

**National Foundation on the Arts and the Humanities Act of
1965**

(P.L. 89–209)

[As Amended Through P.L. 113–76, Enacted January 17, 2014]

AN ACT To provide for the establishment of the National Foundation on the Arts and the Humanities to promote progress and scholarship in the humanities and the arts in the United States, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

Section 1. This Act may be cited as the “National Foundation on the Arts and the Humanities Act of 1965”.

(20 U.S.C. 951, note) Enacted Sept. 29, 1965, P.L. 89–202, sec. 1, 79 Stat. 845; amended May 31, 1984, P.L. 98–306, sec. 2, 98 Stat. 223; amended Dec. 20, 1985, P.L. 99–194, sec. 101, 99 Stat. 1332.

DECLARATION OF FINDINGS AND PURPOSES

SEC. 2. The Congress finds and declares the following:

(1) The arts and the humanities belong to all the people of the United States.

(2) The encouragement and support of national progress and scholarship in the humanities and the arts, while primarily a matter for private and local initiative, are also appropriate matters of concern to the Federal Government.

(3) An advanced civilization must not limit its efforts to science and technology alone, but must give full value and support to the other great branches of scholarly and cultural activity in order to achieve a better understanding of the past, a better analysis of the present, and a better view of the future.

(4) Democracy demands wisdom and vision in its citizens. It must therefore foster and support a form of education, and access to the arts and the humanities, designed to make people of all backgrounds and wherever located masters of their technology and not its unthinking servants.

(5) It is necessary and appropriate for the Federal Government to complement, assist, and add to programs for the advancement of the humanities and the arts by local, State, regional, and private agencies and their organizations. In doing so, the Government must be sensitive to the nature of public sponsorship. Public funding of the arts and humanities is subject to the conditions that traditionally govern the use of public money. Such funding should contribute to public support and confidence in the use of taxpayer funds. Public funds provided

by the Federal Government must ultimately serve public purposes the Congress defines.

(6) The arts and the humanities reflect the high place accorded by the American people to the nation's¹ rich cultural heritage and to the fostering of mutual respect for the diverse beliefs and values of all persons and groups.

(7) The practice of art and the study of the humanities require constant dedication and devotion. While no government can call a great artist or scholar into existence, it is necessary and appropriate for the Federal Government to help create and sustain not only a climate encouraging freedom of thought, imagination, and inquiry but also the material conditions facilitating the release of this creative talent.

(8) The world leadership which has come to the United States cannot rest solely upon superior power, wealth, and technology, but must be solidly founded upon worldwide respect and admiration for the Nation's high qualities as a leader in the realm of ideas and of the spirit.

(9) Americans should receive in school, background and preparation in the arts and humanities to enable them to recognize and appreciate the aesthetic dimensions of our lives, the diversity of excellence that comprises our cultural heritage, and artistic and scholarly expression.

(10) It is vital to a democracy to honor and preserve its multicultural artistic heritage as well as support new ideas, and therefore it is essential to provide financial assistance to its artists and the organizations that support their work.

(11) To fulfill its educational mission, achieve an orderly continuation of free society, and provide models of excellence to the American people, the Federal Government must transmit the achievement and values of civilization from the past via the present to the future, and make widely available the greatest achievements of art.

(12) In order to implement these findings and purposes, it is desirable to establish a National Foundation on the Arts and the Humanities.

(20 U.S.C. 951) Enacted Nov. 5, 1990, P.L. 101-512, sec. 101, 104 Stat. 1961.

ESTABLISHMENT OF THE NATIONAL ENDOWMENT FOR THE ARTS

SEC. 5. (a) There is established within the Foundation a National Endowment for the Arts.

(b)(1) The Endowment shall be headed by a chairperson, to be known as the Chairperson of the National Endowment for the Arts, who shall be appointed by the President, by and with the advice and consent of the Senate.

(2) The term of office of the Chairperson shall be four years and the Chairperson shall be eligible for reappointment. The provisions of this subsection shall apply to any person appointed to fill a vacancy in the office of Chairperson. Upon expiration of the Chairperson's term of office the Chairperson shall serve until the Chairperson's successor shall have been appointed and shall have qualified.

