[As Amended through Public Law 112–166, August 10, 2012]

TITLE I— [MILITARY SELECTIVE SERVICE]

[SHORT TITLE; POLICY AND INTENT OF CONGRESS]

SECTION 1. **[50 U.S.C. 3801]** (a) This Act may be cited as the “Military Selective Service Act.”

(b) The Congress hereby declares that an adequate armed strength must be achieved and maintained to insure the security of this Nation.

(c) The Congress further declares that in a free society the obligations and privileges of serving in the armed forces and the reserve components thereof should be shared generally, in accordance with a system of selection which is fair and just, and which is consistent with the maintenance of an effective national economy.

(d) The Congress further declares, in accordance with our traditional military policy as expressed in the National Defense Act of 1916, as amended,¹ that it is essential that the strength and organization of the National Guard, both Ground and Air, as an integral part of the first line defenses of this Nation, be at all times maintained and assured.

To this end, it is the intent of the Congress that whenever Congress shall determine that units and organizations are needed for the national security in excess of those of the Regular components of the Ground Forces and the Air Forces, and those in active service under this title, the National Guard of the United States, both Ground and Air, or such part thereof as may be necessary, together with such units of the Reserve components as are necessary for a balanced force, shall be ordered to active Federal service and continued therein so long as such necessity exists.

(e) The Congress further declares that adequate provision for national security requires maximum effort in the fields of scientific research and development, and the fullest possible utilization of the Nation’s technological, scientific, and other critical manpower resources.

(f) The Congress further declares that the Selective Service System should remain administratively independent of any other agency, including the Department of Defense.

¹The National Defense Act of 1916 was repealed by section 53 of the Act of August 10, 1956 (70A Stat. 678).

In no event shall the number of enlistments or appointments made under authority of this paragraph in any fiscal year in any Reserve component of the Armed Forces or in the Army National Guard or the Air National Guard cause the personnel strength of such Reserve component or the Army National Guard or the Air National Guard, as the case may be, to exceed the personnel strength for which funds have been made available by the Congress for such fiscal year.

(B) A person who, under any provision of law, is exempt or deferred from training and service under this Act by reason of membership in a reserve component, the Army National Guard, or the Air National Guard, as the case may be, shall, if he becomes a member of another reserve component, the Army National Guard, or the Air National Guard, as the case may be, continue to be exempt or deferred to the same extent as if he had not become a member of another reserve component, the Army National Guard, or the Air National Guard, as the case may be, so long as he continues to serve satisfactorily.

Such persons, except those persons who have previously completed an initial period of military training or an equivalent period of active military training and service, shall be required while enrolled in such programs to complete a period of training equal (as determined under regulation approved by the Secretary of Defense or the Secretary of Homeland Security with respect to the United States Coast Guard) in duration and type of training to an initial

period of military training. There shall be added to the obligated active commissioned service of any person who has agreed to perform such obligatory service in return for financial assistance while attending a civilian college under any such training program a period of not to exceed one year. Except as provided in paragraph (5), upon the successful completion by any person of the required course of instruction under any program listed in clause (A) of the first sentence of this paragraph, such person shall be tendered a commission in the appropriate reserve component of the Armed Forces if he is otherwise qualified for such appointment. If, at the time of, or subsequent to, such appointment, the armed force in which such person is commissioned does not require his service on active duty in fulfillment of the obligation undertaken by him in compliance with clause (B) of the first sentence of this paragraph, such person, shall be ordered to active duty for training with such armed force in the grade in which he was commissioned for a period of active duty for training of not more than six months (not including duty performed under section 10147 of title 10, United States Code), as determined by the Secretary of the military department concerned to be necessary to qualify such person for a mobilization assignment. Upon being commissioned and assigned to a reserve component, such person shall be required to serve therein, or in a reserve component of any other armed force in which he is later appointed, until the eighth anniversary of the receipt of such commission pursuant to the provisions of this section. So long as such person performs satisfactory service, as determined under regulations prescribed by the Secretary of Defense, he shall be deferred from training and service under the provisions of this Act. If such person fails to perform satisfactory service, and such failure is not excused under regulations prescribed by the Secretary of Defense, his commission may be revoked by the Secretary of the military department concerned.

