SHORT TITLE

SECTION 1. [2501] This Act may be cited as the “Peace Corps Act”.

DECLARATION OF PURPOSE

SEC. 2. [2501] (a) The Congress of the United States declares that it is the policy of the United States and the purpose of this Act to promote world peace and friendship through a Peace Corps, which shall make available to interested countries and areas men and women of the United States qualified for service abroad and willing to serve, under conditions of hardship if necessary, to help the peoples of such countries and areas in meeting their needs for trained manpower, particularly in meeting the basic needs of those living in the poorest areas of such countries, and to help promote a better understanding of the American people on the part of the peoples served and a better understanding of other peoples on the part of the American people.

(h) In recognition of the fact that there are over 400,000,000 disabled people in the world, 95 percent of whom are among the poorest of the poor, the Peace Corps shall be administered so as to give particular attention to programs, projects, and activities which tend to integrate disabled people into the national economies of developing countries, thus improving their status and assisting the total development effort.

The terms and conditions of the enrollment, training (including training under section 8A), compensation, hours of work, benefits, leave, termination, and all other terms and conditions of the service of volunteers shall be exclusively those set forth in this Act and those consistent therewith which the President may prescribe; and, except as provided in this Act, volunteers shall not be deemed officers or employees or otherwise in the service or employment of, or holding office under, the United States for any purpose. In carrying out this subsection there shall be no discrimination against any person on account of race, sex, creed, or color.

Supplies or equipment provided volunteers to insure their capacity to serve effectively may be transferred to the government or to other entities of the country or area with which they have been serving, when no longer necessary for such purpose, and when such transfers would further the purposes of this Act. Transportation and travel allowances may also be provided in such circumstances as the President may determine, or applicants for enrollment to or from places of training and places of enrollment, and for former volunteers from places of termination to their homes in the United States.

(c) Volunteers shall be entitled to receive a readjustment allowance at a rate not less than $125 for each month of satisfactory service as determined by the President. The readjustment allowance of each volunteer shall be payable on his return to the United States.

In the event of the volunteer’s death during the period of his service, the amount of any unpaid readjustment allowance shall be paid in accordance with the provisions of section 5582(b) of title 5, United States Code. For purposes of the Internal Revenue Code of 1954 (26 U.S.C.), a volunteer shall be deemed to be paid and to receive each amount of a readjustment allowance to which he is entitled after December 31, 1964, when such amount is transferred from funds made available under this Act to the fund from which such readjustment allowance is payable.

(d) [Repealed]

(e) Volunteers shall receive such health care (including, if necessary, for volunteers and trainees, services under section 8B) during their service, applicants for enrollment shall receive such health examinations preparatory to their service, applicants for enrollment who have accepted an invitation to begin a period of training under section 8(a) of this Act shall receive, preparatory to their service, such immunization, dental care, and information on prescription options and potential interactions, as necessary and appropriate and in accordance with subsection (f), and former volunteers shall receive such health examinations within six months after termination of their service, including services provided in accordance with section 8B (except that the six-month limitation shall not apply in the case of such services), as the President may deem necessary or appropriate. Subject to such conditions as the President may prescribe, such health care may be provided in any facility of any agency of the United States Government, and in such cases the appropriation for maintaining and operating such facility shall be reimbursed from appropriations available under this Act. Health care may not be provided under this subsection in a manner inconsistent with the Assisted Suicide Funding Restriction Act of 1997.

(f) The Director of the Peace Corps shall consult with health experts outside the Peace Corps, including experts licensed in the field of mental health, and follow guidance by the Centers for Disease Control and Prevention regarding the prescription of medications to a volunteer.

(g)(1) Any period of satisfactory service of a volunteer under this Act shall be credited in connection with subsequent employment in the same manner as a like period of civilian employment by the United States Government—

(A) for the purposes of section 816(a) of the Foreign Service Act of 1980 and every other Act establishing a retirement system for civilian employees of any United States Government agency; and

(B) except as otherwise determined by the President, for the purposes of determining seniority, reduction in force, and layoff rights, leave entitlement, and other rights and privileges based upon length of service under the laws administered by the Office of Personnel Management, the Foreign Service Act
of 1980, and every other Act establishing or governing terms and conditions of service of civilian employees of the United States Government: Provided, That service of a volunteer shall not be credited toward completion of any probationary or trial period or completion of any service requirement for career appointment.

(2) For the purposes of paragraph (1)(A) of this subsection, volunteers and volunteer leaders shall be deemed to be receiving compensation during their service at the respective rates of readjustment allowances payable under sections 5(c) and (6)(1) of this Act.

(h) The President may detail or assign volunteers or otherwise make them available to any entity referred to in paragraph (1) of section 10(a) on such terms and conditions as he may determine: Provided, That not to exceed two hundred volunteers may be assigned to carry out secretarial or clerical duties on the staffs of the Peace Corps representatives abroad: Provided, however, That any volunteer so detailed or assigned shall continue to be entitled to the allowances, benefits and privileges of volunteers authorized under or pursuant to this Act.

(j) The service of a volunteer may be terminated at any time at the pleasure of the President.

(k) Upon enrollment in the Peace Corps, every volunteer shall take the oath prescribed for persons appointed to any office of honor or profit by section 3331 of title 5, United States Code.

(l) In order to assure that the skills and experience which former volunteers have derived from their training and their service abroad are best utilized in the national interest, the President may, in cooperation with agencies of the United States, private employers, educational institutions and other entities of the United States, undertake programs under which volunteers would be counseled with respect to opportunities for further education and employment.

(p)(1) Not later than 10 days after receiving notification of the death of a volunteer, the President shall provide a briefing to the Inspector General of the Peace Corps that includes—

(A)(i) the available facts and circumstances surrounding the death of the volunteer, including a preliminary timeline of the events immediately preceding the death of the volunteer, subsequent actions taken by the Peace Corps, and any information available to the Peace Corps reflecting on the cause or root cause of the death of the volunteer; and

The Inspector General of the Peace Corps shall be provided an opportunity to inspect such items before their final disposition.

(4) Consistent with the Inspector General Act of 1978 (5 U.S.C. App.), the Inspector General of the Peace Corps may independently review the facts and circumstances surrounding the death of a volunteer and the actions taken by the Peace Corps in responding to such incident.

The request shall be limited to costs relating to hiring, procuring, or otherwise obtaining medical-related experts or expert services, and associated travel.