(1) projects and productions which have substantial national or international artistic and cultural significance, giving emphasis to American creativity and cultural diversity and to the maintenance and encouragement of professional excellence;

(2) projects and productions, meeting professional standards of authenticity or tradition, irrespective of origin, which are of significant merit and which, without such assistance, would otherwise be unavailable to our citizens for geographic or economic reasons;

(3) projects and productions that will encourage and assist artists and enable them to achieve wider distribution of their works, to work in residence at an educational or cultural institution, or to achieve standards of professional excellence;

(4) projects and productions which have substantial artistic and cultural significance and that reach, or reflect the culture of, a minority, inner city, rural, or tribal community;

In the case of publications under paragraph (10) of this subsection such publications may be supported without regard for the provisions of section 501 of title 44, United States Code, only if the Chairperson consults with the Joint Committee on Printing of the Congress and the Chairperson submits to the Committee on Labor and Human Resources of the Senate and the Committee on Education and Labor of the House of Representatives a report justifying any exemption from such section 501. Any loans made by the Chairperson under this subsection shall be made in accordance with terms and conditions approved by the Secretary of the Treasury. In selecting individuals and groups of exceptional talent as recipients of financial assistance to be provided under this subsection, the Chairperson shall give particular regard to artists and artistic groups that have traditionally been underrepresented.

(d) No payment shall be made under this section except upon application therefor which is submitted to the National Endowment for the Arts in accordance with regulations issued and procedures established by the Chairperson. In establishing such regulations and procedures, the Chairperson shall ensure that—

(2) applications are consistent with the purposes of this section. Such regulations and procedures shall clearly indicate that obscenity is without artistic merit, is not protected speech, and shall not be funded. The disapproval or approval of an application by the Chairperson shall not be construed to mean, and shall not be considered as evidence that, the project, production, workshop, or program for which the applicant requested financial assistance is or is not obscene.

(2) In order to receive assistance under this subsection in any fiscal year, a State shall submit an application for such grants at such time as shall be specified by the Chairperson and accompany such applications with a plan which the Chairperson finds—

(A) designates or provides for the establishment of a State agency (hereinafter in this section referred to as the “State agency”) as the sole agency for the administration of the State plan;

(B) provides that funds paid to the State under this subsection will be expended solely on projects and productions approved by the State agency which carry out one or more of the objectives of subsection (c);

(C) provides that the State agency will make such reports, in such form and containing such information, as the Chairperson may from time to time require, including a description of the progress made toward achieving the goals of the State plan;

(D) provides—

(i) assurances that the State agency has held, after reasonable notice, public meetings in the State to allow all groups of artists, interested organizations, and the public to present views and make recommendations regarding the State plan; and

(ii) a summary of such recommendations and the State agency’s response to such recommendations; and

(E) contains—

(i) a description of the level of participation during the most recent preceding year for which information is available by artists, artists’ organizations, and arts organizations in projects and productions for which financial assistance is provided under this subsection;

(ii) for the most recent preceding year for which information is available, a description of the extent projects and productions receiving financial assistance from the State arts agency are available to all people and communities in the State; and

(iii) a description of projects and productions receiving financial assistance under this subsection that exist or are being developed to secure wider participation of artists, artists’ organizations, and arts organizations identified under clause (i) of this subparagraph or that address the availability of the arts to all people or communities identified under clause (ii) of this subparagraph.

No application may be approved unless the accompanying plan satisfies the requirements specified in this subsection.

(3) Of the sums available to carry out this subsection for any fiscal year, each State which has a plan approved by the Chairperson shall be allotted at least \$200,000. If the sums appropriated are insufficient to make the allotments under the preceding sentence in full, such sums shall be allotted among such States in equal amounts. In any case where the sums available to carry out this subsection for any fiscal year are in excess of the amount required to make the allotments under the first sentence of this paragraph—

(A) the amount of such excess which is no greater than 25 per centum of the sums available to carry out this subsection for any fiscal year shall be available only to the Chairperson for making grants under this subsection to States and regional groups,¹ and

(B) the amount of such excess, if any, which remains after reserving in full for the Chairperson the amount required under clause (A) shall be allotted among the States which have plans approved by the Chairperson in equal amounts¹

but in no event shall any State be allotted less than \$200,000.