(2) In addition to the training programs enumerated in paragraph (1) of this subsection, and under such regulations as the Secretary of Defense (or the Secretary of the Treasury with respect to the United States Coast Guard) may approve, the Secretaries of the military departments and the Secretary of the Treasury are authorized to establish officer candidate programs leading to the commissioning of persons on active duty. Any person heretofore or hereafter enlisted in the Army Reserve, the Naval Reserve, the Marine Corps Reserve, the Air Force Reserve, or the Coast Guard Reserve who thereafter has been or may be commissioned therein upon graduation from an Officers' Candidate School of such Armed Force shall, if not ordered to active duty as a commissioned officer, be deferred from training and service under the provisions of this Act so long as he performs satisfactory service as a commissioned officer in an appropriate unit of the Ready Reserve, as determined under regulations prescribed by the Secretary of the department concerned. If such person fails to perform satisfactory service in such unit, and such failure is not excused under such regulations, his commission may be revoked by such Secretary.

(3) Nothing in this subsection shall be deemed to preclude the President from providing, by regulation prescribed under subsection (h) of this section, for the deferment from training and serv-

ice of any category or categories of students for such periods of time as he may deem appropriate.

(4) **Paragraph (4) terminated as of July 1, 1973, pursuant to section 9 of Public Law 85-62, June 27, 1957 (71 Stat. 208), as last amended by section 103 of Public Law 92-129, September 28, 1971 (85 Stat. 355)**

(5) Notwithstanding paragraph (1), upon the successful completion by any person of the required course of instruction under any Reserve Officers' Training Corps program listed in clause (A) of the first sentence of paragraph (1) and subject to the approval of the Secretary of the military department having jurisdiction over him, such person may, without being relieved of his obligation under that sentence, he tendered, and accept a commission in the Coast and Geodetic Survey⁹ instead of a commission in the appropriate reserve component of the Armed Forces. If he does not serve on active duty as a commissioned officer of the Coast and Geodetic Survey for at least six years, he shall, upon discharge therefrom, be tendered a commission in the appropriate reserve component of the Armed Forces, if he is otherwise qualified for such appointment, and, in fulfillment of his obligation under the first sentence of paragraph (1), remain a member of a reserve component until the sixth anniversary of the receipt of his commission in the Coast and Geodetic Survey. While a member of a reserve component he may, in addition to as otherwise provided by law, be ordered to active duty for such period that, when added to the period he served on active duty as a commissioned officer of the Coast and Geodetic Survey, equals two years.

【Aviation Cadet Applicants】

(e) Fully qualified and accepted aviation cadet applicants of the Army, Navy, or Air Force who have signed an agreement of service shall, in such numbers as may be designated by the Secretary of Defense, be deferred, during the period covered by the agreement but not to exceed four months, from induction for training and service under this title but shall not be exempt from registration.

【Certain Public Officials】

(f) The Vice President of the United States; the governors of the several States, Territories, and possessions, and all other officials chosen by the voters of the entire State, Territory, or possession; members of the legislative bodies of the United States and of the several States, Territories, and possessions; judges of the courts of record of the United States and of the several States, Territories, possessions, and the District of Columbia shall, while holding such offices, be deferred from training and service under this title in the armed forces of the United States.

⁹Paragraph (5) as enacted (Public Law 87-536, July 18, 1962 (76 Stat. 167)) contained four references to the Coast and Geodetic Survey. The paragraph was never amended to strike out "Coast and Geodetic Survey" and insert "Environmental Science Services Administration".

Section 101(a)(15) of Public Law 92-129, September 28, 1971 (85 Stat. 350), reads as follows:

(15) Section 6(d)(5) **【of the Military Selective Service Act of 1967】** is amended by striking out "Environmental Science Services Administration" each time it appears and inserting in lieu thereof "National Oceanic and Atmospheric Administration".

【Ministers of Religion; Students Preparing for the Ministry】

(g)(1) Regular or duly ordained ministers of religion, as defined in this title, shall be exempt from training and service, but not from registration, under this title.

