraph, the factor described under subparagraph (A)(i) shall be given twice the weight of the factor described under subparagraph (A)(ii).

(3) ENDOWMENT FUND.—The term “endowment fund” means a fund that—

(A) is established by State law, by a Hispanic-serving institution, or by a foundation that is exempt from Federal income taxation;

(B) is maintained for the purpose of generating income for the support of the institution; and

(C) does not include real estate.

(4) FULL-TIME EQUIVALENT STUDENTS.—The term “full-time equivalent students” means the sum of the number of students enrolled full time at an institution, plus the full-time equivalent of the number of students enrolled part time (determined on the basis of the quotient of the sum of the credit hours of all part-time students divided by 12) at such institution.
(5) **Hispanic-serving institution.**—The term “Hispanic-serving institution” means an institution of higher education that—

(A) is an eligible institution; and

(B) has an enrollment of undergraduate full-time equivalent students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application.

(6) **Junior or community college.**—The term “junior or community college” means an institution of higher education—

(A) that admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located and who have the ability to benefit from the training offered by the institution;

(B) that does not provide an educational program for which the institution awards a bachelor’s degree (or an equivalent degree); and

(C) that—

(i) provides an educational program of not less than 2 years in duration that is acceptable for full credit toward such a degree; or

(ii) offers a 2-year program in engineering, mathematics, or the physical or biological sciences, designed to prepare a student to work as a technician or at the semiprofessional level in engineering, scientific, or other technological fields requiring the understanding and application of basic engineering, scientific, or mathematical principles of knowledge.

(b) **Enrollment of needy students.**—For the purpose of this title, the term “enrollment of needy students” means an enrollment at an institution with respect to which—

(1) at least 50 percent of the degree students so enrolled are receiving need-based assistance under title IV in the second fiscal year preceding the fiscal year for which the determination is made (other than loans for which an interest subsidy is paid pursuant to section 428); or

(2) a substantial percentage of the students so enrolled are receiving Federal Pell Grants in the second fiscal year preceding the fiscal year for which the determination is made, compared to the percentage of students receiving Federal Pell Grants at all such institutions in the second fiscal year preceding the fiscal year for which the determination is made, unless the requirement of this paragraph is waived under section 522(a).

SEC. 503. **[20 U.S.C. 1101b] Authorized activities.**

(a) **Types of activities authorized.**—Grants awarded under this title shall be used by Hispanic-serving institutions of higher education to assist the institutions to plan, develop, undertake, and carry out programs to improve and expand the institutions’ capacity to serve Hispanic students and other low-income students.

(b) **Authorized activities.**—Grants awarded under this section shall be used for one or more of the following activities:
(1) Purchase, rental, or lease of scientific or laboratory equipment for educational purposes, including instructional and research purposes.

(2) Construction, maintenance, renovation, and improvement in classrooms, libraries, laboratories, and other instructional facilities.

(3) Support of faculty exchanges, faculty development, curriculum development, academic instruction, and faculty fellowships to assist in attaining advanced degrees in the fellow's field of instruction.

(4) Purchase of library books, periodicals, and other educational materials, including telecommunications program material.

(5) Tutoring, counseling, and student service programs designed to improve academic success, including innovative and customized instruction courses (which may include remedial education and English language instruction) designed to help retain students and move the students rapidly into core courses and through program completion.

(6) Articulation agreements and student support programs designed to facilitate the transfer from two-year to four-year institutions.

(7) Funds management, administrative management, and acquisition of equipment for use in strengthening funds management.

(8) Joint use of facilities, such as laboratories and libraries.

(9) Establishing or improving a development office to strengthen or improve contributions from alumni and the private sector.

(10) Establishing or improving an endowment fund.