(4)(A) The amount of each allotment to a State for any fiscal year under this subsection shall be available to each State, which has a plan approved by the Chairperson in effect on the first day of such fiscal year to pay not more than 50 per centum of the total cost of any project or production described in paragraph (1). The amount of any allotment made under paragraph (3) for any fiscal year which exceeds \$125,000 shall be available, at the discretion of the Chairperson, to pay up to 100 per centum of such cost of projects and productions if such projects and productions would otherwise be unavailable to the residents of that State: *Provided*, That the total amount of any such allotment for any fiscal year which is exempted from such 50 per centum limitation shall not exceed 20 per centum of the total of such allotment for such fiscal year. Whenever a State agency requests that the Chairperson exercise such discretion, the Chairperson shall—

(i) give consideration to the various circumstances the State is encountering at the time of such request; and

(ii) ensure that such discretion is not exercised with respect to such State in perpetuity.

(B) Any amount allotted to a State under the first sentence of paragraph (3) for any fiscal year which is not obligated by the State prior to 60 days prior to the end of the fiscal year for which such sums are appropriated shall be available for making grants to regional groups.

(C) Funds made available under this subsection shall not be used to supplant non-Federal funds. The non-Federal funds required by subparagraph (A) to pay 50 percent of the cost of a program or production shall be provided from funds directly controlled and appropriated by the State involved and directly managed by the State agency of such State.

¹ Should be amended to insert a semicolon.

(D) For the purpose of paragraph (3) and paragraph (4) of this section the term “regional group” means any multistate group, whether or not representative of contiguous States.

the Chairperson shall immediately notify the Secretary of the Treasury and the group or State agency with respect to which such finding was made that no further grants will be made under this section to such group or agency until there is no longer any default or failure to comply or the diversion has been corrected, or, if compliance or correction is impossible, until such group or agency repays or arranges the repayment of the Federal funds which have been improperly diverted or expended.

(i) It shall be a condition of the receipt of financial assistance provided under this section by the Chairperson or the State agency that the applicant for such assistance include in its application—

(1) a detailed description of the proposed project, production, workshop, or program for which the applicant requests such assistance;

(2) a timetable for the completion of such proposed project, production, workshop, or program;

- (1) not more than two-thirds of such assistance may be provided at the time such application is approved; and
- (2) the remainder of such assistance may not be provided until the Chairperson finds that the recipient of such assistance is complying substantially with this section and with the conditions under which such assistance is provided to such recipient.
- (k) The Inspector General of the Endowment shall conduct appropriate reviews to ensure that recipients of financial assistance under this section comply with the regulations under this Act that apply with respect to such assistance, including regulations relating to accounting and financial matters.
- (l)(1) If, after reasonable notice and opportunity for a hearing on the record, the Chairperson determines that a recipient of financial assistance provided under this section by the Chairperson or any non-Federal entity, used such financial assistance for a project, production, workshop, or program that is determined to be obscene, then the Chairperson shall require that until such recipient repays such assistance (in such amount, and under such terms and conditions, as the Chairperson determines to be appropriate) to the Endowment;¹ no subsequent financial assistance be provided under this section to such recipient.

Compliance with the safety and sanitary laws of the State in which the performance or part thereof is to take place shall be prima facie evidence of compliance. The Secretary of Labor shall have the authority to prescribe standards, regulations, and procedures as the Secretary of Labor may deem necessary or appropriate to carry out the provisions of this subsection.

(n) It shall be a condition of the receipt of any grant under this section that the group or individual of exceptional talent or the State or State agency receiving such grant furnish adequate assurances to the Secretary of Labor that all laborers and mechanics employed by contractors or subcontractors on construction projects assisted under this section shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act¹, as amended (40 U.S.C. 276a–276a–5). In selecting individuals and groups of exceptional talent as recipients of financial assistance to be provided under this subsection, the Chairperson shall give particular regard to scholars, and educational and cultural institutions, that have traditionally been underrepresented.

(d) The Chairperson shall coordinate the programs of the National Endowment for the Humanities, insofar as practicable, with existing Federal programs, designated State humanities agencies and with those undertaken by other public agencies or private groups, and shall develop the programs of the Endowment with due regard to the contribution to the objectives of this Act which can be made by other Federal agencies under existing programs.