(2) Students preparing for the ministry under the direction of recognized churches or religious organizations, who are satisfactorily pursuing full-time courses of instruction in recognized theological or divinity schools, or who are satisfactorily pursuing full-time courses of instruction leading to their entrance into recognized theological or divinity schools in which they have been pre-enrolled, shall be deferred from training and service, but not from registration, under this title. Persons who are or may be deferred under provisions of this subsection shall remain liable for training and service in the Armed Forces under the provisions of section 4(a) of this Act until the thirty-fifth anniversary of the date of their birth. The foregoing sentence shall not be construed to prevent the exemption or continued deferment of such persons if otherwise exempted or deferrable under any other provision of this Act.

【Deferment for Occupations, Dependency, Fitness, Extended Liability; Criteria】

(h) Except as otherwise provided in this subsection the President is authorized, under such rules and regulation as he may prescribe, to provide for the deferment from training and service in the Armed Forces of any or all categories of persons whose employment in industry, agriculture, or other occupations or employment, or whose continued service in an Office (other than an Office described in subsection (f)) under the United States or any State, territory or possession, or the District of Columbia, or whose activity in study, research, or medical, dental, veterinary, optometric, osteopathic, scientific, pharmaceutical, chiropractic, chiropodial, or other endeavors is found to be necessary to the maintenance of the national health, safety, or interest: *Provided*, That no person within any such category shall be deferred except upon the basis of his individual status: *Provided further*, That persons who are or may be deferred under the provisions of this section shall remain liable for training and service in the Armed Forces under the provisions of section 4(a) of this Act until the thirty-fifth anniversary of the date of their birth. This proviso shall not be construed to prevent the continued deferment of such persons if otherwise deferrable under any other provisions of this Act. The President is also authorized, under such rules and regulations as he may prescribe, to provide for the deferment from training and service in the Armed Forces (1) of any or all categories of persons in a status with respect to persons (other than wives alone, except in cases of extreme hardship) dependent upon them for support which renders their deferment advisable, and (2) of any or all categories of those persons found to be physically, mentally, or morally deficient or defective. For the purpose of determining whether or not the deferment of any person is advisable, because of his status with respect to persons dependent upon him for support, any payments of allowances which are payable by the United States to the dependents of persons serving in the Armed Forces of the United States shall be

taken into consideration, but the fact that such payments of allowances are payable shall not be deemed conclusively to remove the grounds for deferment when the dependency is based upon financial considerations and shall not be deemed to remove the ground for deferment when the dependency is based upon other than financial considerations and cannot be eliminated by financial assistance to the dependents. Except as otherwise provided in this subsection, the President is also authorized, under such rules and regulations as he may prescribe, to provide for the deferment from training and service in the Armed Forces of any or all categories of persons who have children, or wives and children, with whom they maintain a bona fide family relationship in their homes. No deferment from such training and service in the Armed Forces shall be made in the case of any individual except upon the basis of the status of such individual. There shall be posted in a conspicuous place at the office of each local board a list setting forth the names and classification of those persons who have been classified by such local board. The President may, in carrying out the provisions of this title, recommend criteria for the classification of persons subject to induction under this title, and to the extent that such action is determined by the President to be consistent with the national interest, recommended that such criteria be administered uniformly throughout the United States whenever practicable; except that no local board, appeal board, or other agency of appeal of the Selective Service System shall be required to postpone or defer any person by reason of his activity in study, research, or medical, dental, veterinary, optometric, osteopathic, scientific, pharmaceutical, chiropractic, chiropodial, or other endeavors found to be necessary to the maintenance of the national health, safety, or interest solely on the basis of any test, examination, selection system, class standing, or any other means conducted, sponsored, administered, or prepared by any agency or department of the Federal Government, or any private institution, corporation, association, partnership, or individual employed by an agency or department of the Federal Government.

【Postponement of Induction of Students】

(i)(1) Any person who is satisfactorily pursuing a full-time course of instruction at a high school or similar institution of learning and is issued an order for induction shall, upon the facts being presented to the local board, have his induction postponed (A) until the time of his graduation therefrom, or (B) until he attains the twentieth anniversary of his birth, or (C) until he ceases satisfactorily to pursue such course of instruction, whichever is the earliest. Notwithstanding the preceding sentence, any person who attains the twentieth anniversary of his birth after beginning his last academic year of high school shall have his induction postponed until the end of that academic year if and so long as he continues to pursue satisfactorily a full-time course of instruction.

(2) Any person who while satisfactorily pursuing a full-time course of instruction at a college, university, or similar institution is ordered to report for induction under this title, shall, upon the appropriate facts being presented to the local board, have his in-

duction postponed (A) until the end of the semester or term, or academic year in the case of his last academic year, or (B) until he ceases satisfactorily to pursue such course of instruction, whichever is the earlier.

【Conscientious Objectors】

(j) Nothing contained in this title shall be construed to require any person to be subject to combatant training and service in the armed forces of the United States who, by reason of religious training and belief, is conscientiously opposed to participation in war in any form. As used in this subsection, the term “religious training and belief” does not include essentially political, sociological, or philosophical views, or a merely personal moral code. Any person claiming exemption from combatant training and service because of such conscientious objections whose claim is sustained by the local board shall, if he is inducted into the armed forces under this title, be assigned to noncombatant service as defined by the President, or shall, if he is found to be conscientiously opposed to participation in such noncombatant service, in lieu of such induction, be ordered by his local board, subject to such regulations as the President may prescribe, to perform for a period equal to the period prescribed in section 4(b) such civilian work contributing to the maintenance of the national health, safety, or interest as the Director may deem appropriate and any such person who knowingly fails or neglects to obey any such order from his local board shall be deemed, for the purposes of section 12 of this title, to have knowingly failed or neglected to perform a duty required of him under this title. The Director shall be responsible for finding civilian work for persons exempted from training and service under this subsection and for the placement of such persons in appropriate civilian work contributing to the maintenance of the national health, safety, or interest.

【Duration of Exemption of Deferment】

(k) No exception from registration, or exemption or deferment from training and service, under this title, shall continue after the cause therefor ceases to exist.

【Minority Discharges】

(l) Notwithstanding any other provisions of law, no person between the ages of eighteen and twenty-one shall be discharged from service in the armed forces of the United States while this title is in effect because such person entered such service without the consent of his parent or guardian.

【Moral Standards】

(m) No person shall be relieved from training and service under this title by reason of conviction of a criminal offense, except where the offense of which he has been convicted may be punished by death, or by imprisonment for a term exceeding one year.

【Appeals; Occupational Deferments】

(n) In the case of any registrant whose principal place of employment is located outside the appeal board area in which the local board having jurisdiction over the registrant is located, any occupational deferment made under subsection (h) of this section may, within five days after such deferment is made, be submitted for review and decision to the appeal board having jurisdiction over the area in which is located the principal place of employment of the registrant. Such decision of the appeal board shall be final unless modified or changed by the President, and such decision shall be made public.

【Surviving Son or Brother】

(o) Except during the period of a war or a national emergency declared by Congress, no person may be inducted for training and service under this title unless he volunteers for such induction—

(1) if the father or the mother or a brother or a sister of such person was killed in action or died in line of duty while serving in the Armed Forces after December 31, 1959, or died subsequent to such date as a result of injuries received or disease incurred in line of duty during such service, or

(2) during any period of time in which the father or the mother or a brother or a sister of such person is in a captured or missing status as a result of such service.

As used in this subsection, the term “brother” or “sister” means a brother of the whole blood or a sister of the whole blood, as the case may be.

SEC. 10. **【50 U.S.C. 3809】** (a)(1) There is hereby established in the executive branch of the Government an agency to be known as the Selective Service System, and a Director of Selective Service shall be the head thereof.

(2) The Selective Service System shall include a national headquarters, at least one State headquarters in each State, Territory, and possession of the United States, and in the District of Columbia, and the local boards, appeals boards, and other agencies provided for in subsection (b)(3) of this section.

(3) The Director shall be appointed by the President.

(4) The functions of the Office of Selective Service Records (established by the Act of March 31, 1947) and of the Director of the Office of Selective Service Records are hereby transferred to the Selective Service System and the Director of Selective Service, respectively. The personnel, property, records, and unexpended balances (available or to be made available) of appropriations, allocations, and other funds of the Office of Selective Service Records are hereby transferred to the Selective Service System. The Office of Selective Service Records shall cease to exist upon the taking of effect of the provisions of this title: *Provided*, That, effective upon the termination of this title and notwithstanding such termination in other respects, (A) the said Office of Selective Service Records is hereby established on the same basis and with the same functions as obtained prior to the effective date of this title, (B) said reestablished Office shall be responsible for liquidating any other outstanding affairs of the Selective Service System, and (C) the personnel, property, records, and unexpended balances (available or to be made available) of appropriations, allocations, and other funds of the Selective Service System shall be transferred to such reestablished Office of Selective Service Records.