(4) Of the sums available to carry out this subsection for any fiscal year, each State and each grant recipient which has a plan approved by the Chairperson shall be allotted at least \$200,000. If the sums appropriated are insufficient to make the allotments under the preceding sentence in full, such sums shall be allotted among such States and grant recipients in equal amounts. In any case where the sums available to carry out this subsection for any fiscal year are in excess of the amount required to make the allotments under the first sentence of this paragraph—

(A) 34 per centum of the amount of such excess for such fiscal year shall be available to the Chairperson for making grants under this subsection to States and regional groups and entities applying for such grants;

(B) 44 per centum of the amount of such excess for such fiscal year shall be allotted in equal amounts among the States

and grant recipients which have plans approved by the Chairperson; and

(C) 22 per centum of the amount of such excess for such fiscal year shall be allotted among the States and grant recipients which have plans approved by the Chairperson in amounts which bear the same ratio to such excess as the population of the State for which the plan is approved (or, in the case of a grant recipient other than a State, the population of the State in which such grant recipient is located) bears to the population of all the States.

(5)(A) The amount of each allotment to a State for any fiscal year under this subsection shall be available to each State or grant recipient, which has a plan or application approved by the Chairperson in effect on the first day of such fiscal year, to pay not more than 50 per centum of the total cost of any project or production described in paragraph (1). (C) Funds made available under this subsection shall not be used to supplant non-Federal funds.

(D) For the purposes of this paragraph, the term “regional group” means any multistate group, whether or not representative of contiguous States.

(E) For purposes of paragraph (4)(B), the term “State” and the term “grant recipient” include, in addition to the several States of the Union, only those special jurisdictions specified in section 3(g) which have a population of 200,000 or more, according to the latest decennial census.

(6) All amounts allotted or made available under paragraph (4) for a fiscal year which are not granted to any entity during such fiscal year shall be available to the National Endowment for the Humanities for the purpose of carrying out subsection (c).

(7) Whenever the Chairperson, after reasonable notice and opportunity for hearing, finds that—

(A) a group or grant recipient is not complying substantially with the provisions of this subsection;

(B) a State agency or grant recipient is not complying substantially with terms and conditions of its State plan or grant recipient application approved under this subsection; or

(C) any funds granted to any group or State agency or grant recipient under this subsection have been diverted from the purposes for which they are allotted or paid,

the Chairperson shall immediately notify the Secretary of the Treasury and the group, State agency, or grant recipient with re-

(8) Except as provided in paragraphs (4), (5), and (6), the Chairperson may not make grants under this subsection to more than one entity in any State.

(g) It shall be a condition of the receipt of any grant under this section that the group, individual, or State agency or entity receiving such grant furnish adequate assurances to the Secretary of Labor that (1) all professional performers and related or supporting professional personnel employed on projects or productions which are financed in whole or in part under this section will be paid, without subsequent deduction or rebate on any account, not less than the minimum compensation as determined by the Secretary of Labor to be the prevailing minimum compensation for persons employed in similar activities; and (2) no part of any project or production which is financed in whole or in part under this section will be performed or engaged in under working conditions which are unsanitary or hazardous or dangerous to the health and safety of the employees engaged in such project or production. Compliance with the safety and sanitary laws of the State in which the performance or part thereof is to take place shall be prima facie evidence of compliance. The Secretary of Labor shall prescribe standards, regulations, and procedures necessary to carry out this subsection.

(h)(1) The Chairperson of the National Endowment for the Humanities, with the advice of the National Council on the Humanities, is authorized, in accordance with the provisions of this subsection, to establish and carry out a program of contracts with, or grants-in-aid to, public agencies and private nonprofit organizations for the purpose of—

(2)(A) Except as provided in subparagraph (B) of this paragraph, the total amount of any payment made under this subsection for a program or project may not exceed 50 per centum of the cost of such program or project.

(B) The Chairperson, with the advice of the Council, may waive all or part of the requirement of matching funds provided in subparagraph (A) of this paragraph, but only for the purposes described in clause (F) of paragraph (1), whenever he determines that highly meritorious proposals for grants and contracts under such clause, could not otherwise be supported from non-Federal sources or from Federal sources other than funds authorized by section 11(a)(3), unless such matching requirement is waived. Such waiver may not exceed 15 per centum of the amount appropriated in any fiscal year and available to the National Endowment for the Humanities for the purpose of this subsection.

(3) In carrying out the program authorized by this subsection, the Chairperson of the National Endowment for the Humanities shall have the same authority as is established in section 7(c) and section 10.

(i) The Chairperson may enter into interagency agreements to promote or assist with the humanities-related activities of other Federal agencies, on either a reimbursable or nonreimbursable basis, and may use funds authorized to be appropriated for the purposes of subsection (c) for the costs of such activities.