【Administrative Provisions】

(b) The President is authorized to undertake the following:

(1) To prescribe the necessary rules and regulations to carry out the provisions of this title.

(2) To appoint, upon recommendation of the respective governor or comparable executive official, a State director of the Selective Service System for each headquarters in each State, Territory, and possession of the United States and for the District of Columbia, who shall represent the governor and be in immediate charge of the State headquarters of the Selective Service System: *Provided*, That no State director shall serve concurrently in an elected or appointed position of a State or local government; to employ such number of civilians, and, subject to subsection (e), to order to active duty with their consent and to assign to the Selective Service System such officers of the selective-service section of the State headquarters and headquarters detachments and such other officers of the federally recognized National Guard of the United States or other armed forces personnel (including personnel of the reserve components thereof), as may be necessary for the administration of the national and of the several State headquarters of the Selective Service System.

(3) To create and establish within the Selective Service System civilian local boards, civilian appeal boards, and such other civilian agencies, including agencies of appeal, as may be necessary to carry out its functions with respect to the reg-

istration, examination, classification, selection, assignment, delivery for induction, and maintenance of records of persons registered under this title, together with such other duties as may be assigned under this title: *Provided*, That no person shall be disqualified from serving as a counselor to registrants, including service as Government appeal agent, because of his membership in a Reserve component of the Armed Forces. He shall create and establish one or more local boards in each county or political subdivision corresponding thereto of each State, territory, and possession of the United States, and in the District of Columbia. The local board and/or its staff shall perform their official duties only within the county or political subdivision corresponding thereto for which the local board is established, or in the case of an intercounty board, within the area for which such board is established, except that the staffs of local boards in more than one county of a State or comparable jurisdiction may be collocated or one staff may serve local boards in more than one county of a State or comparable jurisdiction when such action is approved by the Governor or comparable executive official or officials. Each local board shall consist of three or more members to be appointed by the President from recommendations made by the respective Governors or comparable executive officials. In making such appointment after the date of the enactment of the Act enacting this sentence, the President is requested to appoint the membership of each local board so that to the maximum extent practicable it is proportionately representative of the race and national origin of those registrants within its jurisdiction, but no action by any local board shall be declared invalid on the ground that any board failed to conform to any particular quota as to race or national origin. No citizen shall be denied membership on any local board or appeal board on account of sex. After December 31, 1971, no person shall serve on any local board or appeal board who has served on any local board or appeal board for a period of more than 20 years. Notwithstanding any other provision of this paragraph, an intercounty local board consisting of at least one member from each component county or corresponding subdivision may, with the approval of the Governor or comparable executive official or officials, be established for an area not exceeding five counties or political subdivisions corresponding thereto within a State or comparable jurisdiction when the President determines, after considering the public interest involved, that the establishment of such local board will result in a more efficient and economical operation. Any such intercounty local board shall have within its area the same power and jurisdiction as a local board has in its area. A local board may include among its members any citizen otherwise qualified under Presidential regulations, provided he is at least eighteen years of age. No member of any local board shall be a member of the Armed Forces of the United States, but each member of any local board shall be a civilian who is a citizen of the United States residing in the county or political subdivision corresponding thereto in which such local board has jurisdiction, and each intercounty local

board shall have at least one member from each county or political subdivision corresponding thereto included within the intercounty local board area. Such local boards, or separate panels thereof each consisting of three or more members, shall, under rules and regulations prescribed by the President, have the power within the respective jurisdictions of such local boards to hear and determine, subject to the right of appeal to the appeal boards hereby authorized, all questions or claims with respect to inclusion for, or exemption or deferment from, training and service under this title, of all individuals within the jurisdiction of such local boards. The decisions of such local boards shall be final, except where an appeal is authorized and is taken in accordance with such rules and regulations as the President may prescribe. There shall be not less than one appeal board located within the area of each Federal judicial district in the United States and within each Territory and possession of the United States, and such additional separate panels thereof, as may be prescribed by the President. Appeal boards within the Selective Service System shall be composed of civilians who are citizens of the United States and who are not members of the armed forces. The decision of such appeal boards shall be final in cases before them on appeal unless modified or changed by the President. The President, upon appeal or upon his own motion, shall have power to determine all claims or questions with respect to inclusion for, or exemption or deferment from training and service under this title, and the determination of the President shall be final. No judicial review shall be made of the classification or processing of any registrant by local boards, appeal boards, or the President, except as a defense to a criminal prosecution instituted under section 12 of this title, after the registrant has responded either affirmatively or negatively to an order to report for induction, or for civilian work in the case of a registrant determined to be opposed to participation in war in any form: *Provided*, That such review shall go to the question of the jurisdiction herein reserved to local boards, appeals boards, and the President only when there is no basis in fact for the classification assigned to such registrant. No person who is a civilian officer, member, agent, or employee of the Office of Selective Service Records, or the Selective Service System, or of any local board or appeal board or other agency of such Office or System, shall be excepted from registration or deferred or exempted from training and service, as provided for in this title, by reason of his status as such civilian officer, member, agent, or employee.

(4) To appoint, and to fix, in accordance with the provisions of chapter 51 and subchapter III of chapter 53 of title 5, United States Code, relating to classification and General Schedule pay rates, the basic pay of such officers, agents, and employees as he may deem necessary to carry out the provisions of this title, however, any officer of the armed forces or any officer or employee of any department or agency of the United States who may be assigned or detailed to any office or position to carry out the provisions of this title (except to officers of positions on local boards or appeal boards established

or created pursuant to section 10(b)(3)) may serve in and perform the functions of such office or position without loss of or prejudice to his status as such officer in the armed forces or as such officer or employee in any department or agency of the United States.

(5) To utilize the services of any or all departments and any and all officers or agents of the United States, and to accept the services of all officers and agents of the several States, Territories, and possessions, and subdivisions thereof, and the District of Columbia, and of private welfare organizations, in the execution of this title.

(6) To purchase such printing, binding, and blank-book work from public, commercial, or private printing establishments or binderies upon orders placed by the Public Printer or upon waivers issued in accordance with section 12 of the Printing Act approved January 12, 1895, as amended,¹⁰ and to obtain by purchase, loan, or gift such equipment and supplies for the Selective Service System, as he may deem necessary to carry out the provisions of this title, with or without advertising or formal contract.

(7) To prescribe eligibility, rules, and regulations governing the release for service in the armed forces, or for any other special service established pursuant to this title, of any person convicted of a violation of any of the provisions of this title.

(8) Subject to the availability of funds appropriated for such purpose, to procure such space as he may deem necessary to carry out the provisions of this title and the Act of March 31, 1947 (50 U.S.C. App. 321 et seq.).

(9) Subject to the availability of funds appropriated for such purposes, to determine the location of such additional temporary installations as he may deem essential; to utilize and enlarge such existing installations; to construct, install, and equip, and to complete the construction, installation, and equipment of such buildings, structures, utilities, and appurtenances (including the necessary grading and removal, repair or remodeling of existing structures and installations), as may be necessary to carry out the provisions of this title; and, in order to accomplish the purpose of this title, to acquire lands and rights pertaining thereto, or other interests therein, for temporary use thereof, by donation or lease, and to prosecute construction thereon prior to the approval of the title by the Attorney General as required by section 355, Revised Statutes, as amended.

(10) Subject to the availability of funds appropriated for such purposes, to utilize, in order to provide and furnish such services as may be deemed necessary or expedient to accomplish the purposes of this title, such personnel of the armed forces and of Reserve components thereof with their consent, and such civilian personnel, as may be necessary. For the purposes of this title, the provisions of section 14 of the Federal

【Settlement of Travel Claims】

(f) The Director is authorized to make final settlement of individual claims, for amounts not exceeding \$500, for travel and other expenses of uncompensated personnel of the Office of Selective Service Records, or the Selective Service System, incurred while in the performance of official duties, without regard to other provisions of law governing the travel of civilian employees of the Federal Government.

SEC. 12. 【50 U.S.C. 3811】 (a) Any member of the Selective Service System or any other person charged as herein provided with the duty of carrying out any of the provisions of this title, or the rules or regulations made or directions given thereunder, who shall knowingly fail or neglect to perform such duty, and any person charged with such duty, or having and exercising any authority under said title, rules, regulations, or directions who shall knowingly make, or be a party to the making, of any false, improper, or incorrect registration, classification, physical or mental examination, deferment, induction, enrollment, or muster, and any person who shall knowingly, make, or be a party to the making of, any false statement or certificate regarding or bearing upon a classification or in support of any request for a particular classification, for service under the provisions of this title, or rules, regulations, or directions made pursuant thereto, or who otherwise evades or refuses registration or service in the armed forces or any of the requirements of this title, or who knowingly counsels, aids, or abets another to refuse or evade registration or service in the armed forces or any of the requirements of this title, or of said rules, regulations, or directions, or who in any manner shall knowingly fail or neglect or refuse to perform any duty required of him under or in the execution of this title, or rules, regulations, or directions made pursuant to this title, or any person or persons who shall knowingly hinder or interfere or attempt to do so in any way, by force or violence or otherwise, with the administration of this title or the rules or regulations made pursuant thereto, or who conspires to commit any one or more of such offenses, shall, upon conviction in any district court of the United States of competent jurisdiction, be punished by imprisonment for not more than five years or a fine of not more than \$10,000, or by both such fine and imprisonment,

or if subject to military or naval law may be tried by court martial, and, on conviction, shall suffer such punishment as a court martial may direct. No person shall be tried by court martial in any case arising under this title unless such person has been actually inducted for the training and service prescribed under this title or unless he is subject to trial by court martial under laws in force prior to the enactment of this title.

(b) Any person (1) who knowingly transfers or delivers to another, for the purpose of aiding or abetting the making of any false identification or representation, any registration certificate, alien's certificate of nonresidence, or any other certificate issued pursuant to or prescribed by the provisions of this title, or rules or regulations promulgated hereunder; or (2) who, with intent that it be used for any purpose of false identification or representation, has in his possession any such certificate not duly issued to him; or (3) who forges, alters, knowingly destroys, knowingly mutilates, or in any manner changes any such certificate or any notation duly and validly inscribed thereon; or (4) who, with intent that it be used for any purpose of false identification or representation, photographs, prints, or in any manner makes or executes any engraving, photograph, print, or impression in the likeness of such certificate, or any colorable imitation thereof; or (5) who has in his possession any certificate purporting to be a certificate issued pursuant to this title, or rules and regulations promulgated hereunder, which he knows to be falsely made, reproduced, forged, counterfeited, or altered; or (6) who knowingly violates or evades any of the provisions of this title or rules and regulations promulgated pursuant thereto relating to the issuance, transfer, or possession of such certificate, shall upon conviction, be fined not to exceed \$10,000 or be imprisoned for not more than five years, or both. Whenever on trial for a violation of this subsection the defendant is shown to have or to have had possession of any certificate not duly issued to him, such possession shall be deemed sufficient evidence to establish an intent to use such certificate for purposes of false identification or representation, unless the defendant explains such possession to the satisfaction of the jury.

(e) The President may require the Secretary of Health and Human Services to furnish to the Director, from records available to the Secretary, the following information with respect to individuals who are members of any group of individuals required by a proclamation of the President under section 3 to present themselves for and submit to registration under such section: name,

date of birth, social security account number, and address. Information furnished to the Director by the Secretary under this subsection shall be used only for the purpose of the enforcement of this Act.

(f)(1) Except as provided in subsection (g), any person who is required under section 3 to present himself for and submit to registration under such section and fails to do so in accordance with any proclamation issued under such section, or in accordance with any rule or regulation issued under such section, shall be ineligible for any form of assistance or benefit provided under title IV of the Higher Education Act of 1965.

(2) In order to receive any grant, loan, or work assistance under title IV of the Higher Education Act of 1965 (20 U.S.C. 1070 et seq.), a person who is required under section 3 to present himself for and submit to registration under such section shall file with the institution of higher education which the person intends to attend, or is attending, a statement of compliance with section 3 and regulations issued thereunder.

(3) The Secretary of Education, in agreement with the Director, shall prescribe methods for verifying such statements of compliance filed pursuant to paragraph (2). Such methods may include requiring institutions of higher education to provide a list to the Secretary of Education or to the Director of persons who have submitted such statements of compliance.

(4) The Secretary of Education, in consultation with the Director, shall issue regulations to implement the requirements of this subsection. Such regulations shall provide that any person to whom the Secretary of Education proposes to deny assistance or benefits under title IV for failure to meet the registration requirements of section 3 and regulations issued thereunder shall be given notice of the proposed denial and shall have a suitable period (of not less than thirty days) after such notice to provide the Secretary with information and materials establishing that he has complied with the registration requirement under section 3. Such regulations shall also provide that the Secretary may afford such person an opportunity for a hearing to establish his compliance or for any other purpose.

(g) A person may not be denied a right, privilege, or benefit under Federal law by reason of failure to present himself for and submit to registration under section 3 if—

(b) All functions performed under this title shall be excluded from the operation of the Administrative Procedure Act (60 Stat. 237)¹³ except as to the requirements of section 3 of such Act. After the publication of any regulation and prior to the date on which such regulation becomes effective, any person shall be given an opportunity to submit his views to the Director on such regulation, but no formal hearing be required on any such regulation. The requirements of this subsection may be waived by the President in the case of any regulation if he (1) determines that compliance with such requirements would materially impair the national defense, and (2) gives public notice to that effect at the time such regulation is issued.

(c) In computing the lump-sum payments made to Air Force Reserve Officers under the provisions of section 2 of the Act of June 16, 1936, as amended (U.S.C., title 10, sec. 300a), and to Reserve officers of the Navy or to their beneficiaries under section 12 of the Act of August 4, 1942, as amended (U.S.C., title 34, sec. 850k¹⁴), no credit shall be allowed for any period of active service performed from the effective date of this title to the date on which this title shall cease to be effective. Each such lump-sum payment shall be prorated for a fractional part of a year of active service in the case of any reserve officer subject to the provisions of either such section, if such reserve officer performs continuous active service for one or more years (inclusive of such service performed during the period in which this title is effective) and such active service includes a fractional part of a year immediately prior to the effective date of this title, or immediately following the date on which this title shall cease to be effective, or both.

the President is authorized to take immediate possession of any plant, mine, or other facility of such person and to operate it, through any Government agency, for the production of such articles or materials as may be required by the Government.

(d) Fair and just compensation shall be paid by the United States (1) for any articles or materials furnished pursuant to an order placed under subsection (a), or (2) as rental for any plant, mine, or other facility of which possession is taken under subsection (c).

(e) Nothing contained in this section shall be deemed to render inapplicable to any plant, mine, or facility of which possession is taken pursuant to subsection (c) any State or Federal laws concerning the health, safety, security, or employment standards of employees.

(f) Any person, or any officer of any person as defined in this section, who willfully fails or refuses to carry out any duty imposed upon him by subsection (b) of this section shall be guilty of a felony and, upon conviction thereof, shall be punished by imprisonment for not more than three years, or by a fine of not more than \$50,000, or by both such imprisonment and fine.

(A) The term “person” means any individual, firm, company, association, corporation, or other form of business organization.

(B) The term “Government agency” means any department, agency, independent establishment, or corporation in the Executive branch of the United States Government.

(2) For the purposes of this section, a plant, mine, or other facility shall be deemed capable of producing any articles or materials if it is then producing or furnishing such articles or materials or if the President after consultation with and receiving advice from the National Security Resources Board determines that it can be readily converted to the production or furnishing of such articles or materials.

(h) The President is empowered, through the Secretary of Defense, to require all producers of steel in the United States to make available, to individuals, firms, associations, companies, corporations, or organized manufacturing industries having orders for steel

Compliance with such requirement shall be obligatory on all such producers of steel and such requirement shall take precedence over all orders and contracts theretofore placed with such producers. If any such producer of steel or the responsible head or heads thereof refuses to comply with such requirement, the President, through the Secretary of Defense, is authorized to take immediate possession of the plant or plants of such producer and, through the appropriate branch, bureau, or department of the armed forces, to insure compliance with such requirement. Any such producer of steel or the responsible head or heads thereof refusing to comply with such requirements shall be deemed guilty of a felony and upon conviction thereof shall be punished by imprisonment for not more than three years and a fine not exceeding \$50,000.
